

FordGalaxy

Feel the difference

0.965237 of a millimetre

That's the thickness of a clay shaving. And to our designers it can make all the difference, as they hone and refine their clay prototype until they find the perfect expression of energy in motion.

The result is what we call Ford kinetic Design and we're passionate about it.

Bold, beautiful lines that you can't help falling in love with.

Actual size.

**The ultimate space capsule for
your intrepid little voyager**

'Prepare to undock from the mother ship,
Commander. Initiate launch sequence!'

Model shown is a Ford Galaxy Titanium X in Parkside metallic paint
(Option), Keyless entry (Option), Touchscreen Navigation PLUS system, 17"
5x2-spoke alloy wheels, and sliding roof crossbars (Option and Accessory).

**Because every little princess
deserves a beautiful carriage**

‘...and the king took me to the tallest tower in
the highest castle in all the land.’

Model shown is a Ford Galaxy Titanium in Panther Black metallic paint
(option) with 18" 5-spoke alloy wheels (option).

**Special enough for the most demanding little diva.
And her entire entourage too**

'I wanted dad to wear a chauffeur's hat,
but he said he had to draw the line somewhere.'

Model shown is a Ford Galaxy Titanium X with soft-feel Windsor leather interior in Ebony, Touchscreen Navigation PLUS system (Option), Variable Climate front seats (Option), Electric park brake (Option), Rear Seat Entertainment System (DVD) (Option) and Interactive Vehicle Dynamic Control (IVDC) (IVDC is not available in the UK).

Get folding

Popular belief holds that a sheet of paper can only be folded in half seven times. Ford Galaxy's seats, on the other hand, can be folded in any of 32 different ways so you can find the perfect configuration.

Capless refuelling with Ford Easy Fuel

No dirty fuel caps to touch. Plus Ford Easy Fuel with its unique safeguard ensures nobody accidentally fills up with the wrong fuel. (Standard)

Your car should be as versatile as you are. Ready to respond quickly and easily to fresh challenges, as and when they come along.

Smart thinking

Ford Fold Flat System (FFS)

Each second and third row rear seat folds flat individually in seconds, creating a myriad of passenger- and load-carrying possibilities. Second row seats also slide forward and back to optimise leg room and all rear seat backs tilt for improved comfort.

Power child locks

Secure your most precious cargo with a flick of a switch on the driver's door. (Standard)

Taking care of the small things

Neatly hidden within the rear doors when not in use, the integrated sunblinds (optional as part of Space Pack) can be easily raised to protect rear occupants from the sun's rays.

Second row centre seat belt retainer

Simply let go of the belt and the catch glides out of the way into its 'parked' position. (Standard)

Blind Spot Information System

Blind Spot Information System is a high-tech visual aid that's designed to make longer journeys a far more relaxing experience. As another vehicle – a car, van or lorry – enters your blind spot, Blind Spot Information System alerts you with a discreet warning light built into the driver's door mirror. (Option)

Power on demand

Twin-clutch Ford PowerShift transmission offers smooth, dazzlingly fast automatic gear changes, with no interruption to the flow of power. (Option)

Boosting efficiency

Our excellent range of turbo diesel engines are now joined in Ford Galaxy by the next generation of high-efficiency EcoBoost SCTi turbocharged petrol engines, which combine higher power and a broader spread of torque with reduced emissions and lower fuel consumption. The new 1.6 EcoBoost SCTi delivers 160PS, with excellent combined fuel consumption of 39.2 mpg.

With its advanced technology and premium design, the new Ford Galaxy combines first-class driving quality with the highest levels of space, comfort and innovation. Simply put, it's the most accommodating and refined family car on the road today.

A great place to be

Feel the power, not the shift

Ford PowerShift is the new generation of automatic transmissions, featuring a new state-of-the-art 6-speed automatic transmission.

Ford PowerShift cleverly selects the next appropriate gear at exactly the right moment, delivering lightning-fast gear changes with no disruption to the flow of power.

Ford PowerShift delivers improved fuel economy compared to a conventional automatic and has a manual mode that allows you to switch gears at the flick of a lever.

