

PONTIAC

2004 Bonneville

Pontiac Bonneville GXP shown in Graystone Metallic.

2004 Pontiac Bonneville GXP*

The new Bonneville® GXP™ is fitted with the most technologically advanced performance package Pontiac® has ever produced, and designed with a level of style, sophistication and refinement befitting a high-performance touring car. Performance is achieved through the union of a 32-valve 4.6 Liter Northstar® V8 engine and a sophisticated suspension system. Aesthetic cues were crafted to be as beautiful as they are purposeful. The marriage of world-class performance with world-class luxury puts Bonneville GXP in a commanding position among luxury sport sedans.

*Available early 2004.

Dual overhead cams operate 32 valves to help the 4.6 liter Northstar V8 deliver 275 horsepower.

Bonneville GXP features silver-faced gauges with the available Head-Up Display.

18-inch flangeless wheels with red brake calipers.
