

# DISCOVERY SPORT ACCESSORIES

ABOVE & BEYOND

### **Experience Land Rover Approved Accessories**

Your Discovery Sport was designed to tackle every journey with complete confidence. You can look forward to spectacular performance on and off road and the perfect way to ensure it meets your specific needs is to personalize your vehicle with Land Rover Approved Accessories.

We offer a wide range of stylish and practical interior and exterior accessories to suit every lifestyle, whether you're looking for carrying or towing components, wheels, wheel accessories or even specially developed accessory lifestyle packs.

### **Meticulously Designed and Engineered**

Land Rover Approved Accessories are engineered by the same team who designed the vehicle itself. They are the experts who understand every inch of your Land Rover and its capabilities. Their expertise allows them to create accessories that complement the overall design of your vehicle, while optimizing performance.

### **Tested to the Highest Standards**

All Land Rover Approved Accessories are rigorously tested and inspected to ensure they meet the exacting standards you expect from Land Rover. This ensures they always work in harmony with your vehicle.

Accessories are tested in extreme hot and cold temperatures to ensure they will perform in all conditions, year round. Corrosion resistance testing ensures accessories can withstand demanding climates such as coastal conditions, while a series of tests ensures seamless integration with your Land Rover's existing safety features.

Bespoke testing ensures that accessories are put to their paces in a series of tests that suit their design, function and the materials from which they're made. Exterior accessory testing, for example, includes:

- Exposure to up to two years of direct sunlight known as 'Florida Weathering.'
- Heat Ageing Test for 500 hours.
- Extreme Heat Test ranging from -40°C to 80°C.
- Heat Shock Testing during which parts are cooled to -40°C for 16 hours, then heated to 70°C for 5 minutes.
- Humidity Resistance Test where accessories are subjected to 168 hours at 48°C in 95-100% humidity.
- Accelerated Environmental Cycle Testing comprised of a relentless barrage of salt, dirt and dust to simulate real world driving.

### **Quality Assured**

For additional peace of mind, all Land Rover Approved Accessories come with a minimum 12 month warranty or can be covered under your vehicle's existing warranty if they're purchased within the first month of ownership or 1,600 kilometres (whichever comes first).

## TOURING

### Sports Roof Box

Sleek, aerodynamic design with a Gloss Black finish. Can be mounted on either side of the vehicle for curbside opening. Internal retention system for skis or other long loads. Lockable for security. Volume 320 litres.\*\*

Maximum payload 75kg.\*

### Roof Rails and Cross Bars

Roof rails facilitate easy fitment of cross bars. Pre-set positioning points ensure cross bars are fixed in optimum position for weight distribution and dynamics.\*\*

Maximum payload 75kg.\*

### Luggage Carrier

Flexible rack system to facilitate roof carrying.\*\*

Maximum payload 75kg.\*

### Aqua Sports Carrier

Carries one surfboard, sailboard, canoe or kayak, and includes lockable multi-purpose holder to carry a mast, oars or paddles. Tilts to facilitate easy loading/unloading and features lockable straps and rubber supports to maintain optimum weight distribution while protecting the kayak and vehicle from scratches/scuffs.\*\*

Load capacity 45kg.

### Centre Armrest Cooler/Warmer Box

Food and drinks cooler and warmer that acts as a rear centre armrest. With a leather covered top, it is held in place by the centre seat belt and powered from the rear auxiliary socket. Ideal for long journeys with the family.

\*Maximum payload equals the load capacity of the roof mounted accessory.  
\*\*Roof Rails and Cross Bars required for all Land Rover roof mounted accessories.

## ACTIVE

### Body Side Mouldings

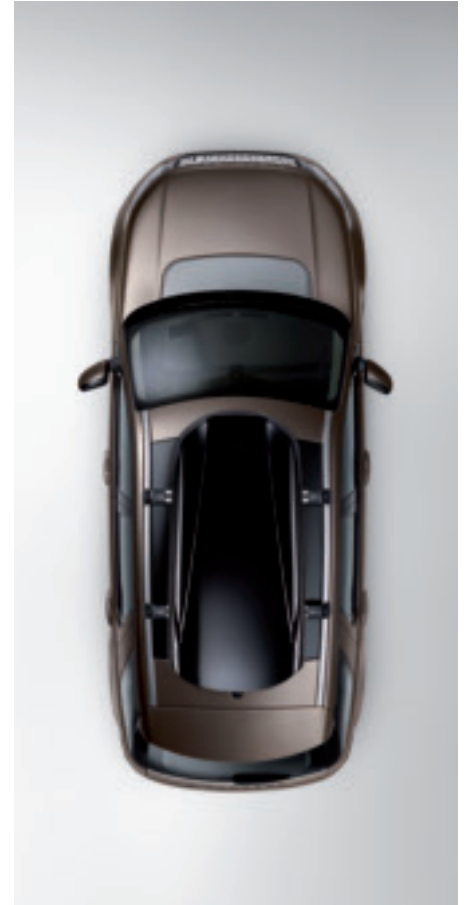

Providing protection for your door panels from accidental damage by adjacent vehicles.