Welcome aboard

Ford Galaxy's light, airy and relaxed atmosphere can be further illuminated by the brilliant glass panorama roof. A Solar Reflect coating helps to keep the interior cool, while internal blinds provide shade and privacy when required. (Standard on Titanium X; option on Titanium and Zetec)

Keyless entry with 'Ford Power' starter button

Unlock the doors without ever holding the key. Just keep the key fob with you in your pocket or bag. (Ford power starter button (shown below) is standard on Titanium & Titanium X, Keyless entry is optional on Titanium and Titanium X)

Adjustable Speed Limiting Device

Uses Ford Galaxy's familiar cruise control switches (cruise control standard on Titanium and Titanium X) to set the car's top speed from 20mph and upwards. (Standard on Titanium and Titanium X; part of optional cruise control on Zetec).

The new, soft-feel leather steering wheel adds a touch of luxury to every journey. (Standard on Titanium and Titanium X)

For your listening pleasure

The Premium Sound System's high-performance speakers and powerful 90W subwoofer ensure you enjoy only the highest quality sound reproduction. (Option on Titanium and Titanium X with Sony DAB audio system)

Like a classic tale, Ford Galaxy is created to endure. From the precision of the engineering to the luxury and craftsmanship of the interior, only true quality can stand the test of time.

Enduring quality

LED rear lights

Lighting technology at its most eye-catching. (Standard)

A rarefied atmosphere

Ford Galaxy's soft Windsor leather seats ensure you will always feel special, whatever the occasion. (Option on Titanium, standard on Titanium X)

Relentless testing

During its development, we test drove the Ford Galaxy the equivalent of 87 times around the globe. Pushed it through the extremes of real-world weather, from -40°C to +80°C and tested it over and over again. It's a car you can rely on, right down to the smallest ball bearing.

Clearly better

Ford Galaxy's Quickclear electrically heated windscreen clears snow, ice or condensation at the touch of a button. (Standard)

Ford Galaxy's advanced Intelligent Protection System (IPS) uses a range of sophisticated technologies to keep you protected, including an ultra-high strength steel safety cage, an anti-lock braking system (ABS) with electronic brake-force distribution (EBD), and front, curtain and driver's knee airbags. All contribute to a maximum '5-star' Adult Occupant Rating in Euro NCAP crash tests and a '4-star' Child Occupant Rating.

Intelligent protection

Emergency Brake Warning

The brake lights automatically flash during emergency braking, giving following drivers advance warning of a potentially hazardous situation.

The Ford Galaxy IPS includes:

1. Driver's and front passenger's airbags*
2. Driver's and front passenger's side impact airbags
3. Side curtain airbags for first- and second-row seats
4. Driver's knee bolster airbag
5. Collapsible steering column and pedals
For optimised protection of driver's legs and feet.
6. Robust computer-optimised body structure with ultra-rigid safety cell and crumple zones
7. Pre-tensioners, load-limiting retractors and height-adjustable mounts on front seat belts
8. Anti-submarining seat bases
9. Anti-lock brakes (ABS) with electronic brake-force distribution (EBD) and Emergency Brake Assist (EBA) (included with ESP)
10. Emergency Brake Warning

Note: A child seat should never be placed in the front passenger seat when the Ford vehicle is equipped with an operational front passenger's airbag. The safest place for children is properly restrained on the second-row seats.

*A passenger airbag deactivation switch is available as a Dealer-fitted option

Tyre Pressure Monitoring (TPMS)

Tyre Pressure Monitoring System alerts you in case of deflation (Image shown here is with Ford Convers+ Instrumentation). (Option)

Lane Departure Warning

Lane Departure Warning alerts the driver if they stray from their lane on the highway** without using the indicator, by sending vibrations through the steering wheel. Lane Departure Warning also includes Driver Alert and Auto High Beam. (Included as part of the optional Driver Assistance packs)

**Operates at speeds over 40 mph on multi-lane roads with clearly visible lane markings.

Bi-xenon HID headlights

Ford Galaxy's Bi-xenon HID headlights are more than twice as powerful as conventional headlights, but use only two-thirds of the energy. Also includes static cornering lights and headlight washers. (Standard on Titanium X; Option on Titanium)

Ford EConetic Technology is designed to reduce your cost of ownership through improved fuel economy and lower CO₂ emissions, without any compromise on style or driving quality. Much of this technology is brought together in our EConetic models, which deliver some of the lowest fuel consumption and CO₂ emissions in the Ford range. In the near future our EConetic Technology will expand to include electric and hybrid-electric vehicles, biofuel-capable vehicles, plug-in hybrids and hydrogen fuel cell-powered vehicles.

