

2011 Sonata Hybrid

HYUNDAI™

live smart.

THE DRIVE TO DO BETTER

That's what inspired us to create the all-new Sonata Hybrid. Featuring the first hybrid with lithium polymer batteries, it's the smallest, lightest and most advanced hybrid battery in the world. Then we added a full parallel drive system, advanced safety features and sleek, aerodynamic design, creating the perfect blend of style, luxury and fuel-efficiency.

EXTERIOR

The Sonata Hybrid's modern, wind-cheating design means air now flows easily around the body with less resistance, resulting in a 0.25 coefficient of drag that bests many sports cars. The huge central air intake, new to the front bumper, delivers the perfect marriage of form and function. While restyled LED headlights and taillights provide a more durable and energy-efficient lighting system. The signature chrome accent enhances the Sonata's fluidity, delivering the overall impression of a long, low, light sedan that blends aerodynamic design with elegance.

INTERIOR

The Sonata Hybrid unlocks the future with the press of a button on the door handle. Once inside, an upscale ambience featuring advanced technology such as an LCD advanced trip computer, Supervision IP cluster (with Eco guide) and Hybrid technology display, adds a bold sense of individuality, style and efficiency. In fact, right down to the environmentally thoughtful, award-winning, renewable source soy-based foam padding used for seat support, in every sense, the new Sonata Hybrid is a refreshing breath of fresh air.

PERFORMANCE

Whether you're going across town or across the country, the Sonata Hybrid offers exceptional performance and efficiency all the way. With 4.6L/100km highway fuel economy, it provides a significant benefit to hybrid owners on highway commutes, while also offering outstanding 5.5L/100km city fuel economy. This is a direct result of the parallel hybrid engine configuration that allows the car to run on gasoline internal combustion, an electric motor, or both, creating the perfect blend of power and efficiency. No matter where you're going, you'll get there with elegance and efficiency in the Sonata Hybrid.

WHAT SMART MEANS TO US.

At Hyundai, we are constantly striving to make smart decisions when it comes to our vehicles so you can make smart decisions when it comes to your purchase. A smart decision means weighing the pros and cons, evaluating the costs against the benefits, and making a choice for the right reasons for you. It means having no regrets.

Our investment in eco-friendly technologies, quality craftsmanship, extensive research and design, together with our state of the art facilities and dedicated human resources, ensures our vehicles are built with integrity from the first to the final detail. And, together, they deliver on Hyundai's promise to Canadians – to create a lineup of smart vehicles.

STANDARD EQUIPMENT INCLUDES:

6-speed Automatic Transmission

16-inch Alloy Wheels

2.4L Atkinson Cycle 4-cylinder Engine

270V Lithium Polymer Battery

ABS with Electronic Brake-force
Distribution and Brake Assist

AM/FM/XM[®]/CD/MP3 Audio System

Automatic Light Control

Bodyside Molding Tinted Chrome Inserts

Chrome Exterior Door Handles

Dual Automatic Temperature Control

Dual Front Airbags¹, Seat Mounted Side
Impact and Roof Mounted Side Curtain
Airbags

Electroluminescent Instrument
Cluster (Supervision)

Electronic Stability Control² with
Traction Control System

Floor Console Mounted Rear Vents

Front Active Head Restraints

Front Fog Lights

Headlight LED Accents

Heated Front Seats

Bluetooth[®] Handsfree Phone System⁹

iPod[®]/USB and Auxiliary Input Jacks

Leather-wrapped Steering Wheel
and Gear Shift Knob

LED Taillights

Multi-function Trip Computer with Hybrid
Technology 4.2" TFT Display

Permanent Magnet High-power Density Motor

Power Driver Seat with Lumbar Support

Proximity Entry Key with Push-button Start

Side Mirror Turn Signal Indicators

PREMIUM PACKAGE:

17-inch alloy wheels

Auto-dimming mirror with
HomeLink[®] and compass

Heated rear seats

Infinity[®] audio system with 7 Speakers

Leather seating surfaces

Navigation system with high-resolution
touch-screen display

Panoramic tilt-and-slide sunroof

Premium door sill plates

Rear backup camera

QUALITY

The highest standard of excellence. It's how we define quality. It's the cornerstone of our business and the foundation upon which we build each and every Hyundai vehicle. From research and development, to engineering and design, it is our enduring dedication to quality that enables us to offer Canadians a lineup of vehicles that meet an ever-higher standard of excellence.

Smart.

Everything we do at Hyundai is with smart in mind. Whether it's designing cars to fit your changing lifestyle, or building cars awarded for being some of the most stylish, reliable, dependable, and efficient on the road today – it all comes back to smart. At Hyundai, we know it's not just what we build, but how we build it. That means never cutting corners and demanding only the highest quality not just for you, but also for our planet. Because in the end, it all comes down to helping you live smart.

Specifications, features, illustrations, accessories, materials and equipment and all other information shown in this brochure are based on the latest information available at the time of publication. Although descriptions are believed to be correct, accuracy cannot be guaranteed. Hyundai Auto Canada Corp. reserves the right to make any changes or modifications at any time, without notice or obligation, including, without limitation, in colour, specifications, features, accessories, materials, equipment and models. Some vehicles are shown with optional equipment. All Hyundai warranties have no deductible. The colours shown throughout this brochure may vary slightly from the actual hue. See your dealer for model applications and to view the Hyundai Colour Selector. ⁴Fuel economy figures are based on manufacturer's testing and are used for comparison purposes only. Actual fuel efficiency may vary based on driving conditions and the addition of certain vehicle accessories. ⁵Hyundai's Comprehensive Limited Warranty coverage covers most vehicle components against defects in workmanship under normal use and maintenance conditions. ⁶Includes fuel delivery service, flat tire changing, lock-out service, towing service and more. Just one toll-free call away. 24 hours a day. ⁷The Supplemental Restraint (Airbag) System (SRS) is designed to work with the 3-point seatbelt system. The SRS deploys in certain frontal and/or side-impact conditions where significant injury is likely. The SRS is not a substitute for seatbelts, which must still be worn at all times. Children under the age of 13 should be securely restrained in the rear seat. NEVER place a child-seat in the front seat of a Hyundai vehicle. ² Electronic Stability Control (ESC) and Traction Control System (TCS) are meant to enhance conscientious driving habits and are not a substitute for safe driving practices. ^{**}CAN/ULC S338-98 compliant immobilizer may reduce insurance costs in some instances. ^{1M}The Hyundai names, logo, product names, feature names, images and slogans are trade marks owned by Hyundai Auto Canada Corp. ³When equipped with optional navigation package, Bluetooth® Handsfree® and the navigation system only recognize English voice commands.
