Illustrations, descriptions and specifications. This brochure was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Optional Fitment/Pack', etc., you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of carefully selected products from our suppliers, which are featured under their own brands. All supplier branded products are subject to warranty terms defined by the relevant suppliers and do not lie within the responsibility of Ford. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. Other trademarks and trade names are those of their respective owners.

The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular car. The cars themselves have not been tested and there are inevitably differences between individual cars of the same model. In addition, a car may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the car has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation. ***Ford Information Service.** Calls are charged at national rate and may be recorded for training purposes.

Allergy-tested interior All the materials used in the manufacture of the interior of the vehicles meet the strict requirements of the TÜV TOXPROOF Criteria Catalogue for Vehicle Interiors by the TÜV Produkt und Umwelt GmbH and are designed to minimise the risk of allergic reactions. With doors and windows closed, the interior materials selected – together with the integrated pollen filter – protect the passengers against most allergising particles from the outside air. At higher temperatures, the additional use of air conditioning is recommended.

0.965237 of a millimetre

That's the thickness of a clay shaving. And to our designers it can make all the difference, as they hone and refine their clay prototype until they find the perfect expression of energy in motion.

The result is what we call Ford kinetic Design and we're passionate about it.

Bold, beautiful lines that you can't help falling in love with.

Actual size.

The allure of the car. The anticipation of the journey. The thrill of the drive. Life feels good in the new Ford Focus.

Everything you see and touch puts you comfortably in control. Inspiration and intuition in equal measure.

It looks as good standing still, as it feels when you're driving.

Just knowing that you can is enough.

Ready for tomorrow

For the way you choose to live your life.

The stylish, intelligent choice.

Sony audio

Sony 6CD RDS EON stereo radio/6-disc in-dash CD autochanger features MP3 playback capability via an external AUX jack or optional USB port located between the two front seats. Also available with DAB digital radio technology*. (Option)

The Ford Focus is certainly full of compelling style, but that's not the end of the story. Closer inspection reveals plenty of clever features, designed with careful attention, for you and your passengers alike.

Feel empowered

'Ford Power'

The new 'Ford Power' button brings an extra thrill to the start of every drive. (Option as part of Ford Key-Free System)

Voice Control

Tell your Ford Focus exactly what to do. Change radio stations or CD track, make and receive calls using your Bluetooth® compatible mobile phone, control the DVD navigation system, access and control MP3 files via USB, and adjust the temperature or fan settings**. Speak and you will be obeyed. (Option)

Ford Easy Fuel

Ingenious capless refuelling system can tell the difference between petrol and diesel fuel pump nozzles, only accepting the correct type of nozzle for your car.

Power-fold door mirrors

Door mirrors can be retracted out of harm's way when parked. Equally useful when squeezing through tight spaces. (Optional on Titanium)

*Available from Summer 2008.
**Requires Dual Electronic Automatic Temperature Control (DEATC)
Note It is an offence for drivers to use a hand-held mobile phone or similar device while driving.

Ford PowerShift transmission

New Ford PowerShift advanced dual-clutch gearbox combines the ease of an automatic transmission with the responsiveness of a manual. What really sets it apart is its ability to shift gears almost seamlessly and without interrupting the drive of the engine. This eliminates the usual conflict between sportiness, convenience and economy, leaving you to enjoy an uncompromised driving experience. (Option with 136 PS and 110 PS 2.0 Duratorq TDCi engines)

Make the most of life's twists and turns with the engaging Ford Focus. With its balanced handling, instant responses and superb ergonomics, you'll not want the journey to end.

Feel confident

Sporty instrument design

Sporty hooded dials, with red night-time illumination, convey vital information at a glance, so you spend more time looking at the road ahead.

Designed with you in mind

Only when you feel comfortable do you feel fully in control. So every element of the Ford Focus, from the height-adjustable driver's seat to the fully-adjustable steering column and the power adjustable pedals*, has been designed with your comfort in mind.

Independent thinking

Control Blade rear suspension allows each rear wheel to react independently to bumps and undulations, increasing stability and enhancing ride quality.

Electric Hydraulic Power Assisted Steering (EHPAS)

Provides greater steering assistance at lower speeds for easier parking, while reducing the level of power assist at higher speeds for more precise steering. Switchable between Standard, Comfort and Sport modes. (Standard with 1.6, 1.8 and 2.0 Duratorq TDCi; 1.8, 2.0 Duratec and 2.5 Duratec ST engines)

*Option on Titanium.

