

All-new Ford **Fiesta** Van

Urban workmate

When time is short and the job just has to get done, there's only one name to trust – the all-new Ford **FiestaVan**. Tough, yet thoroughly stylish, it's the perfect answer to your business transport needs.

What's more, you'll find that the all-new Ford **FiestaVan** is engineered to the high standards expected of any model in the Ford Commercial Vehicle range. So you can be sure it will deliver solid, dependable performance for years to come.

The all-new Ford Fiesta Van brings a fresh new face to its class. Compact on the outside, big on the inside, it has all the load-packing practicality you demand. Plus the cheeky curves, solid stance and outstanding driving experience that only the Ford Fiesta can deliver.

Raise the wide, high-opening glazed tailgate – using the key fob remote – and you reveal a spacious 1.013 cu.m* load area. A class-leading 1320 mm load length means larger loads can be swallowed with ease, while the low 647 mm loading height makes for effortless loading and unloading.

Power for the all-new Ford Fiesta Van comes from a choice of two proven engines: the lively, low-friction 1.3-litre Duratec 8V petrol engine or the refined and durable 1.4-litre Duratorq TDCi common-rail turbo diesel. Whichever engine you favour, you will be rewarded with the optimum blend of power and cost-conscious fuel economy.

Settle into the comfortable, height-adjustable driver's seat and you will find all the features you could wish for – and plenty more besides. With equipment including driver and passenger airbags*, anti-lock brakes, power-assisted steering, a tilt-adjustable steering column and even a tachometer, it would put many small cars to shame.

Add to this Ford Fiesta's sure-footed handling and fun-to-drive character, and you have a van that delivers in every department.

- 1.4-litre Duratorq TDCi common-rail turbo diesel or 1.3-litre Duratec 8V petrol engine
- Driver and passenger airbags*
- Power-assisted steering
- Tinted glass
- Remote central/double locking with illuminated entry
- Key fob operated tailgate release
- Height-adjustable driver's seat
- Tilt-adjustable steering column
- Tachometer
- Half height, full width bulkhead
- Four load compartment tie-down eyes
- Immobiliser – 'Safeguard' (Passive Anti-Theft System)

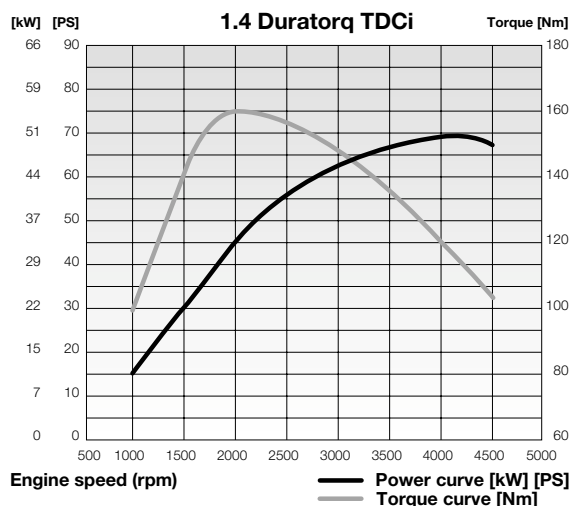

The all-new Ford Fiesta Van. No other compact van has so much to offer.

***Note: A child seat should never be placed in the front passenger seat when the Ford vehicle is equipped with an operational front passenger's airbag.**

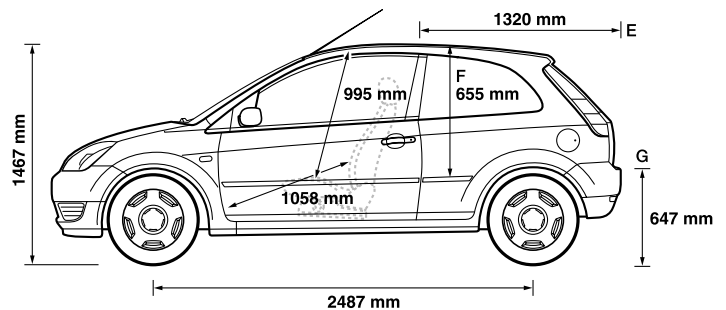

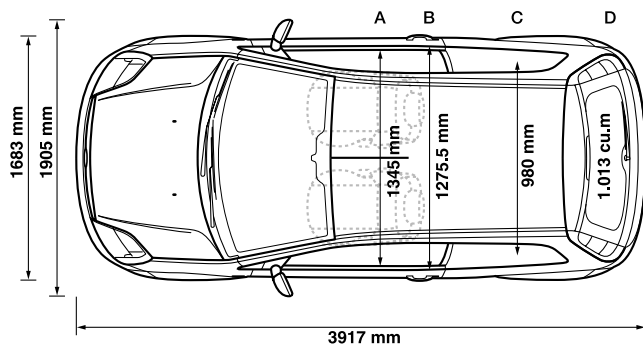

*Measured using the VDA method. This is the method used by the Verband die Automobil Industrie (VDA) in Germany. A VDA figure is determined by filling the loadspace with 'litre' blocks, each measuring 200x100x50 mm. The blocks are then counted, and the numerical result is converted into cubic metres.