What can Ford EConetic Technology do for you?

Ford EConetic Technology

- Ford EcoBoost fuel-efficient petrol engines (see right)
- Ford Duratorq TDCi advanced diesel engines – provide exceptional fuel economy and low CO₂ emissions
- Ford PowerShift dual clutch automatic transmission – combines the efficiency of manual transmission with the convenience of a conventional automatic
- Ford Auto-Start-Stop (see right)
- Ford Smart Regenerative Charging – charges the battery every time you brake
- Ford Electric Power-Assisted Steering – a more efficient system that uses less engine power
- Active Grille Shutter – improves aerodynamics and lowers fuel consumption
- Ford Eco Mode driver information system – shows you when you're achieving optimum fuel efficiency
- Shift Indicator – advises you when to change gear for maximum fuel efficiency

Ford EcoBoost

With direct petrol injection, turbocharging and variable valve timing, Ford EcoBoost engines deliver power and torque consistent with larger displacement engines. For example, the 160 PS EcoBoost engine in Ford Galaxy has more power than the 2.0 Duratec engine, and yet it achieves around 12% better fuel economy and 11% lower CO₂ emissions.

Ford Auto-Start-Stop

When your vehicle is idling at a standstill, the engine automatically shuts down to save fuel consumption. When you want to drive off, the engine immediately restarts.

Electric and Hybrid vehicles

Our electrically-powered vehicles will produce zero emissions. Rechargeable through wall outlets and targeted to get up to 100 miles per charge, they'll be ideal for a daily commute and trips around town. In addition, two next-generation hybrid models are under development.

Working for a cleaner tomorrow

At Ford, we've been quietly and consistently reducing our impact on the environment. Here are just a few headlines:

- Since 2000, we've reduced manufacturing plant energy consumption by over 27% and CO₂ emissions by 31% worldwide
- Between 2003 and 2008, Ford reduced water consumption in its plants across Europe by 40%
- Solar/photovoltaic panels on the roof of our Bridgend engine plant in the UK generate enough power to light an area of around 10,000 square metres
- Almost 300 parts used in European Ford vehicles are made from recycled non-metallic materials – potentially avoiding 17,000 tonnes of waste going to landfill sites every year

Two 85m high wind turbines provide the equivalent electricity needed to power Ford's Dagenham Diesel Centre. With a combined maximum output of 3.6MW, they generate over 6.7million KWh of electricity every year, enough power equivalent to that required to run the plant.

Our Cologne plant utilises hydro-electric power from Norway and Sweden. This reduces CO₂ emissions by 190,000 tonnes a year. Shipping their finished vehicles on Rhine river barges means fewer truck journeys and less fuel consumed to further reduce CO₂ emissions.

Zetec

Zetec proves that premium quality and eye-catching style are integral to every Ford Galaxy.

Key features

- 16" 5x2-spoke alloy wheels
- Front fog lights, LED rear lights
- Park assist – front and rear sensors
- Power rear door child locks
- Bluetooth® and Voice Control System
- Electrically-operated and heated door mirrors
- Electrically-operated front and rear windows
- Thatcham Approved alarm
- 7 individual seats with Ford Fold Flat System (FFS) (2nd and 3rd row)
- Driver's seat electric height adjust with manual lumbar support
- Air conditioning with DEATC
- Ford Intelligent Protection System (IPS)*
- Ford Easy Fuel capless refuelling
- Stereo CD/Radio with MP3 player AUX socket
- ISOFIX attachments for child seat*

*Note: A child seat should never be placed on the front passenger seat when the Ford vehicle is equipped with an operational front passenger's airbag. The safest place for children is properly restrained on the second-row seats.
*outer seats on 2nd row only (from late 2010 available on all three 2nd row seats)

Image above: Model shown is a Ford Galaxy Zetec with Moondust Silver metallic paint (option) and Solar Reflect windscreen (option).
Image opposite: Model shown is a Ford Galaxy Zetec with Daphne in Silver interior and cruise control (with Adjustable Speed Limiting Device (ASLD)) (Option).