### Ski/Snowboard Holder

Carries four pairs of skis or two snowboards, lockable for security.

Maximum payload 36kg.\*

### Luggage Roof Box

The Gloss Black finish luggage box opens from both sides and includes power-grip mounting for easy and quick fixing to the roof bars. Lockable for security. Volume 410 litres.\*\*

Maximum payload 75kg.\*

### Side Steps – Fixed

The side steps aid entry and exit to the vehicle and improve access to the roof. Design features include Bright stainless steel edge trim and a rubber tread mat.

### Seat Back Stowage

Provides convenient stowage solution for the rear of the front seats with multiple compartments for stowing small items.

\*Maximum payload equals the load capacity of the roof mounted accessory.

\*\*Sports Bar System is required for all Land Rover roof mounted accessories.

## ADVENTURE

### Bright Side Tubes

Highly polished stainless steel side tubes provide an off-road inspired appearance designed to complement the vehicle's exterior style.

### Stainless Steel Undershield – Front

The off-road styled undershield features a premium Bright polished finish for the front of the vehicle.

### Stainless Steel Undershield – Rear

The off-road styled undershield features a premium Bright polished finish for the rear of the vehicle.\*

### Mudflaps

Mudflaps help to reduce spray and help protect paintwork.

### Ski Bag

Land Rover padded ski/snowboard bag. Carries up to two pairs of skis and poles up to 180cm long. Includes removable shoulder straps.

### Gearshift Paddles – Aluminum

Complete the look and feel of your steering wheel with premium aluminum paddles. Gearshift paddles are machine polished, anodized and hand brushed to provide exceptional wear resistance with a premium finish.

\*Not available with towing systems for vehicles equipped with 5+2 seating and reduced section spare wheel.

## LOADSPACE

### Rear Loadspace Tread Plate Finisher

Manufactured from stainless steel with a brushed finish, the rear loadspace tread plate finisher provides protection for the loadspace trim when loading or unloading.

### Loadspace Liner Tray

This liner provides superior protection to the loadspace floor and side wall carpets from dirty or wet equipment.

### Side Luggage Nets

Keep smaller items safely stowed away but easy to find with a loadspace side net.

### Electric Cool Bag

Powered by the 12 volt auxiliary socket. Thermostatically controlled temperature.

### Collapsible Luggage Carrier

This universal trunk organizer retains small items in the loadspace and can easily be folded away when not in use.

### Luggage Divider Full Height

The luggage divider is designed to prevent cargo from entering the passenger compartment. It incorporates a useful integral ski hatch that allows longer items to be carried where a suitable rear seat option is fitted.

---

## PRODUCT ASSURANCE – CARRYING ACCESSORIES

- Real world dynamic testing ensures that the accessory performs with no detrimental effect to the vehicle.
- Specifically tested and approved on the particular vehicle, incorporating a range of challenging durability tests on both the vehicle and carrier such as the Pavé Test.
- Pavé Testing involves driving the vehicle with a fully laden carrier for hundreds of kilometres over rough, uneven and extremely bumpy cobbles to simulate a lifetime of use. One kilometre of Pavé is equivalent to 100 kilometres of real world conditions.

## TOWING & CARRYING

### Roof Mounted Bike Carrier

Raised roof rails and cross bar kit required and will accommodate two bike carriers. Lockable bike carrier designed for holding a single bike, up to 20kg.

### Rear Bumper Protection Cover

Provides protection to the bumper paintwork while loading and unloading.

### Tow Hitch

Handles up to 2,000kg trailer load capacity.

### Towing Electrics

NAS towing electrics capable of supplying all trailer rear lighting and interior equipment power.

### Tow Recovery Strap

Includes storage bag that can be attached as a warning flag to the strap. 3,000kg maximum load capacity.

### Luggage Retention Kit

The Luggage Retention Kit consists of a pack of attachments that fit into the loadspace rails via a quick lock/quick release system to provide a flexible solution for retaining items.

The attachment pack includes a retractable strap with inertia reel, telescopic rod and stowage bag.

---

## PRODUCT ASSURANCE — TOWING ACCESSORIES

With towing forming such an intrinsic part of the Land Rover DNA, it is an integral part of the dynamic testing for the entire vehicle.

