

2017

Tiguan

Volkswagen

Exceptional exists for
less than you think.

From only \$27,885.*

*Base MSRP of a new and unregistered 2017 Tiguan 2.0 TSI® Trendline with 6-speed automatic transmission with Tiptronic® is \$27,885, \$1,795 freight and PDI and \$100 a/c levy included. Licence, insurance, registration, options, any dealer or other charges and applicable taxes are extra. Dealer may sell for less. Higher trimlines of the 2017 Tiguan are shown and some include optional equipment.

You were born to drive. And you need the versatility of an SUV. You just found your new best friend. The 2017 Tiguan is like nothing else on the road, and the word “fun” plays a big part. Tucked under the hood is a turbocharged engine that’s ready to go the moment you say. And inside you’ll find a wonderfully refined interior. This is one exceptional ride, for a very remarkable price.

Performance

We wanted to create a capable SUV that still gave drivers an exhilarating on-road experience. That’s why we gave the 2017 Tiguan a 2.0 TSI® turbocharged 200 HP engine and available 4MOTION® All-Wheel Drive. It makes the fun-to-drive part come easily.

Versatility

It’s chock full of utility. And packs a sporty punch. The 2017 Tiguan is built to handle whatever comes its way. Bring it on. Then bring it on again.

Design

Sure, the 2017 Tiguan is thoughtful and practical, like an SUV should be. It’s also a beautifully designed vehicle that injects a sense of fun and playfulness into the category.

There's no tech like new tech.

The 2017 Tiguan has all the technology you need to make an exceptional drive even more so. It's all right at your fingertips so you can stay in perfect control and enjoy every second of the drive.

Available App-Connect*

Connecting to what matters has never been easier. The intuitive interface and voice command actions let you easily search online for songs, directions or even your favourite restaurant. You can also dictate text messages and have incoming texts read to you. So you can keep your eyes on the road, and not on your screen. Works via Android Auto™, Apple CarPlay™ and MirrorLink™.

Available Fender® Premium Audio System

Let the music reign supreme. The 8-speaker system will put you in the best seat in the house – or should we say, best seat on the road.

Available Discover Media infotainment system*

The Discover Media infotainment system combines next-generation navigation with in-car media, all controlled from its easy-to-use 6.33" touchscreen colour display.

*Do not drive distracted.

From the outside it looks like an SUV.

Once you take to the road, it's all performance, handling and control. If it wasn't for the back seat, loads of cargo space and commanding seating position, you might just forget you're in an SUV.

2.0 TSI[®] engine

This turbocharged engine delivers 200 HP and 207 lb-ft of torque. It's plenty of power to go far and wide, and have fun doing it.

Available 4MOTION[®] All-Wheel Drive

With always-on 4MOTION[®] All-Wheel Drive, the 2017 Tiguan can navigate unfriendly terrain with ease by instantly reacting to changes in traction at each individual wheel and redirecting power accordingly. The result is better grip, smoother handling and a more peaceful drive.

Fuel Consumption*	Engine	City L/100 km	Highway L/100 km
Automatic	2.0 TSI [®]	11.7	9.6
Automatic with 4MOTION [®]	2.0 TSI [®]	12.0	10.0

*Fuel consumption figures are estimates based on Natural Resources Canada's approved criteria and testing methods. Your fuel consumption will vary.

Here. There. Everywhere. Take it all in stride.

Life takes you places. Some expected. Some not. The 2017 Tiguan will handle it all without skipping a beat.

60/40 split folding and sliding rear seats with pass-through

The rear seats fold, recline and slide back and forth, creating ample cargo space for all your stuff. The gear pass-through also lets you carry longer objects, like hockey sticks, without sacrificing rear seat space.

You'll have to get used to being the centre of attention.

The 2017 Tiguan certainly turns heads with its sporty stance, sculpted form and rock-solid good looks. Once you're behind the wheel, you might lose sight of this, but believe us, others won't.

Available panoramic sunroof

Whether it's a big blue sky or a starlit night, see a whole lot more of it with a panoramic sunroof that spans nearly the entire length of the cabin.

