

The Power to Surprise

*ALL-NEW 2018*

**RIO**

# **RIO**

## **MADE FOR**

### **[ MORE THAN ]**

## **YOU EXPECT ]**

You can't get what you want unless you ask. To all the nay-sayers out there who believe it's impossible to integrate the very latest in technology into an action-oriented, dramatically designed sub-compact – it's time to open your mind to the reality that is the all-new 2018 Kia Rio. It's like a wake-up call to all small cars – and it invites you to let your imagination loose. Just think what a car that looks, connects and performs like the all-new 2018 Rio could do for you. Let your imagination come to life.

# THE INTERSECTION OF DRIVER AND TECHNOLOGY.

While the European styling with details like available 17-inch alloy wheels and LED lighting are sure to capture your attention, you'll also be captivated by the very latest in technology. In the all-new Rio, you'll discover how advanced systems can enhance everything from your entertainment and connectivity to your driver control and safety. Put it all in motion and feel the way the systems not only integrate with each other – but also connect you with the road like never before.

**SMARTPHONE INTEGRATION**  
Rio offers true smartphone integration through the available Apple CarPlay<sup>®</sup> 3.6 and Android Auto<sup>™</sup> 3.7 systems. They also open a world of other apps that help you get the most out of your music, your phone – and your all-new Rio.

**UVO INTELLIGENCE<sup>™</sup>**  
Kia's ground-breaking available UVO Intelligence<sup>™</sup> system features everything from the convenience of remote start/stop and the enhanced security of Find My Car to the informative Google<sup>™</sup> 7 point of interest search and the peace of mind of on-demand vehicle diagnostics – all with a free five-year subscription included.<sup>8</sup>

**AUTONOMOUS EMERGENCY BRAKING<sup>1</sup>**  
The all-new Rio is equipped with an available Autonomous Emergency Braking system<sup>1</sup> that selectively intervenes automatically, providing full braking assistance, up to a complete stop when possible, if it detects a potentially serious collision in your path.

# PREPARE TO ENGAGE.

Everything inside the all-new Rio is designed to heighten your driving experience. Your comfort is enhanced by the standard heated steering wheel and heated front seats. Get ready to engage the standard six-speed manual transmission – or opt for the available Sportmatic® six-speed automatic that allows you to engage clutch-free manual shifting for a sportier driving experience. Your interaction extends to the infotainment, with the new, available state-of-the-art UVO Intelligence™ system that offers up the latest in vehicle connectivity and remote services.

## OPENS DOORS

A standard, easy-open tailgate on Rio 5-door makes it easy to take advantage of all 493 litres (17.4 cu. ft.) of cargo space behind the rear seats or 928 litres (32.7 cu. ft.) of cargo space with the rear seats folded down.

## 60/40 SPLIT-FOLDING SEATS

Split-folding rear seats give you the flexibility to conveniently carry passengers or cargo – or both – depending on your needs.

## AUTOMATIC TEMPERATURE CONTROL

Fully automatic temperature control on EX models allows you to maintain your preferred temperature at all times.

## HEATED COMFORT

The standard heated front seats and heated steering wheel provide the ultimate in comfort during the cold Canadian winter. They're just two of the many premium amenities available with the all-new Rio.

## POWER SUNROOF

An available power sunroof lets you enjoy the pleasure of open-air driving and adds to the sense of roominess inside the cabin.

International model shown

## A MORE INTELLIGENT RIDE.

The long sweeping lines of the dash set the stage for a highly interactive ride with technology serving as your co-pilot. From available integrated navigation<sup>2</sup> to true smartphone integration and the host of services through the available UVO Intelligence™ system, you have comprehensive control over your driving experience. All the controls are ergonomically arranged and designed for intuitive operation, keeping you fully connected with your Rio. That's one intelligent ride.

### BUILT-IN NAVIGATION

The available 7-inch touchscreen includes integrated navigation,<sup>2</sup> providing you with turn-by-turn directions to virtually any destination in North America.