Electrically-operated and heated door mirrors with body colour housings and side indicators
(Standard)

Silver-finish integrated roof rail system for sliding crossbars
(Silver-finish integrated roof rail system is standard and the sliding crossbars are an option or available from your Ford Dealer as an accessory)

Ford Easy Fuel capless refuelling system
(Standard)

Air conditioning with Dual-zone Electronic Automatic Temperature Control (DEATC)
(Standard)

Centre console with stowage bin, hinged armrest and two moulded cup holders
(Standard)

Human Machine Interface (HMI) toggle controls
(Standard)

Titanium

The new Titanium is the most exciting Ford Galaxy yet, perfectly combining contemporary luxury with the latest innovative technology.

Additional to Zetec

- 17" 5x2-spoke alloy wheels
- Privacy glass
- 'Ford Power' starter button
- Automatic headlights, rain sensing front windscreen wipers and auto dimming rear view mirror
- Sony CD audio system with DAB radio and USB/MP3/iPod® connectivity port
- Full-length overhead console with stowage compartments, sunglasses holder and child observation mirror
- Sports-style front seats
- Cruise control
- Solar Reflect windscreen
- Luxury woven headliner
- Ford Convers+ premium instrument cluster with colour display
- DEATC with rear compartment cooling
- Chrome finish to front grille, doorline, door and tailgate handles
- Front footwell illumination
- Brushed metal door spears and instrument panel inserts
- Adjustable Speed Limiting Device

Image above: Model shown is a Ford Galaxy Titanium with Panther Black metallic paint (Option) and Touchscreen Navigation PLUS system (Option).

Scuff plates

An elegant way to protect your paint finish. (Option and accessory)

Each distinctive wheel enhances Ford Galaxy’s sleek design. (And for added safety in the event of a puncture, opt for the innovative runflat tyres with Tyre Pressure Monitoring System, available with 17" 5x2-spoke alloy wheels).

Wheels

Left: 17" 5x2-spoke alloy wheel (Standard on Titanium and Titanium X; Option and Accessory)

Standard = Standard on your vehicle.
Option = Can be ordered only together with your new vehicle.
Accessory = All alloy wheels are available from your Ford Dealer as an accessory.

Note The 18" wheels available on Ford Galaxy are designed to deliver more sporting driving characteristics and a firmer ride quality compared to standard 16" and 17" wheels.

16" 5-spoke alloy wheel (Accessory)

16" 5x2-spoke sparkle silver-painted alloy wheel (Standard on Zetec)

17" 15-spoke sparkle silver-painted alloy wheel (Accessory)

Ford Individual 17" 5-spoke mystique silver-painted alloy wheel (Accessory)

17" 5-spoke sparkle silver/front machined alloy wheel (Accessory)
Also available in sparkle silver-painted finish (Accessory)

17" 9-spoke anthracite/front machined alloy wheel (Accessory)

16" 5x3-spoke sparkle silver-painted alloy wheel (Accessory)

18" 5-spoke alloy wheel (Option and Accessory)

Ford Individual 18" 5-spoke mystique silver-painted alloy wheel (Accessory)

18" 5-spoke Y-design anthracite/'front machined' alloy wheel (Accessory, Part No. 1440631)

Ford Individual Rear Seat Entertainment System (DVD)

Features a built-in DVD player with two independently-operated LCD 7" screens, remote control and two wireless headphones. So even your more demanding passengers can enjoy movies and computer games (includes Keyless entry). (Option on Titanium and Titanium X)

USB connectivity port

Built-in connectivity for your iPod®, MP3 player or USB stick. Lets you listen to and operate, your player via the car's audio system, with the playlist shown in the Convers+ display. (USB connectivity port and Convers+ is standard on Titanium and Titanium X; USB connectivity port is optional with Sony DAB audio or Touchscreen Navigation system on Zetec). A dedicated connector cable is available as an accessory (Part no. 1529487) for operating most MP3 players and iPods®

Note The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company Limited and its associated companies is under licence. Other trademarks and trade names are those of their respective owners. **Note** It is an offence for drivers to use a hand-held mobile phone or similar device while driving.

Toggle controls

Steering wheel-mounted toggle controls let you operate the audio system and trip computer without taking your hands off the wheel.

Travel far and wide. But never give up your home comforts.

