

CITROËN C-ZERO

> CITROËN C-ZERO UTILISES HIGH ENERGY DENSITY LITHIUM-ION BATTERIES WITH GREATER RANGE. THIS NEW TECHNOLOGY ALLOWS CHARGING OF THE BATTERY AT ANY TIME WHATEVER THE INITIAL CHARGE STATE OF THE BATTERY.

PURE INSPIRATION. CITROËN C-ZERO IS A COMPLETELY NEW AND EFFICIENT WAY TO TRAVEL, PURE AND SIMPLE.

A 100% ELECTRIC CAR, IT PRODUCES ZERO EMISSIONS AND IS ALMOST SILENT ON THE MOVE, ATTRACTS ZERO COMPANY CAR TAX AND ZERO VEHICLE EXCISE DUTY. EASY TO CHARGE USING AN ORDINARY PLUG THIS IS THE FUTURE WITHOUT COMPROMISE. AT CITROËN, THIS KIND OF INNOVATION HAS QUITE A HISTORY... YOU CAN TRACE CITROËN ELECTRIC VEHICLES ALL THE WAY BACK TO 1941, AND IN 70 YEARS OVER 10,000 ELECTRIC CARS AND VANS HAVE BEEN SOLD. CITROËN C-ZERO MIGHT BE CUTTING EDGE, BUT IT HAS A GENUINE HERITAGE AND DECADES OF DEVELOPMENT BEHIND IT.

> 100% ELECTRIC
EQUALS ZERO CO₂

Less is definitely more in the Citroën C-Zero – being 100% electric, it has no need for a noisy conventional engine, transmission or fuel tank – all this adds up to zero CO₂ emissions.

> SLOW DOWN IN CITROËN C-ZERO AND THE ADVANCED ELECTRIC MOTOR ACTS AS A GENERATOR, PUTTING CHARGE BACK INTO THE BATTERIES.

THE CITY CAR, REBORN. CITROËN C-ZERO IS COMPACT, NIMBLE AND LIVELY WITH A TINY TURNING CIRCLE OF JUST NINE METRES. BUT STEP INSIDE AND YOU'LL FIND GENEROUS ROOM FOR FOUR, PLUS AMPLE LUGGAGE SPACE. SMALL IS CLEARLY THE NEW BIG.

THIS IS PARTLY POSSIBLE BECAUSE CITROËN C-ZERO IS AN ELECTRIC CAR TO ITS CORE, SO THE STRUCTURE WAS DESIGNED FROM THE START TO HOUSE BATTERIES UNDER THE FLOOR. THAT MEANS MAXIMUM SAFETY IN CASE OF AN IMPACT AND A LOW CENTRE OF GRAVITY FOR GREAT HANDLING, PLUS SPACE TO SPARE WHERE IT MATTERS!

Naturally there's also room for all the technology that looks after you, such as ABS with Electronic Brake-force Distribution (EBD), Electronic Stability Programme (ESP) and a full quota of airbags. This is the city car reborn, but it's arrived with everything you and your passengers need.

- TRACTION BATTERY
- CHARGER/CONVERTER
- CONTROL UNIT
- CHARGE POINTS
- ELECTRIC MOTOR

NEW BENEFITS, NO SNAGS. VIRTUALLY POLLUTION-FREE, INCREDIBLY QUIET AND ECONOMICAL TO RUN, CITROËN C-ZERO BRINGS YOU ALL THE ADVANTAGES OF CLEAN, ADVANCED ELECTRIC POWER. THE BEAUTY OF IT IS, THERE ARE NO DOWN SIDES.

ANYONE USED TO DRIVING AN ORDINARY CAR WILL FIND CITROËN C-ZERO REASSURINGLY FAMILIAR. IT'S LIKE AN AUTOMATIC WITH TWO PEDALS AND A LEVER WITH FOUR POSITIONS. PUT THE LEVER IN 'D' FOR DRIVE AND YOU'LL QUICKLY APPRECIATE THE ELECTRIC MOTOR'S EXCELLENT TORQUE, WHICH MAKES THE CITROËN C-ZERO SWIFT FROM A STAND STILL.

With a range of 93 miles, you've got plenty of time between charges, especially as research shows that average urban journeys are only 23 miles. A maximum speed of 80 mph means Citroën C-Zero is quite happy to travel further when you want to.

Charging Citroën C-Zero couldn't be easier. A full charge takes approximately seven hours, so can be done overnight or while parked during work. Alternatively, there is a quick charge system, which enables 80% of Citroën C-Zero's battery to be charged in just half an hour. Citroën can give support and advice on getting connected to the network of charge points along with the EV website www.ev-network.org.uk which shows all charging points available in the UK. In the next 12 months a whole new system of charge points is planned, which will make running Citroën C-Zero second nature.

