 HYUNDAI™

09 SANTA FE

Discover the 2009 Santa Fe.

The 2009 Santa Fe, Hyundai's stylish midsize CUV, unites agile performance with sleek design. It delivers the ultimate in utility, 5-star crash safety^A, and tasteful styling to give you an all-in-one, do-it-all vehicle.

Too much to do, too little time? It seems like the only way to get it all done is to be an expert multi-tasker. Without the right vehicle, that may be wishful thinking. Sometimes it's cargo you're moving, other times, it's people. And what about the golf clubs, skis, or the end tables you just bought? Not to worry. We've got you covered. Discover a vehicle specially designed for the multi-tasker. Discover the 2009 Santa Fe.

Exudes confidence.

09
SANTA FE

exterior design

LOOKS THAT DON'T DECEIVE. In a design this pleasing to the eye, there are no sharp edges or blunt finishes. The Santa Fe melds stunning curves with modern accents to strike the perfect balance of contemporary styling and state-of-the-art functionality. An available sunroof and spoiler give your Santa Fe added sportiness, and standard roof rack side rails provide further utility. Available 18-inch alloy wheels (Limited only) maximize the Santa Fe's commanding presence on the road. And with available fog lights and standard power-adjustable heated exterior mirrors, you can outfit your Santa Fe for even the most unpredictable weather.

18" 6-SPOKE ALLOYS. The Limited makes a memorable first impression with 18" 6-spoke alloy wheels. The 2.7L GL comes with 16" steel wheels while all other models are equipped with 16" 5-spoke alloys.

FRONT GRILLE FASCIA. The Santa Fe's distinctive face features a stylish black grille (2.7L GL) with optional chrome surround (3.3L GL/GLS) and chrome slats (Limited) for added impact. It is further distinguished by wrap-around, jewelled projector-beam headlights.

Agility. Versatility. Mobility.

LIMITED MODEL IN DARK RED

09

SANTA FE

performance

PERFORMANCE YOU CAN DEPEND ON. The Santa Fe is the ready-for-anything CUV. Its ride is smooth and silent, delivering the agile handling of a sedan. Available with a choice of two powerful V6 engines, the Santa Fe is a born performer. Transmission options include a 5-speed manual, or 4- or 5-speed automatic with SHIFTRONIC™. Optional AWD provides assured control even in precarious weather conditions. Macpherson struts up front and a multi-link rear suspension, gas shocks and front and rear stabilizer bars contribute to the Santa Fe's confident handling.

PURE, PROFICIENT AND POWERFUL. The Continuously Variable Valve Timing (CVT) of the Santa Fe's light, aluminum constructed 2.7L Mu V6 and 3.3L Lambda V6 high-tech engines makes them fuel-efficient and clean-burning. They also deliver an impressive 185 and 242 horses respectively, for plenty of power when you need it.

ELECTRONICALLY CONTROLLED AWD. Standard on the Limited and optional on both the 3.3L GL and GLS, the Santa Fe benefits from a superior traction system that automatically directs power to the wheels with the most traction, while a driver-selectable AWD lock offers a fixed 50/50 torque split between front and rear wheels for more demanding conditions.

All about the details.

09
SANTA FE

interior styling

SLEEK, SOPHISTICATED AND SPACIOUS. The Santa Fe's smart design results in generous head, leg and shoulder room. Increased rigidity means a more sedan-like ride and a quieter cabin – perfect for enjoying the 6-speaker, 120W, AM/FM/XM/CD/MP3 audio system, or the acoustic accuracy of the Limited's 10-speaker, 605W, Infinity system. XM Satellite radio is standard on all models. The Santa Fe's space-efficient design delivers ample room for people and cargo, and with fold-down second row seats, you have access to 2,213 L of valuable cargo space. The available 8-way power adjustable driver's seat with power lumbar support proves the Santa Fe's interior is the result of thoughtful design.

UNDER THE SUN OR THE NIGHT SKY. Things are looking up, thanks to a 2-way power glass sunroof, standard on the GLS and the Limited. Improved air circulation, enhanced cabin illumination and a cool view of the sky are yours with the simple touch of a button.

STEERING WHEEL-MOUNTED CONTROLS. Convenience and safety are maximized with available steering-wheel mounted cruise and audio controls.

Protection from the unpredictable.

09

SANTA FE

s a f e t y

HIT THE ROAD WITH PEACE OF MIND. The Santa Fe ensures a superior level of protection with its comprehensive package of high-tech safety features. It's part of Hyundai's dedication to producing quality vehicles, and is proof of Hyundai's commitment to putting you and your passengers' safety first. Consider the Santa Fe's six airbags¹, Electronic Stability Control (ESC) and Traction Control System (TCS)² and front and rear disc brakes coupling the Anti-lock Braking System (ABS) with Electronic Brake Force Distribution (EBD) and Brake Assist (BA) for maximum control. From adjustable head rests and front active head restraints, to LATCH child-seat anchors, child-proof rear door locks and an energy-absorbing steering column, it's clear Hyundai is intent on keeping your safety a priority.

INTELLIGENT SAFETY BODY CONSTRUCTION. Your best interests are protected by Hyundai's steel safety cage design. This combines the strength of steel, side-impact door beams and front and rear crumple zones.