See and be seen
Bi-xenon headlights are brighter than conventional halogen headlights. Comes with LED rear light technology (not 4-door). (Option, or as part of Titanium X Pack, on Titanium)

The Ford Focus creates a sense of confidence that few other cars can match. From the jewel-like qualities of its headlights to the modern, progressively-designed interior and intelligent technology, you will find it as pleasing tomorrow as you do today.

Feel sure

Strength in numbers
Six airbags. Five star Euro NCAP adult occupant protection rating. One Intelligent Protection System.

- The Ford Focus IPS includes:**
1. Driver and front passenger's airbags*
 2. Driver and front passenger's side thorax airbags
 3. Side curtain airbags for both front and outer rear passengers
 4. Robust computer-optimised body structure with ultra-rigid safety cell and crumple zones
 5. Advanced lap and diagonal inertia reel seat belts on all seats. Pre-tensioners, load-limiting retractors and height-adjustable mounts on front seats
 6. ISOFix child seat mountings on outer rear seats
 7. Anti-submarining seat bases
 8. Anti-lock brakes (ABS) with Electronic Brake-force Distribution (EBD)
 9. Electronic Stability Programme (ESP) and Traction Control System TCS
 10. Emergency Brake Assist (EBA) (included with ESP)
 11. Electrically-operated windows with 'bounce-back' anti-trap feature
 12. Allergy-tested interior, endorsed by TÜV and awarded the British Allergy Foundation's 'Seal of Approval' for its allergy-friendly properties
 13. Hazard Warning Lights: the turn indicators automatically flash under heavy braking as a warning to following drivers

*Note: A child seat should never be placed in the front passenger seat when the Ford vehicle is equipped with an operational front passenger's airbag. The safest place for children is properly restrained on the rear seat.

Adaptive Front lighting System (AFS)

Halogen-based AFS automatically adjusts the headlights to aim where you are going, making for safer and more enjoyable night driving. Comes with LED rear light technology (LED lighting not available on 4-door). (Option)

Deflation Detection System (DDS)

Alerts you if tyre pressure drops to an unsafe level. (Option)

Allergy-tested interior

Breathe easy with Ford Focus's allergy-tested interior, endorsed by TÜV and awarded the British Allergy Foundation's 'Seal of Approval' for its allergy-friendly properties.

With stylish Studio trim, the Ford Focus is ready for anything you have in mind.

Studio

Irresistible looks, imaginative features and attention down to the last detail, such as the new instrument panel design with its sports car-inspired hooded dials. That's Studio – the start of your journey of choice.

Features

- New Ford kinetic Design exterior styling
- Electronic Stability Programme (ESP)
- CD Player with 6 speakers (four front, two rear)
- Ford Easy Fuel capless refuelling system
- Electrically-operated door mirrors with integral indicators
- Ford Intelligent Protection System (IPS)*, including driver and passenger's front airbags, side airbags and side curtain airbags
- Electrically-operated driver and front passenger windows
- Rake and reach adjustable steering column
- Chrome bonnet trim
- Remote control central locking
- Music connection socket
- Anti-lock brakes (ABS) with Electronic Brake-force Distribution (EBD)
- Independent Control Blade multi-link rear suspension

Door mirror indicators

Reflect an elevated sense of style and sophistication.

Music connection socket

Located in the glovebox. Lets you connect your MP3 player to the car's audio system.

ESP

Electronic Stability Programme (ESP) helps to keep your car safely on track.

Model shown above is finished in Vision metallic paint. (Option)

***Note:** A child seat should never be placed on the front passenger seat when the Ford vehicle is equipped with an operational front passenger's airbag. The safest place for children is properly restrained on the rear seat.

Style / ECOnetic

Refreshing air conditioning, eye-catching steering wheel and a sporty instrument cluster – just some of the cool interior highlights to be found on Style.

Move on up with the Ford Focus Style. With its athletic stance and dynamic performance, this is a car that can't help attracting attention.