› RESEARCH REVEALS THAT VEHICLES SPEND 92% OF THEIR TIME PARKED, GIVING PLENTY OF TIME FOR RECHARGING BATTERIES.

C-ZERO SIMPLY ADDS UP. BEING INGENUOUS AND EFFICIENT MAKES SOUND BUSINESS SENSE. THE UK GOVERNMENT WILL OFFER A GRANT OF £5,000 TO BUYERS OF THE CITROËN C-ZERO, AND THIS IS JUST THE START.

WITH ITS EXCEPTIONALLY SMALL CARBON FOOTPRINT, CITROËN C-ZERO IS EXEMPT FROM COMPANY CAR TAX, ROAD TAX AND THE LONDON CONGESTION CHARGE AND CAN EVEN BE PARKED WITH DISCOUNTED RATES IN CERTAIN LONDON BOROUGHs. NEVER HAVING TO VISIT A FUEL PUMP AGAIN ALSO SAVES MONEY.

Citroën CZero is a car engineered for people who value pioneering technology, innovative design and environmental responsibility. It's also a car with plenty of style, practicality and essential equipment – the only thing missing is CO₂.

CITROËN CONTRACT MOTORING

BUSINESS LEASE

To make the move to zero emissions technology as accessible as possible, Citroën has created an all-inclusive lease plan.

MONTHLY PAYMENT OF **£249*** (EXCLUDING VAT)
THREE YEAR, 30,000 MILE CONTRACT

FOR MORE INFORMATION ON CITROËN FLEET AND BUSINESS SALES, PLEASE CALL CITROËN FLEET CONNECT ON 08457 940 940 OR LOOK US UP AT WWW.CITROEN.CO.UK/FLEET

* Offers apply to qualifying new Citroën CZero vehicles ordered until further notice for business users only & exclude VAT. Monthly rental price shown is based on a three year/30,000 mile agreement with £747 followed by 35 monthly payments of £249. Contract hire rental includes lease of battery pack, delivery to dealership, Government subsidy of £5,000, Vehicle Excise Duty, Government First Registration Fee and Citroën Roadside Assistance. A service and maintenance package (excluding tyres) can be added to the three year/30,000 mile contract for an additional £21.80 per month (plus VAT). Therefore the total three year/30,000 mile rate including servicing and maintenance is £270.80 per month (plus VAT). Finance subject to status. A guarantee may be required. Over 18s only. Excess mileage charges may apply if the agreed annual mileage is exceeded. Contract hire rental rates have been calculated with the appropriate manufacturer's support applied to the OTR price. Written quotations available on request from Banque PSA Finance UK branch trading as Citroën Contract Motoring, Quadrant House, Princess Way, Redhill, RH1 1QA. Citroën Contract Motoring reserve the right to amend any of the rentals quoted without notice. Offers correct at time of going to press, subject to stock availability from participating Dealers. Finance offers apply to UK only.

> THE COST OF RECHARGING CITROËN C-ZERO IS MINIMAL, MAKING IT FAR MORE ECONOMICAL EACH MILE THAN A SIMILAR SIZED PETROL CAR.

EQUIPMENT SPECIFICATION

SAFETY & SECURITY
ABS with Electronic Brake-Force Distribution (EBD)
Electronic Stability Programme (ESP) with traction control
Driver's, front passenger's, front lateral and curtain airbags
Four 3-point inertia reel seat belts
Front seat belt pre-tensioners with force limiters
Warning lights and audible warning system for driver's and front passenger's 'unfastened' seat belts
Two Isofix child seat anchorage points
Child lock control
High-frequency remote control central locking
Transponder immobiliser
LIGHTING & VISIBILITY
Halogen headlamps
Front fog lights with integrated daytime-running lights
Rear LEDs
Black electrically adjustable and folding door mirrors
Automatic illumination of headlamps
Tailgate intermittent wiper and washer
STYLE
EXTERIOR
Body colour painted front bumper
Body colour painted door handles
Tinted windscreen
Tinted front and rear door glass
Rear spoiler with an integrated third brake light
INTERIOR
Leather steering wheel
Leather gear knob
Front and rear carpet mats

COMFORT & CONVENIENCE
Electric power steering
Front and rear electric windows with 'one-touch' operation on driver's side
Automatic digital air conditioning
12 volt socket
Heated rear window
DRIVER INFORMATION
Standard charging connector (driver's side)
Quick charging connector (passenger's side)
Multi-function on-board trip computer (total mileage, current range, maintenance indicator)
Digital speedometer
Power meter consumption indicator or energy regeneration
Range on remaining battery power indicator
SEATING
Height-adjustable driver's seat
Rear 50/50 split/folding and front 50/50 folding and reclining seats
Height-adjustable front head restraints
STORAGE
Front door pockets
Folding cup holder
IN-CAR ENTERTAINMENT
Radio CD, Bluetooth® system, USB socket, 2 tweeters on the dashboard, 2 speakers in the front doors
