

 NEW THINKING.
HYUNDAI | NEW POSSIBILITIES.

ix20

NEW THINKING. NEW POSSIBILITIES.

Since we first started in 1967, there have been four decades of incredible progress. During this period we've established a close relationship with our customers. It's enabled us to develop cutting-edge technology in all the right areas, while staying true to our Korean origins. At the heart of our brand is the ability to think differently and always question convention. It's this relentless commitment to innovation that's seen us arrive at where we are today. We currently sell technologically-advanced, high-quality vehicles to people in more than 190 countries, and employ over 75,000 staff. That's why we're the world's fastest growing car manufacturer.

THE HYUNDAI ix20

The ix20 doesn't do boxy. It boasts a dynamic design, a spacious interior and an efficient driving experience that's enhanced by all the clever little extras inside. It's the stand-out car in its class.

A stylish design WE'VE THOUGHT OUTSIDE THE BOX

The ix20 cleverly delivers high style without a hint of compromise. The sculpted taillights step out from the bodywork to give it a contemporary feel. An elegant curved line runs through the wraparound headlights and underlines the front grille, which is enhanced even further with a stylish eco pattern on the Active and Style models. Body-coloured folding door

mirrors are also introduced on Style. But despite its attractive appearance, we didn't choose style over substance. We opted for both. As well as looking the part, its sculpted door mirrors reduce drag as well. In short, it's sophisticated, practical and another excellent example of our fluidic design philosophy. The perfect blend of form and function.

It's all within reach

A STYLISH INTERIOR AT YOUR FINGERTIPS

The welcoming interior makes every journey a genuine pleasure. The cool blue illumination of the instrument panel and soft touch feel of the dashboard add to the feeling of smart ergonomics and quality design. We've also added stylish little touches on

Active and Style, like the eco pattern on the speaker grille. Everything is at your fingertips, so it's all within comfortable reach in this relaxing environment. It'll quickly become clear that we've thought about every aspect of the ix20's interior design.

A host of driving technologies THEY'LL BE MUSIC TO YOUR EARS

The ix20 comes with a variety of smart features to enhance every trip. The driver's seat is fully adjustable, while you'll also enjoy a height and reach adjustable steering wheel, so you can get yourself into the perfect position. You'll no longer have to cram your glove box full of CDs thanks to USB and aux connections, which allow you to plug in your compatible phone or MP3 player and listen to all your favourite tunes.

The Active and Style models include a range of extra features, such as Bluetooth® connectivity with voice recognition. Steering wheel audio controls also mean you can keep your ears trained on the music, and your eyes focused on the road ahead. And when you come to park at the end of your journey, reversing sensors help you to fit into the tightest of gaps. Get inside the ix20 to make the most of an entertaining and intuitive driving experience.

A welcoming interior SO YOU'LL ALWAYS BE IN YOUR COMFORT ZONE

The ix20's stylish appearance certainly doesn't come at the expense of comfort. Its clever design means there's lots of space for you and your family. There's plenty of leg and head room for you and your front passenger, and we've given just as much consideration to those in the back. Sliding and reclining rear seats can be independently adjusted for all-round convenience. And once you're all sitting comfortably, you'll be able to

find the perfect temperature thanks to air conditioning. It means you can enjoy a hot blast of air to warm you up for winter, or a cool, refreshing breeze during the summer months. On the Style, you'll also benefit from a sophisticated panoramic sunroof that creates the feel of space and light, as well as stylish privacy glass to reduce the sun's rays and keep you cool on the inside. You can sit back, relax and simply enjoy the ride.

Car shown ix20 Style.

More fun on the road LESS TIME AT THE PUMPS

Everyone wants a car that minimises fuel consumption without compromising performance. That's why we created Blue Drive. Clever, fuel-saving technologies have been introduced to the ix20 to help you save at the pumps. The 1.6 CRDi Blue Drive, for example, includes Intelligent Stop and Go (ISG), which automatically stops the engine when you come to a halt, and restarts it again when you de-press the clutch. It also has low rolling resistance tyres and electric power assisted steering, which is quieter, lighter and saves energy

- ultimately reducing emissions. As well as the 1.6 Blue Drive, you can opt for a 1.6 petrol automatic, a 1.4 petrol manual or even a 1.4 diesel manual. If you select manual transmission you'll also benefit from an eco drive indicator which suggests the optimum time to change gear for maximum efficiency. It's our way of giving you more influence over your fuel consumption. With a range of high-tech engines optimised for greater economy, the ix20 is a perfect example of our fuel-saving philosophy.

