HYUNDAI

## NEW THINKING. NEW POSSIBILITIES.

Since we first started in 1967, there have been four decades of incredible progress. During this period we've established a close relationship with our customers. It's enabled us to develop cutting-edge technology in all the right areas, while staying true to our Korean origins. At the heart of our brand is the ability to think differently and always question convention. It's this relentless commitment to innovation that's seen us arrive at where we are today. We currently sell technologically-advanced, high-quality vehicles to people in more than 190 countries, and employ over 75,000 staff. That's why we're the world's fastest growing car manufacturer.

The new Hyundai i20 is stylish, smart and incredibly efficient. The interior is packed with intelligent features, the exterior is elegantly designed and it's ground-breaking when it comes to efficiency. More fun, more features, more power and more miles per gallon. Your choice has never been more obvious.

STYLE

## Get used to attention BECAUSE PASSERS-BY WILL GIVE YOU PLENTY

The i20 has been completely reworked to capture your attention. It features our signature bold hexagonal grille, which is flanked on either side by stylish front headlights that we've moulded into the design. This chiselled front develops

seamlessly into the curved bodywork before progressing into an updated rear. Three brand new wheel designs complete the confident look. Thanks to our fluidic sculpture philosophy, the i20 exudes elegance from every angle.

## Room with a view THE BEAUTIFULLY DESIGNED i20 INTERIOR

As soon as you step inside the i20 you'll notice the thoughtful touches that decorate the interior. Superior gloss black surfaces give it a high-quality feel. And this polished environment appears even more refined when you notice the smart centre console trim.

You'll feel extremely comfortable thanks to supple cloth seats and generous legroom – significantly more than you might expect from such a compact car. The i20 is an easy place to relax and enjoy the journey. We wouldn't blame you for taking the long route home.

## Forward-thinking technology SO THE i20 ALWAYS STAYS ONE STEP AHEAD

Intuitive and intelligent. As well as being stylish, the i20 is filled with clever features that make your life easier. One touch indicators make changing lanes simpler, and you won't have to find your keys at the bottom of your bag thanks to keyless entry\* with engine start/stop button. On the Style model we've included extra sensory

technologies to keep you one step ahead. Rain sensing windscreen wipers start as the first drops of rain fall, and automatic headlights come on when it gets dark. You'll also benefit from reversing sensors and an automatically dimming rear view mirror with reversing camera to slot into the tightest gaps. In the i20, everything's simple.

\* Optional as part of the Convenience Pack on Style.

## Hands free connectivity SO YOU'RE FREE TO FOCUS ON THE ROAD AHEAD

The i20 is crammed full of thoughtful technologies to keep you and your passengers entertained. USB and aux connections come as standard, so you can plug in your MP3 player or compatible phone and listen to your favourite songs. Steering wheel audio and phone controls and Bluetooth® connectivity with voice recognition come on Active and Style models, so you can speak freely and flick through

your favourite tracks – which you'll hear loud and clear thanks to 6 excellent speakers.\* Air conditioning and glovebox cooling will help you find the optimum temperature on Classic and Active models. And on the Style, you can stay comfortable with climate control which maintains a constant temperature in the car. We've thought of all the features you might like, so you can enjoy every second you spend in the new i20.

\* 4 speakers on Classic model.

EFFICIENCY

## Record-breaking efficiency OTHER CARS ARE STILL PLAYING CATCH UP

The fact is simple: the i20 Blue is a record-breaking car when it comes to efficiency. That's thanks to Blue Drive technologies like low rolling resistance tyres and Intelligent Stop and Go, which switches off the engine when coming to a halt and starts it again when you de-press the clutch. The brand new 1.1 CRDi\* diesel engine sets a remarkable benchmark by delivering up to 88.3 mpg and emitting just 84g/km CO<sub>2</sub>. The existing engines have also been redesigned to become even more efficient, saving you money at the pumps.

The 1.2 petrol engine produces more power than its predecessor whilst improving economy and reducing CO<sub>2</sub> emissions. The 1.4 CRDi 90PS engine on the Active model is equally impressive with emissions of just 96g/km. Depending on which of these engines you choose, your new i20 will come with either a 5 or 6-speed manual transmission, or 4-speed automatic. It all means that its efficiency doesn't come at the expense of performance. You'll want to drive the i20 further than ever – and now you can.

\* Blue model.

