

FordKa

Feel the difference

0.965237 of a millimetre

That's the thickness of a clay shaving. And to our designers it can make all the difference, as they hone and refine their clay prototype until they find the perfect expression of energy in motion.

The result is what we call Ford kinetic Design and we're passionate about it.

Bold, beautiful lines that you can't help falling in love with.

Actual size.

Listen up!

Rue de Orelles
Par un artiste inconnu

Great design speaks for itself. Ford Ka's cheeky shape says everything about its personality.

Model shown is a Ford Ka Zetec in Sunrise with 16" Alloy Wheels (option).

In the air tonight

Leichtmetallräder Straße

Der unbekannte Künstler

Make contact with state of the art sound and communication.

Model shown is a Ford Ka Zetec in Sunrise with Coral / Syracuse interior, leather steering wheel (option), Bluetooth* and USB (option), EATC (option) and ESP (option).

Magic roundabout

Via Volante

Da un artista sconosciuto

Very few cars have it. The ability to turn a short spin into a wide open grin.

Model shown is a Ford Ka Zetec with Scuba metallic paint (option), 16" Alloy Wheels (option) and Rear Spoiler (option).

Premium trip computer
Average speed and fuel consumption, trip time and distance, range and outside temperature. (Standard on Zetec)

Connected to your friends. Connected to your music. And, with a console that looks this amazing, connected to your car.

Tune in.
Chill out

Bluetooth® and USB

It's the coolest way to stay in tune and in touch, wherever your Ford Ka takes you. This optional feature includes:

Built-in USB Port

Lets you listen to, and operate, your MP3 player via the car's audio system, and also view MP3 track and phone info on the Premium trip computer (option).

Bluetooth® Voice Control System

You can control your Bluetooth® compatible mobile phone and audio system with the sound of your voice (option).

Remote audio controls

Convenient toggle switches on the steering wheel let you control the system's key functions with ease.

The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company Limited and its associated companies is under licence. Other trademarks and trade names are those of their respective owners.

Pearlescent console shown is standard on Ford Ka Zetec. Optional features EATC and ESP are also shown.

The best seats in the house, now in your Ford Ka. Superior comfort and convenience including tipping and memory function, driver's height adjustment, extra storage and more (standard on all models except Studio).

Glued to the road and looking great. Surrounded by clever features and securely seated even in the tightest bend. You'll never want to get out.

Get out more.
Stay in

Heated front seats
Perfect for your bottom on cold mornings (included with optional leather seats).

Image opposite: Model shown is a Ford Ka Zetec with Sunrise paint and 16" Alloy Wheels (option).

Hill Start Assist
Keeps the car still so you can hill start without using the handbrake (including with optional ESP).

Ford-tuned suspension
Only Ford's famous development team can make a car react so instantly and accurately to your command, making it feel like an extension of you.

Maximum speed alert
You set the speed, and a flashing light and audible alarm protect you and your licence. (Std on Zetec, and included with optional Bluetooth® and USB).

Leather seats
Beautifully stitched in your choice of two seat colours. Shown here in Syracuse. (Option)

Look beneath the Ford Ka's stunning exterior. You'll find a different kind of beauty composed of strength, obsessive attention to detail and quality that's built to last.

Hidden strength.
Visible beauty

A monument to quality

Ford Ka went on a fantastic 1.5 million kilometre European vacation – from baking 40°C heat to lung-straining 1,522-metre altitudes – to prove its durability. Cádiz to Madonna Di Campiglio anyone..

Intelligent Protection System

Beneath the steel safety cage lies a comprehensive airbag system, three-point seat belt pre-tensioners and collapsible steering column and pedals. All ready to spring into action in a fraction of a second.

Airbags

Driver's and front passenger's airbags are standard. Side and curtain airbags are optional.

ISOFIX

Anchorage for quick and safe fitting of child seats in the rear.

Emergency Brake Assist (EBA)

Automatically senses when you brake hard and provides additional braking force.

Hazard warning lights

Front and rear indicators automatically flash during heavy braking, giving other drivers advance hazard warning.

Rear parking sensor

An audible warning helps you to safely judge parking distances. (Option)

Tyre mobility kit

The easy way to reach your destination after a puncture. No more changing wheels. Simply plug it in and your tyre inflates. (Standard)

Pearl White instrument panel

Shown here with Electronic Automatic Temperature Control (EATC, optional on Zetec)

Image above: Model shown is a Ford Ka Studio with Sunrise paint.
 Image opposite: Model shown is a Ford Ka Studio with Coral / Syracuse interior environment.

