HYUNDAI iLOAD

THE PERFECT BUSINESS PARTNER

The Hyundai iLoad is your ideal business partner with style and quality built-in. The rear wheel drive iLoad comes with a 2.5 CRDi engine which meets the latest Euro V standards, not to mention high levels of specification. As standard it includes front electric windows, driver's airbag and central locking. At its heart the iLoad is a workhorse, so twin sliding side doors and double 180° opening rear doors provide easy access, whatever you're carrying. In addition, iLoad's 343Nm of torque ensures it is able to carry heavy loads whilst maintaining driveability and performance. In addition to the versatile Panel Van, iLoad is also available as a Crew Van, allowing you to transport people and cargo in one effortless journey. The iLoad Panel Van's 4.3m³ load volume and strengthened chassis can carry loads up to 1,062kg. With six seats as standard, the iLoad Crew Van can handle loads up to 1,059kg, with a 2.5m³ load capacity.

BUYING & OWNING A HYUNDAI

HYUNDAI CAR FINANCIAL SERVICES

To help you drive your ideal Hyundai, we've put together some comprehensive Hyundai Car Financial Services* products. The way they work is simple. There are a range of products available and we can offer finance between 1 and 5 years. To find out more just contact your local dealer, they'll have all the details you need. You may be able to reduce your set monthly payments by deferring part of the cost to the end of your agreement with us. It's one way you can take advantage of our finance plans.

Effective 1 October 2011 Hyundai Car Financial Services is a division of Santander Consumer Finance, the leading Consumer Finance House in Europe. We provide finance for your Hyundai through your Hyundai dealer alongside a range of Santander insurance products. *Finance subject to status. Terms and conditions apply. Applicants must be 18 or over. Guarantees/Indemnities may be required. Santander Consumer UK plc trading as Hyundai Car Financial Services. Registered office: 3 Princess Way, Redhill, Surrey, RH1 1SR Registered in England number 2248870

ASSET PROTECTION

We want you to be able to relax in your Hyundai. It's why we've created Return to Invoice GAP Insurance, which covers you in unexpected circumstances. Currently, if your vehicle is written off in an accident, fire or theft, your insurance may only pay the market value for it, not what you actually paid – so you'd have to cover the shortfall. Return to Invoice GAP Insurance could cover the difference between your motor insurance settlement and the amount you originally paid for the vehicle, or the amount outstanding on finance – whichever is greater. Return to Invoice GAP Insurance will complement your own vehicle insurance and provide the financial support you need to get back on the road in a vehicle with the same value as your original choice.

HYUNDAI AFTERCARE

A manufacturer backed, 100,000 mile, Five Year Warranty.*
A Ten Year Anti-perforation warranty against perforation of the bodywork from the inside of the panel outwards.
One Year Roadside Assistance, covering you 24 hours a day, anywhere in the UK or Channel Islands.
