Roadside Assistance Program<sup>\*\*</sup>

## One of the best-backed warranties in Canada.

You will see that a number of our vehicles have received multiple awards from the most reputable third-party organizations, so you can take their word when it comes to the quality of our vehicles. This quality is equally matched by the quality of our warranty. We stand confidently behind our products to give you ultimate peace of mind with a 5-year/100,000 kilometre Comprehensive Limited Warranty<sup>†</sup>. We also provide a 5-year/Unlimited kilometre Roadside Assistance Program<sup>\*\*</sup> featuring flat tire changing, lockout service and more. Just one toll-free call away, 24 hours a day.

<sup>TM</sup>/<sup>®</sup>The Hyundai name, logos, product names, feature names, images and slogans are trademarks owned or licensed by Hyundai Auto Canada Corp.. Specifications, features, illustrations, accessories, materials and equipment and all other information shown in this brochure are based on the latest information available at the time of publication. Although descriptions are believed to be correct, accuracy cannot be guaranteed. Hyundai Auto Canada Corp. reserves the right to make any changes or modifications at any time, without notice or obligation, including, without limitation, in colour, specifications, features, accessories, materials, equipment and models. Some vehicles are shown with optional equipment. All Hyundai warranties have no deductible. <sup>\*</sup>Fuel economy figures are based on manufacturer's testing and are used for comparison purposes only. Actual fuel efficiency may vary based on driving conditions and the addition of certain vehicle accessories. <sup>†</sup>Apple CarPlay™ works with iPhone 5s, iPhone 5c, iPhone 5 and later models running the latest version of iOS 7 and above. CarPlay™ may not be available on all devices and may not be available in all countries or regions. Visit [www.apple.com](http://www.apple.com) for further details and any applicable limitations. Subject to app compatibility. Apple, Apple CarPlay and iPad are trademarks of Apple Inc.. <sup>‡</sup>Android Auto™ is compatible with Android phones running Android Lollipop or newer. Android Auto may not be available on all devices and is not available in all countries or regions. Additional apps may be required. Visit [www.android.com](http://www.android.com) for further details and any applicable limitations. Subject to app compatibility. Android and Android Auto are trademarks of Google Inc.. <sup>§</sup>Not all devices will be compatible. See Owner's Manual for further details. <sup>¶</sup>Available on select models only. BlueLink® includes 5 years of service without charge. The BlueLink® service is available for new vehicle purchases and leases subject to the BlueLink® subscription terms and conditions. Only use BlueLink® and corresponding devices when safe to do so. Cellular and GPS coverage is required. Features, specifications, and fees may vary by model and are subject to change. For more on details and limitations, visit [hyundaicanada.com](http://hyundaicanada.com) or your authorized Hyundai dealer. <sup>||</sup>Autonomous Emergency Braking (AEB) is designed to detect vehicles that are directly in front of the vehicle. AEB will not detect all vehicles and objects. AEB may not work on winding or hilly roads, during certain weather conditions such as rain, snow, fog and any other times of limited visibility. AEB initiates full braking at speeds between 8 and 75 km/h (vehicle detection) or 8 to 64 km/h (pedestrian detection). AEB will not detect all pedestrians under certain conditions. See Owner's Manual for detailed descriptions of example conditions in which AEB may not detect a pedestrian. AEB is not a substitute for safe driving. Always check your surroundings when driving. See Owner's Manual for further details and limitations. <sup>¶¶</sup>The Lane Departure Warning System operates when vehicle speed exceeds 60 km/h and only when the lane markings are clearly visible on the road and detected by the system. It will not prevent loss of control. See Owner's Manual for further details and limitations. <sup>¶¶¶</sup>Driver Attention Alert (DAA) is only a notification system and will not influence the direction or speed of the vehicle. DAA will not prevent accidents. DAA does not replace attentive and safe driving. Always ensure that you pay careful attention while driving. See Owner's Manual for further details and limitations. <sup>¶¶¶¶</sup>Never rely completely on Blind Spot Detection (BSD) and be sure to use proper lane changing procedures. BSD will not detect every object or vehicle and will not prevent accidents. Always look over your shoulder and use your mirrors to confirm clearance. See Owner's Manual for further details and limitations. <sup>¶¶¶¶¶</sup>Never rely exclusively on the Rear Cross-Traffic Alert. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection, range and clarity of the system. The system may not detect every vehicle. This system does not detect stationary objects. Vehicle must be in reverse and has to be travelling at 10 km/h or less. See Owner's Manual for further details and limitations. The SiriusXM™ name is a trademark of SiriusXM Satellite Radio Inc.. Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc.. HomeLink® is a registered trademark of Johnson Controls Inc.. Infinity® is a registered trademark of Harman International, Inc.. All other trademarks and trade names are those of their respective owners. <sup>¶¶¶¶¶¶</sup>Hyundai's Comprehensive Limited Warranty coverage covers most vehicle components against defects in workmanship under normal use and maintenance conditions. <sup>¶¶¶¶¶¶¶</sup>Hyundai's 24-Hour Roadside Assistance Program is a limited service and does not cover certain costs or expenses. Roadside Assistance is not a warranty. 018SA-L500