Sound and vision

Premium Sound System

This is the ultimate in Ford Galaxy sound, featuring an 8-channel amplifier and superior quality speakers, including a facia-mounted tweeter and a concealed sub-woofer for the best possible sound reproduction. The diversity antenna even searches constantly for the best possible radio reception, automatically retuning to the strongest signal for your station.

(Option on Titanium and Titanium X only with Sony DAB audio)

Model 6000 radio/CD

This stereo radio/CD player features 'Keycode' anti-theft coding, RDS EON, 24 programmable stations and ten speakers. Remote control functionality via the left steering wheel toggle switch. Includes AUX connection for external music devices.

Touchscreen navigation system with 7" colour touchscreen

Offers route guidance and CD/tuner in one. A 7" colour touchscreen with colour map and turn-by-turn instructions to your destination are displayed in the instrument cluster. Features Bluetooth® with Voice Control System, USB connector for your iPod®, MP3 compatibility, SD card, remote controls and ten speakers. (Option) Audio streaming compatibility with certain mobile phones (see your Ford Dealer for details).

Touchscreen navigation PLUS system with 7" colour touchscreen and Rear view camera

PLUS offers route guidance and CD/tuner in one. A 7" colour touchscreen and turn-by-turn instructions to your destination are displayed in the instrument cluster. It also features eleven premium speakers and well-defined chrome switch detailing that perfectly matches the premium interior (and includes rear-view camera) (Option). Audio streaming compatibility with certain mobile phones (See your Ford Dealer for details).

Sony DAB audio systems with USB connectivity port

Sony DAB audio system featuring Programme Type (PTY) and Digital Sound Processing, the Sony DAB CD stereo radio/CD/MP3 player has 40 programmable stations and eleven premium speakers for enhanced sound quality, and a USB connectivity port. (Standard on Titanium and Titanium X; option on Zetec). Bluetooth® audio streaming compatible with certain mobile phones. See your Ford Dealer for details.

Bluetooth® with Voice Control System

Enables you to make hands-free mobile phone (mobile phone not included) calls, while the Voice Control System technology lets you control your Bluetooth®-compatible mobile phone, audio, Touchscreen navigation where specified, and air conditioning systems with the sound of your voice. (Standard)

Ford Convers+ colour instrument cluster display

This advanced instrumentation provides an exceptional interface between you and your car, with high quality, easy-to-read graphics on a 5" colour TFT screen. It allows you to control the radio, CD player, MP3 and your Bluetooth®-enabled mobile phone (mobile phone not included). (Standard on Titanium and Titanium X)

Thule roof box

Different sized boxes protect your luggage from weather and theft. (Accessory) Shown is Thule Spirit 780 Roof box (Accessory) in conjunction with **crossbars**. (Crossbars are available as an Option and Accessory)

ClimAir® wind deflector

Reduces turbulence and noise, allowing you a more enjoyable drive with the windows down, even during light rain. (Accessory, for front windows)

Your Ford Galaxy will soon become your individual space for family transport and leisure. We believe in freedom of choice.

Personalise

1. Roof rail system with sliding crossbars

Stylish silver-finish roof rail system adds a sleek new dimension to roof transportation. Slide the crossbars to the rear of the roof when their sturdy load-carrying abilities are not needed, to highlight the elegant lines of your Ford Galaxy. (Crossbars Option and Accessory)

2. Contoured mudflaps

Available as sets for front and rear, these practical hard-wearing mudflaps protect the bodywork from stone chips, helping to keep your Ford Galaxy clean by reducing road spray. (Accessory)

3. Britax Römer child seat

Provides optimum all-round protection and comfort. Various child seats are available for all ages, also with ISOFIX. Removable and washable cover. (Accessory)

4. Premium velour carpet floor mats and rubber mats

Luxurious velour mats made to complement your chosen interior. Driver's mat is fixed to prevent slippage. (Accessory) Rubber mats are also available. (Accessory)

5. Scuff plates with 'Galaxy' script

Polished stainless steel scuff plates with 'Galaxy' script welcome you onboard. (Accessory)

6. Tow bar

Retractable (option and accessory) or fixed tow bars (accessory) expand your transport and leisure facilities.