Additional to Studio

- 16" 5-spoke 'Design' Wheels
- Electrically-operated and heated door mirrors with integral indicators and body colour housings
- Front fog lights
- Air conditioning
- Steering wheel with silver-effect accents
- Trip/fuel computer
- Remote audio controls
- Front seat back stowage pockets
- Sporty instrument cluster design with satin aluminium-finish trim rings
- Aluminium-finish interior door handles

ECOnetic Specification differences

Adds:

- Aerodynamic bodykit
- Sports-tuned suspension
- Tyre puncture repair kit
- 15" Steel Wheels

Deletes:

- Mini spare wheel
- 16" 'Design' Wheels

Instrument cluster
New design is both sporty and easy to read.

Front fog lights
Enhance visibility in poor driving conditions.

Design wheels
Stylish 16" 5-spoke 'Design' wheels.

The exciting Ford Focus Zetec scores top marks for performance and style.

Zetec

Expect more from every drive with the sporty Ford Focus Zetec. With its superb handling, 16" alloy wheels and sports seats, the anticipation is as exhilarating as the drive itself.

Additional to Style

- 16" 5-spoke alloy wheels
- Body colour rear spoiler (3-/5-door models)
- Black headlight surrounds
- Sports-style front seats
- Driver's seat with manual lumbar adjustment
- Premium centre console with integrated stowage box and armrest
- Quickclear heated windscreen
- Sports-tuned suspension
- Perimeter Alarm with "Home-Safe" lights

Model shown above is finished in Ocean Blue metallic paint. (Option)

Alloy wheels
Fabulous 16" 5-spoke alloy wheels

Body colour rear spoiler
Aerodynamically-styled for a competitive edge.

Headlight surrounds
Sporty black headlight surrounds. (Option)

Front sports seats
Put you comfortably in control.

With its effortless blend of contemporary style and innovative technology, the irresistible Ford Focus Titanium will awaken the driver in you.

Titanium

Titanium adds a little extra exclusivity with seductive 16" multi-spoke alloy wheels, plus a range of attractive features, such as automatic headlights and rain-sensing wipers.

Additional to Zetec

- 16" multi-spoke alloy wheels
- Sony CD audio system
- Electrically-operated front and rear windows with global opening and closing
- Privacy glass
- Automatic headlight control, rain-sensing autowipers and auto-dimming rear-view mirror
- Thatcham category 1 alarm
- Lower chrome grille surround
- Leather gear knob
- Front floor mats

- Aluminium scuff plates
- Rear centre armrest

Note:Deletes Sports Suspension

Model shown above is finished in Avalon metallic paint. (Option)
*Standard with xenon and AFS headlights (not 4-door). (Option)

Privacy glass
Stylish appearance and added security.

Sony audio systems
Up-to-the-minute technology and superb sound quality. (Option)

Front autowipers
Switch on automatically if it starts to rain. Can also be adjusted for sensitivity.

Ford Key-Free System
Simply get in, power-up and go. (Option on Titanium)

LED rear lights*
Faster-acting than conventional lighting. (Option)

Awesome performance, awesome looks. Little wonder that the ST forms the basis for the defending World Rally Championship contender.

ST

If racing improves the breed, the sensational Ford Focus ST is indeed a true thoroughbred. With 225 PS of turbocharged power at your command and muscular looks to match, this is one hot, yet remarkably civilised, car.

Focus ST

- 18" 5-spoke alloy wheels with 225/40 WR18 Continental tyres
- 2.5 Duratec ST turbocharged engine
- Exclusive ST sports bodystyling
- Unique sports interior styling, including Recaro front sports seats with driver's 8-way adjustment and manual lumbar support
- Unique ST-design leather-wrapped sports steering wheel
- 'Ford Power' engine start/stop button
- Performance suspension

- High-performance front and rear disc brakes

Focus ST-2 adds:

- Sony CD audio system
- Bi-xenon headlights with rear LED lights
- Quickclear heated windscreen

Focus ST-3 adds:

- Full leather Recaro Seats
- Sony 6CD Audio system

Model shown above is finished in Electric Orange metallic paint. (Option)

Alloy wheels
18" 5-spoke alloy wheels are shod with 225/40 WR18 tyres for exhilarating grip.

Rear spoiler
Shaped for both aerodynamic and visual effect.

Twin sport exhausts
Help the turbocharged Duratec ST engine breathe more freely.

Recaro sports seats
Distinctive, body-hugging front seats make a statement of intent.

'Ford Power'
The engine power button is a potent reminder of Ford's racing heritage.

Fog light housings
Finished in body colour to make an immediate visual impact.

