The 2020 Jetta GLI

Thrills come **standard**

For added peace of mind, a range of optional safety features can be added, including Autonomous Emergency Braking and a multifunction camera with distance sensor.¹

[†] Driver assistance features. Drivers must continue to perform manual checks and pay full attention to the road and safe driving. Please review the owner's manual for feature limitations.

Safety comes first

The Jetta GLI comes equipped with a variety of features to help keep you confident behind the wheel. Hit the road with confidence, thanks to driver assistance features like Side Assist (blind spot monitor) with Rear Traffic Alert, cruise control, rear view camera and Hill Hold Assist.

Sheer power meets style in the revved-up Jetta GLI performance sedan. Built for open roads and city streets, the GLI sports a mighty 228-horsepower turbocharged engine, sport suspension, Dynamic Chassis Control and mechanical limited-slip differential. Add in exclusive features and the comfort and convenience of a four-door sedan and the GLI has it all.

Top Features

228 HP Turbocharged Engine

Experience serious get-up-and-go with 228 horsepower and 258 lb-ft of torque. Because when it comes to performance, you can't fake the thrill of the drive.

Sport Suspension

The Jetta GLI's lowered sport-tuned suspension, featuring performance front and rear sway bars and fully independent rear suspension, makes easy work of tight corners.

GLI Styling

Get set to turn heads and be the envy of every driver on the road. From the GLI's aerodynamic styling to its enlarged red brakes and subtle yet sporty rear lip spoiler, the Jetta GLI strikes one serious pose.

Dynamic Chassis Control

Switch between three distinct driver modes at the touch of a button. Better still, the system's electronically adjustable dampers allow it to react in real time to changing road conditions.

Mechanical Limited-slip Differential

The mechanical limited-slip differential automatically adjusts torque between the front wheels for precise cornering. Point the steering wheel to the apex, punch the gas and go.*

*Please drive safely and obey all traffic laws, including speed limits.

Volkswagen Accessories Warranty

If purchased at time of new vehicle purchase, accessories are covered by the new vehicle limited warranty[‡] of 4 years or 80,000 km (whichever occurs first).

If purchased from an authorized dealer during the new vehicle limited warranty period, accessories are covered by the remainder of that period or limited warranty[‡] of 2 years with unlimited kilometres (whichever is greater).

Upgrade your experience

Built to the same quality standards as our cars and SUVs, our accessories are custom-fitted to each vehicle and designed to go the distance. Many accessories can also be included in your lease or finance payments to fit your budget[†].
