

Quality

Quality and durability are built into your Ford at every step. After many years of service it will feel as good – and drive as beautifully – as it did the day you picked it up.

Green

Using advanced Ford ECOnetic Technology, we're committed to creating vehicles with improved fuel economy, reduced CO₂ emissions and a lower overall cost of ownership.

Safe

Ford's safety technologies are constantly evolving and improving. We build the latest safety measures into our vehicles to help you feel protected and secure.

Smart

Audio systems you can ask to play your favourite song, windscreen wipers that know when it's raining, headlights that know when it's dark, full seat flexibility – just some of the many smart solutions from Ford that make life a little easier.

Fuel, performance and emissions

	Axle ratio	CO ₂ emissions (g/km) ^o	Fuel consumption in mpg (L/100 km) ^o		
			Urban	Extra Urban	Combined
300 SWB Tourneo (M1)					
2.2 Duratorq TDCi 100 PS (74 kW)	4.19	182	36.7 (7.7)	44.1 (6.4)	40.9 (6.9)
2.2 Duratorq TDCi 125 PS (92 kW)	4.19	182	36.7 (7.7)	44.1 (6.4)	40.9 (6.9)
2.2 Duratorq TDCi 155 PS (114 kW)	4.19	182	36.7 (7.7)	44.1 (6.4)	40.9 (6.9)
300 LWB Tourneo (M1)					
2.2 Duratorq TDCi 100 PS (74 kW)	4.19	182	36.7 (7.7)	44.1 (6.4)	40.9 (6.9)
2.2 Duratorq TDCi 125 PS (92 kW)	4.19	182	36.7 (7.7)	44.1 (6.4)	40.9 (6.9)
2.2 Duratorq TDCi 155 PS (114 kW)	4.19	182	36.7 (7.7)	44.1 (6.4)	40.9 (6.9)

All models are 6-speed manual transmission. ^oThe declared fuel consumptions and CO₂ emissions are measured according to the technical requirements and specifications of European Directive 80/1268/EEC or the European Regulation (EC) 715/2007 amended by (EC) 692/2008. Fuel consumption and CO₂ emissions are specified for a vehicle type and not for a single vehicle. The applied standard test procedure enables a comparison between different vehicle types; the specification and options selected may have an effect i.e. on vehicle weight and therefore on the emissions and fuel economy of the vehicle and also may influence the figures that appear in the individual vehicle documentation. This information is not part of any product offer made. Real world fuel consumption can vary as the fuel efficiency of a vehicle is influenced by (individual) vehicle configurations, driving behaviour, use of technical equipment such as air conditioning, as well as other non-technical factors.

Illustrations, descriptions and specifications. This brochure was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Optional Fitment/Pack', etc., you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of carefully selected products from our suppliers, which are featured under their own brands. All supplier branded products are subject to warranty terms defined by the relevant suppliers and do not lie within the responsibility of Ford. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. Other trademarks and trade names are those of their respective owners.

The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular vehicle. The vehicles themselves have not been tested and there are inevitably differences between individual vehicles of the same model. In addition, a vehicle may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption.

Go Further

As flexible as you need it to be

Whatever you’re carrying, from passengers and luggage to unexpected loads, the Ford Tourneo Custom is versatile enough to find space for them all. Use all nine seats to accommodate occupants in luxurious comfort. Or fold, tumble or stow the second and third row seats in more than 30 different ways to create limousine-like space or to maximise the luggage area, without leaving any seats behind.

Share the high life

When you need to carry people in style and comfort, the impressive new Ford Tourneo Custom is the way to go. With seating for up to nine, superior levels of quality and great design, inside and out, every journey will be a pleasure.

Auto-Start-Stop

Automatically switches off the engine when you come to a halt and restarts smoothly when you want to move off, and so reduces fuel consumption and CO₂ emissions.

Proven Duratorq TDCi engines

These advanced, highly fuel-efficient engines are designed for durability. They are offered with an impressive choice of power and torque outputs, and provide a refined drive.

Space to spare

With its high-opening tailgate and flexible seating configurations, the Ford Tourneo Custom offers unbeatable space for passengers and their belongings. While for even more luggage room, there’s a new long wheelbase version available too.

SYNC

The next generation of driver interface, SYNC lets you control a Bluetooth®-enabled phone at the sound of your voice. It can even read out texts and give you diary reminders. (Standard on Trend and Limited)

Ford kinetic Design

Bold, dynamic lines and full surfaces that give the impression of energy in motion, even when the Tourneo Custom is standing still – this is Ford kinetic Design.

Always travel in good company

With its premium quality materials and impressive refinements, like rear compartment air conditioning* and side window sun blinds, the Ford Tourneo Custom will comfortably seat up to nine people – and their belongings – whatever their special destination.

Images of vehicles shown are Limited series. Features shown, including air conditioning and metallic paints, may only be available as an Option.

*Option on Base and Trend with front air conditioning