Pick your Ford Focus – from expressive Studio to race-proven ST, petrol to diesel, three-door to estate, and all points in between – before indulging in a collection of racy alloys, fabulous audio systems and specially-designed interior and exterior options to make your car exactly that. Your car.

Sony DAB audio**

Sony DAB audio systems provide improved reception and sound quality, simple easy-to-use tuning and access to an extensive range of radio stations. The display also shows useful information about the programme you are listening to. Sony audio systems also offer MP3 playback capability, optional in-dash CD autochanger and an optional USB port. (Option)

Pioneer premium loudspeakers

As the essential link in any audio system, Pioneer's latest speakers offer unrivalled sound quality, good looks and value for money. (Accessory)

USB connection

Connect your iPod or MP3 player and operate it via your Ford audio system (Option). Connector wiring available as an accessory.

Standard = Standard on your vehicle.
Option = Can be ordered only together with your new vehicle.
Accessory = Available from your Ford Dealer.
*Requires Dual Electronic Automatic Temperature Control (DEATC) air conditioning.
**Available from Summer 2008.

Voice Control
Make and receive calls using your Bluetooth® compatible phone, wherever it is in the car, and operate the audio, navigation and climate systems* without taking your hands off the steering wheel. (Option)

Staying in touch is easy with the very latest communication, entertainment and information options. From great-sounding Sony DAB audio units to intelligent navigation systems, Bluetooth® and Voice Control, your journeys can be made easier, quicker and more enjoyable.

Feel connected

The ultimate travelling companion
Premium DVD navigation system featuring a 7" full-colour touch-screen display and easy-to-follow audio-visual directions. Includes CD/MP3 audio system, climate system controls and eight premium speakers. (Option. Includes DEATC air conditioning)

Keep on the right road
The Advanced CD-SD navigation system offers route guidance and CD/tuner in one. Features a 5" full-colour display with colour map and turn-by-turn instructions to your destination. You can even play MP3 files direct from your memory card for enhanced sound quality. Also includes SD memory card slot for data exchange or map data and six speakers. (Option)

Mobile navigation
Leave your maps behind with a simple and intuitive mobile GPS navigation system. Please contact your Ford Dealer for details. (Accessory)
Communications console for mobile navigation systems
Enables a secure and cable-free fixing of selected Garmin and ViaMichelin portable navigation systems. (Option and accessory)

Becker navigation system 'Indianapolis Pro'
Single DIN-sized navigation system, known for its brilliant sound and superior navigation abilities within most European countries. TMC traffic announcements and speed signal feature provide dependable navigation, even in areas with poor GPS signal reception. Also plays MP3. DIN adaptor with optional CD box is available separately, as well as an additional 6-CD changer. (Accessory)

Interior Styling Pack

Featuring luxury velour carpet mats, stainless steel scuff plates with Focus logo, styled gear knob and handbrake cover with crafted aluminium-effect inserts. (Option. All parts are also available individually as accessories)

Cruise control

Simply select your desired speed and the system will maintain it for as long as you wish. The selected speed can be manually increased or decreased, with the car automatically resuming the last set speed if desired. (Option on Zetec and Titanium)

Give your Ford Focus a personality of its own. Whether you're looking to accentuate style, enhance comfort or increase practicality, there's plenty of scope to make your mark.

Feel unique

Dual-zone Electronic Automatic Temperature Control (DEATC) air conditioning

Easy-to-use system can be adjusted separately for the driver and front passenger, with up to 4°C variation from side to side. (Option on Zetec and Titanium)

Leather interior

Indulge yourself with high-quality leather seats and coordinating leather door panels. (Full leather option on Titanium and standard on ST-3; Includes heated front sports seats)

Ford alarm system

Fully-integrated security system monitors the vehicle's doors, bonnet and boot. Also features ultrasonic sensors to detect movement inside the vehicle. (Accessory)

Rear parking sensors

An audible warning helps you safely judge the distance between the rear of your car and an obstacle for easier parking and manoeuvring. (Option and accessory)

Chrome mirror caps

Add a touch of class with stylish chrome-effect mirror caps. (Accessory)

Aluminium pedals, including footrest

The unique design of the aluminium pedals and footrest adds a further sporty dimension. (Accessory)

ClimAir® wind deflector

Reduces turbulence and noise, allowing you a more enjoyable drive with the front windows down, even when it's raining. (Accessory)

Eibach suspension-lowering kit

Enhances driving performance and handling as well as giving a more sporty appearance.
Lowers the car by approximately 30 mm. (Accessory)

The Ford Focus is a dynamic looking car, even in its standard form. But add from a choice of eye-catching spoilers, stripes and styling elements, and you'll draw admiring glances wherever you drive.

