

The 2020 Passat

Premium features meet plush comfort

Top Features

LED headlights, Daytime Running Lights and Tail Lights

Bright and stylish with long-lasting bulbs, LED automatic headlights and daytime running lights make it easy to see and be seen.

Adaptive Cruise Control*

Cruise with confidence with available Adaptive Cruise Control, designed to automatically adjust your speed based on surrounding traffic to maintain the selected following distance.†

Satellite Navigation

Our navigation system will help you find your way quickly and easily while also letting you listen to your choice of music en route.

Remote Start

Start the engine with the press of a button on your key fob with remote start. Perfect for warming up your ride on those chilly mornings.

Power Sunroof

At the touch of a button, open the power sunroof for a breath of fresh air. Or slide the sunshade over to keep things cool. Either way, things are looking up.

* Driver assistance feature. Drivers must continue to perform manual checks and pay full attention to the road and safe driving. Please review the owner's manual for feature limitations.

† In emergency situations, it is still necessary to apply the brakes manually.

Safety comes first

The Passat comes equipped with a variety of features to help keep you confident behind the wheel.

Hit the road with confidence, thanks to driver assistance features like Park Distance Control with Park Assist, Autonomous Emergency Braking, Side Assist (blind spot monitor) with Rear Traffic Alert, Lane Assist (lane-keeping system) and Adaptive Cruise Control.*