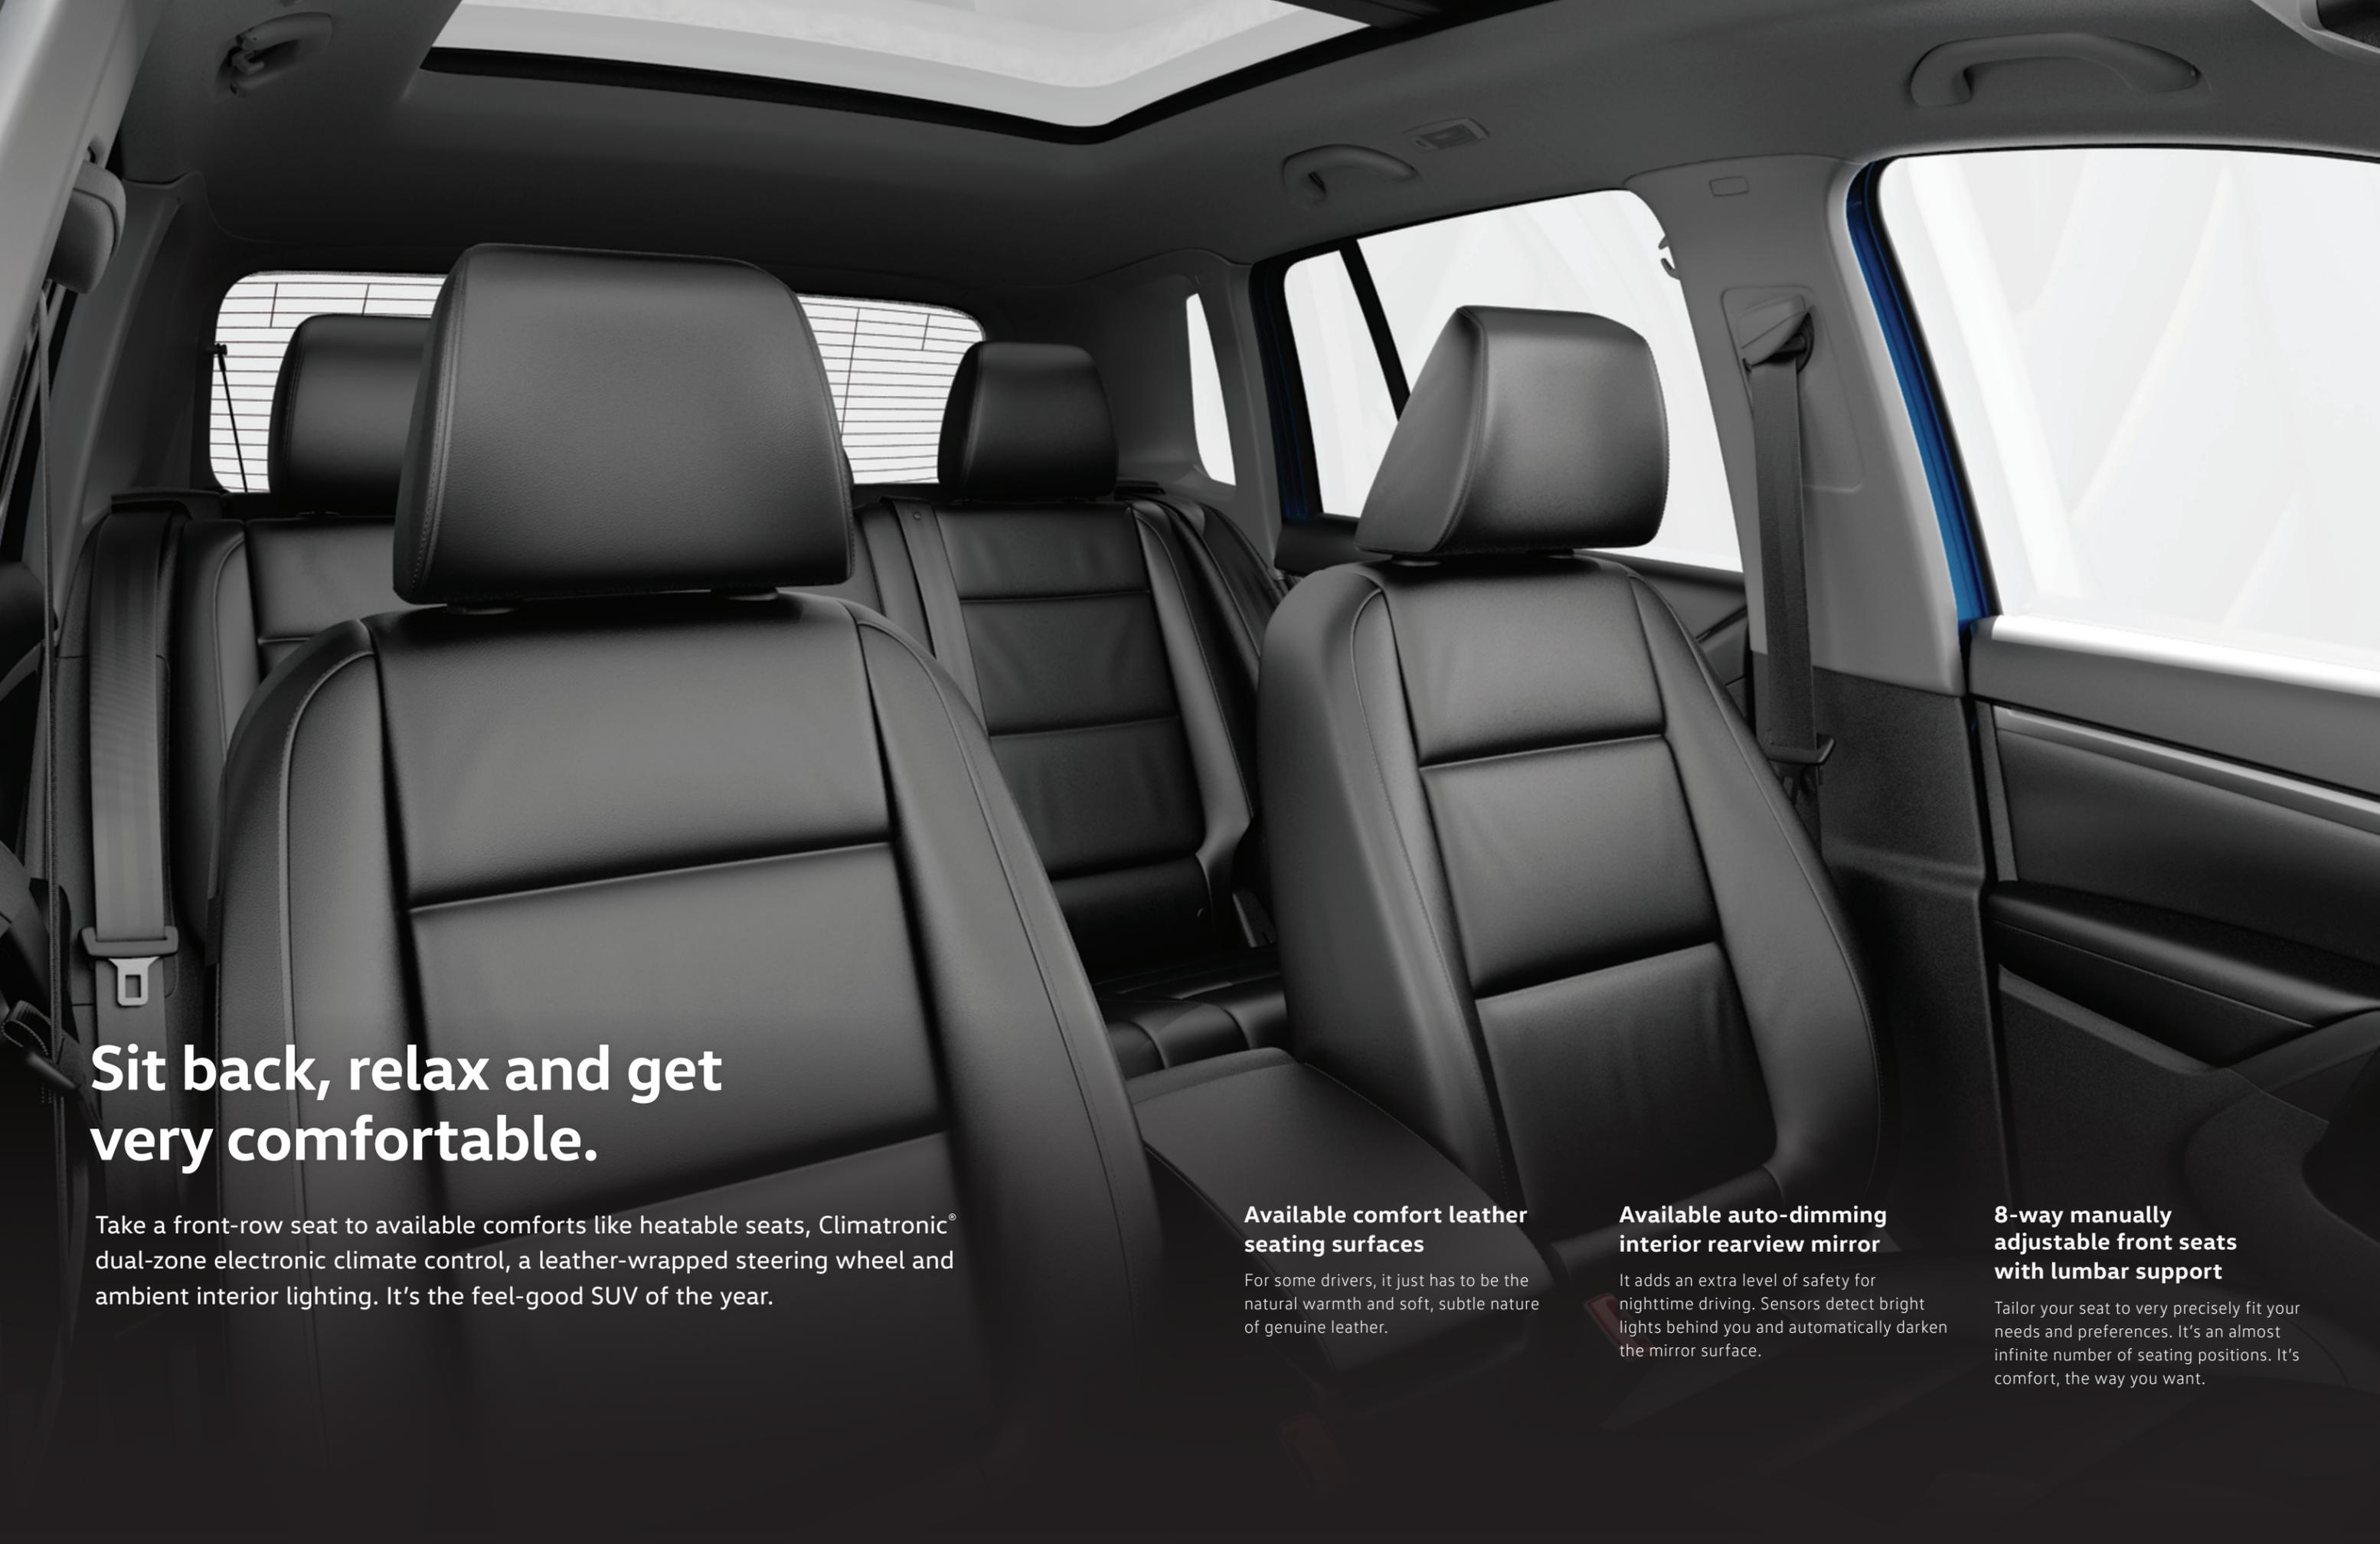

Chrome front grille

Ultra-clean horizontal lines accentuate the 2017 Tiguan's crisp, elegant styling. The swept-back top bar on the grille helps guide the eye back to the sculpted recess just below the windows.

Available R-Line Package

If you're wondering why it's so hard to tear your eyes away from the Tiguan, blame it on the performance-inspired styling of the R-Line Package.

Sit back, relax and get very comfortable.

Take a front-row seat to available comforts like heatable seats, Climatronic® dual-zone electronic climate control, a leather-wrapped steering wheel and ambient interior lighting. It's the feel-good SUV of the year.

Available comfort leather seating surfaces

For some drivers, it just has to be the natural warmth and soft, subtle nature of genuine leather.

Available auto-dimming interior rearview mirror