- Towing systems are tested well beyond recognized Industry Standards to ensure they achieve the position of ‘best in class.’
- While many aftermarket towing solutions are typically developed off vehicle using rig-based tests, all Land Rover towing systems are tested mounted to a vehicle body. This ensures the tow system and vehicle are optimized to work together.
- Towing systems are subjected to challenging Real World Driving Simulations to ensure that even in an emergency situation, both the vehicle body and the towing system are able to cope with the pressures applied from a fully laden trailer.

## INTERIOR

### Bright Finish Tread Plates

Front pair of Bright finish tread plates to add style to your vehicle and protect the sill trim from scuffs and scrapes.

### Illuminated Tread Plates

Retailer-fit tread plates featuring illuminated Discovery script. Supplied as a pair for driver and front passenger sides of the vehicle to welcome you into the cabin.

### Rubber Floor Mats

Rubber footwell mats help provide protection from general dirt.

### Sport Footrest

Complementing the sport pedals, the footrest is manufactured from stainless steel and features a Satin finish.

### Sport Pedal Covers

Stainless steel pedals feature a Bright design and hidden fixings for a clean finish.

### iPad® Holder\*

Provides secure mounting for your iPad®. Rear seat facing, attaches to the head restraint posts.

Compatible with 2nd, 3rd and 4th generation iPads®. Not compatible with iPad Air® or iPad Mini®.

\*iPad is a registered trademark of Apple Inc., registered in the US and other countries.

---

## PRODUCT ASSURANCE – INTERIOR STYLING ACCESSORIES

Land Rover Interior Styling Accessories are subjected to a range of stringent tests to ensure they can withstand the challenges of a lifetime of use. Each accessory product undergoes a bespoke series of testing relevant to its design, materials and function which includes quality tests, durability tests and extreme tests against premature ageing or discolouration.

- Accelerated Environmental Tests including a Heat Ageing Test for up to 500 hours.
- Performance Specifications Tests to ensure quality standards and durability are in line with Land Rover Standards.
- Squeak and Rattle Tests to ensure no detrimental effect to the vehicle quality and comfort levels.

All Land Rover Approved Accessories are manufactured using materials which meet Automotive Industry flammability standards and are compliant with all relevant legislative requirements.

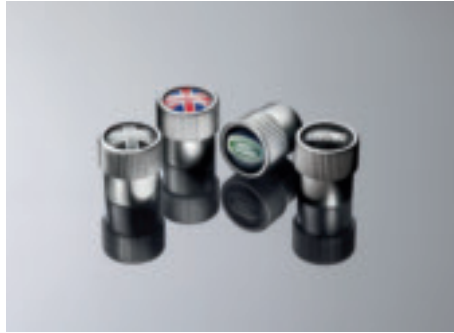

## PREMIUM PERSONALIZATION

### Styled Valve Caps – Land Rover

These exclusive styled valve caps provide a subtle styling enhancement.

### Styled Valve Caps

This exclusive range of styled valve caps provides a subtle styling enhancement and comes in a choice of Land Rover, Range Rover branded caps or Union Jack designs. Sold as a set of four.

### Premium Carpet Mats

Luxurious, tailored 2,050 gram pile front carpet mat set provides a well appointed finishing touch to the interior, with waterproof backing.

### Seat Back Stowage – Premium Leather

Convenient stowage system manufactured from the same grade of Windsor leather available in the interior, for the rear of the front seats. Provides multiple compartments for stowing small items. The premium seat back stowage also features a soft touch interior lining and magnetic clasps.

### Windscreen Sun Shield

Helps to keep the vehicle interior cool in hot weather.

## WHEELS

17" Ten-Spoke Alloy Wheel

17" Five-Spoke Alloy Wheel

18" Five Split-Spoke Alloy Wheel

18" Ten-Spoke Alloy Wheel

18" Five Split-Spoke Alloy Wheel with Satin Dark Grey Finish

## PRODUCT ASSURANCE — WHEELS

Our wheels are designed to complement the styling of your vehicle, but they are also built to complement and enhance the vehicle's performance. Land Rover wheels are subjected to a range of stringent environmental tests to ensure they can withstand the toughest climatic conditions. Each wheel undergoes a bespoke series of testing which can include:

- Extreme tests against ageing prematurely or discolouration.
- Extreme tests to ensure durability and longevity of the finish.
- Accelerated Environmental Cycle Test comprising of a relentless barrage of salt, dirt and dust simulating a lifetime of real world driving in all climatic conditions.

If you buy your wheels from a Land Rover Retailer within one month or 1,600 kilometres (whichever occurs first) of taking delivery of your new vehicle, the same warranty terms and period of coverage will apply as your standard vehicle warranty (otherwise a 12 month unlimited warranty coverage will apply).

19" Five Split-Spoke Alloy Wheel with Gloss Black Finish