# The H-Factor.

What is the H-Factor? It means you can have it all.

Our company believes in pushing the boundaries and challenging conventional thinking. Our very name, “Hyundai”, stands for modernity in the Korean language and it is this one word that helps represent everything we stand for. We don’t approach vehicle development in a traditional way. Our company is structured differently. We think differently. We find the modern way. It’s our mission to offer top quality, feature-rich vehicles at an affordable price.

We offer elite quality through meticulous design and painstaking craftsmanship. Our three design centres in Korea, the U.S. and Europe compete against each other to bring you cutting-edge designs — designs that not only look stunning but are also aerodynamic and fuel efficient.

We are the only global automaker to manufacture our own steel because, simply put, we just weren’t satisfied with what was available.

We test our vehicles in areas like Canada’s Arctic, our proving grounds in the Mojave Desert and on Germany’s world-famous Nürburgring circuit to deliver the durability and reliability you demand. And not only do we package our vehicles with advanced safety and technology, we back all our vehicles with one of the best automotive warranties in the industry. This means you really can have it all, quality and value together.

That’s the H-Factor.

KONA SUPERSTRUCTURE™  
made with our Advanced High Strength Steel.

## Meet the all-new KONA.

The all-new KONA is the latest addition to our SUV family — a new breed of SUV to take on the city.

With KONA, driving and parking in the urban jungle doesn't have to be stressful. Enjoy the agile manoeuvrability of a passenger car, and the higher perspective of an SUV — it's really the best of both worlds! Furthermore, KONA is filled with technology that just makes everything easier, including Apple CarPlay™, Android Auto™ and an available Head-Up Display to project important information within your line of sight, so you can keep your attention on the road.

## Confident and unique.

KONA has been designed to turn heads — and to raise pulses. The dynamic design catches the eye with unique details that highlight the strong Hyundai SUV DNA at its core, starting with our signature cascading front grille design, muscular wheel arches and advanced lighting. Bold body cladding runs along the side profile and rear bumper for a sporty look, and available two-tone colour options\* let you customize KONA to your style preferences.

Standard LED daytime running lights and available LED headlights

Available 18" alloy wheels

Available mirror-mounted turn signal indicators

Available LED tail lights

\*with 1.6T Trend model only

# Ready to take on the urban jungle.

The all-new KONA offers the choice between two powerful and fuel-efficient engines to get you where you want to go. Available All-Wheel Drive gives superior traction on road surfaces and is paired with a multi-link rear suspension for enhanced handling and cornering performance.

## All-Wheel Drive

The available All-Wheel Drive (AWD) system features an advanced Active Cornering Control system that monitors driver inputs and road conditions, automatically applying power and braking force to the appropriate wheels to maintain course in adverse conditions.

