>> Every side is its good side.

smart fortwo edition greystyle coupé & cabrio.

>> A strong character.

Good looks can go a long way. The edition greystyle easily attracts attention with an exclusive dark-grey matte finish and gleaming black tridion safety cell. Rally-yellow mirror caps with greystyle lettering give this special edition its sporty character. And dark-grey, matte finish Monoblock VII alloy wheels complete the design for a strikingly stylish exterior body.

Stepping inside the edition greystyle, the sporty emphasis continues: yellow double-stitched black leather elements combined with sleek fabric inserts adorn its lively interior. The 3-spoke sport steering wheel with shift paddles is wrapped in extra soft Nappa leather for a great feel. This distinct look is rounded out by matte-silver details and yellow accents for a little extra eye-candy.

The smart fortwo edition greystyle is available as a coupé or a cabrio. Visit your local smart Centre or thesmart.ca to find out more.
