

**Ford**C-MAX

Feel the difference

## 0.965237 of a millimetre

That's the thickness of a clay shaving. And to our designers it can make all the difference, as they hone and refine their clay prototype until they find the perfect expression of energy in motion.

The result is what we call Ford kinetic Design and we're passionate about it.

Bold, beautiful lines that you can't help falling in love with.

Actual size.

You may have grown up, but you can still get your own way.

And now the real fun begins.

A wide, road-gripping stance makes the Ford C-MAX feel safe, stable and rewarding to drive.

When it comes to clever ideas, the Ford C-MAX is an inspiration. From the brilliant panoramic roof to the Adaptive Front lighting System (AFS) that directs the headlight beams where you are heading, you will see and be seen wherever you drive.

### Bright ideas

**Adaptive Front lighting System (AFS)**  
Swivels the low beam headlights by up to 15 degrees to aim in the direction you are heading, for superior illumination on twisting roads. (Option on Titanium)

**Automatic headlights**  
Switch on automatically when light levels drop. Includes courtesy headlight delay that remains on for a short while once you're parked to guide you to your door. (Standard on Titanium)

**Integrated sunblinds**  
Tailored blinds filter and reduce sun glare through the rear windows. Can be used with the windows open. (Standard)

**Out of this world**  
Panoramic Solar Reflect roof floods the car with light, or lets you take in the night sky, while blocking solar radiation to help keep the interior cool. (Option)

**Rear-view camera**  
Select reverse gear and the rear-view camera comes on in the navigation display, allowing you to see objects behind your car for easy manoeuvring. (Option, standard when DVD touchscreen navigation system is specified).

There's room in the Ford C-MAX for everything except compromise. So sit back and enjoy its agile handling and advanced technology, designed to increase your enjoyment and keep you perfectly connected to the road.

## Exhilarating drive

### Feel the power, not the shift

Ford PowerShift is the next generation of automatic transmissions, featuring a new state-of-the-art 6-speed dual clutch automatic transmission.

Ford PowerShift cleverly selects the next appropriate gear at exactly the right moment, delivering lightning-fast gear changes with no disruption to the flow of power, just as smoothly and seamlessly as a baton pass in a perfectly executed relay race.

Ford PowerShift delivers improved fuel economy compared to a conventional automatic and also has a manual mode that allows you to switch gears at the flick of the lever.

### Cruise control

Simply select your desired speed and the system will maintain it for as long as you wish. The selected speed can be manually increased or decreased, with the car automatically resuming the last set speed if desired. (Standard on Titanium)

### Control Blade independent rear suspension

Allows each rear wheel to react independently to bumps in the road for a smoother ride. Also enhances cornering stability, thanks to built-in passive rear-wheel steering effect.

### An uplifting experience

Take a seat in the Ford C-MAX and you'll enjoy an elevated driving position that offers a better view of the road ahead. You'll also appreciate the Electric Hydraulic Power-Assisted Steering (EHPAS) that makes parking effortless, yet reduces assistance at higher speeds for greater control. (All engines except 1.6 Duratec petrol)

#### Master class

The Ford C-MAX is a lesson in high-quality design, right down to the smallest detail.

#### Long term investment

Indulge yourself with premium quality leather seat trim. (Option on Titanium, see specification pages for availability)

The attention to detail which has been lavished on the Ford C-MAX is immediately evident, from the exterior finish to the quality of the interior. Ford has engineered every single component for dependability, safety and strength, with one objective clearly in mind: quality that's built to last.

Precision-built with the future in mind

#### Intelligent Protection System (IPS)

Safety doesn't happen by accident, so the Ford C-MAX is equipped with a comprehensive Intelligent Protection System that includes:

- Driver and front passenger's airbags♦
- Driver and front passenger's side thorax airbags\*
- Side curtain airbags for both front and outer rear passengers♦

#### Further safety features include:

- Computer-optimised body structure with ultra-rigid safety cell and crumple zones
- Advanced lap and diagonal inertia reel seat belts with pre-tensioners and load-limiting retractors on all seats, and front seat height-adjustable mounts
- ISOFIX child seat mountings to rear outer seats (fitting kit required)
- Anti-submerging seat bases
- Powerful four-wheel disc brakes with ABS, Emergency Brake Assist (EBA) and electronic brake-force distribution (EBD)
- Hazard Warning Lights: the turn indicators automatically flash under heavy braking as a warning to following drivers
- Electrically-operated windows with 'bounce-back' anti-trap feature
- Allergy-tested interior endorsed by TÜV

\*Note: A child seat should never be placed in the front passenger seat when the Ford vehicle is equipped with an operational front passenger's airbag. The safest place for children is properly restrained on the rear seat.