It adds an extra level of safety for nighttime driving. Sensors detect bright lights behind you and automatically darken the mirror surface.

8-way manually adjustable front seats with lumbar support

Tailor your seat to very precisely fit your needs and preferences. It's an almost infinite number of seating positions. It's comfort, the way you want.

**If we had a middle name,
it would be safety.**

Dramatization.*

We want to help make sure all your journeys – near and far – are safe ones. That's why the 2017 Tiguan is absolutely packed solid with advanced safety features to help keep you protected.

Electronic Stability Control (ESC)

Our technology helps keep your vehicle stable, so you can get a grip in low-grip conditions.

Airbags front and back

With front, torso and side curtain airbags for the front seats, and side curtain airbags for the back seats, no matter where you're sitting we've got you covered from multiple angles.

Standard rearview camera*

Rearview mirrors only tell you half the story. Complete the full picture, avoid otherwise unseen obstacles, and reverse into parking spots with greater precision with the help of this handy camera.

Intelligent Crash Response System (ICRS)**

Looking out for you when you need it most, this automatic safety system disables the fuel pump, turns on the hazard lights and unlocks all doors in the event of a collision.

Electronic parking brake

The conventional handbrake is replaced with a switch on the centre console that offers added safety and convenience. The system lets the vehicle move without manually releasing the brake. It happens automatically and prevents the vehicle from rolling backwards.

*Not all airbags will deploy, and if multiple airbags do deploy, they will be in various stages of inflating/deflating.

*Driver assistance feature. Drivers must continue to perform manual checks before proceeding and pay full attention to the road.