## Standard 2.0L engine with 6-speed automatic transmission

---

147 horsepower  
132 lb-ft torque

## Available 1.6L Turbocharged engine with 7-speed Dual Clutch Transmission

---

175 horsepower  
195 lb-ft torque

1.6T Ultimate model shown with colour package. Pre-production model. May not be exactly as shown.

# Discover an exceptional level of comfort.

Step inside and instantly experience an exceptional level of comfort thanks to a wealth of features that include heated front seats, an available heated steering wheel and available 8-way power driver's seat. KONA's compact SUV size doesn't just help you manoeuvre around the city with ease, it also gives you a higher seating position to get a better view of your surroundings.

Available heated steering wheel

Standard heated front seats

Standard 60/40 split-fold rear seats

Available power sunroof

# Advanced technology at your fingertips.

No matter how you choose to navigate the city, the all-new KONA provides you with the seamless connectivity you expect and innovative technology that makes life easier; like an available Head-Up Display communicating key information in your view, available wireless charging for your phone and a high-mounted, floating touch-screen for better visibility and easy access.

## Head-Up Display

The available 8.0" Head-Up Display helps you stay safe by projecting important information like speed, navigation commands, and safety warnings into your line of sight — so you can keep your eyes on the road.

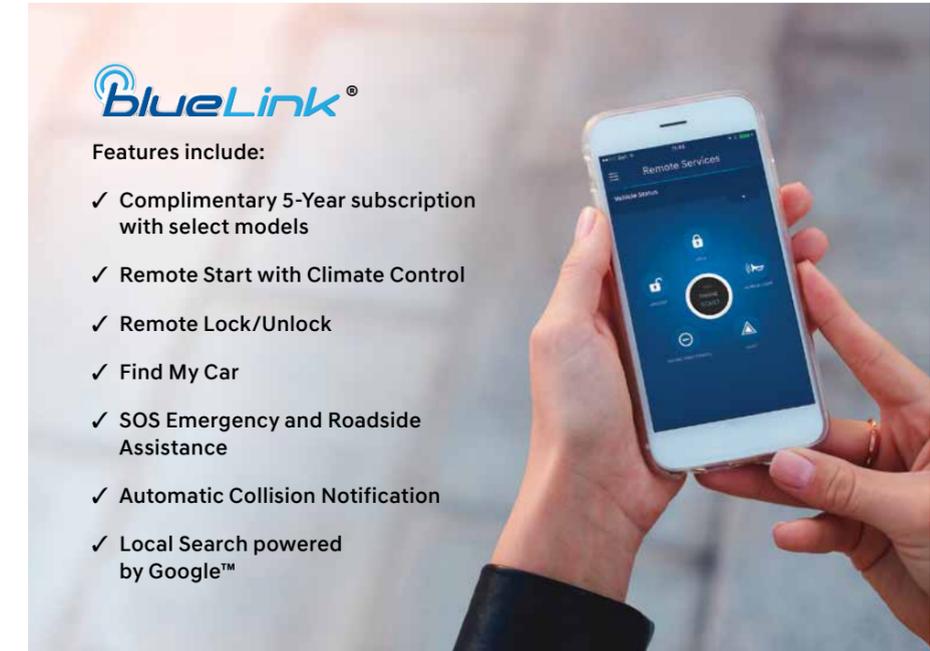

## 7.0" or 8.0" touch-screen display with Apple CarPlay™ and Android Auto™

Standard Apple CarPlay™ and Android Auto™ lets you interact with your favourite apps, access navigation, use voice command for text messages, or stream your favourite songs through the available Infinity® sound system. An available 8.0" touch-screen provides added convenience with a built-in navigation system, so you don't have to use your cellular data when needing directions.

## Wireless charging pad

Located in the centre console, an available wireless charging pad<sup>▼</sup> lets you easily charge a compatible smartphone without the use of messy and unsightly cables.