#### Designed to last

Only the great designs truly stand the test of time. So the Ford C-MAX is protected by a reassuring 12-year anti-perforation warranty.

# C-MAX

#### Relentless

During its development, we test drove the Ford C-MAX the equivalent of more than 74 times around the globe. Pushed it through the extremes of real world weather from -40°C to +80°C, and tested it over and over again. It's a car you can rely on, right down to the smallest ball bearing.

With its vibrant and sporty style, the Ford C-MAX Style is an irresistible activity vehicle.

### Features

- Electronic Stability Programme (ESP)
- Designer wheels
- Distinctive LED rear lights
- Body colour bumpers
- Body colour exterior door and tailgate handles
- Electrically-operated and heated door mirrors
- Air conditioning
- Trip computer
- Driver's seat armrest and adjustable lumbar support
- Satin chrome finish interior design cues
- CD player
- Three individual 'Tip & Tumble' rear seats
- Front seatback pockets
- Ford Intelligent Protection System (IPS) with six airbags♦
- Portable music player connection socket
- Sunblinds for rear windows

\*Note: A child seat should never be placed in the front passenger seat when the Ford vehicle is equipped with an operational front passenger's airbag. The safest place for children is properly restrained on the rear seat.

Note Images may show optional equipment.

**Air conditioning**  
Arrive relaxed and refreshed. (Standard)

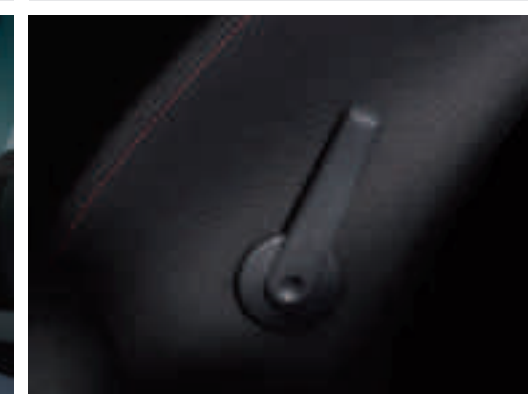

**LED rear lights**  
Lighting technology at its most eye-catching. (Standard)

**Portable music player connection socket**  
Lets you connect your MP3 player to the car's audio system. (Standard)

**Body colour door handles**  
(Standard)

**Door mirrors**  
Electrically-operated and heated. (Standard)

**Driver's seat adjustable lumbar support**  
(Standard)

Amazing looks coupled with exceptional value, that's the unique attraction of the Ford C-MAX Zetec.

**Additional to Style**

- 16" 5-spoke alloy wheels
- Perimeter alarm
- Privacy glass
- Front fog lights
- Quickclear heated front windscreen
- Body colour bodyside mouldings
- Unique Rack in Silver seat trim
- Silver finish instrument panel trim, centre stack and gear shift bezel
- 4-spoke leather trimmed steering wheel
- Aircraft-style front seatback folding trays

Note Images may show optional equipment.

**Folding seat back trays**  
(Standard)

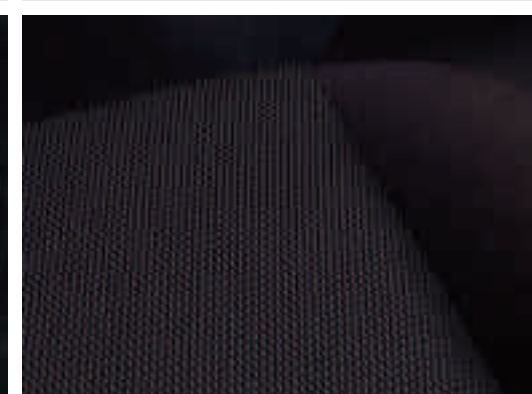

**Alloy wheels**  
16" 5-spoke alloy wheels. (Standard)

**Seat trim**  
Unique seat trim.

**Interior trim**  
Centre stack and gearshift bezel with unique Triton Silver finish. (Standard)

**Luggage compartment cover**  
Keeps items safely away from prying eyes. (Standard)

**Stereo radio/CD**  
Model 6000 with superb sound quality and 6 speakers. (Standard)

The modern interpretation of refinement and technology come together in the Ford C-MAX Titanium. **(Note:** Image above shows optional 17" Alloy wheels)