### INPUT AND CHARGING OPTIONS

For your listening enjoyment, Rio comes with standard AUX and USB audio ports that let you connect a USB drive or digital music player directly to the audio system. You can also stream audio wirelessly via standard Bluetooth.<sup>2,4</sup>

### SMARTPHONE INTEGRATION

You never go anywhere without your smartphone – or your tunes. Rio's available Apple CarPlay<sup>3,6</sup> and Android Auto<sup>3,7</sup> systems not only enable audio streaming but also give you access to a wide range other apps that help you get the most out of your ride.

# UVO<sup>®</sup> Intelligence™

## Advanced connected car services

Advanced connected car services have a new name: UVO Intelligence™. It connects you to a world of support services that enhance your security, comfort and confidence every time you get behind the wheel of your new Rio.

The UVO Intelligence™ system includes everything from safety and security services to vehicle diagnostics and remote services, to simplify your everyday life. Better yet, the service is **free for the first five years.**<sup>8</sup>

### REMOTE SERVICES

UVO Intelligence™ puts an end to some of driving's most common problems, such as losing your car in a crowded parking lot by accessing vehicle information remotely from your smartphone. Services include: Remote Start/Stop with Climate Control, Remote Door Lock/Unlock, Remote Horn/Lights, Remote Vehicle Status Check and Find My Car.<sup>8</sup>

### SAFETY AND SECURITY

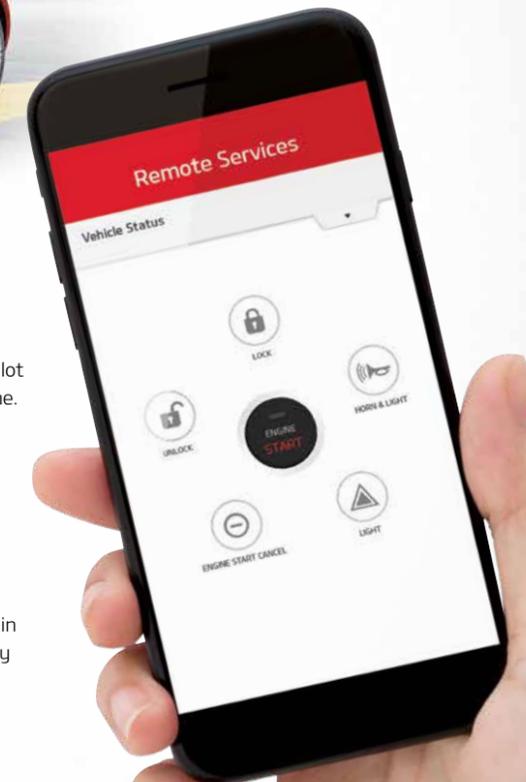

UVO Intelligence™ includes a series of safety and security features that assist when you need help. Automatic Collision Notification sends out an emergency call automatically if you're in an accident. Enhanced Roadside Assistance and S.O.S. Emergency Assistance are both available at the touch of a button.

### VEHICLE HEALTH

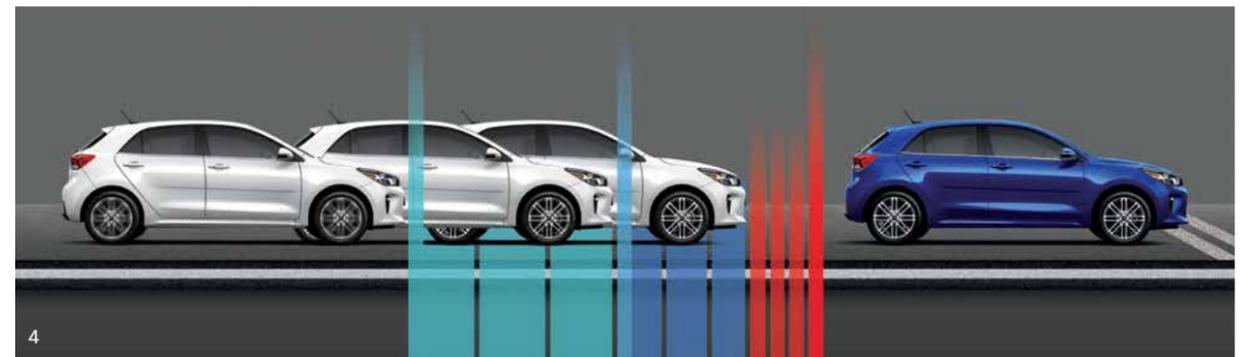

You can keep on top of the status of many of your vehicle's important functions – from your smartphone. Services include: Maintenance Alert, Monthly Vehicle Health Report, Auto Diagnostic Trouble Code Notification, On-Demand Diagnostics – even Driving Information that tracks your driving patterns.

