

FLEET & BUSINESS SOLUTIONS

stellantisfleet.com | 1-800-999-FLEET (3533)

WELCOME TO YOUR FLEET PROGRAM

We know that many aspects of your work can be unpredictable, especially with the ever-changing demands of today's service industry. Whether you're managing a commercial business, public safety headquarters or a government agency, making informed decisions is the clearest path to operational success. The Fleet Program is designed with you and your workforce in mind and is tailored for a wide variety of industries. Our vehicle lineup is customized to bring hard work, reliability, efficiency and convenience to your job, all while keeping your bottom line in mind.

Choosing a Fleet vehicle means access to a full-service, commercial vehicle lineup, a dedicated support system of service technicians, a dedicated account manager, and exclusive discounts and incentives. Our Fleet vehicles provide undeniable capability and performance from brands you know and trust.

CONTACT US

Do you have questions about our Fleet programs, processes or incentives? Fleet offers plenty of ways to get in touch with the right people who can help.

CONTACT FLEET BUSINESS RELATIONS

If you are a current Fleet member, please contact us about any issues, and a Fleet Business Relations Representative will get back to you with answers

GET MORE VALUE WITH FLEET

Our Fleet Program offers its members access to world-class vehicle lineups across five capable and trusted brands (Chrysler, Dodge, FIAT®, Jeep®, and Ram), as well as exclusive discounts, incentives and exceptional priority service. With Stellantis Fleet & Business Solutions, you are always first in line.

**EXCLUSIVE FCA FLEET
MEMBER DISCOUNTS**

DEDICATED CUSTOMER SERVICE

**EXCLUSIVE MAINTENANCE
AND SERVICE PROGRAMS**

CHECK ELIGIBILITY AND APPLY FOR A FLEET ACCOUNT NUMBER (FAN)

To become a Fleet member, you must currently be operating 15 or more vehicles or be looking to purchase or lease a minimum of five vehicles. If eligible, you will be given access to our online form and subsequently receive your FAN, which unlocks exclusive discounts, programs and perks.

[APPLY FOR A FLEET ACCOUNT NUMBER](#)

ENROLL IN OUR WEB SERVICE

Once you have received your FAN, you will be eligible to enroll for a web ID. This ID gives you access to our customer hub where you can stay up to date on your vehicle orders and member news.

WE'VE GOT YOUR BACK

EXPRESS MAINTENANCE FOR BUSINESS VEHICLES

Mopar® Express Lane provides quick, convenient, no-appointment-needed quality service for business vehicles. Our service is performed by highly trained technicians who know how to maintain your vehicles and help keep them on the road and working for you.

- No-Appointment-Needed Service
- Dedicated Service Lanes that Provide Quick, Convenient and Quality Service
- Vehicle Inspections with Every Oil Change
- Saturday Service / Customer Shuttles

MOPAR EXPRESS LANE

SIMPLIFY FLEET MAINTENANCE WITH SINGLE-SOURCE BILLING

Servicenet is a centralized billing solution allowing companies that buy or lease vehicles from Stellantis Fleet & Business Solutions to get vehicle service and parts with instant, single-source billing. Stellantis Fleet & Business Solutions dealership technicians are specially trained to provide many services, including:

- Personalized Service for All Makes and Models
- Access to Dealership Parts Departments
- Streamlined Billing Process
- All Maintenance and Mechanical Repairs

SERVICENET

MAINTENANCE AND PARTS, ALL IN ONE PLACE

Mopar offers comprehensive parts and accessories, maintenance service and extended vehicle protection to our Stellantis Fleet & Business Solutions customers. Certified Mopar Express Lane technicians service your Fleet vehicle in 30 minutes or less, so you can get back on the road as quickly as possible.

- Expert Maintenance and Service
- Vehicle Protection Program
- Mopar Gear
- Vehicle Inspections
- Vehicle Customization
- Custom Graphics

SERVICE PROGRAMS

THE DEALER NETWORK FOR YOUR BUSINESS

Get the vehicle support you need from a BusinessLink dealer. They offer the range of vehicles you need for your business and will service all the makes and models of your existing fleet. With BusinessLink, you'll receive priority service to avoid the added costs of downtime. Register for BusinessLink at your dealer today.

- Free Membership
- Next In-Bay Service
- Dedicated Staff of Commercial Vehicle Experts
- Free Alternate Transportation
- On-the-Job Incentives: Up to a \$1,000 program allowance toward commercial equipment, upfit or graphics
- Expertise in Commercial Financing Options
- 24/7 Towing Service Available

BUSINESSLINK

Connect Fleet

Discover the benefits of this ready-to-use platform that offers quick access and insights to essential data from your company vehicles.

DIRECT API INTEGRATION WITH YOUR SYSTEM

Connect Fleet offers a custom-made approach to your data needs facilitated through the Free2move API integration. It allows you to link your vehicle data to your existing system.

USE YOUR EXISTING DATA PROVIDER

We continuously work to increase the number of authorized providers. Your current Telematics Service Providers, Fleet Management Service Providers or Fleet Management Platform may already have been approved.

YOUR CONNECTED FLEET MANAGEMENT PROGRAM

Optimizing the total cost of ownership, monitoring fuel consumption and transitioning to more energy-efficient vehicles are all concerns for fleet owners and managers.

Free2move Connect Fleet is a simple and efficient fleet management platform that provides a way to monitor, analyze and optimize your fleet. No matter what the fleet size, Free2move Connect Fleet will help control costs and maximize your fleet activity.