#### Additional to Zetec

- 16" multi-spoke alloy wheels
- Thatcham category 1 alarm
- Body coloured rear spoiler
- Sony CD with DAB audio system
- Cruise control
- Electrically-operated rear windows with global opening/closing
- Front autowipers with rain sensor
- Automatic headlights
- Auto-dimming rear view mirror
- Heated front seats with variable control
- Door mirror puddle lamps
- Leather trimmed gear knob
- Centre console with sliding armrest
- Blue tinted glass on all windows, in lieu of privacy glass

**Note** Images may show optional equipment.

**Alloy wheels**  
Fabulous 16" multi-spoke alloy wheels. (Standard)

**Body colour rear spoiler**  
(Standard)

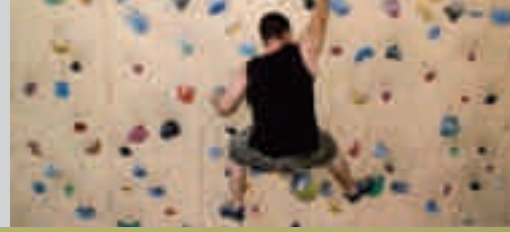

**Centre console**  
Pontos Silver trim adds to the sense of contemporary luxury. (Standard)

**Front autowipers**  
Switch on automatically if it starts to rain. Can also be adjusted for sensitivity. (Standard)

**Front fog lights**  
Enhance visibility in poor driving conditions. (Standard)

**Sony CD with DAB audio system**  
Latest Sony audio system with superb sound quality and MP3/CD playback. (Standard)

\*Note: A child seat should never be placed in the front passenger seat when the Ford vehicle is equipped with an operational front passenger's airbag. The safest place for children is properly restrained on the rear seat.

## The range

**On the prowl**

Elegant 18" 5-spoke 'Y-design' alloy wheels are shod with wide 225/40 R18 tyres for tenacious grip. (Option and accessory)

**Eibach suspension lowering kit**

The Eibach suspension lowering kit gives your car a sportier appearance, lowering the car by approximately 30 mm. (Accessory)

Nothing finishes off a great-looking car better than a set of beautiful wheels. So the Ford C-MAX is available with a wide range of fabulous optional and accessory alloy wheels – as well as its carefully selected standard wheels – to help you create a look that is all your own.

**Invent**

**Note:** The 17" and 18" wheels available on the Ford C-MAX are designed to deliver more sporting driving characteristics and a firmer ride quality compared to standard 16" wheels.

**Standard** = Standard on your vehicle.  
**Option** = Can be ordered only together with your new vehicle.  
**Accessory** = Available from your Ford Dealer.

16" 5-spoke 'Design' wheel (Standard on Style)

16" 5-spoke alloy wheel (Standard on Zetec)

16" 5-spoke 'Y' finish alloy wheel (Part of Sport Pack 1)

16" 7x2-spoke alloy wheel (Accessory)

16" multi-spoke alloy wheel (Standard on Titanium)

17" 8-spoke alloy wheel (Part of Sport Pack 2)

17" 10-spoke alloy wheel (Accessory)

17" 10-spoke 'machined' alloy wheel (Accessory)

17" multi-spoke 'machined' alloy wheel (Option on Titanium)

18" 5-spoke alloy wheel (Part of Sport Pack 3 & Titanium Sport X Pack – Not available with 1.6 Duratorq TDCi engine)

18" 7-spoke 'anthracite/machined' alloy wheel (Accessory)

18" 10-spoke 'Y-design' alloy wheel (Accessory)

**Sony 6CD with DAB audio system**

Sony 6CD DAB RDS EON stereo radio/6-disc in-dash CD autochanger with MP3 playback capability. (Option – see specification pages for availability)

**Make yourself heard**

Converse with friends, family and your car, all at the sound of your voice (Option).

