Illustrations, descriptions and specifications. This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Optional Fitment/Pack', etc., you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability.

Designed for living. Engineered to last

Ford**Ranger** Wildtrak | 2006

WILDTRAK

Take a walk on the wild side

With its striking good looks and 4x4 freedom, the Ford Ranger Wildtrak is cut out for adventure. Are you?

Blaupunkt DAB digital audio
Eye-catching DAB digital tuner with MP3 technology and CD Playback combined with radio recording functionality.

Leather interior trim
Regardless of the terrain, sophisticated two-tone leather trim means you will always be surrounded by style and elegance.

Side Styling Bars
Polished stainless steel side styling bars with integral steps provide a sturdy and secure footing.

Front grille
Even at first glance, the Ford Ranger Wildtrak's strengths are clear.

Door handle covers
Body colour door and tailgate handle covers feature stylish chrome-effect handles.

Twin Sports Bars and Mountain Top
Ranger Wildtrak's exclusive twin sports bars add to its charismatic appeal which, combined with the Roll 'N' Lock Mountain top provide the ultimate flexible storage space.

Welcome to the great indoors

Ford knows a thing or two about off-roaders. Indeed, we build the best-selling sport utility vehicle in the world. So when it comes to the new Ford Ranger Wildtrak, you can be sure it has an unbeatable heritage and an independent go-anywhere, do-anything attitude to match.

There's never been a 4x4 pick-up quite like the new Ford Ranger Wildtrak.

It has a full-size, four-door passenger cabin with all the amenities of a luxury vehicle. The generous cargo area features an easy-open tailgate latch and a unique Roll 'N' Lock Mountain Top cover to keep your possessions safely away from prying eyes. Plus the bold, unmistakable styling that helps to get you noticed whether you're prowling the urban jungle or blazing a cross-country trail.

Special heavy duty polished stainless steel dual sports bars and side bars with built in steps emphasise the Ford Ranger Wildtrak's determined character. So too does its unique front bumper over-rider and integral fog lights.

Yet as tough as it may be, the Ford Ranger Wildtrak is anything but uncivilised.

Inside, you can relax in exceptional comfort, thanks to its luxurious new two-tone leather trim, complemented by a leather wrapped steering wheel and gear knobs.

You'll also find the very latest DAB digital audio system with CD and MP3 playback capability. Plus tinted glass and air conditioning to help keep you cool and refreshed, no matter how hot the going may get.

Key features include:

- Four-door Double Cab bodystyle
- 2.5-litre Duratorq TD diesel engine
- Four-wheel drive system with dual-range 5-speed manual transmission and limited-slip differential
- 15" 6-spoke machined deep dish alloy wheels with chrome centres and 265/70 R15 tyres
- Polished stainless steel dual sports bars
- Side styling bars with integral step and chrome rear bumper bar
- Unique front bumper over-rider
- Black front grille
- Front fog lights
- Unique roof rails
- Door handle covers
- Unique Ranger Wildtrak decals
- Door scuff plates
- Roll 'N' Lock Mountain Top tonneau cover and tough loadbox liner
- Electrically operated front windows with one-touch lowering on the driver's side
- Remote central locking
- Unique two-tone leather seat and door trim
- Air conditioning
- DAB digital audio system with MP3/CD capability
- Perimeter alarm
- Leather trimmed steering wheel and gearshift knobs
- Double-lidded centre console for extra storage versatility
- Driver's and front passenger's airbags
- Two-tone metallic paint

Note: A rear-facing child seat should never be placed in the front seat when the Ford vehicle is equipped with a front passenger's airbag. The safest place for children is properly restrained on the rear seat.

The new Ford **Ranger** Wildtrak

Wherever the adventure takes you

Engineered for your sense of adventure

Every day brings its own challenges. So the Ford Ranger Wildtrak is always ready for adventure. Sure footed, tough and powerful, it's a genuine 4x4 engineered for fun and freedom both on and off the road. Wherever you go, whatever you do, the Ford Ranger Wildtrak is the friend you'll always want to take along.

Rock solid construction

Beneath the bold styling, the new Ranger Wildtrak is a work hungry vehicle. With a generous load box and exceptional towing capability, it has an insatiable appetite for hard labour.

Built on a heavy duty ladder frame chassis, it delivers outstanding rigidity and load carrying strength, both on and off the road. Independent double-wishbone front suspension provides superior bump absorption, while maintaining straight line stability and steering feel. Rugged leaf springs are used at the rear to provide an excellent load carrying capacity, while avoiding intrusion into the roomy load bed.

Go-anywhere power

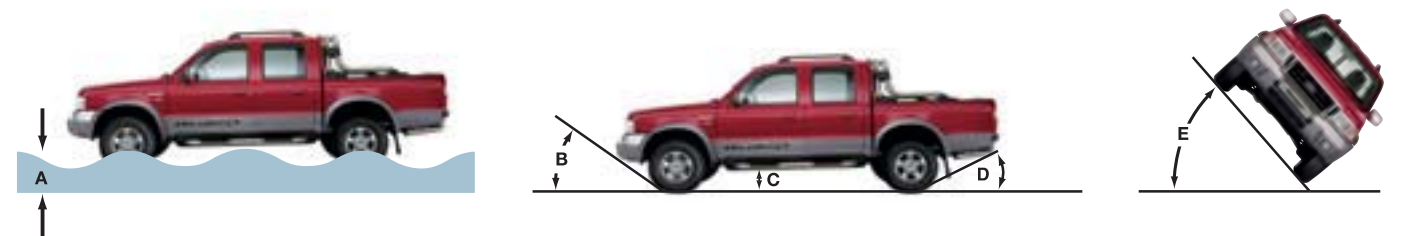

Driven by a lusty 109 PS 2.5-litre Duratorq turbo diesel engine, the Ford Ranger Wildtrak delivers an impressive 266 Nm of torque at a usefully low 2000 rpm – ideal for off-road manoeuvring and towing.