Tough 1.4-litre Duratorq TDCi common-rail turbo diesel engine delivers 160 Nm of torque for effortless performance and outstanding fuel economy.

Specifications

A Maximum shoulder width. **B** Maximum loadspace width. **C** Width between arches. **D** Cube*. **E** Maximum load length. **F** Load floor to roof. **G** Loading height.

*Measured using the VDA method. This is the method used by the Verbund der Automobil Industrie (VDA) in Germany. A VDA figure is determined by filling the loadspace with 'litre' blocks, each measuring 200x100x50 mm. The blocks are then counted, and the numerical result is converted into cubic metres.

Engine data

	Engine technical features	Maximum power ^o	Maximum torque ^o
1.3L Duratec 8V 1299 cc	Cylinders – 4 in-line / Electronic fuel injection with electronic engine management system / Electronic distributorless ignition	51 kW (70 PS) at 5600 min-1 (rpm)	106 Nm at 2800 min-1 (rpm)
1.4L Duratorq TDCi 1399 cc	Cylinders – 4 in-line / Turbo Diesel Common-rail Fuel Injection with electronic engine management system / Exhaust Gas Recirculation	50 kW (68 PS) at 4000 min-1 (rpm)	160 Nm at 2000 min-1 (rpm)

^o Tested in accordance with ISO 1585.

Model availability, weights and loads

Kerbweights (kg)

	Payload (gross) (kg)	Gross vehicle mass (kg)	Kerb mass (kg)
1.3 Duratec 8V (70 PS) petrol	465	1585	1120
1.4i Duratorq TDCi (68 PS) diesel	494	1585	1091

Note All vehicles are 5-speed manual.

Payload = Gross vehicle mass, less kerb mass. **Gross vehicle mass** = The total permissible all-up weight of a rigid vehicle – i.e. with body, payload, ancillaries, fuel, oil, water and driver. **Kerb mass** = The weight of the complete vehicle and all equipment including fuel and water, but without the payload and driver. All kerb masses quoted are subject to manufacturing tolerances and are for vehicles with minimum equipment.

Mechanical features

		Option cost £
Brakes		
Diagonally-split, with dual-line servo-assistance. Front discs, rear drums	●	
Anti-lock brakes	●	
Fuel tank		
Usable capacity – Petrol – 45 litres, diesel – 43 litres	●	
Steering		
Rack-and-pinion	●	
Power-assisted	●	
Steering column – Tilt-adjustable	●	
Suspension and body		
Front – Independent with MacPherson struts, and subframe-mounted 'L' arm. Anti-roll bar	●	
Rear – Twist-beam with coil springs	●	
Turning circle		
Kerb to kerb 9.8 m	●	

Safety features

		Option cost £
Anti-lock brakes	●	
Fuel cut-off – Inertia switch (petrol only)	●	
Side impact door beams, front and rear. Steel safety cage with engine compartment cross beam.	●	
Energy-absorbing crumple zones, front and rear	●	
Steering column – Additional bracing	●	
Locks – Anti-burst	●	
Seat belts – Front, inertia reel, with grabbers, pre-tensioners and height-adjustable mounts	●	
Airbags – Driver's	●	
Airbags – Front passenger's ^o	●	
Airbags – Front side impact airbags	○	150.00

● = Standard ○ = Option, at extra cost. ***Note: A child seat should never be placed in the front passenger seat, when the Ford vehicle is equipped with an operational front passenger's airbag.** ^oA front passenger airbag deactivation switch is available as a Dealer fitted accessory.

Recommended price The estimated 'On the Road' retail price consists of the recommended retail price of the vehicle, delivery to Dealer, Government Vehicle Excise Duty, Government Vehicle First Registration Fee and estimated cost of number plates. Recommended retail prices are prices recommended by Ford to the Dealer excluding VAT.

VAT Prices quoted exclude VAT at the current rate. The total price of the vehicle, including factory-fitted options and accessories, will be subject to VAT on retail sale.

Price and specification changes Model prices are inclusive of all equipment specified by Ford Motor Company Limited as the essential minimum for a specific GVM.

Option prices are for equipment supplied in lieu of, or in addition to the standard minimum equipment. For full details of minimum specifications and option availability, consult a Ford Dealer (for details of your Ford Dealer, either visit our website, or contact **0845 7111 888**).

The prices and specifications in this publication were true and accurate at the time of printing. You should, however, check details with your Ford Dealer, as there may have been changes in view of the Ford policy of continuous development. The right is reserved to change specification and prices.

Prices

	Total retail £	†Estimated 'On the road' retail £
1.3 Duratec 8V (70 PS) petrol	8,000.00	8,637.00
1.4i Duratorq TDCi (68 PS) diesel	8,350.00	8,987.00
Delivery	425.53	

†'On the road' price includes delivery to Dealer, one year's Government vehicle excise duty, DVLA first registration fee and an estimated £21 for number plates. Excludes VAT. The delivery charge will be made on all vehicles for delivery to Dealer's premises (with the exception of the Channel Islands and the Isle of Wight where a further charge will be made). Where delivery is not made to the customer at the Dealer's premises, a further charge may be made by the Dealer.