AIRBAGS¹. Get the added peace of mind provided from the advanced coverage of the Santa Fe's six airbags – dual front airbags, together with driver and passenger seat-mounted side-impact airbags and side-curtain airbags.

SANTA FE

QUALITY *There are a lot of companies that claim to build a quality product, making it hard for consumers to know when they're confronted with the real thing. By definition, quality refers to the highest standards. At Hyundai Auto Canada Corp., we are committed to bringing you the highest standards in everything we do. That's why we have invested billions of dollars into research, design, safety, testing, and manufacturing. And it's how we have the confidence to give you one of the best warranties in the industry.*

From our R&D Technical Center in South Korea to our ISO manufacturing plant in Alabama, our commitment to quality is rooted in our belief in craftsmanship. Craftsmanship cannot be achieved by robots alone. It requires the expertise, artistry and creativity of people. Together, our state-of-the-art facilities and dedicated human resources ensure our vehicles are built with integrity from the first to the final detail. And, together, they deliver on Hyundai's promise to Canadians – to create a lineup of vehicles that meets the harshest critics' highest standards – yours.

DRIVE DEFECTS TO ZERO. Hyundai embarked on its quality mission in 1999, when it launched its "Zero Defects" program. This initiative involves everyone – from design engineers to the factory workers on the line – and every aspect of the company's culture in a devout commitment to quality manufacturing across the board. The results are obvious.

ONE OF CANADA'S BEST WARRANTIES. Have the peace of mind that comes with Hyundai Auto Canada's standard 5-year/100,000 km Comprehensive Limited warranty* along with 5-year/100,000 km Powertrain warranty – standard with every Santa Fe. We also provide a 3-year/Unlimited km Roadside Assistance Program which includes fuel delivery service, flat tire changing, lock-out service, towing service, and more. Just one toll-free call away, 24 hours a day. There are no deductibles and warranties are transferable. For further details on your warranty coverage, including terms and limitations, please consult the Service Passport that accompanies all new Hyundai vehicles or see your local Hyundai dealer.

ACCESSORY SOLUTIONS THAT SUIT YOU.

Hyundai is making its name on delivering unprecedented quality and value, offering Canadians a wide variety of lifestyle-friendly vehicles loaded with outstanding packages of standard features and premium extras. Individual needs call for individual solutions. That's why Hyundai goes out of its way to offer you a line of accessories designed to suit specific demands. With Hyundai's line of authorized parts and accessories, you are able to customize and adapt your vehicle to your lifestyle. From sleek side steps to a rugged trailer hitch kit, custom-fit your Santa Fe your way.

1 CROSS RAILS. This durable, quick-locking cross rail system lets you transport cargo easily, without sacrificing interior room.

3 SIDE STEPS. Stylish and functional, polished stainless steel side steps will add a rugged look to your vehicle.

5 TRAILER HITCH KIT. Designed to meet all your towing needs, a Hyundai hitch can accommodate a wide variety of hitch-mounted accessories. Kit includes the trailer hitch, ball mount and end cap.

2 FRONT BUMPER GUARD. Add style to your vehicle and protect the front bumper with a polished stainless steel bumper guard.

4 CARGO TRAY. Add years to the interior of your Hyundai by protecting it from spills and messy loads with a durable, custom-fit cargo tray.

6 FRONT AND REAR BUMPER GARNISHES. Protect your front bumper from dents and scratches with a stylish bumper garnish and add a rugged dimension to your Hyundai with a durable rear bumper garnish.

Specifications, features, illustrations, accessories, materials and equipment and all other information shown in this brochure are based on the latest information available at the time of publication. Although descriptions are believed to be correct, accuracy cannot be guaranteed. Hyundai Auto Canada Corp. reserves the right to make any changes or modifications at any time, without notice or obligation, including, without limitation, in colour, specifications, features, accessories, materials, equipment and models. Some vehicles are shown with optional equipment. All Hyundai warranties have no deductible.

Fuel economy figures are based on manufacturer's testing and are used for comparison purposes only. Actual fuel efficiency may vary based on driving conditions and the addition of certain vehicle accessories.

[†] Hyundai's Comprehensive Limited Warranty coverage covers most vehicle components against defects in workmanship under normal use and maintenance conditions.

^{††} Includes fuel delivery service, flat tire changing, lock-out service, towing service and more. Just one toll-free call away. 24 hours a day.

¹ The Supplemental Restraint (Airbag) System (SRS) is designed to work with the 3-point seatbelt system. The SRS deploys in certain frontal and/or side-impact conditions where significant injury is likely. The SRS is not a substitute for seatbelts, which must still be worn at all times. Children under the age of 13 should be securely restrained in the rear seat. NEVER place a child-seat in the front seat of a Hyundai vehicle.

² Electronic Stability Control (ESC) and Traction Control System (TCS) are meant to enhance conscientious driving habits and are not a substitute for safe driving practices.

* National Highway Traffic and Safety Administration statistical analysis of the effectiveness of electronic stability control systems – final report (July 2007).

** CAN/ULC S338-98 compliant immobilizer may reduce insurance costs in some instances.

^A Government star ratings are part of the U.S. National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (www.safercar.gov). The 5-star safety rating applies to all the trim levels of the 2009 Santa Fe.
