Equinox LTZ in Crystal Red Tintcoat (extra-cost colour) with available features and dealer-installed Chevrolet Accessories.

**THE 2015 EQUINOX:  
SO MUCH MORE THAN  
A FUEL-EFFICIENT SUV.**

*It might be the way it offers a highway fuel consumption rating of 7.3 L/100 km<sup>1</sup> that will excite you. Or it might be the way you can stay connected to your calls and music without taking your hands off the wheel. But the way it will surprise you isn't any one of its features. It's the places you'll go. The things you'll do. And the people you'll meet. Because everything the 2015 Equinox has to offer is just the beginning of your journey to find new roads.*

<sup>1</sup> 2015 Chevrolet Equinox front-wheel drive (FWD) equipped with a 2.4L 4-cylinder engine. Fuel consumption estimates based on GM preliminary testing in accordance with new 2015 Model Year Government of Canada approved test methods.