Great to look at. Great to drive. And bursting with character, Studio is the perfect intro to new Ford Ka.

Features:

- Stereo radio/CD player with MP3, AUX jack and 6 speakers
- Body colour bumpers
- Headlight courtesy delay
- Tinted glass
- Electric Power-Assisted Steering (EPAS)
- Intelligent Protection System (IPS) with driver's and front passenger's airbags♦
- Anti-lock braking system (ABS) with electronic brake-force distribution (EBD)
- Accessory power socket (12V)
- Tilt-adjustable steering column
- Tyre mobility kit
- Manual front windows
- ISOFIX

*Note: A child seat should never be placed in the front passenger seat when the Ford vehicle is equipped with an operational front passenger's airbag. The safest place for children is properly restrained on the rear seat.

Body colour bumpers
 (Standard)

Headlight courtesy delay
 The headlights stay on for a few seconds to illuminate the way to your front door. (Standard)

Trip computer
 Tells you your range, distance covered, average speed and fuel consumption, plus the time you've been on the road. (Standard)

Floor console with cup holder
 (Standard)

Colour schemes
 Choose from a selection of five interior colour schemes. Florida environment with Coral seat trim shown here.

Image above: Model shown is a Ford Ka Style with Strobe metallic paint (option) and Appearance Pack (option).

Image opposite: Model shown is a Ford Ka Style with Fairland / Syracuse interior environment and Appearance Pack (option).

Want more? Have it. Style gives you remote control, power operation and extra clever features. Style+ gives you even more. Go on, spoil yourself.

Flexible accessory holder

Fits around the centre console – with a net on either side. (Accessory)

We are all beginning to understand the impact that mobility is having on climate change. While we can't change things overnight, we are working very hard to find solutions.

Our range of finance, insurance, service and assistance options is designed with just one thing in mind – making life easy for you.

Making a difference

On Ford Focus, Ford C-MAX, Ford Mondeo, Ford S-MAX and Ford Galaxy, our optional Flexifuel engine, fuelled by E85, is achieving emission reductions of around 30% to 80%** compared to conventional petrol engines. E85 is a mixture of 85% plant-derived ethanol and 15% petrol, but these models can run on any mixture of the two – even 100% petrol.

New low emission diesel ECOnetic derivatives are now available. Ford Fiesta ECOnetic delivers more than 76.3 mpg, emitting just 98 g/km of CO₂, Ford Focus ECOnetic delivers more than 65mpg, emitting just 114 g/km of CO₂ and Ford Mondeo ECOnetic delivers more than 44 mpg, emitting 139 g/km of CO₂.

Protecting the future

Using our Product Sustainability Index, a design for sustainability management tool, we are addressing the environmental, social and economic impacts of our vehicles from the earliest stages of their development*.

We are working on a wide range of vehicle technologies from biofuels to hybrids and clean diesels, and in the long term to hydrogen fuel-cell technology with the potential for near zero CO₂ emissions.

Improving our manufacturing facilities

Elsewhere, we are working to minimise the impact of our facilities on the environment, for example by pioneering on-site generation of electricity from sun and wind.

Breathe easier

The allergy-tested interiors of Ford Focus, Ford C-MAX, Ford Kuga, Ford Mondeo, Ford S-MAX and Ford Galaxy models were the first worldwide to receive the approval of the independent German TÜV organisation, and are endorsed by the British Allergy Foundation.

Recycling for good

In the interests of sustainability, many of our components contain recycled and renewable content. All Ford vehicles are at least 85% recyclable and 95% recoverable in accordance with ISO 22628. We offer free take-back for qualifying vehicles at the end of their lives. All our take-back points are fully licensed and must also meet additional Ford quality standards for the professional receipt, treatment and recovery of end-of-life vehicles.

This brochure has been produced on paper based on fibres from sustainable forestry, using a 100% chlorine-free (TCF) bleaching process.

*For more about this topic, see www.ford.com/go/sustainability

**Dependent on feedstock used and production process. (Source: EUCAR CONCAWE study.) Ford supports the sustainable production of biofuels.

Ford Credit

When it comes to financing your vehicle, your Ford Dealer can remove the need for lengthy phone calls, endless online surfing and form-filling. They can help you complete an application and will get a decision, usually within 15 minutes.