**ICRS will only engage if an airbag is deployed or a safety belt tensioner fires.

Volkswagen Original Accessories

Ready for anything.
Custom-tailor your Tiguan.

When it comes to accessorizing a Volkswagen, only the best will do. Built to the same quality standards we build our cars and SUVs to, our accessories are custom-fitted to each vehicle and designed to go the distance.

Many accessories can also be included in your lease and financing arrangements, and easily included in your payments to suit your needs.*

Volkswagen Original Accessories are protected by the new vehicle 4-year/80,000 km limited warranty if they're installed prior to vehicle delivery. Or if purchased afterwards, accessories qualify for the balance of the new vehicle warranty coverage or a 1-year/20,000 km limited warranty, whichever is greater.**

01 Side steps
Aluminum with an anti-slip coating. These run the full length of the rocker panel and allow for easier entry and exit.

02 Trailer hitch receiver kit
Get your Tiguan ready for towing. (Hitch ball and ball mount sold separately.)

03 Monster Mats®
High-quality all-season mats with retention clips.

04 Trunk liner with logo (plastic)
Heavy-duty lightweight flexible-plastic trunk liner.

05 Cargo organizer blocks (set of four)
Designed to work with the trunk liner. Strong Velcro® backers fasten tightly to the looped polywear surface.

06 Splash guards
Designed for a flush contour fit, these splash guards help protect your Tiguan against road debris.

07 Base carrier bars
Bring along your skis, snowboards, kayak, bikes or cargo boxes with the help of these base carrier bars.†

08 Bike holder attachment
Rugged single-bike holder with built-in lock.

09 Kayak holder attachment
Rubber-coated single-kayak holder with tie straps.

10 Hatch top spoiler
Adds a high level of sportiness to the roofline of your Tiguan.

11 Ski, snowboard and wakeboard attachment
Carries up to six pairs of skis or one wakeboard or four snowboards and installs on T-Slot base carrier bars (required and sold separately).††

12 Roof box (black)
Maximize your vehicle's transport capacity with an optimized and aerodynamically designed roof box.

13 Child seat protective underlay
These seat covers not only look great, but they are also practical.

15 Chrome-look rear accent strip
These chrome-look accents offer a scratch- and impact-resistant surface. Self-adhesive easy installation.

17 Pop-in sunshades for hatch window and hatch-area side windows
Protects from sunlight and helps reduce interior temperature.

14 Cargo net
Designed to help prevent movement of cargo in your vehicle's trunk.

16 Sport pedal cap set
Add just the right touch of sportiness to your vehicle with these brushed-metal pedal sets. Includes accelerator and brake pedal caps.

18 Side window deflectors
Help reduce in-cabin wind noise and air turbulence with these side window deflectors.

*Accessories must be dealer installed and approved by Volkswagen Finance. Certain conditions may apply. Contact your approved dealer for full details.
**Limited warranty is supplied by Volkswagen Group Canada Inc.

Availability of accessories shown is subject to change. Accessories may not fit all models.
†Separate attachments required to carry different types of items.
††Number of items that can be carried will vary based on the size of each item.

© 2016 Volkswagen Canada. Features noted as available are available in optional packages or on higher trimlines. Items, specifications, availability, standard features, options, fabrics and colours are subject to change without notice. Volkswagen Canada is not responsible for errors in typography or photography. Some features may be unavailable when your vehicle is built or available at extra cost. Although we endeavour to ensure that the information is accurate, as errors may occur from time to time, customers should contact their local Volkswagen dealer for details. Tires are supplied and warranted by their manufacturer. The vehicle is sold equipped with four all-season tires. However, please remember that the use of winter tires may be mandatory in your province or territory. Airbags are supplemental restraints only and will not deploy under all accident scenarios. Always use safety belts and seat children only in the rear seats, using restraint systems appropriate for their size and age. The navigation system depends upon signals from the GPS network and is designed to provide you with suggested routes only. Discrepancies may occur between the mapping and the actual location due to changes in street names, construction or other road system changes which are beyond the control of Volkswagen Canada. Please rely on your individual judgment in determining whether or not to follow a suggested navigation route. Fuel consumption ratings are estimates based on Natural Resources Canada's (NRCAN) fuel consumption criteria and testing methods for 2017 model year vehicles and are provided for comparison purposes only. Please note that comparisons to seemingly similar vehicles pre-2015 model year will show discrepancies due to the difference in NRCAN approved calculation methods for 2014 model year and older vehicles. Please refer to NRCAN's Fuel Consumption Guide 2017 for estimated fuel consumption figures. Actual fuel consumption will vary based on driving conditions, driver habits and the vehicle's condition, weight carried and additional equipment.