## BlueLink®

Hyundai is proud to introduce BlueLink® to enhance your safety, service and entertainment experience. BlueLink® brings seamless connectivity directly into your car and can be easily accessed with a web connection, smartphone app or by using the control interface on your rearview mirror.

**blueLink**®

Features include:

- ✓ Complimentary 5-Year subscription with select models
- ✓ Remote Start with Climate Control
- ✓ Remote Lock/Unlock
- ✓ Find My Car
- ✓ SOS Emergency and Roadside Assistance
- ✓ Automatic Collision Notification
- ✓ Local Search powered by Google™

# Discover the SUPERSTRUCTURE™.

The all-new KONA features an ultra-rigid vehicle chassis at its core, what we call the SUPERSTRUCTURE™. We built it with our very own Advanced High Strength Steel, designed to be stronger, stiffer and lighter than conventional steel, to provide greater benefits in safety, ride comfort and fuel economy. In the event of a collision, the SUPERSTRUCTURE™ helps protect occupants inside the cabin by absorbing harmful energy and redirecting it away from the passenger compartment.

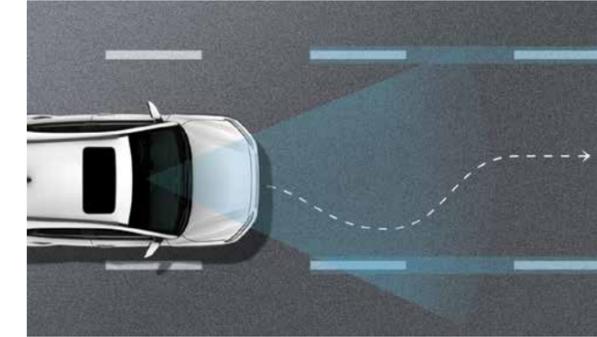

# Learn more about Hyundai SmartSense™.

## Autonomous Emergency Braking with Pedestrian Detection<sup>1</sup>

The available Autonomous Emergency Braking system uses the front-mounted camera and the radar sensor to monitor the traffic ahead. Should it detect a potential collision with a vehicle or pedestrian in your path, it will warn the driver and if required, automatically slow or stop the vehicle.

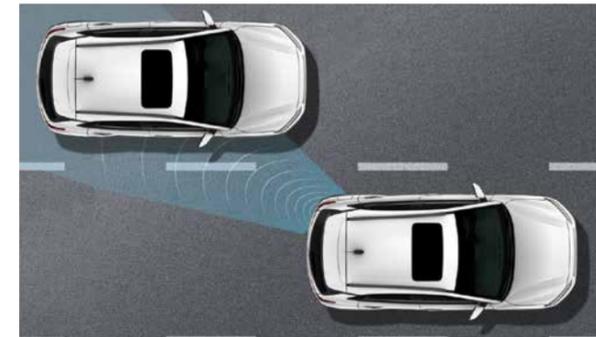

## Lane Departure Warning with Lane Keep Assist<sup>2</sup>

Drift outside your lane without signaling and this available system will alert you with audible and visual cues. If no action is taken, Lane Keep Assist can apply corrective steering assistance to remain within the lane markings.

## Driver Attention Assist<sup>3</sup>

This available feature raises safety and convenience to an entirely new level by continuously monitoring and analyzing driving patterns. When a pattern of fatigue or distraction is identified, Driver Attention Alert gets the driver's attention with an audible alert and pop-up message suggesting a driving break.

## Blind Spot Detection with Lane Change Assist<sup>4</sup>

Using two radar sensors in the lower rear bumper, the available Blind Spot Detection system visually warns you of traffic in the blind spot area. Should you set the turn indicator in such a situation, the Lane Change Assist will sound an alert if the vehicle in the adjacent lane is approaching at a faster speed than you are travelling to safely pass.

## Rear Cross-Traffic Alert<sup>5</sup>

Activated during reverse driving, the available Rear Cross-Traffic Alert system uses radar to help identify and warn the driver of vehicles approaching from the side, even before they come into view of the standard rearview camera.