### LOCATION-BASED SERVICES

Use the voice-activated Destination Search powered by Google™<sup>7,8</sup> to find an address, or points of interest by category, quickly and easily from your driver's seat, allowing you to keep your eyes on the road.

**ULTRA-HIGH STRENGTH STRUCTURE**  
The all-new Rio features a uniquely engineered body that combines various high-tensile strength steel alloys. The body structure not only helps provide excellent crash protection – it also contributes to better driving dynamics and a remarkably quiet ride.

## ENGINEERED FROM THE OUTSIDE IN.

While Rio's first line of defence is represented by the series of enhanced driver control systems that help you avoid trouble, the body structure is engineered to protect the entire passenger compartment should an incident prove unavoidable. With a suite of active and passive safety features you can take to the road with added peace of mind provided by advanced engineering in the all-new Rio.

### 1. SIX AIRBAGS

Rio protects you and your passengers with advanced dual-front, side-impact and curtain airbags with finely tuned sensors to optimize protection. In combination, they help protect front seat passengers against head and chest injuries in moderate to severe impacts.

### 2. REARVIEW CAMERA<sup>1</sup>

When you shift into reverse, the screen automatically displays a high-resolution image from the vehicle's rearview camera.<sup>1</sup> It's like an extra set of eyes, showing you what you might not otherwise see when looking in the rearview mirror or over your shoulder.

### 3. RAIN SENSING WIPERS

When the windshield wiper system detects moisture, it automatically activates, helping maintain optimal visibility through a range of conditions. Standard on Rio EX Sport and EX Tech models.

### 4. AUTONOMOUS EMERGENCY BRAKING SYSTEM<sup>1</sup>

Another layer of defence is provided by the available Autonomous Emergency Braking system.<sup>1</sup> This intelligent system uses input from sensors to evaluate the seriousness of a hazard in your path. It intervenes automatically only when a crash is imminent, helping you avoid the collision or reduce its impact.

### ANTI-LOCK BRAKING SYSTEM

ABS provides the foundation for Rio's active safety systems. It helps provide greater vehicle control when stopping in difficult conditions, such as wet, slippery or snow-covered roads.

### VEHICLE STABILITY MANAGEMENT SYSTEM

VSM controls brake force, engine torque and steering torque to provide improved vehicle stability during cornering or on loose or slippery road surfaces.

### HILL-START ASSIST CONTROL

To help keep you from rolling backward when starting to move up a steep hill, Hill Assist Control (HAC) automatically maintains braking pressure for up to two seconds after you take your foot off the brake pedal – enough time to shift your foot from the brake to the accelerator pedal.

### ELECTRONIC BRAKEFORCE DISTRIBUTION

EBD adjusts front-to-rear brake pressure to compensate for varying passenger/cargo loads and deliver more confident braking performance.

### ELECTRONIC STABILITY CONTROL

Electronic Stability Control (ESC) monitors Rio's response to your throttle, brake and steering inputs in tight corners and during evasive-maneuvre situations. If the input and response are out of sync, ESC briefly takes over to restore stability through precise brake and engine-control interventions.

### AIRBAG & SEAT-BELT SENSORS

Special onboard sensors measure the severity of a crash impact and determine whether the front seat occupants are wearing their seat belts. Within milliseconds, this information is used to determine and trigger the correct level of airbag inflation to protect the occupants.