Drive to the sound of your favourite music. The Ford C-MAX offers you a wide choice of the latest sound systems, some with built-in navigation.

**Technology**

**Ford alarm system**

Fully-integrated security system monitors the vehicle's doors, bonnet and boot. Also features ultrasonic sensors to detect movement inside the vehicle. (Standard on Titanium, otherwise available as an Accessory)

**230V power converter**

Makes your gadgets even more portable. (Option)

**GPS navigation**

Leave your maps behind with a simple and intuitive mobile GPS navigation system. Please contact your Ford Dealer for details. (Accessory)

**Pioneer premium loudspeakers**

Powerful, 3-way loudspeakers provide crisp, clear sound with a significant bass boost. For further upgrade, an active 150 watt subwoofer is also available. (Accessory)

**MP3 connection**

Connect your iPod® or MP3 player and operate it via your Ford audio system through the portable music player connection socket, or with the USB/MP3/iPod® connectivity port (Option). Dedicated connector wiring for most iPods® and MP3 players; available as an Accessory.

**Bluetooth® wireless technology**

Bluetooth® Hands-Free Phone and the Voice Control System technology provides a wireless mobile phone connection with voice recognition control for audio, phone, climate control and navigation systems. (Option)

Note: The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. iPod® is a trademark of Apple Corporation and any use of such marks by Ford Motor Company Limited and its associated companies is under licence. Other trademarks and trade names are those of their respective owners.

Note It is an offence for drivers to use a hand-held mobile phone or similar device while driving.

**DVD touch-screen navigation system with Bluetooth® & USB**  
7" colour touch-screen controls audio, climate system, rear-view camera and phone. Includes full western Europe mapping. (Option – see specification pages for availability)

**Communications Pack**  
Advanced navigation system, stereo radio/CD with 5" colour display, SD memory card with full western European mapping data, allows simultaneous audio and navigation, Bluetooth and USB/MP3/iPod® connectivity port (Option).

**Becker navigation system 'Indianapolis Pro'**  
Superior sound and navigation for most European countries. Features TMC traffic announcements. Plays MP3. (Accessory) **Audio DIN-bezel** adapter with optional CD box. (Accessory)

#### Bodystyling kit

Includes body colour front and rear bumper skirts, unique front grilles with chrome surrounds, front fog light housings and door claddings. (Dealer fit accessory. Rear spoiler also available as a separate Accessory)

#### Load barrier retention net

Keeps items in the luggage compartment, where they belong. Meets ECE-R17 safety requirements. (Option within Traveller Pack and Accessory)

Some people just have it. Others wish they did. With the Ford C-MAX, you can convey whatever image you desire.

## Personalise

#### Mont Blanc 'Barracuda' bike carrier

Specially designed to carry modern bikes with frames up to 80 mm in diameter. Also features integral locks to keep bikes safe and secure. (Accessory)

#### Thule Ski carrier

Elegant, fully-lockable ski carrier. Suitable for up to six pairs of skis or four snowboards. (Accessory)

#### Thule roof box

Select from a range of different sized boxes protect your luggage from weather and theft. (Accessory)

#### Roof base carrier

Base for all shown attachments. (Accessory)

#### Britax Römer child seat

Various child seats available for all ages, also with ISOFIX. (Accessory)

#### Tow bars

For extra transport and stowage capability. Available as fixed or detachable version. (Accessory)

#### Contoured mudflaps

Available as sets for front and rear. (Accessory)

#### ClimAir® wind deflector

Allows a more enjoyable drive with the windows down, even when it's raining. (Accessory, for front and rear windows)

#### Scuff plates

Polished stainless steel scuff plates with recessed 'C-MAX' logo. (Accessory)

#### Luxury velour floor mats

Featuring 'C-MAX' logo. Perfectly complements your chosen interior. Driver's mat is fixed to prevent slippage. (Accessory)

#### Modular dog guard system

Half-height, full-height or full-height plus luggage divider modular system. Meets ECE-R17 safety requirements. **Anti-slip mat** Luggage compartment protection with anti-slip surface. (Accessory)

