

# FORD **TOURNEO CONNECT**

**Go Further**

Flexible rear seats

These clever rear seats are easy to fold and stow for a multitude of passenger and luggage carrying combinations.

Clever ideas for an easier life

Put simply, the new Ford Tourneo Connect is practicality on four wheels. Flexible space and advanced technology combine to help make everyday life so much easier.

Active City Stop®

Designed to help reduce the likelihood or consequences of your car colliding with the vehicle in front in slow-moving traffic by applying the brakes if it is detected that a collision is likely. (Option)

Safe and secure

Technologically advanced safety features such as our Electronic Stability Programme®, for safer handling and cornering, are fitted as standard. Airbags and side curtain airbags plus a seat belt reminder system provide extra safety and security.

A better use of space

Overhead and under floor stowage compartments, plus other smart areas for safe storage mean there's a handy place for everything.

The winning numbers

The latest Duratorq TDCi diesel engines are remarkably fuel efficient, with combined fuel consumption as low as 60.1 mpg and CO<sub>2</sub> emissions of only 124 g/km.

Making every drop of fuel count

Ford's ECONetic Technology such as the latest Duratorq TDCi diesel and EcoBoost petrol engines, Auto-Start-Stop and Active Grille Shutter minimise CO<sub>2</sub> emissions and maximise fuel economy.

Quality designed around you

It's immediately evident that Tourneo Connect's interior has been designed to handle the rigours of everyday life. It's also a very comfortable place to be, with a choice of two bodystyles offering ample space whether you're seating five or seven.

Your built-in co-pilot

Voice-activated Ford SYNC with Emergency Assistance\* is like having an extra pair of helping hands. It allows you to play music, make and receive calls, and choose contacts from your phone's contact list with remarkably simple voice commands. (Option)

\*Ford Emergency Assistance operates in over 30 European countries. This feature is designed to assist the driver to place a call with the emergency services when paired with a compatible mobile phone that is with you when any airbag is deployed or the fuel pump is shut off. See [www.Ford.co.uk](http://www.Ford.co.uk) for latest information.

## Quality

We design and build your Ford to feel as good after many years of service as it did the day you picked it up. And to drive just as beautifully, too.

## Green

Using advanced Ford ECOnetic Technology, we're committed to creating vehicles with improved fuel economy, reduced CO<sub>2</sub> emissions and a lower overall cost of ownership.

## Safe

Ford's Intelligent Protection System uses sophisticated technology designed to help you feel protected and secure.

## Smart

Audio systems you can ask to play your favourite song, windscreen wipers that know when it's raining, headlights that know when it's dark – just some of the many smart solutions from Ford that make life a little easier.

## Fuel, performance and emissions

Technical Data	Transmission	Torque Nm	CO <sub>2</sub> emissions (g/km) <sup>90</sup>	Fuel consumption in mpg <sup>90</sup>			Performance <sup>a</sup>	
				Urban	Extra Urban	Combined	Max speed (mph)	0-62 mph (secs)
Tourneo Connect								
1.0 EcoBoost (100 PS (74 kW))	M6	170	143	36.7	56.5	47.0	101	14.9
1.6 Duratec (150 PS (110 kW))	A6	240	181	28.5	44.8	37.1	107	11.4
1.6 Duratorq TDCi (95 PS (70 kW))	M5	230	134	48.7	60.1	55.7	99	16.1
1.6 Duratorq TDCi (95 PS (70 kW)) with optional Auto-Start-Stop	M5	230	124	52.3	65.7	60.1	99	16.1
1.6 Duratorq TDCi (115 PS (85 kW))	M6	270	134	48.7	60.1	55.7	103	13.8
Grand Tourneo Connect								
1.6 Duratorq TDCi (95 PS (70 kW))	M5	230	134	48.7	60.1	55.7	99	16.6
1.6 Duratorq TDCi (95 PS (70 kW)) with optional Auto-Start-Stop	M5	230	124	52.3	65.7	60.1	99	16.6
1.6 Duratorq TDCi (115 PS (85 kW))	M6	270	134	48.7	60.1	55.7	103	14.1

<sup>a</sup>Ford test figures. <sup>90</sup>The declared fuel consumptions and CO<sub>2</sub> emissions are measured according to the technical requirements and specifications of European Directive 80/1268/EEC or the European Regulation (EC) 715/2007 amended by (EC) 692/2008. Fuel consumption and CO<sub>2</sub> emissions are specified for a vehicle type and not for a single car. The applied standard test procedure enables comparison between different vehicle types and different manufacturers. This information is not part of any product offer made. Real world fuel consumption can vary as the fuel efficiency of a vehicle is influenced by (individual) car configurations, driving behaviour, use of technical equipment such as air conditioning, as well as other non-technical factors. **Note** All engines are Euro Stage V emissions. All petrol engines are equipped with a catalytic converter.

Figures shown in the fuel, performance and emissions table are predicted data only. Final data will be announced when vehicles go on sale in Autumn 2013.

**Illustrations, descriptions and specifications.** This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of products from our suppliers. **†**The identified accessories are carefully selected third party supplier branded accessories which do not come with a Ford warranty but are instead covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. The iPod word mark and logos are the property of Apple Inc. Other trademarks and trade names are those of their respective owners.

**The Government fuel figures** do not express or imply any guarantee of the fuel consumption of any particular vehicle. The vehicles themselves have not been tested and there are inevitably differences between individual vehicles of the same model. In addition, a vehicle may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.

Ford and BP – working together to reduce fuel consumption and emissions.