Feel inspired

Full bodystyling kit

Enhance the appearance of your Ford Focus with this full bodystyling kit including: front and rear bumper skirts, unique upper/lower grilles, side skirts, large spoiler and exhaust end pipe. The full bodystyling kit is available in combination with 17" or 18" alloy wheels (Accessory).

Partial bodystyling kit also offered including: large spoiler, unique upper/lower grilles and 17" 8-spoke alloy wheels. (Accessory)

ST stripes

Show your rebellious streak with these purposeful body stripes. Available as side and overhead stripes. (Available for ST series only, option and accessory in white, silver or blue)

Small rear spoiler

Stylish body-coloured spoiler adds to the Ford Focus estate's dynamic appearance. (Accessory)

Large rear spoiler (3-/5-door)

Large, body-coloured spoiler gives your Ford Focus a sporty look. (Accessory)

Large rear spoiler (Estate)

Aerodynamically-styled to significantly increase downforce at speed. (Accessory)

Front fog light kit

Cut through the gloom with these powerful and stylish fog lights with unique housings. (Also available as accessory)

Roof rails

Enhance the estate's load-carrying versatility. Shown in conjunction with lockable crossbars (accessory) and Thule windsurf carrier. (accessory)

Tow bars
For extra transport and stowage capability. Available as fixed and detachable versions. (Option and accessory)

Make the most of the great outdoors with a wide range of travel accessories. As well as being stylishly functional, each item is carefully thought out to maximise the wide-ranging versatility of your Ford Focus.

Feel free

Loadspace liner

Durable liner, designed to keep the luggage compartment tidy, ideal for transporting wet or dirty items. (Accessory)

Britax Duo Plus ISOfix child safety seat

A wide range of Britax child safety seats available for all ages, also with ISOfix. (Accessory)

Thule roof box

A range of various sized boxes protect your luggage from weather and theft. (Accessory)

Load barrier retention net

Keeps items in the luggage compartment, where they belong. Meets ECE-R17 safety requirements. (Option and accessory. Also part of optional Traveller Pack)

Base roof carrier

Available to suit all bodystyles, this carrier forms the base for all roof transportation attachments. (Accessory) **Thule ProRide bike carrier** specially designed to carry modern bikes with frames up to 80 mm in diameter. Also features integral locks to keep bikes safe and secure. (Accessory)

Reversible and foldable luggage compartment mat

Provides luggage compartment protection, even with the rear seats folded down. Reversible design offers choice of carpet, or durable rubber surface ideal for carrying wet or dirty items. Incorporates flap to protect rear bumper during loading. (Accessory. Also part of optional Traveller Pack)

Anti-slip mat

Luggage compartment protection, moulded to fit perfectly into the vehicle. Incorporates anti-slip surface. (Accessory)

Modular dog guard system

Half-height, full-height or full-height with luggage divider, this modular system keeps dogs or items of luggage safely in the luggage compartment. (All items available individually as accessories)

We are all beginning to understand the impacts that mobility is having on climate change. While we can't change things overnight, we are working very hard to find solutions.

Making a difference

On Ford Focus, Ford C-MAX, Ford Mondeo, Ford S-MAX and Ford Galaxy, our optional Flexifuel engine, fuelled by E85, is achieving emission reductions of around 30% to 80%** compared to conventional petrol engines. E85 is a mixture of 85% plant-derived ethanol and 15% petrol, but these models can run on any mixture of the two – even 100% petrol.

On Ford Focus and Ford Mondeo, new low emission diesel ECONetic derivatives are now available. Ford Focus ECONetic delivers more than 65 mpg, emitting just 115 g/km of CO₂ and Ford Mondeo ECONetic delivers more than 53 mpg on 5-door, emitting 139 g/km of CO₂.

Protecting the future

Using our Product Sustainability Index, a design for sustainability management tool, we are addressing the environmental, social and economic impacts of our vehicles from the earliest stages of their development*.

We are working on a wide range of vehicle technologies from biofuels to hybrids and clean diesels, and in the long term to hydrogen fuel-cell technology with the potential for near zero CO₂ emissions.