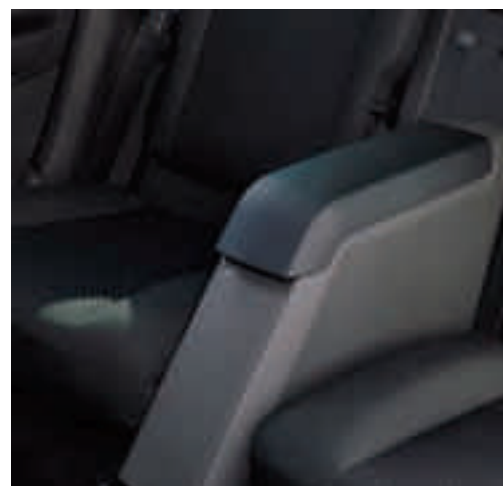

#### Reversible luggage compartment mat

Full-length mat protects luggage compartment, even with the rear seats removed. Reversible design with choice of carpet or rubber surfaces. Incorporates flap to protect rear bumper during loading. (Accessory)

#### Armrest stowage box

Fits between the rear seats to provide storage and armrest. For use with Comfort Seat System only. (Accessory)

We are all beginning to understand the impact that mobility is having on climate change. While we can't change things overnight, we are working very hard to find solutions.

### Making a difference

On Ford Mondeo, Ford S-MAX and Ford Galaxy, our optional Flexifuel engine, fuelled by E85, is achieving emission reductions of around 30% to 80%\*\* compared to conventional petrol engines. E85 is a mixture of 85% plant-derived ethanol and 15% petrol, but these models can run on any mixture of the two – even 100% petrol.

New low emission diesel EConetic derivatives are now available. Ford Fiesta EConetic delivers more than 76.3 mpg, emitting just 98 g/km of CO<sub>2</sub>. Ford Focus EConetic delivers more than 74 mpg, emitting just 99 g/km of CO<sub>2</sub> and Ford Mondeo EConetic delivers more than 54 mpg, emitting 139 g/km of CO<sub>2</sub>.

### Protecting the future

Using our Product Sustainability Index, a design for sustainability management tool, we are addressing the environmental, social and economic impacts of our vehicles from the earliest stages of their development\*.

We are working on a wide range of vehicle technologies from biofuels to hybrids and clean diesels, and in the long term to hydrogen fuel-cell technology with the potential for near zero CO<sub>2</sub> emissions.

### Improving our manufacturing facilities

Elsewhere, we are working to minimise the impact of our facilities on the environment, for example by pioneering on-site generation of electricity from sun and wind.

### Breathe easier

The allergy-tested interiors of Ford Fusion, Ford Focus, Ford C-MAX, Ford Kuga, Ford Mondeo, Ford S-MAX and Ford Galaxy models were the first worldwide to receive the approval of the independent German TÜV organisation.

### Recycling for good

In the interests of sustainability, many of our components contain recycled and renewable content. All Ford vehicles are at least 85% recyclable and 95% recoverable in accordance with ISO 22628. We offer free take-back for qualifying vehicles at the end of their lives. All our take-back points are fully licensed and must also meet additional Ford quality standards for the professional receipt, treatment and recovery of end-of-life vehicles.

This brochure has been produced on paper based on fibres from sustainable forestry, using a 100% chlorine-free (TCF) bleaching process.

\*For more about this topic, see [www.ford.com/go/sustainability](http://www.ford.com/go/sustainability)

\*\*Dependent on feedstock used and production process. (Source: EUCAR CONCAWE study.) Ford supports the sustainable production of biofuels.

Our range of finance, insurance, service and assistance options is designed with just one thing in mind – making life easy for you.

## Ford Credit

When it comes to financing your vehicle, your Ford Dealer can remove the need for lengthy phone calls, endless online surfing and form-filling. They can help you complete an application and will get a decision, usually within 15 minutes.

So what can your Ford Dealer provide? **Ford Options** offers increased flexibility if you want to change your car more often; **Ford Acquire** is ideal for private and business users who want a more straightforward financing plan; **Ford Business Partner Contract Hire\*** provides an affordable, convenient and flexible way to finance your business vehicle; and **Ford Insure\*\*** is our comprehensive motor insurance product, designed specifically for Ford drivers.

Finance subject to status. Guarantees/indemnities may be required. Freepost Ford Credit.