## We've paid special attention to safety TO KEEP YOU AND YOUR FAMILY COMPLETELY SECURE

Safety is our number one priority. It's why our safety equipment is of the same high quality as all the clever features we've included. Front, front side and full length curtain airbags are spaced intelligently around the car for added protection. The Vehicle Stability Management system helps maintain directional stability on varying road surfaces where traction is uneven, and our Electronic Stability Programme

will bring the car safely under control if you skid. We've also included ISOfix child anchorage points (rear outer seats) so you can strap your young ones in safe and sound, and a Thatcham approved immobiliser for even more security. The i20 excels in many areas, but safety is always our prime concern, which is reflected by a 5-star Euro NCAP rating. It leaves you free to relax and enjoy the drive.

- 1 Anti-lock Brakes (ABS) with Electronic Brake Force Distribution (EBD) and Electronic Stability Programme (ESP)
- 2 Thatcham approved immobiliser
- 3 Passenger airbag on/off switch

## MOTABILITY

The Motability plan will enable some of you to purchase a Hyundai at a preferential rate. If you receive the Higher Rate Mobility Component of the Disability Living Allowance, you're entitled to access this excellent scheme. In recognition of your requirements, many Hyundai models can be ordered on the 3 year Contract Hire Scheme. You'll benefit from advantageous features like power steering, height-adjustable driver's seat and automatic gearbox, which all come as standard. Most of our Dealers are Motability Accredited, so just contact them and they'll be happy to help. If you'd like to read about the scheme in more depth, simply visit [www.motability.co.uk](http://www.motability.co.uk)

## HYUNDAI CAPITAL UK LTD

To help you drive your ideal Hyundai, we've put together some comprehensive Hyundai Capital UK Ltd\* products. The way they work is simple. There are a range of products available and we can offer finance between 1 and 5 years. To find out more just contact your local dealer, they'll have all the details you need. You may be able to reduce your set monthly payments by deferring part of the cost to the end of your agreement with us. It's one way you can take advantage of our finance plans.

Hyundai Capital UK Ltd is a division of Santander Consumer Finance, the leading Consumer Finance House in Europe. We provide finance for your Hyundai through your Hyundai dealer alongside a range of Santander insurance products. \* Finance subject to status. Terms and conditions apply. Applicants must be 18 or over. Guarantees/Indemnities may be required. Santander Consumer UK plc trading as Hyundai Capital UK Ltd. Registered office: 3 Princess Way, Redhill, Surrey, RH1 1SR Registered in England number 2248870

## ASSET PROTECTION

We want you to be able to relax in your Hyundai. It's why we've created Return to Invoice GAP Insurance, which covers you in unexpected circumstances. Currently, if your vehicle is written off in an accident, fire or theft, your insurance may only pay the market value for it, not what you actually paid - so you'd have to cover the shortfall. Return to Invoice GAP Insurance could cover the difference between your motor insurance settlement and the amount you originally paid for the vehicle, or the amount outstanding on finance - whichever is greater. Return to Invoice GAP Insurance will complement your own vehicle insurance and provide the financial support you need to get back on the road in a vehicle with the same value as your original choice.

## PEACE OF MIND

It was difficult deciding how much 5 years peace of mind is worth. So difficult, in fact, that we decided not to charge anything - but to give it to you as standard. The Five Year Triple Care package\* gives you miles and miles of stress-free driving. It's the latest in a long list of standard features on the New i20, and one we hope you'll enjoy just as much as the others. Read more about it in the following sections.

## 5 YEAR TRIPLE CARE

### Five Year Unlimited Mileage Warranty

It's exactly as the title suggests: A Five Year, manufacturer-backed Unlimited Mileage Warranty,\*\* so you can drive with complete peace of mind at all times.

### Five Year Roadside Assistance

You'll benefit from free, 24-hour roadside assistance anywhere in the UK or Channel Islands.

### Five Years of Vehicle Health Checks

Your Hyundai dealer will carry out an annual vehicle health check on key areas of your i20.

## ADDITIONAL HYUNDAI AFTERCARE

A 10 year Anti-perforation warranty against perforation of the bodywork, from the inside of the panel outwards.

\* 5 Year Triple Care terms and exclusions apply. Please see [www.hyundai.co.uk/owners/triple5](http://www.hyundai.co.uk/owners/triple5) or ask your local Dealer.  
\*\* Vehicles used for taxi or private hire uses are covered by a five year, 100,000 mile warranty.