Improving our manufacturing facilities

Elsewhere, we are working to minimise the impact of our facilities on the environment, for example by pioneering on-site generation of electricity from sun and wind.

Breathe easier

The allergy-tested interiors of Ford Ka, Ford Focus, Ford C-MAX, Ford Mondeo, Ford S-MAX and Ford Galaxy models were the first worldwide to receive the approval of the independent German TÜV organisation, and are endorsed by the British Allergy Foundation.

Recycling for good

In the interests of sustainability, many of our components contain recycled and renewable content. All Ford vehicles are at least 85% recyclable and 95% recoverable in accordance with ISO 22628. We offer free take-back for qualifying vehicles at the end of their lives. All our take-back points are fully licensed and must also meet additional Ford quality standards for the professional receipt, treatment and recovery of end-of-life vehicles.

This brochure has been produced on paper based on fibres from sustainable forestry, using a 100% chlorine-free (TCF) bleaching process.

Ford Insure is a wide range of vehicle insurance products. When you purchase a Ford from a Ford Dealer, call us for a no-obligation quotation and we'll give you 7 days' free Driveaway cover*.

*Ford Insure may decline to quote in some circumstances, meaning that the 7 days' Driveaway cannot be given. Ford Insure is underwritten and administered by Norwich Union Insurance Limited. Registered in England No. 99122. Registered Office: 8 Surrey Street, Norwich NR1 3NG. Authorised and regulated by the Financial Services Authority. Quotations are valid for 60 days. Offer can be withdrawn at any time.

Services

Ford Protect

Your new Ford is protected by a 3-year/60,000-mile Ford Protect Classic Plan Warranty, and comes with Ford Assistance roadside cover throughout the UK and Europe for 1 year. You can also upgrade to a Ford Protect Premium Plan, giving you the option of scheduled servicing and extended Ford Assistance.

Ford Service

Like any vehicle, your new Ford needs servicing regularly to keep it in the best condition and to maintain its value. The Ford authorised repairer network is independently quality checked to ensure the highest standards of workmanship are maintained. Ford has the largest repairer network in the UK, and uses Ford-trained technicians, Ford-specific tools and the latest computerised diagnostic equipment specifically for your Ford.

Ford Accident Repair Centres

Should your Ford require accident repair, an approved Ford Accident Repair Centre is the best place to return your vehicle to its pre-accident condition. Repairers displaying the Ford Accident Repair Centre sign meet the rigorous customer service, technical and quality standards demanded by Ford. Ford trained technicians, the latest repair equipment and the use of original parts mean that the future safety and value of your vehicle are assured.

Contacts

Ford Customer Relationship Centre

In the unlikely event that your Ford Dealer can't help you or if you need to speak to us directly, call 0845 841 1111 at local rates.

Ford Rental – local service nationwide

Car and van rental from our latest model range. Contact your local Ford Dealer for more information.

Talkback – the company car drivers' club

This is your club for extended test drives, special events, and advice on tax and buying issues. Join free, even if you don't drive a Ford, on www.talkbackclub.com or call 0845 605 55 66.

Ford Mobility

Our MAGIC care centre provides free information on all motoring and mobility issues, including special offers for HRDLA and Motability recipients. Call free on 0800 240 241.

*In 4th gear. ^aFord test figures. ^{so}All CO₂ emissions figures in g/km and fuel consumption figures in L/100 km are tested in accordance with 80/1268/EEC as amended. The CO₂ emissions and fuel consumption test figures shown in the chart do not express or imply any guarantee of the fuel consumption of a car of the class in question. All the figures are based on tests conducted on vehicles with Core equipment level and with standard wheels and tyres; optional or accessory wheels and tyres may have an effect on the emissions and fuel consumption of a vehicle. **Note** All vehicles are 5-speed manual unless stated. **DPF** = Diesel Particulate Filter. All petrol engines are equipped with a catalytic converter. All engines are Emissions Stage IV. ¹⁾The fuel economy data published above relate to use of petrol 95 RON; use of alcohol fuel or a mixture of petrol and alcohol will lead to other fuel economy data. **Towing limits** quoted represent the maximum towing ability of the vehicle at its Gross Vehicle Mass to restart on a 12 per cent gradient at sea level. The performance and economy of all models will be reduced when used for towing. **M5** = 5-speed manual, **M6** = 6-speed manual, **A4** = 4-speed auto, **A6** = Powershift Auto