\*Business Partner Contract Hire is provided by Lex Vehicle Leasing Limited, trading as Ford Business Partner, Heathside Park, Heathside Park Road, Stockport SK3 0RB.

\*\*Ford Insure is underwritten and administered by Royal & Sun Alliance Insurance plc (No. 93792). Registered in England and Wales at St Mark's Court, Chart Way, Horsham, West Sussex, RH12 1XL. Authorised and regulated by the Financial Services Authority. For your protection, telephone calls will be recorded and may be monitored.

## Services

### Ford Protect

Your new Ford is protected by a 3-year/60,000-mile Ford Protect Classic Plan Warranty, and comes with Ford Assistance roadside cover throughout the UK and Europe for 1 year. You can also upgrade to a Ford Protect Premium Plan, giving you the option of scheduled servicing and extended Ford Assistance.

### Ford Service

Like any vehicle, your new Ford needs servicing regularly to keep it in the best condition and to maintain its value. The Ford authorised repairer network is independently quality checked to ensure the highest standards of workmanship are maintained. Ford has the largest repairer network in the UK, and uses Ford-trained technicians, Ford-specific tools and the latest computerised diagnostic equipment specifically for your Ford.

### Ford Accident Repair Centres

Should your Ford require accident repair, an approved Ford Accident Repair Centre is the best place to return your vehicle to its pre-accident condition. Repairers displaying the Ford Accident Repair Centre sign meet the rigorous customer service, technical and quality standards demanded by Ford. Ford trained technicians, the latest repair equipment and the use of original parts mean that the future safety and value of your vehicle are assured.

## Contacts

### Ford Customer Relationship Centre

In the unlikely event that your Ford Dealer can't help you or if you need to speak to us directly, call 0845 841 1111 at local rates.

### Ford Rental – local service nationwide

Car and van rental from our latest model range. Contact your local Ford Dealer for more information.

### Ford Mobility

Our MAGIC care centre provides free information on all motoring and mobility issues, including special offers for HRDLA and Motability recipients. Call free on 0800 240 241.

<sup>a</sup>In 4th gear. <sup>99</sup>Ford test figures. <sup>99</sup>All CO<sub>2</sub> emissions figures in g/km and fuel consumption figures in L/100 km are tested in accordance with 80/1268/EEC as amended. The CO<sub>2</sub> emissions and fuel consumption test figures shown in the chart do not express or imply any guarantee of the emissions or fuel consumption of a car of the class in question. All the figures are based on tests conducted on vehicles with Style equipment level and with standard wheels and tyres; optional or accessory wheels and tyres may have an effect on the emissions and fuel consumption. **Urban** An engine started from cold in laboratory conditions operated at varying speeds, maximum 50 km/h, average 19 km/h over a theoretical distance of 4 km. **Extra Urban** Conducted immediately after the urban cycle, it consists of half steady speed driving and half varying speed driving, maximum 120 km/h over a distance of 7 km. **Combined** This is an average of the two parts of the test, weighted by the distances covered in each part. **Note** All petrol engines are equipped with a catalytic converter. All engines are Emissions Stage IV. **DPF** = Diesel Particulate Filter. The performance and economy of all models will be reduced when used for towing. Transmissions: M5 5-speed manual, M6 6-speed manual, A4 4-speed automatic, A6 6-speed powershift automatic.

### Insurance groups

	Style	Zetec	Titanium
1.6 Duratec (100 PS) (Stage IV)	6E/13E	6E/13E	–
1.8 Duratec (125 PS) (Stage IV)	7E/18E	7E/18E	8E/18E
2.0 Duratec (145 PS), Durashift 4-speed auto (Stage IV)	–	11E/21E	12E/21E
1.6 Duratorq TDCi (109 PS) (Stage IV + DPF)	7E/17E	7E/17E	8E/18E
1.8 Duratorq TDCi (115 PS) (Stage IV)	7E/18E	7E/18E	8E/18E
2.0 Duratorq TDCi (136 PS) (Stage IV + DPF)	–	9E/22E	10E/23E
2.0 Duratorq TDCi (136 PS) (Stage IV)	–	–	10E/23E

**E** = Exceeds security requirement for model concerned and group rating has been reduced. Insurance ratings are issued by the Association of British Insurers and are shown above on both the (outgoing) 1-20 and (new) 1-50 rating scales.

