HYUNDAI

NEW THINKING. NEW POSSIBILITIES.

Since we first started in 1967, there have been four decades of incredible progress. During this period we've established a close relationship with our customers. It's enabled us to develop cutting-edge technology in all the right areas, while staying true to our Korean origins. At the heart of our brand is the ability to think differently and always question convention. It's this relentless commitment to innovation that's seen us arrive at where we are today. We currently sell technologically-advanced, high-quality vehicles to people in more than 190 countries, and employ over 75,000 staff. That's why we're the world's fastest growing car manufacturer.

We look at the world from new and exciting angles. It means we can give you what you want in ways you wouldn't expect. It all reflects our 'New Thinking. New Possibilities' philosophy. The Hyundai ix35 is a shining example of this. It looks good. It feels good. And it's packed with equipment that makes life easier. It's the perfect combination of beauty and efficiency.

STYLE

It's hard to overtake the ix35 ESPECIALLY WHEN IT COMES TO ITS DESIGN

First impressions count for a lot. But set eyes on the Hyundai ix35 and we think you'll find your second and third glances are equally rewarding. Bold projection headlights on the front make a powerful statement, while a curved back end creates a stylish view from the rear. You'll also appreciate some

of the finer details, like the hexagonal grille with chrome surrounds and sculpted shoulder line curves. At Hyundai, we call it fluidic design. But beauty is in the eye of the beholder. So take a moment, or even several, to make up your own mind. We're sure you'll agree it'll be time well spent.

Enjoy beautiful surroundings FROM AN EQUALLY STRIKING ENVIRONMENT

Inside, the cabin feels every bit as good as it looks. Grip the soft, stitched leather steering wheel and take in the striking 'X-design' centre console. We've designed the environment to make you want to drive. Explore the intuitive dashboard. Admire the individually cowed instrument dials

covered in soothing blue lighting and feel the controls at your fingertips. With attention to detail like this, you'd be forgiven for wanting to make every journey last just that little bit longer. There's more to driving than just getting from A to B. Let the Hyundai ix35 carry you there in style.

Lots of room in the back KEEPS THE ix35 OUT IN FRONT

Whether it's friends or family you're carrying, there's plenty on board the Hyundai ix35 to keep you and your passengers comfortable. You'll find plenty of space and legroom to stretch out in and you'll also find heated seats in the front and rear (outer rear seat bases only) as standard. On the Premium model you'll also make the most of a stylish panoramic sunroof which lets plenty of light into the cabin - creating an even more spacious atmosphere. Air conditioning as

standard will keep you cool, and you'll even be able to chill your drinks in the glove box. Whatever you need to carry, the Hyundai ix35 can handle it. Muddy mountain bikes? No problem. School run? Check. There's plenty of room in the boot to stow your gear in the back, and a number of clever storage areas to carry any extra items. As versatile as it is accommodating, the Hyundai ix35 is perfectly equipped to meet your active lifestyle. You'll soon wonder how you ever managed without it.

Urban streets or country lanes EVERY DRIVE IS A NEW ADVENTURE

We've put a lot of smart thinking into the Hyundai ix35 to deliver an outstanding mix of power and agility. Precise steering, combined with the latest multi-link rear suspension, ensures great handling and a comfortable ride. And for more exciting routes choose the 2.0 CRDi 4WD, giving you extra grip and control whenever you need it - letting you make more of life's little adventures. Whichever exciting trip you embark on will be enhanced even further by a range of advanced driver technologies. Audio controls on the steering wheel and USB and auxiliary connections for

your MP3 player means that you can easily choose the perfect music to suit your mood. Bluetooth® helps you stay in touch while you're on the road, and reversing sensors as standard will help you safely park when you get to your destination. Cruise control on the Premium model makes driving even more relaxing. That's without even mentioning keyless entry with engine start/stop button means you can always access your car quickly and efficiently. In short, the ix35 lets you enjoy the driving experience you've always wanted.

EFFICIENCY

Efficient technologies

WE'VE SPENT OUR ENERGY HELPING YOU SAVE YOURS

Powered by engineering expertise and innovation, Blue Drive technologies will keep CO₂ emissions and fuel consumption low - but not at the expense of your enjoyment. All models with manual transmission are fitted with an Eco Drive Indicator, which shows you the best time to change gear. Intelligent Stop and Go (ISG), which comes on the 1.6 GDi model, is perfect for urban driving. It'll switch off the engine when you put your car in neutral and lift off the clutch, restarting it instantly when you de-press the clutch, ready to move off. The ix35 is available with a powerful yet efficient 1.6 litre GDi petrol engine (2WD), delivering a power output of 133 bhp and CO₂ emissions as low as 149 g/km*;

which drop to 139 g/km on the 1.7 CRDi diesel model. The diesel engine range consists of the 1.7 litre CRDi 114 bhp (2WD) and 2.0 litre CRDi 134 bhp (4WD) engines. The 2.0 CRDi 4WD is equipped with an advanced torque on demand 4WD system. It works by automatically providing power to all wheels, only when driving conditions require it to, resulting in more efficiency when compared to permanent 4WD systems. A 181 bhp 2.0 litre CRDi diesel engine is available with automatic transmission and 4WD. With its ideal mix of power and efficiency, the ix35 ticks all the boxes. Drive it along sweeping country roads or busy urban streets - you'll enjoy its performance in every situation.

