NEW GENERATION **SANTAFE** 

Introducing the New Generation Santa Fe.

Introducing the New Generation Hyundai Santa Fe. The most technically advanced SUV in our history has arrived. Bold and fearless Hyundai fluidic design on the outside. Increased space and flexibility on the inside. Complete with a wealth of features that deliver luxury and comfort, plus the perfect balance of performance and efficiency. This is the new Santa Fe. Built for everything except compromise.

Luxurious comfort for all the family.

Prepare to raise your expectations. The new Santa Fe features the highest quality materials of any Hyundai ever created. Soft leather and chrome accents complement a serene and sumptuous cabin, accentuated by form-fitting seats and spacious head and leg room for up to seven passengers. Combined with advanced aerodynamics and superior noise reduction, the result is a ride that is as quiet as it is relaxing.

Flexibility and technology without limits.

More than you ever imagined. With 5 or 7 seat options, the new Santa Fe offers up to 585 litres of cargo room, expanding to 1,680 with the seats down. Sliding split 40:20:40 rear seats also make it easy to carry luggage of any size. Santa Fe is available with advanced features such as expansive panoramic roof, satellite navigation, smart park assist, dual zone climate control and more.

Innovation designed to inspire.

The choice is yours. The new Santa Fe comes with a powerful 197PS 2.2 CRDi engine, with a choice of 2WD or torque on demand 4WD and manual or automatic transmission. What's more, with CO₂ emissions from just 155 g/km, you'll be safe in the knowledge that it's one of the cleanest cars in its class. It ensures you'll be able to enjoy all the freedom you want, whether that's in the city or along adventurous country roads.

Seven-airbag safety comes as standard, not to mention rear parking sensors for protection when manoeuvring. It means that in every category, the Santa Fe outperforms with absolute style.
