**Illustrations, descriptions and specifications.** This brochure was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Optional Fitment/Pack', etc., you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of carefully selected products from our suppliers, which are featured under their own brands. All supplier branded products are subject to warranty terms defined by the relevant suppliers and do not lie within the responsibility of Ford. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. Other trademarks and trade names are those of their respective owners.

**The Government fuel figures** do not express or imply any guarantee of the fuel consumption of any particular car. The cars themselves have not been tested and there are inevitably differences between individual cars of the same model. In addition, a car may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the car has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.

## Colour and trim

### Metallic body colours\*

Ink Blue (available from spring 2010)

Tomy cloth seat trim in Lichen

\*Metallic body colours are options, at extra cost.

**Note** The images used are to illustrate body colours only and may not reflect current specification or product availability in certain markets. Colours and trims reproduced within this brochure may vary from the actual colours, due to the limitations of printing processes used.

## Weights and loads

	Driveline	Gross payload (kg) <sup>o</sup>	Gross vehicle mass (kg)	Kerb mass (kg)*	Front axle plated mass (kg)	Front axle kerb mass (kg)	Rear axle plated mass (kg)	Rear axle kerb mass (kg)	Axle ratio <sup>oo</sup>	Max. GTM (kg) with quoted axle ratio
<b>280 SWB Low Roof Van</b>										
2.2 TDCi 115 PS	FWD	1092	2800	1708	1450	1104	1650	604	4.36	3500
<b>280 MWB Medium Roof Van</b>										
2.2 TDCi 115 PS	FWD	1000	2800	1800	1500	1161	1650	639	4.36	3500
<b>350 LWB Medium Roof Van</b>										
2.4 TDCi 115 PS	RWD	1466	3500	2034	1750	1232	2250	802	3.73	5500
2.4 TDCi 115 PS	RWD	1466	3500	2034	1750	1232	2250	802	4.27	6000

**LWB** = Long wheelbase. **FWD** = Front-wheel Drive, **RWD** = Rear-wheel Drive, **AWD** = All-wheel Drive. <sup>o</sup>**Gross Payload** = Gross vehicle mass, less kerb mass. <sup>\*</sup>With optional cDPF (coated Diesel Particulate Filter). **GVM** = Gross vehicle mass. The total permissible all-up weight of a rigid vehicle – i.e. with body, payload, ancillaries, fuel, oil, water, driver and crew. <sup>\*</sup>**Kerb mass** = The weight of the complete vehicle and all equipment including fuel and water, but without payload, driver or any crew. All kerb masses quoted in this brochure are subject to manufacturing tolerances and are for Base models with minimum equipment. Trend based models will have greater kerb masses and, therefore, lower payloads due to the increased amount of standard equipment. Any additional options specified on the vehicle will reduce the payload accordingly. **GTM** = Gross train mass. The total permissible all-up weight of a rigid vehicle (see GVM) together with its trailer and load. <sup>oo</sup>The illustrated rear axle ratio shown is one example of what is available dependent upon model, payload and engine combination. Please consult your Ford Dealer for details. **Note:** All figures for 350 RWD models are for the vehicle fitted with the standard 1750 kg front axle, specification of the optional 1850 kg front axle will affect these figures. Please consult your Ford Dealer for details.