### Weights and loads

	Minimum Kerbweight (kg) <sup>a</sup>	Gross Vehicle Mass (kg)	Gross Train Mass (kg)	Max. Towable Mass (braked) (kg)	Max. Towable Mass (unbraked) (kg)
<b>Ford C-MAX</b>					
1.6 Duratec (100 PS) Stage IV	1334	1855	3055	1200	665
1.8 Duratec (125 PS) Stage IV	1375	1910	3110	1200	685
1.6 Duratorq TDCi (109 PS) Stage IV + DPF	1375	1920	3220	1300	695
1.8 Duratorq TDCi (115 PS) Stage IV	1465	1995	3495	1500	730
2.0 Duratec (145 PS) (Durashift 4-Speed auto) Stage IV	1394	1930	3230	1300	695
2.0 Duratorq TDCi (136 PS) Stage IV	1491	1990	3490	1500	745
2.0 Duratorq TDCi (136 PS) (Powershift 6-speed auto) Stage IV + DPF	1523	2025	3490	1500	750

<sup>a</sup>Represents the lightest kerbweight assuming driver at 75kg, full fluid levels, subject to manufacturing tolerances and options, etc., fitted. **Note** all petrol engines are equipped with a catalytic converter. **DPF** = Diesel particulate filter. **Towing Limits** The performance and economy of all models will be reduced when used for towing. **Nose weight** limit is a maximum 75kg on all models. For further guidance, refer to the National Caravan Council's Towing Guide. Towing limits quoted represent the maximum towing ability of the vehicle at its Gross Vehicle Mass to restart on a 12 per cent gradient at sea level.

### Dimensions

Overall length (mm)	4372
Overall width with/without mirrors	2022*/1825
Overall height (unladen)	1588
Turning circle – kerb to kerb (m)	10.6**

### Luggage capacity (litres)<sup>a</sup>

5-seat mode (laden to package tray) (with mini spare)	460
5-seat mode (laden to package tray) (with tyre repair kit)	473
5-seat mode (laden to roof) (with mini spare)	550
5-seat mode (laden to roof) (with tyre repair kit)	563
2-seat mode (laden to roof) (with mini spare)	1620
2-seat mode (laden to roof) (with tyre repair kit)	1633

### Fuel tank capacity (litres)

Petrol	55
Diesel	53

<sup>a</sup>Measured in accordance with ISO 3832. Dimensions may vary dependent on the model and equipment fitted. \*2023 mm on models with door mirror indicator. \*\*11.7 m with 18" wheels.

# Colour and trim

Rack in Silver seat facing, Mondus in Ebony seat sides (Zetec)	Rack in Ebony seat facing, Mondus in Ebony seat sides (Sport Pack 1 & Sport Pack 2)**	Napoli leather in Ebony seat facing, Napoli leather in Ebony seat sides (TitaniumX Pack & Titanium X Sport Pack)*
		Waffle in Midnight Black seat facing, Napoli leather in Ebony seat sides (Sport Pack 3)***

\*\*Only available with optional sports-style front seats.  
 Note The car images used are to illustrate body colours only and may not reflect current specification or product availability in certain markets. Colours and trims reproduced within this brochure may vary from the actual colours, due to the limitations of printing processes used.

**Illustrations, descriptions and specifications.** This brochure was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Optional Fitment/Pack', etc., you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of carefully selected products from our suppliers, which are featured under their own brands. All supplier branded products are subject to warranty terms defined by the relevant suppliers and do not lie within the responsibility of Ford. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. Other trademarks and trade names are those of their respective owners.

**The Government fuel figures** do not express or imply any guarantee of the fuel consumption of any particular car. The cars themselves have not been tested and there are inevitably differences between individual cars of the same model. In addition, a car may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the car has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.

**Allergy-tested interior** All materials used in the manufacture of the interior of this vehicle meet the strict requirements of the TÜV TOXPROOF Criteria Catalogue for Vehicle Interiors by the TÜV Produkt und Umwelt GmbH and are designed to minimise the risk of allergic reactions. With doors and windows closed, the interior materials selected – together with the integrated pollen filter – protect the passengers against most allergising particles from the outdoor air. At higher temperatures, the additional use of air conditioning is recommended.
