

Illustrations, descriptions and specifications. This brochure was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Optional Fitment/Pack', etc., you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of carefully selected products from our suppliers, which are featured under their own brands. All supplier branded products are subject to warranty terms defined by the relevant suppliers and do not lie within the responsibility of Ford. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. Other trademarks and trade names are those of their respective owners.

The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular car. The cars themselves have not been tested and there are inevitably differences between individual cars of the same model. In addition, a car may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the car has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.

Fuel, performance and emissions

	CO ₂ emissions (g/km) ⁹⁰	Fuel consumption in mpg (L/100 km)			Performance ^a		
		Urban	Extra Urban	Combined	Max. speed(mph)	0-60 mph (secs)	30-60 mph (secs)*
5-door Saloon							
1.8 Duratorq TDCi (125 PS), ECO, Durashift 5-speed manual	139	41.5 (6.8)	64.2 (4.4)	53.3 (5.3)	126	10.4	12.0
Estate							
1.8 Duratorq TDCi (125 PS), ECO, Durashift 5-speed manual	142	40.9 (6.9)	62.8 (4.5)	52.3 (5.4)	123	10.6	12.3

*In 4th gear. Ford test figures. **All CO₂ emissions figures in g/km and fuel consumption figures in L/100 km are from officially approved tests in accordance with EEC Directive 80/1268/EEC as amended. The CO₂ emissions and fuel consumption test figures shown in the chart do not express or imply any guarantee of the emissions or fuel consumption of a car of the class in question. All the figures are based on tests conducted on vehicles with Zetec/Edge equipment level and with standard wheels and tyres; optional or accessory wheels and tyres may have an effect on the emissions and fuel consumption of a vehicle.

FordMondeo EConetic

Feel the difference

Better for the environment

Like you, everyone at Ford is concerned about the potential impact of climate change. So we're developing new ideas to make our cars more environmentally sustainable, without compromising on style or performance. Some of these ideas will take time to bear fruit. Others can have an impact now. Ford ECONetic is the result of this philosophy: low-emission diesel cars that are affordable, stylish and rewarding to drive.

Better for you

With such low emissions, Vehicle Excise Duty for the family-friendly Ford Mondeo ECONetic costs just £120 per year. Improved fuel economy means lower running costs.

Ford Mondeo ECONetic

Ford Mondeo ECONetic's generous standard specification proves that caring for the environment doesn't have to compromise your driving pleasure.

ECONetic emissions-reducing features:

Low rolling resistance tyres

Reduce frictional drag so less energy is required to maintain progress along the road

Lowered sports suspension

Lowers the height of the car to improve aerodynamic efficiency

Special engine calibration

The 1.8-litre TDCi 125 PS engine has been modified for optimum fuel economy without compromising the renowned driveability of Ford Mondeo.

Front grille air deflectors and colour-coordinated aerodynamic rear spoiler (5-door only)

Channels airflow over the car more efficiently to reduce drag

Special instrument cluster display

Contains instantaneous fuel consumption readout and optimum upshift gearchange timing indicator to help improve fuel economy

Key standard features:

- Air conditioning with Dual-zone Electronic Automatic Temperature Control (DEATC)
- Advanced Bluetooth® Hands-Free and Voice Control System
- Ford Easy Fuel capless refuelling system
- Cruise control
- Electronic Stability Programme (ESP) with Traction Assist and Emergency Brake Assist (EBA)
- Seven airbags, including driver's knee airbag
- Thatcham approved alarm
- 'Quickclear' heated front windscreen

Other than the unique features mentioned in this catalogue, Ford Mondeo ECONetic shares the similar standard specification, option availability and colour and trim choices as the Ford Mondeo Zetec series. Please refer to the main Ford Mondeo brochure for details.

Model shown left features Sony 6CD audio system option, at extra cost.
