

FordFiestaVan

Feel the difference

If the tiling on the opposite page makes you feel a little uneasy, then we speak the same language.

Just like us, you believe in doing a professional job.
Just like us, it's a matter of pride.

That's why all our commercial vehicles – and the service that stands behind them – are designed to help make your business run like clockwork.

It's simply a matter of one professional dealing with another. You wouldn't expect anything less from us.

Model: FiestaVan Trend

Streets ahead

Make a great first impression. The stylish new Ford Fiesta Van speaks volumes about your business.

Fiesta Van and Trend

Trend models shown are finished in Cedar (left) and Avalon (right) metallic paint. (Option)

Concealed beneath its striking 'Ford kinetic Design' lines, the new Ford Fiesta Van offers a spacious, high-quality interior and a versatile 1.0 cu.m loadspace. Upgrade to the Trend and you will enjoy an even more appealing package.

Loadspace features

- 1.0 cu.m loadspace*
- 507-515 kg gross payload (depending on engine)
- 1296 mm load length
- Half-height horizontal bulkhead
- Full-height DIN-compliant bulkhead (option)
- 4 DIN-compliant cargo tie-down rings
- Full load floor rubber mat

Van features

- 3 engine options: 1.25 Duratec petrol; 1.4 Duratorq TDCi; 1.6 Duratorq TDCi with Diesel Particulate Filter (DPF), optimised for low cost of ownership
- Body colour rear roof spoiler
- Electrically-operated door mirrors with integral indicators
- Stereo radio/CD, MP3 compatible, AUX connector, 4 front speakers and steering wheel-mounted remote controls
- Steering column adjustable for reach and rake
- Electric Power-Assisted Steering (EPAS)

- Ford Intelligent Protection System (IPS), including driver's and front passenger's airbags*
- Side Airbags - head and thorax, includes active head restraint and driver's knee airbag (option)
- Anti-lock Braking System (ABS) with Electronic Brake-force Distribution (EBD)
- Electronic Stability Programme (ESP) with Traction Assist (TA) and Emergency Brake Assist (EBA) (option)

Trend Additional to Van

- Front fog lights
- Body coloured power folding, heated door mirrors
- Automatic windshield wiper and headlamps
- Auto dimming rear view mirror
- Trip computer
- Driver's seat with lumbar support
- Heated front windscreen

*Note: A child seat should never be placed on the front passenger seat when the Ford vehicle is equipped with an operational front passenger's airbag.

*Measured using the VDA method in cubic metres. Any additional options specified on the vehicle will reduce the payload accordingly. Kerb masses are subject to manufacturing tolerances and are for Base models with minimum equipment.

Full-height steel bulkhead (option)

Cargo tie-down rings are also shown. (Standard)

Ford Easy Fuel

Keeps hands clean at the pump and prevents accidental filling with the wrong fuel. (Standard)

Trend styling

Front fog lights and body colour mirrors help to distinguish Trend.

Fiesta Sport Van

Sport Van shown is finished in Panther Black metallic paint. (Option)

With its sporty hot-hatch looks and sparkling performance, the new Ford Fiesta Sport Van conveys a powerful image for you and your business.

Loadspace features

- 1.0 cu.m loadspace*
- 490 - 515 kg gross payload
- 1296 mm load length
- Half-height horizontal bulkhead
- Full-height DIN-compliant bulkhead (option)
- 4 DIN-compliant cargo tie-down rings
- Full load floor rubber mat

Sport Van Additional to Trend

- 1.6 Duratorq TDCi diesel engine with optional Diesel Particulate Filter (DPF)
- 16" 5-spoke alloy wheels
- Sports-style bumpers with 'Sport' front grille
- Sports-style body colour rear roof spoiler
- Bluetooth® Hands-Free Phone and Voice Control System
- Multi Function Display (MFD)
- Front carpet mats
- Sports-style seats
- Scuff plates
- Air conditioning (Electronic Automatic Temperature Control (EATC) is an option)
- Leather-trimmed steering wheel
- Sports-tuned suspension with lowered ride height
- Electronic Stability Programme (ESP) with Traction Assist (TA) and Emergency Brake Assist (EBA)
- Perimeter Alarm
- Head and thorax airbags including active head restraints and driver's knee airbag

*Measured using the VDA method in cubic metres. Any additional options specified on the vehicle will reduce the payload accordingly. Kerb masses are subject to manufacturing tolerances and are for Base models with minimum equipment.
 Note: The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company Limited and its associated companies is under licence. Other trademarks and trade names are those of their respective owners.
 Note: It is an offence for drivers to use a hand-held mobile phone or similar device while driving.

Bluetooth® Voice Control and multi-function display

Use your voice to change radio stations or CD tracks, make and receive mobile calls, control volume and temperature. Multi-function display shows vital information at a glance. (Standard)

Body colour rear roof spoiler

Standard.

Instrument cluster

Sporty, easy-to-read instruments.

We are all beginning to understand the impact that mobility is having on climate change. While we can't change things overnight, we are working very hard to find solutions.

Our range of finance, insurance, service and assistance options is designed with just one thing in mind – making life easy for you.

