

2003 LINCOLN AVIATOR KITTY HAWK EDITION

Nancy

2003 LINCOLN AVIATOR: KITTY HAWK EDITION.

A FLIGHT OF FANCY. In honor of the 100th anniversary of the Wright Brothers' historic first flight, Lincoln adds a limited edition to its newest luxury SUV, the Aviator. The Kitty Hawk Edition offers all the virtues of the Aviator—it's athletic, roomy and powerful. A 4.6-liter, 302-horsepower V8 InTech™ engine and independent rear suspension means you don't sacrifice the power and performance you expect from a Lincoln. The use of aircraft-grade aluminum creates a lightweight, yet strong, suspension that gives Aviator its exceptionally agile handling. And it comes in 2WD with available 3.55 limited slip axle or All-Wheel Drive (AWD) with available AdvanceTrac™.

SPECIAL APPEARANCE. Aviator Kitty Hawk Edition is adorned with unique enhancements that give it an air of distinction. Its sleek exterior is monochromatic black, accented by a rear spoiler¹, argent grille with chrome surround, chrome exhaust tip, 17-inch chrome wheels and Kitty Hawk Edition badging. Inside, the differences are equally dramatic. The elegant cabin is accentuated by mink zebrano wood trim and black premium leather seating surfaces with black stitching and embossed with the Kitty Hawk logo. Thick, luxurious floor mats embroidered with the handsome Kitty Hawk logo complete this very special limited edition Aviator. Other standard and available Aviator Kitty Hawk features include:

STANDARD FEATURES • SAFETY CANOPY™ SYSTEM² • REAR PARK ASSIST • 4-CORNER INDEPENDENT SPORT-TUNED SUSPENSION • TIRE PRESSURE MONITORING SYSTEM • POWER DRIVER'S SEAT, POWER-ADJUSTABLE FOOT PEDALS AND POWER EXTERIOR MIRRORS WITH MEMORY FEATURE HEATED AND COOLED DRIVER AND FRONT PASSENGER SEATS • 3RD-ROW FOLD-FLAT BENCH SEAT AUDIOPHILE SOUND SYSTEM WITH AM/FM STEREO/6-DISC IN-DASH CD CHANGER • HID HEADLAMPS

AVAILABLE FEATURES • REAR SEAT ENTERTAINMENT SYSTEM WITH DVD • POWER MOONROOF TOUCH-SCREEN DVD-BASED NAVIGATION SYSTEM • ADVANCETRAC™ (AWD MODELS ONLY)

COUNTDOWN TO KITTY HAWK. In celebration of the Wright Brothers' achievement and the contributions of Ford Motor Company to aviation history, we're proud to be the presenting sponsor of EAA's Countdown to Kitty Hawk. This yearlong series of events features an interactive touring pavilion that includes the most accurate reproduction of the original 1903 Wright Flyer. Following the tour across America, this reproduction will re-enact the Wright Brothers' first powered flight at the Wright Brothers National Memorial in North Carolina on Dec. 17, 2003 — exactly 100 years later. As the official vehicle of EAA's Countdown to Kitty Hawk, the Lincoln Aviator Kitty Hawk Edition commemorates this historic event as an outstanding example of "changing the world through innovation."