Tonneau cover

Retractable tonneau cover keeps items away from prying eyes, can be removed when not required (Option and Accessory). Load barrier prevents items rolling out of the luggage compartment while the load protection net offers keeps items securely in the luggage compartment (Accessory).

Activity Kit

Series of aluminium bars and special attachments allow items to be securely locked in place. (Option and accessory) Interior bike carrier fixings for coolbox and skis are available separately. (Accessory)

Load protection net

This durable retention net keeps your items secure in the luggage compartment while you're on the move. Meets ECE-R17.07/DIN 75410-2 safety requirements. (Accessory)

Dog guard system

Full-height dog guard keeps dogs or items of luggage safely in the luggage compartment (removable when not in use). For fitment either behind the 2nd or the 1st row of seats. (Accessory)

Thule XTENDER ski/snowboard carrier

Innovative, fully-lockable ski carrier suitable for up to six pairs of skis or four snowboards. Comfortable slide-out function for easy access to your ski equipment. (Accessory)

Retractable tow bar

Galaxy's sturdy tow bar is there when you need it, but can be tucked away out of sight for uncompromised styling and easier access to the loadspace. Release it by turning the operating wheel and then retract it with a swift and easy action. (Option and Accessory).

Making life easy

Our range of finance, insurance, service and assistance options is designed with just one thing in mind – making life easy for you.

Ford Credit

When it comes to financing your vehicle, your Ford Dealer can remove the need for lengthy phone calls, endless online surfing and form-filling. They can help you complete an application and will get a decision, usually within 15 minutes.

So what can your Ford Dealer provide?

Ford Options offers increased flexibility and gives you the opportunity to drive a new Ford more often. At the end of the agreement you can Renew, Return or Retain your Ford.

Ford Acquire is ideal if you're a private or business user who wants a straightforward financing plan to own your vehicle. Simply put down a deposit, pay the remainder, plus interest, over an agreed period and the vehicle becomes yours.

Ford Lease* provides simple, tailored funding solutions for your business, whatever the size. Business users only.

Ford Insure** is our comprehensive motor insurance product, designed specifically for Ford drivers.

For more information on our finance products please visit ford.co.uk.

Finance subject to status. Guarantees/indemnities may be required, Freepost Ford Credit.

*Ford Lease is provided by ALD Automotive Ltd, trading as Ford Lease, Oakwood Park, Lodge Causeway, Fishponds, Bristol, BS16 3JA. ALD Automotive is registered in England No. 987418. For the purposes of the Data Protection Act 1998 the data controllers in relation to any information you supply are Ford Motor Company Limited, FCE Bank Plc and ALD Automotive. Finance subject to status. Guarantees and indemnities may be required. ALD Automotive is authorised and regulated by the Financial Services Authority.

**Ford Insure is underwritten and administered by Royal & Sun Alliance Insurance plc, which is authorised and regulated by the Financial Services Authority. FCE Bank plc is authorised and regulated by the Financial Services Authority and acts as an insurance intermediary in relation to Ford Insure. In relation to this same product, Ford Motor Company Limited is an appointed representative of FCE Bank plc. Ford Motor Company Limited acts as an insurance intermediary. Calls may be recorded and monitored.

Configure your Ford online

Choose and change bodystyle, colour, trim and options, and instantly see how your new Ford will look. You can view it from multiple angles. A handy tally of your choices and their price breakdown helps you keep to your budget.

Services

Ford Protect

Your new Ford is protected by a 3-year/60,000-mile Ford Protect Classic Plan Warranty, and comes with Ford Assistance roadside cover throughout the UK and Europe for 1 year. You can also upgrade to a Ford Protect Premium Plan, giving you the option of scheduled servicing and extended Ford Assistance.

Ford Service

Like any vehicle, your new Ford needs servicing regularly to keep it in the best condition and to maintain its value. The Ford authorised repairer network is independently quality checked to ensure the highest standards of workmanship are maintained. Ford has the largest repairer network in the UK, and uses Ford-trained technicians, Ford-specific tools and the latest computerised diagnostic equipment specifically for your Ford.

Ford Accident Repair Centres

Should your Ford require accident repair, an approved Ford Accident Repair Centre is the best place to return your vehicle to its pre-accident condition. Repairers displaying the Ford Accident Repair Centre sign meet the rigorous customer service, technical and quality standards demanded by Ford. Ford trained technicians, the latest repair equipment and the use of original parts mean that the future safety and value of your vehicle are assured.