Making a difference now

Our latest range of engines complies with Euro Stage IV regulations. Duratorq TDCi diesel engines now develop more torque whilst delivering lower emissions. On Transit models, our Duratec 2.3L engine can be converted to run on liquefied petroleum gas (LPG) or compressed natural gas (CNG).

In the Ford car range, our optional Flexifuel engine is achieving emission reductions of around 30% to 80%** compared to conventional petrol engines.

Protecting the future

Using our Product Sustainability Index, a design for sustainability management tool, we are addressing the environmental, social and economic impacts of our vehicles from the earliest stages of their development*.

We are working on a wide range of vehicle technologies from biofuels to hybrids and clean diesels, and in the long term to hydrogen fuel-cell technology with the potential for near zero CO₂ emissions.

Improving our manufacturing facilities

We are constantly working to minimise the impact of our facilities on the environment. This includes pioneering on-site generation of electricity from sun and wind, implementing leading-edge manufacturing processes and full certification to the international standard for Environmental Management Systems; ISO 14001. This has led to improved environmental performance through savings in energy, water, material and waste-handling requirements.

Recycling for good

In the interests of sustainability, many of our components contain recycled and renewable content. All Ford vehicles are at least 85% recyclable and 95% recoverable in accordance with ISO 22628. We offer free take-back for qualifying vehicles at the end of their lives. All our take-back points are fully licensed and must also meet additional Ford quality standards for the professional receipt, treatment and recovery of end-of-life vehicles.

This brochure has been produced on paper based on fibres from sustainable forestry, using a 100% chlorine-free (TCF) bleaching process.
*For more about this topic, see <http://www.ford.com/en/company/about/sustainability/2006-07/downloads.htm>
**Dependent on feedstock used and production process. (Source: EUCAR CONCAWE study.) Ford supports the sustainable production of biofuels.

Programme for the Endorsement of Forest Certification schemes

This brochure is printed on PEFC certified paper promoting sustainable forest management.

Ford Credit

Your Ford Transit Specialist Dealer can offer simple, plain language advice on the various ways of financing your purchase. They can help you complete an application and get a decision, usually within 15 minutes. For further details, visit www.ford.co.uk or contact your Ford Transit Specialist Dealer.

Ford Acquire is a straightforward way to own your vehicle. Simply put down a deposit, pay the remainder, plus interest, over an agreed period and the vehicle becomes yours.

Ford Business Partner Contract Hire* provides an affordable, convenient, flexible and simple way to finance your commercial vehicle.

Ford Insure* offer quality motor insurance at competitive rates. You can enjoy peace of mind and reassurance with a great range of features and benefits that include in the event of an accident, all repairs carried out at Ford approved repairers, using genuine Ford parts. To keep you on the move a complimentary Ford loan vehicle is standard when using our Ford approved repairers. Ford Insure may not be able to offer insurance in some circumstances. Call 0800 048 0955 for a quote.

Finance subject to status. **Business Users only.** Guarantees/Indemnities may be required. FCE Bank plc, Freeport Nat18924, Room1/509, Brentwood, Essex CM13 3BR. Contact your Dealer for terms and conditions.
*Business Partner Contract Hire is provided by Lex Vehicle Leasing Limited, trading as Ford Business Partner, Heathside Park, Heathside Park Road, Stockport SK3 0RB. Registered Office: Charterhall House, Charterhall Drive, Chester CH88 3AN. Registered in England No. 2952868. Part of HBOS Group. For the purposes of the Data Protection Act 1998 the data controllers in relation to any information you supply are FCE Bank plc, trading as Ford Credit and Lex Vehicle Leasing Limited, trading as Ford Business Partner. Your information may be disclosed to the parent, subsidiary or associated companies of FCE Bank plc and Ford Motor Company Limited, any agencies, contractors or companies providing services for your benefit and any assignees, transferees or replacements of the above referred parties.
*Ford Insure is underwritten and administered by Royal & Sun Alliance Insurance plc (No. 93792), Registered in England and Wales at St. Mark's Court, Chart Way, Horsham, West Sussex, RH12 1XL. Authorised and regulated by the Financial Services Authority. For your protection, telephone calls may be recorded and monitored.

Services

There are 222 Sales and 245 Aftersales Ford Transit Specialist Dealers across the UK, equipped and trained to meet Commercial Vehicle customer requirements. From these, 113 Sales and 95 Aftersales Dealers have achieved the 'Backbone standard' as recognition of their total commitment to delivering dedicated and professional sales and service support.

To find the location of your nearest Ford Transit Specialist Dealer, simply call the Ford Information Service on **0845 7111 888**, or visit the Ford Dealer locator at www.fordvans.co.uk

Note The images used are to illustrate body colours only and may not reflect current specification or product availability in certain markets. Colours and trims reproduced within this brochure may vary from the actual colours, due to the limitations of printing processes used.

Illustrations, descriptions and specifications. This brochure was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Optional Fitment/Pack', etc., you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of carefully selected products from our suppliers, which are featured under their own brands. All supplier branded products are subject to warranty terms defined by the relevant suppliers and do not lie within the responsibility of Ford. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. Other trademarks and trade names are those of their respective owners.

The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular car. The cars themselves have not been tested and there are inevitably differences between individual cars of the same model. In addition, a car may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the car has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.
