Citroën Care for Car and Driver

A network of Citroën New Car Dealers, Authorised Repairers and Parts Distributors are equipped and trained to meet the needs of today's Citroën customer.

Dealers can offer advice on vehicle funding; via Citroën Contract Motoring with packages such as Contract Hire, Finance Lease or Lease Purchase for Business Users, or via Citroën Financial Services with Hire Purchase or Elect 3 Personal Contract Purchase for

In addition Authorised Repairers have a team of technicians skilled in the care and maintenance of Citroën products.

Citroën Elect 3

K10339

With the Elect 3 Personal Contract Purchase Scheme, you decide on the model which best suits your motoring needs, then set your preferred contract period and anticipated annual mileage. At the end of the contract period you have the added flexibility of part exchanging the car for another new Citroën, purchasing the vehicle or simply

Citroën Fleet and Business Sales

All Citroën New Car Dealers are dedicated to meeting the specialist needs

Citroën Assistance brings rapid expert of both the fleet and business buver. Their comprehensive service can include advice on important business vehicle decisions, such as alternative acquisition methods, disposal of existing cars and

vans, priority servicing and much more. In short, their expertise aims to provide a replacement vehicle, hotel 'total transport solution' for all your fleet or business vehicle needs. If you would like to contact Citroën direct for further information, please call Citroën Fleet Connect on 08457 940 940. Or look us up at: http://www.citroen.co.uk/fleet

Ensure Maintenance Contract

Relax and be assured that your vehicle is always maintained to the highest standards and is in perfect working order with an Ensure Maintenance Contract. This contract offers you made-tomeasure solutions to help you control and spread the running costs of your new Citroën. The contract can last from 1 to 3 years – with a mileage limit from 10,000 to 120,000 miles. It covers the cost of scheduled servicing, the replacement of worn items (excl tyres), MOT test and the benefit of Citroën Assistance. In addition to the standard contract, you may also choose from different options to cover the supply and fitment of replacement tyres or to enhance the level of your cover for courtesy vehicle.

Citroën Assistance

In response to a free telephone call, roadside assistance to you in an emergency. It comes free of charge for a full year and operates 24 hours a day in all parts of the UK and Europe. Services include nationwide recovery for both car

and passengers, a home call service, accommodation and vehicle storage if required. Citroën Assistance applies to all vehicles registered from 01/01/05. Please note, Citroën Assistance only applies to incidents covered by the new vehicle warranty. Full details are available on request from Citroën UK via cukcustomer relations@citroen.com

Comprehensive Warranty

Every new Citroën car offers the benefit of a 3 year* warranty package, plus a 12 year anti-corrosion** warranty and a 3 year paint warranty.

Citroën Insurance*** is the only motor insurance designed exclusively for Citroën drivers and offers tailored cover at a competitive price.

When the time comes to renew your insurance cover, call Citroën Insurance on 0870 024 2725. Lines open 8am – 8pm weekdays, 9am-5pm Saturdays. Calls may be recorded.

The Citroën Website contains full information on all Citroën products and offers available in the UK, together with details of our environmental and recycling policies. The site address is: http://www.citroen.co.uk

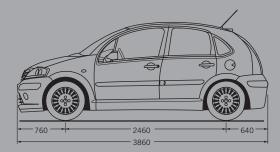

You can contact Citroën directly via

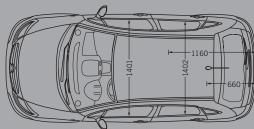

cukcustomer relations@citroen.com

- * 2 years' manufacturer's warranty. No-fee customer option of 1 year's Dealer provided extended warranty, only on cars sourced from Citroën UK Limited. Note: dealer provided warranty is limited to 60,000 miles for cars and 100,000 miles for light commercial vehicles.

NOTE: Every endeavour has been made to ensure that the information and details contained in this specification leaflet were accurate at the time of going to press October 2005. However the company reserves the right, whilst preserving the essential characteristics of the models described, to introduce at any time modifications, changes of details, equipment or accessories. Every effort will be made to bring this leaflet up to date, but in order to avoid any misunderstandings please consult your Dealer, Specifications of all models refer to cars produced from 1st August 2005.

PRODUCT & TECHNICAL **INFORMATION**

OCTOBER 2005

The height- and reach-adjustable steering wheel also houses the paddles used to control the sophisticated SensoDrive system[†], Formula 1 style!

The state of the art SensoDrive gearbox[†] means that the pure pleasure of driving a manual can be combined with the convenience of an automatic to get the best of both worlds. Choose a gear change mode to match your mood; from steering-wheel paddles, sequential gear lever or fully automatic.

The clever C3 Stop and Start eco-technology[†] is designed to deal with the traffic jams integral to the urban motoring environment. The engine automatically stops just before you come to a standstill, and so the engine noise, fuel consumption and emissions all stop too. Lift your foot from the brake pedal and the engine automatically restarts.

The rear parking sensor[†] is an indispensable aid to cope with those ever-shrinking parking spaces in the city. The audible warning system lets you know as you reverse closer to the car behind, so there should be no more nasty little unexpected bumps.

A spacious and airy interior

Take a seat inside the C3 and you'll be impressed by just how much room and light there is. The intelligent design of flowing lines and elevated roofline is not only at the forefront of contemporary styling, on a practical basis it also means that the cabin benefits from the resulting space. What's more, the extensive glazed areas, including a panoramic sunroof option[†] (standard on XTR), allow light to flood in from almost every angle.

Putting you in control

With variable power steering, electric front windows, remote control central locking, height and reach—adjustable steering wheel, height adjustable driver seat† and air-conditioning†, the C3 driving experience is a pleasure from start to finish.

- 1. The dashboard is ergonomically designed so the controls are at your fingertips.
- 2. With the optional NaviDrive pack[†], crumpled old maps are just a distant memory.
- No more fumbling for the CD/radio with one eye on the road, steering wheel mounted controls operate this one.

Storage

Drawers under seats

An easily accessible drawer under each front seat is ideal for tucking away the likes of CDs, maps, guides and books (excluding L and Desire models).

Storage bin

To keep everything you need conveniently close to hand, front and rear doors are equipped with large capacity storage bins.

Rear shelves

Folding shelves, fitted with a cup holder, are handily placed on the back of the front seats for rear passengers' use (XTR & Exclusive models only).

Moduboard

With the Moduboard shelving you can efficiently compartmentalise the boot space to cater for the various sizes and types of objects you are transporting (XTR & Exclusive models).

2/3-1/3 rear seats

To enjoy a bigger boot capacity the rear seats can be partially or totally folded..

Safe and sound

When you're out and about, the last thing you want to worry about is what they're getting up to in the back. With the range of child safety features available with the C3, you can concentrate on the road, confident that your passengers are safe and sound.

- The child lock control and indicator is mounted on the dashboard so you can be sure they're safe in the back.
- An extra mirror device means you can keep an eye on your young back seat passengers and check up what's behind your C3 too[†].
- 3. Isofix points located on the back seat mean that fitting a child seat is safe and easy.