1. Please note that your vehicle may not be equipped with all features described. This also applies to safety-related systems and functions. None of the features we describe are intended to replace the driver's responsibility to exercise due care while driving and are not a substitute for safe driving practices. Some features may have technological limitations. For additional information regarding the various features, including their limitations and restrictions, please refer to your vehicle's Owner's Manual. 2. When equipped with Bluetooth® wireless connectivity and the navigation system, French voice commands may be limited. 3. Compatible smartphone required. Data rates may apply, please check with your wireless service provider. 4. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. A compatible Bluetooth wireless technology-enabled cell phone is required to use Bluetooth hands-free wireless technology. 5. SiriusXM® satellite radio service includes 3 month trial and is available in the 10 provinces and three territories of Canada, and the 48 contiguous states of the U.S. Monthly subscription sold separately after three trial months. 6. Apple, the Apple logo and CarPlay are trademarks of Apple Inc., registered in the US and other countries. App Store is a service mark of Apple Inc. 7. Google, Google Play, Google Maps, and Android Auto are trademarks of Google Inc. Google Maps ©2017 Google. 8. Service is free for the first five years from the day the vehicle was first registered. Monthly subscription may be applicable after the free period. Certain UVO Intelligence functions are only available on specific models. Destination Search is only available on vehicles with a navigation head unit. Please consult your dealer for details. Compatible smartphone required. Data rates may apply, please check with your wireless service provider. 9. The Kia 5-year/100,000-km warranty includes various warranties and roadside assistance. Some restrictions apply. For more information call us at 1-877-542-2886 or visit to [kia.ca](http://kia.ca)

# Delivering world-class quality.

Kia is committed to producing exceptional vehicles with superb quality and reliability to suit your driving needs. From compact to crossover, every Kia delivers an extraordinary combination of precision engineering, outstanding performance, innovative features, and advanced safety systems.

### STUNNING DESIGN

Under the direction of renowned President and Chief Design Officer Peter Schreyer — Kia vehicles have captured worldwide attention for their interior and exterior styling, which represents the collaborative work of designers who have created a look that makes every Kia recognizable at first sight. Today, the lineup consists of vehicles that fill owners, as well as Kia's designers, with pride.

### EXTENSIVE RESEARCH AND DEVELOPMENT

Kia's R&D procedures are rigorous and exhaustive. At proving grounds around the world, vehicles undergo unrelenting tests. A world-class wind tunnel provides testing in winds up to 200 km/h. Utilizing heavy-rain-and-snowfall testing chambers and a road simulator, Kia puts its vehicles through punishing tests as part of a commitment to develop exceptionally durable and safe vehicles.

## Get the points.

### Kia Member Rewards is an exclusive rewards program for Kia customers.

As a Kia Rewards Member, you'll earn points with every dollar you spend on maintenance service, parts and accessories at your servicing Kia dealer. Those Reward Points can be redeemed for discounts on future purchases — including the purchase of a new Kia. Plus earn Bonus Points on select items and services to collect rewards even faster.

### Kia Member Rewards No-Charge Benefits

- Fuel fill-up with the delivery of your new Kia vehicle
- Local shuttle service
- Multi-point vehicle inspection with every service visit
- Windshield washer fill-up with every paid service

- Windshield wiper installation with wiper purchase
- Preferential rates on car rentals, nationwide
- 24/7 Roadside Assistance for your vehicle under Kia's 5-year/unlimited km warranty or Certified Pre-Owned warranty
- Email notification of exclusive Kia specials and events — a great way to earn Reward Points and save on future purchases

### Become a Kia Premium Rewards Member:

Ask your Kia Dealer how you can enjoy even more benefits.

### Enroll Today:

Becoming a Kia Rewards Member is easy. See your Kia Dealer today to join. Visit [rewards.kia.ca](http://rewards.kia.ca) for full terms and conditions.

# We've got you covered.

Kia engineers are passionate about producing vehicles that are exceptionally well-designed and reliable. Their dedication to quality and attention to detail give Kia the confidence to back every model with an outstanding warranty program.

**Our outstanding warranty coverage includes:**

**5-year/100,000 km** - Worry-free comprehensive warranty covering virtually the entire vehicle<sup>9</sup>

**5-year/100,000 km** - Powertrain Warranty covering the engine, transmission, axles, differentials and driveshafts<sup>9</sup>

**5-year/unlimited km** - Roadside Assistance covers you in case of mechanical breakdown anywhere in North America<sup>9</sup>

**1-year/20,000 km** - First-year adjustments covering consumable items such as bulbs, wiper blades, fuses, brake pads, etc.<sup>9</sup>

**8-year/130,000 km** - Major Emission Components that guarantee that the car will conform with government emission regulations<sup>9</sup>