## Rear Parking Assist Sensors

In addition to the standard rearview camera, the available Rear Parking Assist Sensors provide even greater stress relief when reversing. Sensors mounted in the rear bumper will provide audible alerts, with increasing frequency, as you approach closer to objects behind you.

# Colours

## Exterior colours\*

Chalk White

Lake Silver  
Not available on 1.6T Trend

Dark Night  
Not available on 2.0L Essential and 1.6T Trend

Phantom Black

Pulse Red

Tangerine Comet  
Not available on 2.0L Essential

Blue Lagoon  
Not available on 2.0L Essential and 2.0L Preferred

Acid Yellow  
Available on 1.6T Trend and 1.6T Ultimate only

## Roof colours\*

1.6T Trend models feature stylish two-tone body colour. Choose between the following roof colours to customize your KONA:

Dark Night  
Pair with Phantom Black or Blue Lagoon

Phantom Black  
Pair with Chalk White, Pulse Red, Tangerine Comet or Acid Yellow

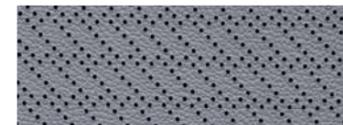

## Interior colours\*

Black cloth  
Standard on 2.0L Essential, 2.0L Preferred and 1.6T Trend

Black leather  
Standard on 2.0L Luxury and 1.6T Ultimate (with Chalk White, Lake Silver, Pulse Red and Tangerine Comet exterior colours only)

Grey leather  
Available on 1.6T Ultimate (with Phantom Black, Dark Night and Blue Lagoon exterior colours only)

Black leather with colour package  
Available on 1.6T Ultimate (with Phantom Black and Acid Yellow exterior colours only)

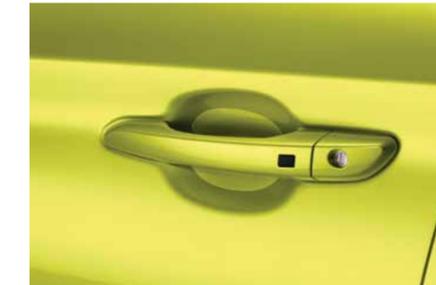

\*Exterior and interior colour options and/or availability by model may change without notice. Choice of interior colour is dependent on model and/or exterior colour selection. Colours shown are for reference only and may vary from the actual hue. Visit [hyundaicanada.com](http://hyundaicanada.com) or see your dealer for details.

# Accessories

### Skirt Package

Customize your KONA with stylish front, rear, and side skirts that complement its unique design.

### Door Pocket Clear Film

A clear protective film that lays behind the door handle to help prevent paint damage to this commonly scratched area.

### Cross Rails & Ski / Snowboard Carrier

This durable, quick-locking cross rail system lets you transport cargo easily, without sacrificing interior room. Carry up to six pairs of skis or two snowboards with this convenient lockable carrier.

### Mud Guard Kit

Custom-fit mud guards help keep the dirt and debris of everyday driving where it belongs.

### Multimedia Device Holder

This multimedia device holder allows your backseat passengers to have in-seat entertainment using a mobile phone or a tablet device. Features 360° rotation to allow use in portrait or landscape layout, hands free. The included mounting bracket easily fits to the headrest and the device holder is removable when not in use. Santa Fe Sport model shown.

### Accessory Frame & Hitch Mount Bike Carrier

An accessory frame makes it quick and easy to attach a hitch mounted bike carrier. Bike cradle holds up to two bikes and provides maximum security. Frame not intended for towing.

### Premium All Weather Floor Liners

Premium all weather floor liners were designed to cover the interior carpet providing maximum protection against the elements that other mats cannot offer. Their unique and durable design features a non-slip surface for added comfort and a long lasting premium look. Remove carpet mats prior to installation.

### Cargo Tray

Add years to the interior of your Hyundai by protecting it from spills and messy loads with a durable, custom-fit cargo tray.