FEATURES

- Geolocation
- Vehicle Info and Health Status
- Maintenance Alerts
- Mechanical Alerts

YOUR BENEFITS

- Cost Optimization: Reduce total cost of ownership
- Plug-in Hybrid Electric Vehicle (PHEV) Connect Access: Optimize your PHEV usage
- Simple and Efficient: Streamline fleet management and costs
- Improve Fleet Productivity: Enhanced insights into vehicle performance

WHY CHOOSE FREE2MOVE CONNECT FLEET?

- No Aftermarket Device Installation: Vehicles with embedded technology are ready to go
- Obtain Key Insights: Track vehicle location and performance for improved fleet productivity
- Improve Driving Behavior: Eco-driving teaches good driving habits

*Payload and Max Trailer Weights are ESTIMATED values. All values are shown in lb unless otherwise stated. Payload and Max Trailer Weight values are rounded to the nearest 10 lb. Payload = GVWR - Base Weight. GAWRs, GVWRs and GCWRs should never be exceeded. Recommended tongue weight determined by class of hitch receiver and hardware limits of upfit. Upfit or aftermarket equipment weight not included in Base Weight. Frontal Area: maximum allowable Frontal Area, in ft-squared, that the vehicle can project. For details on calculations, please refer to Ram Body Builders Guide. If VECI Label and Max Upfit Weight not available: vehicle is not restricted to MCVW, Frontal Area or Maximum Upfit Weight limits; however, GVWR/GAWR/GCWR cannot be exceeded.

FLEET & BUSINESS SOLUTIONS

(1) Always check entire surroundings visually before backing up. (2) This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (3) To use Android Auto on your phone screen, you'll need an Android phone running 6 or higher and the Android Auto App. Android and Android Auto are trademarks of Google LLC. (4) Requires compatible iPhone. See dealer for phone compatibility. Data plan rates apply. Vehicle user interface is a product of Apple. Apple CarPlay is a trademark of Apple Inc. iPhone is a trademark of Apple Inc., registered in the US and other countries. Apple terms of use and privacy statements apply. (5) Always check entire surroundings visually before proceeding. (6) Always drive carefully, consistent with conditions. Always wear your seat belt and obey traffic laws. (7) This system is solely an alert system for the front of the vehicle that does not take any actions to change vehicle dynamics to avoid a collision, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (8) This system is an alert system for the front of the vehicle. It is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (9) HAS requires the driver to keep his or her hands on the steering wheel at all times. This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and maintain control of the vehicle. (10) This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and maintain control of the vehicle. (11) Always look before proceeding. An electronic drive aid is not a substitute for conscientious driving. Always be aware of your surroundings. (12) Check state and local laws regarding the use of remote start systems. (13) Your service will automatically stop at the end of your trial subscription unless you decide to continue service. If you do not wish to enjoy your trial subscription, you can cancel it by calling the number below. **If you decide to continue service after your trial subscription, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. Please see our Customer Agreement at www.siriusxm.com for complete terms and how to cancel, which includes calling us at 1-866-635-2349.** All fees, content and features are subject to change. (14) All SiriusXM Guardian equipped vehicles come with a 12-month trial effective on the date of purchase or lease of a new vehicle. Enrollment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue SiriusXM Guardian. SiriusXM Guardian is available only on equipped vehicles purchased within the United States and Puerto Rico. Services can only be used where cellular coverage is available. See Uconnect and SiriusXM Guardian Terms of Service for complete service limitations. (15) Traffic Sign Recognition is not a substitute for safe and attentive driving. Factors including weather and condition of the traffic sign can impact recognition and display of the sign. Always check traffic signs visually while driving. (16) The Uconnect Phone requires a mobile phone equipped with the Bluetooth Hands-Free Profile. To check phone compatibility, please visit www.UconnectPhone.com. (17) Vehicle must be in an active and usable cellular range and properly equipped with a Uconnect 5 or Uconnect 5 NAV system and Rear-Seat Entertainment Package. Requires a Wi-Fi data plan and linked Amazon account to run Amazon Fire TV in the vehicle. Streaming service subscriptions are not included. (18) Based on manufacturer's estimates – actual mileage may vary. (19) When properly equipped. See dealer for details. (20) Only available in Texas. (21) Always sit properly in designated seating positions with seat belts fastened at all times. (22) Based on 2022 model-year specifications. (23) Voice Text Reply and Voice Texting features require a compatible mobile device enabled with Bluetooth Message Access Profile (MAP). iPhone and some other smartphones do not currently support Bluetooth MAP. Visit www.UconnectPhone.com for system and device compatibility. Ensure MAP is ON and incoming message notification is enabled. Vehicle must be registered for Uconnect Access and you must fulfill minimum subscription requirements. Also requires the use of a compatible smartphone that supports text messaging and Bluetooth. Check www.UconnectPhone.com for device compatibility. (24) Vehicle must be locked and system activated for alarm to sound. (25) Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. (26) Based on EPA-estimated 82 MPG and 30 MPG combined. Actual mileage may vary. (27) Always be aware of your surroundings, and drive carefully, consistent with conditions. (28) Do not attempt water fording unless depth is known and consistent with the vehicle's water fording rating in the Owner's Manual. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. (29) Available on properly equipped vehicles with a Uconnect 5C/5C NAV system. Requires a Wi-Fi Hotspot plan and linked Amazon account to run Alexa in the vehicle. (30) Based on EPA-estimated all-electric 0 - 32-mile rating with fully charged battery. Actual mileage may vary. (31) Based on EPA-estimated 520-mile total range estimate. Actual mileage may vary.
