

**Ford**C-MAX  
**Ford**Grand C-MAX

Feel the difference

Do a lot more

The new Ford Grand C-MAX has practicality in its DNA. With dual sliding rear doors and seven seats, it helps you get the most out of family life.

Model shown is the Grand C-MAX Titanium in Dark Mica stone metallic paint (option), featuring 'Appearance Pack' (option).  
Note: The images in this brochure show some features not currently available in the UK. The wheels on the model shown are not to UK specification. Please refer to the specification pages for more details.

Fit a lot in

Grand C-MAX's spacious and versatile interior is packed with innovative features. The centre second row seat can be neatly stowed away to allow easy walkthrough to the third row seats. Power child locks on the sliding doors, and seat belt reminders on all the rear seats help ensure your family stays secure.

Model shown is the Grand C-MAX Titanium with optional Sony DAB Navigations system and rear-view camera.  
The images in this brochure show some features not currently available in the UK. Please refer to the specification pages for more details.

Go a lot further

Ford ECONetic Technologies give the C-MAX and Grand C-MAX better fuel economy than you would expect from such spacious cars. PowerShift transmission, EcoBoost fuel-efficient petrol engines or Duratorq TDCi advanced diesel engines all help you go a lot further between fill-ups.

Model shown is the Grand C-MAX Titanium in Dark Micastone metallic paint (option), featuring 'Appearance Pack' (option), 'Titanium X Pack' (option).  
Note: The images in this brochure show some features not currently available in the UK. The wheels on the model shown are not to UK specification. Please refer to the specification pages for more details.

### Sliding rear doors (Grand C-MAX)

Designed to open and close smoothly with one hand, the sliding doors make life much easier. Getting small children in and out requires less effort, while tight spaces and concrete pillars in car parks are no longer a problem.

Note: The images in this brochure show some features not currently available in the UK. The wheels on the models shown are not to UK specification. Please refer to the specification pages for more details.

The new Ford C-MAX has some of the most advanced technology you can find on a multi-activity vehicle.

Here are a few of the insightful features that can make every journey safer and easier.

Discover a lot extra

### Active Park Assist

Ultrasonic sensors confirm whether a gap is large enough to park in, and then operate the steering while you control the pedals (Included within the optional Convenience Pack).

### Power tailgate

Can be opened with the tailgate handle, key fob or from the front seats. It can be programmed to open to your preferred height and will automatically stop opening if it senses an object in the way (Included within the optional Family Pack).

### Blind Spot Information System

This high-tech visual aid is designed to make longer journeys a far more relaxing experience. As another vehicle – a car, van or lorry – enters your blind spot, it alerts you with a discreet warning light built into the driver's and passenger's door mirrors (Included within the optional Towing Pack).

### Second and third row seat belt reminder system

To ensure the safety of your second and third row passengers, visual and audible warnings alert you if a seat belt is unfastened whilst on the move. (Standard on Grand C-MAX).

# Choose your C-MAX

The C-MAX is a spacious five-seater, while the larger Grand C-MAX has seven seats and dual sliding rear doors.

## Zetec

### Standard features:

- 16" Alloy wheels
- Thatcham Category 1 alarm
- Air conditioning
- Ford DAB radio/CD player
- Bluetooth, voice control & USB connection
- Quickclear heated windshield
- Torque Vectoring Control (TVC)
- ABS (anti-lock braking system)
- TCS (traction control system)
- Electronic Stability Programme (ESP)
- Front-to-rear curtain airbags
- Ford Easy Fuel Capless Refuelling
- ISOFIX child safety seat attachments
- Auxiliary power point
- Front fog lights
- Electrically-operated front windows
- Electric/heated door mirrors
- Leather trimmed steering wheel

## Titanium

**Illustrations, descriptions and specifications.** This brochure was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Optional Fitment/Pack', etc., you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of carefully selected products from our suppliers, which are featured under their own brands. All supplier branded products are subject to warranty terms defined by the relevant suppliers and do not lie within the responsibility of Ford. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. Other trademarks and trade names are those of their respective owners.

**The Government fuel figures** do not express or imply any guarantee of the fuel consumption of any particular car. The cars themselves have not been tested and there are inevitably differences between individual cars of the same model. In addition, a car may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the car has been driven and the standard of maintenance, will affect its fuel consumption.

**Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.

**Important note:** Fuel economy and CO<sub>2</sub> emission data are provisional. Please consult your Ford dealer for confirmed official figures.

The images in this brochure show some features not currently available in the UK. The wheels on the models shown are not to UK specification. Please refer to the specification pages for more details.

<sup>90</sup>In 4th gear. <sup>90</sup>Ford test figures. <sup>90</sup>The declared fuel consumptions and CO<sub>2</sub> emissions are measured according to the technical requirements and specifications of European Directive 80/1268/EEC or the European Regulation (EC) 715/2007 amended by (EC) 692/2008. Fuel consumption and CO<sub>2</sub> emissions are specified for a vehicle type and not for a single car. The applied standard test procedure enables to compare between different vehicle types and different manufacturers. This information is not part of any product offer made. Real world fuel consumption can vary as the fuel efficiency of a vehicle is influenced by (individual) car configurations, driving behaviour, use of technical equipment such as air conditioning, as well as other non-technical factors. **DPF** = Diesel Particulate Filter. All petrol engines are equipped with a catalytic converter. **Transmissions:** **M5** 5-speed Manual **M6** 6-speed manual **A6** 6-speed PowerShift dual clutch automatic
