

2019 Golf Alltrack Buyer's Guide

Stylish versatility meets rugged utility.

Golf Alltrack top features

Execline trim in Tornado Red with available bike holder attachment

Large cargo space

No need to pack light. You can fit adventures big or small with 60/40 split-folding rear seats, without compromising the nimble capabilities of a wagon.

Cross Differential System (XDS)

Love a good bend in the road? With its Cross Differential System, the Alltrack automatically brakes the inside wheel of the vehicle slightly and directs power to the outside wheel, letting you bear-hug each corner.

Raised suspension

All clear! This wagon gives you off-the-map ground clearance. That means more off-the-map adventures. Rocky roads are welcome.

Panoramic sunroof

Chasing the sun? Grab a tan while you're at it with the front-to-back-row panoramic sunroof that lets the sun shine through the entire wagon, and bring the great outdoors inside.

Available Discover Media infotainment system*

Stay on track and entertained with the Discover Media 8" touchscreen music interface and built-in satellite navigation system. No need for your phone's GPS – the Alltrack knows the way.

*Do not drive distracted. Drivers must pay full attention to the road and safe driving at all times.

Execline trim in Silk Blue Metallic

All adventures are go

Go where no Golf has gone before – off-road. The rugged 2019 Golf Alltrack was designed with one thing in mind – adventure. Nowhere is that more visible than in the raised suspension made for some serious off-roading. But the Alltrack isn't just a mudslinging adventure-mobile; it also knows a thing or two about style.

The safe side

The 2019 Golf Alltrack comes loaded with a ton of standard and available features to help keep you safe behind the wheel, including standard LED tail lights and available driver assistance features such as Adaptive Cruise Control with Stop & Go, Blind Spot Detection, Lane Assist and Light Assist.*

*Driver assistance features. Drivers must continue to perform manual checks and pay full attention to the road and safe driving. Please review the owner's manual for feature limitations.

Rough roads don't mean you have to rough it

Styling and features you'll love. Options to make it your own. Choose your paint colour, upholstery and wheels to create the perfect getaway wagon.

Volkswagen Canada is not responsible for errors in typography or photography. Some features may be unavailable when your vehicle is built or available at extra cost. Although we endeavour to ensure that the information is accurate, as errors may occur from time to time, customers should contact their local Volkswagen dealer for details. Tires are supplied and warranted by their manufacturer. The vehicle is sold equipped with four all-season tires. However, please remember that the use of winter tires may be mandatory in your province or territory. Airbags are supplemental restraints only and will not deploy under all accident scenarios. Always use safety belts and seat children only in the rear seats, using restraint systems appropriate for their size and age. The navigation system depends upon signals from the GPS network and is designed to provide you with suggested routes only. Discrepancies may occur between the mapping and the actual location due to changes in street names, construction or other road system changes which are beyond the control of Volkswagen Canada. Please rely on your individual judgment in determining whether or not to follow a suggested navigation route.
