

# 2012 OUTLANDER

**THE WORLD'S MOST ADVANCED ALL-WHEEL CONTROL SYSTEM\***  
Linked together by an array of sensors monitoring speed, traction, steering angle and acceleration, the instinctive technology of the S-AWC system always keeps you on track even in extreme handling conditions.

## ATHLETIC, LEAN AND GORGEOUS TO BOOT.

CLEVERLY DESIGNED, THE 2012 OUTLANDER IS SET TO EXPAND YOUR HORIZONS. GET READY TO BE IMPRESSED BY ITS SMART TECHNOLOGY, DRIVING AGILITY AND EYE-CATCHING STYLING THAT WILL SATISFY THE DEMANDS OF AN ACTIVE FAMILY, BUT IS COOL ENOUGH TO HANDLE LIKE A SPORTS CAR.

### SUPERIOR HANDLING TECHNOLOGY

Its looks draw you in – sleek, strong, smart, confident. The interior oozes stylish comfort, innovative design, mechanical magnetism. It's powerful (230 HP) and exhilarating to drive, with technology that is helpful, friendly and easy to use such as a 40GB navigation system with Real-Time Traffic. Most importantly, you'll love this exciting crossover utility vehicle's versatility. Whether it's a trip to the cottage, to the local soccer field, or to the grocery store, Outlander delivers sporty performance and fun with excellent fuel economy and low emissions.

### TRIM LEVELS

<b>ES 2WD</b>	4-DOOR SUV, 5-PASSENGER 2.4L DOHC 16-VALVE MIVEC I4, 168 HP
<b>ES 4WD</b>	4-DOOR SUV, 5-PASSENGER 2.4L DOHC 16-VALVE MIVEC I4, 168 HP
<b>LS 4WD</b>	4-DOOR SUV, 7-PASSENGER 3.0L SOHC 24-VALVE MIVEC V6, 230 HP
<b>XLS S-AWC</b>	4-DOOR SUV, 7-PASSENGER 3.0L SOHC 24-VALVE MIVEC V6, 230 HP

## HIGH PERFORMANCE AUDIO

Redefine your sound experience with the available Rockford Fosgate® premium sound system. High-performance 6-CD/MP3 player explodes with 710 watts of power that floods the entire interior with crystal-clear sound through nine, specifically-tuned speakers. And with six months pre-paid Sirius Satellite Radio, you will have the best in audio entertainment.

The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc., and any use of such marks by Mitsubishi is under license. SIRIUS Satellite Radio Inc. 'SIRIUS', the SIRIUS dog logo and related marks are trademarks of SIRIUS Satellite Radio, Inc.

## BLUETOOTH® 2.0 HANDS-FREE PHONE

Nothing integrates your compatible cell phone with your audio system better than Bluetooth® 2.0 hands-free cellular phone interface. The system employs voice recognition technology and steering wheel-mounted buttons for safer hands-free operation. Connect your iPod® or MP3 player with the USB audio to enjoy your music library in premium quality.

# WIDE OPEN SPACES

Because you have to pack a lot into your life, Outlander's interior gives you a world of possibilities. Whether seating seven for the school run, or packing for a weekend getaway, the Outlander is incredibly versatile. Experience the comfort of having 1<sup>st</sup> and 2<sup>nd</sup>-row multi-adjustable seats tailored in sueded-knit fabric. Or opt for the leather interior standard on XLS with the available 3<sup>rd</sup>-row seating. So go ahead and explore the wide open spaces of the Outlander.

FLAP-FOLDING TAILGATE

## REAR-VIEW CAMERA

Enjoy the peace of mind of a rear-view backup camera to see hidden obstacles during reversing manoeuvres.

## FLAP-FOLDING TAILGATE

Sliding heavy objects in and out of the Outlander has never been easier. Just lay the Flap-Folding Tailgate flat and you are ready to go.

## SAFETY IS STANDARD

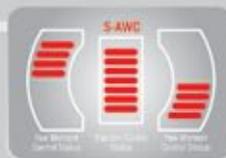

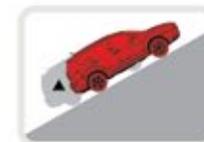

Your peace of mind is our number one priority. The Outlander offers superb safety features like Active Stability Control, Anti-lock Brake System and Super All-Wheel Control to name a few. It is also fitted with front passenger Supplementary Restraint System (SRS) airbags, with additional side and curtain airbags throughout.

## CONTINUOUSLY VARIABLE TRANSMISSION

Driving the Outlander indeed feels car-like thanks to the continuously variable transmission equipped on the ES that seamlessly steps through gear changes. This not only makes for a drive that is smooth and comfortable, but also gives better fuel economy.

## HILL START ASSIST

Outlander's clever braking system holds the brakes for a couple of seconds until the accelerator is applied to stop you from rolling backwards on a hill start. This technology makes it easier to start off a steep uphill slope.

## SUPER ALL-WHEEL CONTROL (S-AWC)

The Outlander XLS features S-AWC with three selectable electronically controlled all-wheel drive modes that allow you to tackle everything from heavy rain and snow, tough terrain, or simply give you extra traction in the dry.

## ACTIVE STABILITY CONTROL

Stabilizes the vehicle while maintaining optimum traction by regulating engine power and the braking force at each wheel.

## ACTIVE FRONT DIFFERENTIAL

Using an electronically-controlled clutch located in the transfer case, the Active Front Differential limits speed difference between the left and right front wheels and controls driving force distribution, providing optimal traction at all times.

For a complete list of features, technical specifications and options visit [www.mitsubishi-motors.ca](http://www.mitsubishi-motors.ca)

## FLIP/FOLD SEATS

One tug on the reclining lever and Outlander's 2nd-row seats fold flat and tumble forward out of the way. The resulting cargo area measures a massive 2,056 litres – enough to handle even the most enthusiastic shopping spree. Outlander LS and XLS come standard with 3<sup>rd</sup>-row seats that easily disappear into the floor when not in use