Contacts

Ford Customer Relationship Centre

In the unlikely event that your Ford Dealer can't help you or if you need to speak to us directly, call 0845 841 1111 at local rates.

Ford Rental – local service nationwide

Car and van rental from our latest model range. Contact your local Ford Dealer for more information.

Ford Mobility

Our dedicated care centre provides free information on all motoring and mobility issues, including special offers for HRDLA and Motability recipients. Call us on 0845 6040019 at local rates.

M5 = 5-speed manual, **M6** = 6-speed manual, **MPS6** = PowerShift Dual Clutch Automatic 6-speed. ^aIn 4th gear. ^eFord test figures. ^{ee}All CO₂ emissions figures in g/km and fuel consumption figures in L/100 km are from officially approved tests in accordance with 80/1268/EEC as amended. The CO₂ emissions and fuel consumption test figures shown in the chart do not express or imply any guarantee of the fuel consumption of a car of the class in question. All the figures are based on tests conducted on vehicles with Core equipment level and with standard wheels and tyres; optional or accessory wheels and tyres may have an effect on the emissions and fuel consumption of a vehicle. **Urban** An engine started from cold in laboratory conditions operated at varying speeds, maximum 50 km/h, average 19 km/h over a theoretical distance of 4 km. **Extra Urban** Conducted immediately after the urban cycle, it consists of half steady speed driving and half varying speed driving, maximum 120 km/h over a distance of 7 km. **Combined** This is an average of the two parts of the test, weighted by the distances covered in each part. **DPF** = Diesel Particulate Filter. All petrol engines are equipped with a catalytic converter.

Specifications

	Kerbweight (kg) [#]	Gross Vehicle Mass (kg)	Gross Train Mass (kg)	Max. Towable Mass (braked) (kg)	Max. Towable Mass (unbraked) (kg)
1.6 EcoBoost SCTi, (160 PS) 6-speed manual	1734	2460	4060	1600	750
2.0 EcoBoost SCTi, (203 PS) PowerShift 6-speed, dual clutch automatic	1727	2450	3950	1500	750

[#]Represents the lightest kerbweight assuming driver at 75 kg, full fluid levels and 90% fuel levels, subject to manufacturing tolerances and options, etc., fitted. **Towing limits** quoted represent the maximum towing ability of the vehicle at its Gross Vehicle Mass to restart on a 12 per cent gradient at sea level. The performance and economy of all models will be reduced when used for towing. **Nose weight limit** is a maximum of 90 kg on all models. **Gross Train Mass** includes trailer weight.

Dimensions

Overall length with/without towbar	4921/4820
Overall width with/without mirrors	2154/1884
Overall height (unladen)	1764–1807
Turning circle – kerb to kerb (m)	11.9
Luggage capacity (litres)[‡]	
7-seat mode (laden to top of seat) (min./max.)	308/435
5-seat mode (laden to roof) (nominal/max.)	1130/1260
2-seat mode (laden to roof)	2325
Fuel tank capacity (litres)	
Petrol	70
Diesel	70

[‡]Measured in accordance with ISO 3832. Dimensions may vary dependent on the model and equipment fitted.

● = Standard, ○ = Option, at extra cost. *Metallic paint, full leather trim are optional, at extra cost. Galaxy Titanium X and Galaxy Titanium with optional Windsor leather seats come with perforated leather front seats when variable climate (heated/cooled) front seats option (at extra cost) is chosen.

The Ford Galaxy is covered by the Ford Perforation Warranty for 12 years from the date of first registration. Subject to terms and conditions.

Note: The car images used are to illustrate body colours only and may not reflect current specification or product availability in certain markets. Colours and trims reproduced within this brochure may vary from the actual colours, due to the limitations of printing processes used.

Illustrations, descriptions and specifications. This brochure was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Optional Fitment/Pack', etc., you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of carefully selected products from our suppliers, which are featured under their own brands. All supplier branded products are subject to warranty terms defined by the relevant suppliers and do not lie within the responsibility of Ford. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. Other trademarks and trade names are those of their respective owners.

The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular car. The cars themselves have not been tested and there are inevitably differences between individual cars of the same model. In addition, a car may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the car has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.
