BMW X1.

DISCOVER ENDLESS POSSIBILITIES.

The X1 features high-revving, low-consumption engines, a low centre of gravity and near-perfect 50:50 weight distribution. Its spacious and versatile interior seats five, with a cargo area made even more flexible by 40:20:40 split-folding rear seats. Thanks to its good looks and the tenacious grip of BMW xDrive All-Wheel Drive, you'll arrive in style, no matter the weather – and have fun doing it.

BMW X1 LINES.

BMW X1

SPORT LINE.

Enhance the X1's athletic personality with the Sport Line. Bolstered Sport seats, front, highlighted with contrasting piping, hold you firmly in place as the larger tires attack corners and straightaways. Special design cues, such as black high-gloss trim finishes inside and out, distinguish this X1 from all others.

Lines may vary by model. For details, please visit your BMW Retailer or bmw.ca.

xLINE.

Unique upholstery/piping combinations, contrasting floor mat borders, striking natural wood trim choices and embossing on the Nevada Leather headrests give the xLine a decidedly unique personality.

Lines may vary by model. For details, please visit your BMW Retailer or bmw.ca.

M SPORT LINE.

Raise driving excitement to redline with the M Sport Line. A sport-tuned suspension, optional 19" performance wheels, and increased high speed maximum make the most of its dynamic power. M Aerodynamic Kit and M styling features underscore the dynamic potential of the X1.