Safety is our first priority

YOU WON'T HAVE TO GIVE IT A SECOND THOUGHT

The ix20 has it all – style, space, efficiency and versatility. But above all else, it's also extremely safe and secure. There are front, front side and full length airbags, as well as head restraints, seatbelt reminders and front seatbelt pre-tensioners. Hill-start Assist Control (HAC) stops the car rolling back for the first few moments of a hill start, and ISOfix child seat anchorage points will help you keep your young ones safe and sound.

The Electronic Stability Programme (ESP) will bring the car safely under control if you skid, so you'll be able to drive with extra security. Everything is encased by a high tensile steel body shell which offers maximum protection to you and your passengers. With all these safety features, it's no surprise we've been awarded a 5-star Euro NCAP rating, so you'll know you're looked after every step of the way.

- 1 Hill-start Assist Control (HAC)
- 2 Seat belt reminder
- 3 Six airbags – front, front side and full length curtain

- 4 Active front head restraints
- 5 Front seatbelt pre-tensioners
- 6 ISOfix child seat anchorage (outer rear seats)

MOTABILITY

The Motability plan will enable some of you to purchase a Hyundai at a preferential rate. If you receive the Higher Rate Mobility Component of the Disability Living Allowance, you're entitled to access this excellent scheme. In recognition of your requirements, many Hyundai models can be ordered on the 3 year Contract Hire Scheme. You'll benefit from advantageous features like power steering, height-adjustable driver's seat and automatic gearbox, which all come as standard. Most of our Dealers are Motability Accredited, so just contact them and they'll be happy to help. If you'd like to read about the scheme in more depth, simply visit www.motability.co.uk

HYUNDAI MOTOR FINANCE

To help you drive your ideal Hyundai, we've put together some comprehensive Hyundai Motor Finance* products. The way they work is simple. There are a range of products available and we can offer finance between 1 and 5 years. To find out more just contact your local dealer, they'll have all the details you need. You may be able to reduce your set monthly payments by deferring part of the cost to the end of your agreement with us. It's one way you can take advantage of our finance plans.

* Finance subject to status. Terms and conditions apply. Applicants must be 18 or over. Guarantee/ Indemnity may be required. Hyundai Motor Finance. Registered office: 3 Princess Way, Redhill, Surrey, RH1 1SR Registered in England number 2248870

ASSET PROTECTION

We want you to be able to relax in your Hyundai. It's why we've created Return to Invoice GAP Insurance, which covers you in unexpected circumstances. Currently, if your vehicle is written off in an accident, fire or theft, your insurance may only pay the market value for it, not what you actually paid - so you'd have to cover the shortfall. Return to Invoice GAP Insurance could cover the difference between your motor insurance settlement and the amount you originally paid for the vehicle, or the amount outstanding on finance - whichever is greater. Return to Invoice GAP Insurance will complement your own vehicle insurance and provide the financial support you need to get back on the road in a vehicle with the same value as your original choice.

PEACE OF MIND

It was difficult deciding how much 5 years peace of mind is worth. So difficult, in fact, that we decided not to charge anything - but to give it to you as standard. The Five Year Triple Care package* gives you miles and miles of stress-free driving. It's the latest in a long list of standard features on the ix20, and one we hope you'll enjoy just as much as the others. Read more about it in the following sections.

5 YEAR TRIPLE CARE

Five Year Unlimited Mileage Warranty
It's exactly as the title suggests: A Five Year, manufacturer-backed Unlimited Mileage Warranty,** so you can drive with complete peace of mind at all times.

Five Year Roadside Assistance
You'll benefit from free, 24-hour roadside assistance anywhere in the UK or Channel Islands.

Five Years of Vehicle Health Checks
Your Hyundai dealer will carry out an annual vehicle health check on key areas of your ix20.

ADDITIONAL HYUNDAI AFTERCARE

A 10 year Anti-perforation warranty against perforation of the bodywork, from the inside of the panel outwards.

* 5 Year Triple Care terms and exclusions apply. Please see www.hyundai.co.uk/owners/triple5 or ask your local Dealer.
** Vehicles used for taxi or private hire uses are covered by a five year, 100,000 mile warranty.

MYHYUNDAI

If you purchase a new Hyundai you'll receive access to **MyHyundai** - our exclusive online customer loyalty programme, offering you a variety of special offers and benefits.

YOUR HYUNDAI JOURNEY STARTS HERE

We're committed to offering you the very best. That means, as well as delivering impressive cars, we'll also deliver helpful advice and service, every step of the way. Simply contact us on **0800 981 981** or visit our website at **www.hyundai.co.uk**
