Give your vehicle a sportier profile and enhanced aerodynamics. Designed to enhance your vehicle's exterior styling, all our body styling parts are designed and engineered to fit your Ford perfectly and go through strict quality controls. They not only meet Ford's own requirements for quality, durability, noise reduction, driving and handling performance, but also exceed all relevant legal requirements.

# Wheels.

Look and feel different with our range of alloys. All have been designed to complement the looks of your Ford. Sporty, purposeful or elegant, the choice is yours. And you can be assured that whichever alloy you choose, they've been manufactured to the highest standards, from the finest materials and endured long-term testing to keep you safe on the road. Every alloy is X-ray checked for defects and further checked to ensure no air from the tyres will be lost through the wheel. And with different styles you can be sure that the performance of our alloys is as great as their looks.

# Car Protection.

Everyday life can bring you unexpected and unwanted surprises. Like scratches, bumps and knocks to your Ford. So why not give your Ford a little extra protection? Rear bumper protectors for example, can be fitted within seconds and provide excellent protection for years to come. And how about our floor mats, which not only match your vehicle's interior but are flame proof too?

### Rubber floor mats

Ford's rubber mats are tailor-made to fit your Ford perfectly. Fixed directly onto the floor to prevent interference with the pedals. Made for heavy duty use, they keep your vehicle's floor clean and dry. Sets are available for front and rear.

### ClimAir® Rear Bumper Protector

Specifically designed for your Fiesta, protection plates protect your vehicle against daily wear and tear, without compromising the styling of your vehicle.

### Mud flaps

Ford mud flaps are designed specifically for your car. They protect your Ford and help to maintain its residual value, by reducing road spray and dirt and by preventing damage from stones.

### Floor mats, premium velour

Ford's floor mats are tailored made for your model and designed to match the interior trim of your vehicle. Fixed directly onto the floor to prevent interference with the pedals. All Ford floor mats are flammability tested to conform with ISO 3795. Made from high quality, durable velour.

# Safety & Security.

Your children deserve to be as comfortable and safe as you are when they're travelling in your Ford. So Ford offers a range of child seats, from our approved suppliers Britax Römer®\* and Recaro®, for all ages from babies to young children. Designed to meet the highest safety standards, they are thoroughly crash tested. There is also a great selection of Britax Römer®\* ISOFIX child seats, which are quick and easy to fit correctly and safely, to the ISOFIX points built in to various Ford models. All Britax Römer®\* premium quality child seats are equipped with comfortable high quality covers which can be easily removed for washing.

## Britax Römer® Child Seat

Ever since it became a legal requirement for children to be safely secured when travelling in cars, the standards for children's car seats have become more and more stringent.
