

HYUNDAI | NEW THINKING.
NEW POSSIBILITIES.

Veloster
Turbo

WE HOPE YOUR FRIENDS AREN'T THE JEALOUS TYPE

The new Veloster Turbo SE takes everything to extremes. Loads of power, perfect handling and a serious amount of spec. But don't worry, it's not all about personality. When it comes to looks you'll love the Turbo exterior body kit and bold front grille. 18" alloy wheels with chrome inserts, a Turbo badge, plus a reshaped front bumper and rear diffuser make it

look even more dominant. And there's a surprisingly soft side too. Fortunately, that's limited to comfortable leather upholstery with stylish grey trim and Turbo embossed stitching. To top it all off you can opt for pearl effect, metallic or matt paint. The unique matt grey paint adds an element of stealth, so it's even easier to sneak away from work at the end of the day.

Car shown Veloster Turbo SE in Matt Grey paint

YOUR VERY OWN POWER TRIP

A powerful 1.6 four-cylinder direct-injection petrol engine is caged beneath the bonnet of the Veloster Turbo SE. It'll produce 186PS and 265Nm torque, and take you from 0-62 mph in 8.4 seconds. In order for you to take full advantage of that extra power out on the road, we've uprated the front and rear suspension,

as well as the exhaust sound tuning. It'll give you such a responsive, exciting driving experience that you'll soon be offering to do lots of extra trips. You might kindly suggest an impromptu visit to your girlfriend's parents on a Friday night. Just so long as they live in the Italian Alps in a thrilling maze of mountain roads.

Car shown Veloster Turbo SE with optional panoramic sunroof in Vitamin C pearl paint.

Car shown includes automatic transmission, not available in UK

Nobody likes a show-off. Oh well, never mind. There are 8 speakers and fully-integrated Amp and Subwoofer. A touchscreen satellite navigation system is also useful for getting to the next big event. And when you stop you'll benefit from a Parking Guidance System and a Rear View Camera to help you fit into the tightest gaps. On the inside, it's all about looks and comfort... but probably

more about looks. There's an electrically adjustable driver's seat, which is stylishly sunken so it's closer to a racing position. Once you've admired the dynamic air vents, sports alloy pedals and a centre console based on the muscular shape of a sports bike fuel tank, you won't want to waste another second. Buckle up and discover everything else on the road.

HYUNDAI VELOSTER TURBO SE 1.6 T-GDI 6 SPEED MANUAL
