## Citroën Care for Car and Driver

A network of Citroën New Car Dealers, Authorised Repairers and Parts Distributors are equipped and trained to meet the needs of today's Citroën customer.

Dealers can offer advice on vehicle funding; via Citroën Contract Motoring with packages such as Contract Hire, Finance Lease or Lease Purchase for Business Users, or via Citroën Financial Services with Hire Purchase or Elect 3 Personal Contract Purchase for Retail buyers.

In addition Authorised Repairers have a team of technicians skilled in the care and maintenance of Citroën products.

#### Citroën Flect 3

With the Elect 3 Personal Contract Purchase Scheme, you decide on the model which best suits your motoring needs, then set your preferred contract period and anticipated annual mileage. At the end of the contract period you have the added flexibility of part exchanging the car for another new Citroën, purchasing the vehicle or simply returning it.

## Resolutely Modern

Clear cut and modern design reign in the cabin with bright and original colour trim. The world of C2 is unique and unlike any other.

The clever use of space means there's ample elbow room, while the elevated roofline creates an ambience of roominess.

Door mirrors on SX, Furio, VTR and VTS are electrically adjustable. Heated and power-folding mirrors are also available as part of the Luxury Pack on SX models and Convenience Pack on VTS models.

Modularity doesn't come close to describing the flexibility that the Citroën C2 rear seating can offer. The seats are independent of each other and so can slide, fold and be moulded to your every need. Standard on SX, available as an option on Furio/VTR and as part of the Convenience Pack on VTS.

Effective simplicity at last! The Citroën C2 caters to your every need with an innovative split opening tailgate. The boot is easily accessible even when space is at a premium. Ideal for loading up on those shopping trips to town.