We've thought about safety YOUR THOUGHTS CAN TURN TO THE ROAD INSTEAD

A little confidence goes a long way. Especially when it comes to the safety of your family and friends. So it's good to know the Hyundai ix35 is well equipped to take care of you all. There's Downhill Brake Control to keep your car in check on low speed steep descents, as well as Hill-start Assist Control, which will help you out when you're setting off. Once you're driving, you'll be able to take advantage of a range of active safety measures. These include the standard Electronic Stability Programme, which constantly monitors the car's behaviour and helps make sure it stays under your

control, as well as the Anti-lock Brakes which give you more composure and precision when you need it most. And of course, you can count on the highest levels of protection from the high tensile steel body shell, rear ISOfix child seat anchorage points, active front head restraints and six airbags. All Hyundai ix35's also have an impressive five star EURO NCAP rating so you can rest assured that you and your passengers are travelling with the ultimate protection. When it comes to safety and security, the Hyundai ix35 gives you all the reassurance you need.

MOTABILITY

The Motability plan will enable some of you to purchase a Hyundai at a preferential rate. If you receive the Higher Rate Mobility Component of the Disability Living Allowance, you're entitled to access this excellent scheme. In recognition of your requirements, many Hyundai models can be ordered on the 3 year Contract Hire Scheme. You'll benefit from advantageous features like power steering, height-adjustable driver's seat and automatic gearbox, which all come as standard. Most of our Dealers are Motability Accredited, so just contact them and they'll be happy to help. If you'd like to read about the scheme in more depth, simply visit www.motability.co.uk

HYUNDAI CAR FINANCIAL SERVICES

To help you drive your ideal Hyundai, we've put together some comprehensive Hyundai Car Financial Services* products. The way they work is simple. There are a range of products available and we can offer finance between 1 and 5 years. To find out more just contact your local dealer, they'll have all the details you need. You may be able to reduce your set monthly payments by deferring part of the cost to the end of your agreement with us. It's one way you can take advantage of our finance plans.

Effective 1 October 2011 Hyundai Car Financial Services is a division of Santander Consumer Finance, the leading Consumer Finance House in Europe. We provide finance for your Hyundai through your Hyundai dealer alongside a range of Santander insurance products. * Finance subject to status. Terms and conditions apply. Applicants must be 18 or over. Guarantees/Indemnities may be required. Santander Consumer UK plc trading as Hyundai Car Financial Services. Registered office: 3 Princess Way, Redhill, Surrey, RH1 1SR Registered in England number 2248870

ASSET PROTECTION

We want you to be able to relax in your Hyundai. It's why we've created Return to Invoice GAP Insurance, which covers you in unexpected circumstances. Currently, if your vehicle is written off in an accident, fire or theft, your insurance may only pay the market value for it, not what you actually paid - so you'd have to cover the shortfall. Return to Invoice GAP Insurance could cover the difference between your motor insurance settlement and the amount you originally paid for the vehicle, or the amount outstanding on finance - whichever is greater. Return to Invoice GAP Insurance will complement your own vehicle insurance and provide the financial support you need to get back on the road in a vehicle with the same value as your original choice.

PEACE OF MIND

It was difficult deciding how much 5 years peace of mind is worth. So difficult, in fact, that we decided not to charge anything - but to give it to you as standard. The Five Year Triple Care package* gives you miles and miles of stress-free driving. It's the latest in a long list of standard features on the ix35, and one we hope you'll enjoy just as much as the others. Read more about it in the following sections.

5 YEAR TRIPLE CARE

Five Year Unlimited Mileage Warranty

It's exactly as the title suggests: A Five Year, manufacturer-backed Unlimited Mileage Warranty,** so you can drive with complete peace of mind at all times.

Five Year Roadside Assistance

You'll benefit from free, 24-hour roadside assistance anywhere in the UK or Channel Islands.

Five Years of Vehicle Health Checks

Your Hyundai dealer will carry out an annual vehicle health check on key areas of your ix35.

ADDITIONAL HYUNDAI AFTERCARE

A 10 year Anti-perforation warranty against perforation of the bodywork, from the inside of the panel outwards.

* 5 Year Triple Care terms and exclusions apply. Please see www.hyundai.co.uk/owners/triple5 or ask your local Dealer.
** Vehicles used for taxi or private hire uses are covered by a five year, 100,000 mile warranty.