So what can your Ford Dealer provide? **Ford Options** offers increased flexibility if you want to change your car more often; **Ford Acquire** is ideal for private and business users who want a more straightforward financing plan; **Ford Business Partner Contract Hire*** provides an affordable, convenient, flexible and simple way to finance your business vehicle; and **Ford Insure**** is our comprehensive motor insurance product, designed specifically for Ford drivers.

Finance subject to status. Guarantees/indemnities may be required. Freepost Ford Credit.

*Ford Business Partner Contract Hire is provided by Lex Vehicle Leasing Limited, trading as Ford Business Partner, Heathside Park, Heathside Park Road, Stockport SK3 0RB. Finance subject to status. Guarantees/indemnities may be required. Business Users only.

**Ford Insure is underwritten and administered by Royal & Sun Alliance Insurance plc (No. 93792), Registered in England and Wales at St Mark's Court, Chart Way, Horsham, West Sussex, RH12 1XL. Authorised and regulated by the Financial Services Authority. For your protection, telephone calls will be recorded and may be monitored.

Services

Ford Protect

Your new Ford is protected by a 3-year/60,000-mile Ford Protect Classic Plan Warranty, and comes with Ford Assistance roadside cover throughout the UK and Europe for 1 year. You can also upgrade to a Ford Protect Premium Plan, giving you the option of scheduled servicing and extended Ford Assistance.

Ford Service

Like any vehicle, your new Ford needs servicing regularly to keep it in the best condition and to maintain its value. The Ford authorised repairer network is independently quality checked to ensure the highest standards of workmanship are maintained. Ford has the largest repairer network in the UK, and uses Ford-trained technicians, Ford-specific tools and the latest computerised diagnostic equipment specifically for your Ford.

Ford Accident Repair Centres

Should your Ford require accident repair, an approved Ford Accident Repair Centre is the best place to return your vehicle to its pre-accident condition. Repairers displaying the Ford Accident Repair Centre sign meet the rigorous customer service, technical and quality standards demanded by Ford. Ford trained technicians, the latest repair equipment and the use of original parts mean that the future safety and value of your vehicle are assured.

Contacts

1.3 Duratorq	M5	75	145	112	5.2 (54.3)	3.7 (76.4)	4.2 (67.3)	100	13.1	13	1415

*In 4th gear. ⁹⁰Ford test figures. ⁹⁰All CO₂ emissions figures in g/km and fuel consumption figures in L/100 km are from officially approved tests in accordance with EEC Directive 1999/100/EC. The CO₂ emissions and fuel consumption test figures shown in the chart do not express or imply any guarantee of the emissions or fuel consumption of a car of the class in question. All the figures are based on tests conducted on vehicles with standard wheels and tyres; optional or accessory wheels and tyres may have an effect on the emissions and fuel consumption of a vehicle. **Note:** All vehicles are Durashift 5-speed manual. ¹The fuel economy data published above relate to use of petrol 95 RON; use of alcohol fuel or a mixture of petrol and alcohol will lead to other fuel economy data. BP Ultimate, a range of advanced performance fuels, the perfect partner to meet the most demanding needs of Ford's class-leading technology. BP Ultimate can boost power and acceleration, lower exhaust emissions and improve fuel economy, compared with ordinary fuels.

Dimensions

Overall length (mm)	3620
Overall width with / without mirrors (mm)	1894 / 1658
Overall width with folded back mirrors (mm)	1702.7
Overall height (unladen) (mm)	1505
Turning circle – Kerb to kerb (m)	9.1 / 9.415
Luggage capacity (litres)*	
4-seat mode	224
2-seat mode (laden to roof)	747
Fuel tank capacity (litres)	
Petrol	35
Diesel	35

Illustrations, descriptions and specifications. This brochure was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Optional Fitment/Pack', etc., you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of carefully selected products from our suppliers, which are featured under their own brands. All supplier branded products are subject to warranty terms defined by the relevant suppliers and do not lie within the responsibility of Ford. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. Other trademarks and trade names are those of their respective owners.

The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular car. The cars themselves have not been tested and there are inevitably differences between individual cars of the same model. In addition, a car may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the car has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.

Collect Nectar points at participating Ford Dealers now. So keep a look out for the latest Ford offers at www.ford.co.uk/nectar or call the Ford Information Service on 0845 7111 888. Calls are charged at national rate and may be recorded for training purposes.
