Citroën Care for Car and Driver

A network of Citroën New Car Dealers, Authorised Repairers and Parts Distributors are equipped and trained to meet the needs of today's Citroën customer.

Dealers can offer advice on vehicle funding; via Citroën Contract Motoring with packages such as Contract Hire, Finance Lease or Lease Purchase for Business Users, or via Citroën Financial Services with Hire Purchase or Elect 3 Personal Contract Purchase for Retail buyers.

In addition Authorised Repairers have a team of technicians skilled in the care and maintenance of Citroën products.

Citroën Elect 3

With the Elect 3 Personal Contract
Purchase Scheme, you decide on the
model which best suits your motoring
needs, then set your preferred contract
period and anticipated annual mileage.
At the end of the contract period you have
the added flexibility of part exchanging the
car for another new Citroën, purchasing the
vehicle or simply returning it.

Citroën DRIVENOW Personal Lease

DRIVENOW Personal Lease is an innovative new way to enjoy a new Citroën without the cost of ownership. With Citroën Assistance, Replacement of Wear & Tear Parts and Extended Warranty as standard for the full term of the agreement, most unforeseen costs that can prove difficult to budget for are taken care of. With leasing which can be arranged for a period of up to 4 years, DRIVENOW Personal Lease offers you a hassle free motoring solution.

Citroën Fleet and Business Sales

All Citroën New Car Dealers are dedicated to meeting the specialist needs of both the fleet and business buyer.

PRODUCT & TECHNICAL INFORMATION

AUGUST 2006

The height- and reach-adjustable steering wheel also houses the paddles used to control the sophisticated SensoDrive system † , Formula 1 style!

The state of the art SensoDrive gearbox[†] means that the pure pleasure of driving a manual can be combined with the convenience of an automatic to get the best of both worlds. Choose a gear change mode to match your mood; from steering-wheel paddles, sequential gear lever or fully automatic.

The clever C3 Stop and Start eco-technology[†] is designed to deal with the traffic jams integral to the urban motoring environment. The engine automatically stops just before you come to a standstill, and so the engine noise, fuel consumption and emissions all stop too. Lift your foot from the brake pedal and the engine automatically restarts.

The rear parking sensor[†] is an indispensable aid to cope with those ever-shrinking parking spaces in the city. The audible warning system lets you know as you reverse closer to the car behind, so there should be no more nasty little unexpected bumps.

A spacious and airy interior

Take a seat inside the C3 and you'll be impressed by just how much room and light there is. The intelligent design of flowing lines and elevated roofline is not only at the forefront of contemporary styling, on a practical basis it also means that the cabin benefits from the resulting space. What's more, the extensive glazed areas, including a panoramic sunroof option† (standard on XTR), allow light to flood in from almost every angle.

Putting you in control

With variable power steering, electric front windows, remote control central locking, height and reach-adjustable steering wheel, height adjustable driver seat† and air-conditioning†, the C3 driving experience is a pleasure from start to finish.

- 1. The dashboard is ergonomically designed so the controls are at your fingertips.
- 2. With the optional NaviDrive pack[†], crumpled old maps are just a distant memory.
- 3. No more fumbling for the CD/radio with one eye on the road, steering wheel mounted controls

Storage

Drawers under seats

An easily accessible drawer under each front seat is ideal for tucking away the likes of CDs, maps, guides and books (excluding L and Desire models).

Storage bin

To keep everything you need conveniently close to hand, front and rear doors are equipped with large capacity storage bins.

Moduboard

With the Moduboard shelving you can efficiently compartmentalise the boot space to cater for the various sizes and types of objects you are transporting (XTR & Exclusive models).

2/3-1/3 rear seats

To enjoy a bigger boot capacity the rear seats can be partially or totally folded.

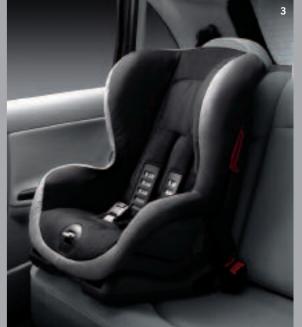

Safe and sound

When you're out and about, the last thing you want to worry about is what they're getting up to in the back. With the range of child safety features available with the C3, you can concentrate on the road, confident that your passengers are safe and sound.

- 1. The child lock control and indicator is mounted on the dashboard so you can be sure they're safe in the back.
- 2. An extra mirror device means you can keep an eye on your young back seat passengers and check up what's behind your C3 too†.
- 3. Isofix points located on the back seat mean that fitting a child seat is safe and easy.

Model shown: XTR. Note: leather upholstery option available on Exclusive models only
