Citroën Care for Car and Driver

Across the UK, a network of 250 Citroën Dealers are equipped and trained to meet the needs of today's motorists, each with a team of technicians skilled in the care and maintenance of the Citroën Berlingo Multispace and using only genuine Citroën parts. Each can also offer a selection of finance packages to suit the private and business purchaser. Contract Hire, Lease Purchase and Finance Lease are available to the business user, through Citroën Contract Motoring, whilst Elect 3 Personal Contract Purchase is specifically designed to offer flexibility and to match the motoring needs to the budget of the retail customer.

Citroën Elect 3