These high levels of torque translate into a superior load carrying ability too, with a maximum gross payload of 1060kg. Properly equipped, the Ford Ranger Wildtrak can comfortably haul braked trailers of up to 2800kg without complaint, so you need leave nothing behind.

The Ford Ranger Wildtrak rides on purposeful 15" deep dish alloy wheels with chrome centres, shod with meaty 265/70 R15 radial tyres.

Head off the beaten track and the Ford Ranger Wildtrak's four-wheel drive system comes into its own. Simply engage 4WD while stationary, and the front wheel hubs will remain locked for as long as you want. You can then shift between two and four wheel drive on the move, at any speed, as conditions demand. A convenient dashboard Remote Free Wheel (RFW) hub switch disengages the hubs at the touch of a button.

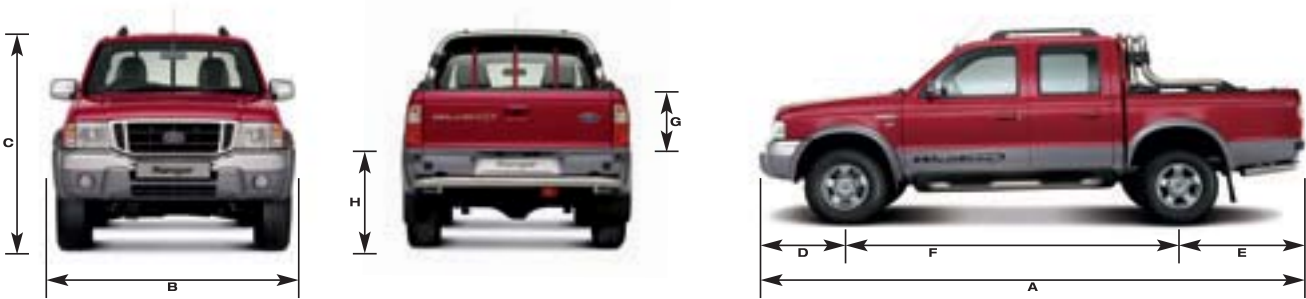

Note: All figures quoted assume the vehicle to be unladen.

Manoeuvrability

A = Maximum wading depth: 450 mm. **B** = Angle of approach: 35°. **C** = Ground clearance: 208 mm. **D** = Angle of departure (without tow bar): 28°. **E** = Maximum tilt angle: 49°. Turning circle (kerb to kerb): 12.6 m.

Dimensions

Exterior dimensions. **A** = Overall length: 5088 mm. **B** = Overall width (without door mirrors): 1810 mm. **C** = Overall height (unladen): 1760 mm. **D** = Front overhang: 847 mm. **E** = Rear overhang: 1165 mm. **F** = Wheelbase: 3000 mm. **G** = Load box depth (at floor): 405 mm. **H** = Loading height (unladen): 802 mm. Load box length (at floor): 1530 mm; Load box width (at floor): 1536 mm. Loadspace between wheel arches: 1090 mm. **Interior dimensions.** **Front:** Effective headroom: 1012 mm. Maximum effective leg room: 1087 mm. **Rear:** Effective headroom: 983 mm. All dimensions are subject to manufacturing tolerances and refer to minimum specification models and do not include additional optional equipment.

Model availability, weight and loads

	Payload Gross ^o	Payload Net ^{oo}	Gross Vehicle Mass (kg)	Kerbweight (kg)*	Rear axle ratio	Max. GTM (kg)
Double Cab Wildtrak						
2.5 Duratorq TD Diesel (109 PS) 4x4	1135	1060	2845	1710	4.44	5645

^o**Payload Gross** = Gross vehicle mass, less kerbweight. **GVM** = Gross vehicle mass. **Payload Net^{oo}** = Gross vehicle mass, less kerbweight, less allowance of 75 kg for driver. The total permissible all-up weight of a rigid vehicle – i.e. with body, payload, ancillaries, fuel, oil, water, driver and crew. ***Kerbweight** – The weight of the complete vehicle and all equipment including fuel and water, but without the payload, driver or any crew. All kerbweights quoted are subject to manufacturing tolerances and are for vehicles with minimum equipment. **GTM** = Gross train mass. The total permissible all-up weight of a rigid vehicle (see GVM) together with its trailer and load.

Engine data

	Engine technical features	Maximum power ^o	Maximum torque ^o
2.5 Duratorq TD Diesel 2499 cc	4 cylinders in line; SOHC; 12 valves; multipoint fuel injection; turbocharger with intercooler	80 kW (109 PS) at 3500 min ⁻¹ (rpm)	266 Nm at 2000 min ⁻¹ (rpm)

^oTested in accordance with SAE J1349

Maximum gross trailer capacities

Double Cab 4x4 Wildtrak:	Unbraked 750 kg
	Braked 2800 kg

Trailers of the above capacities should only be used within the plated GTM limits. Dependent on the driveline combination and payload carried by the prime mover, it may not be possible to tow trailers of the maximum capabilities mentioned. The gross mass of the trailer should be equal to, or less than, the prime mover when being towed. A tachograph may be required for towing.

Dealer-fit accessories

DVD tablet
Compact DVD tablet incorporates a DVD player and a full 7" screen. Fits over the front seat head restraints for rear seat entertainment on the move.

Smartnav
Innovative Smartnav system searches out destinations from a comprehensive database using just part of an address or a postcode.

Take it all with you
Fit a Ford tow bar and a further 2.8 tonnes can come along on the adventure.
