Roof Spoiler

Give your vehicle a sportier profile and enhanced aerodynamics. Designed to enhance your vehicle's exterior styling.

Scuff Plates

Step into your vehicle in style and protect your door sills from scratches and scrapes at the same time, with scuff plates in stainless steel.

Styling

The Ford Kuga is all about capability. The capability to do more, go to more places, get more out of life. But is it capable of being even more versatile, and even more fun? With this choice of accessories and styling parts, we think so. Whether you want to carry something unusual, experience enhanced performance, enjoy a little extra luxury, or simply attract envious glances, you'll find that these accessories mean you can do it in a Ford Kuga.

Exterior Styling Kit

Available as option only with new vehicle purchase.

Wheels

Look and feel different with our range of alloys. All have been designed to complement the looks of your Ford. Sporty, purposeful or elegant, the choice is yours. And you can be assured that whichever alloy you choose, they've been manufactured to the highest standards, from the finest materials and endured long-term testing to keep you safe on the road. Every alloy is X-ray checked for defects and further checked to ensure no air from the tyres will be lost through the wheel. And with different styles you can be sure that the performance of our alloys is as great as their looks.

Interior Transportation

You can travel in safety when your load is stored securely. Ford load compartment accessories are designed and tested to fit perfectly and stay in place, keeping loads where they should be even under heavy braking. Load retention guards and load retention nets, for example, are crash tested to protect passengers in a crash at up to 50 km/h (31 mph). And to help you keep the load space looking as good as the rest of your Ford's interior, we have accessories to keep it clean, dry and tidy.

Load Space Liner
Our boot liners are tailored to fit your Ford perfectly. Made from heavy-duty, non-slip materials, it protects your boot from dirt as well as wear and tear.

Interior Transportation Systems	Order Code
Umbrella Holder – Practical storage for mini umbrella, fix the box with screws or Velcro® strip wherever you find a space.	1524 823

Floor mats, standard carpet rear, black – Set of 2.	1 783 737
Rubber floor mats front and rear, black – Set of 4, with Kuga logo.	1 806 312

Car Protection

Everyday life can bring you unexpected and unwanted surprises. Like scratches, bumps and knocks to your Ford. So why not give your Ford a little extra protection? Rear bumper protectors for example, can be fitted within seconds and provide excellent protection for years to come. And how about our floor mats, which not only match your vehicle’s interior but are flame proof too?

Mud flaps

Ford mud flaps are designed specifically for your car. They protect your Ford and help to maintain its residual value, by reducing road spray and dirt and by preventing damage from stones.

Rear Bumper Foil Protector

Bumper Protectors are specifically designed for each Ford model. They protect against the daily wear and tear which can soon cause scuffs and scratches on the rear bumper sills. The bumper protector transparent foils provide protection without compromising the look and style of your vehicle. Fitting is easy with the self-adhesive backing on each strip.

Safety & Security

Your children deserve to be as comfortable and safe as you are when they're travelling in your Ford. So Ford offers a range of child seats, from our approved supplier Britax Römer®, for all ages from babies to young children. Designed to meet the highest safety standards, they are thoroughly crash tested. There is also a great selection of Britax Römer® ISOFIX child seats, which are quick and easy to fit correctly and safely, to the ISOFIX points built in to various Ford models. All Britax Römer® premium quality child seats are equipped with comfortable high quality covers which can be easily removed for washing.

Britax Römer® Child Seat

Ever since it became a legal requirement for children to be safely secured when travelling in cars, the standards for children's car seats have become more and more stringent. We offer child seats for all weight categories – for babies and toddlers up to 36 kg, which are all tested and approved to European standards.

Child Safety	Order Code

Xvision® Parking Distance Control

Take the stress out of parking. With Britain's increasingly busy roads, Xvision® parking distance sensors turn reversing, parking and manoeuvring in confined areas into a less stressful experience. They'll minimise the chance of having a costly bump too, making an Xvision® system not just convenient, but an essential driving aid.

ClimAir® Wind Deflector

Reduce turbulence and noise, for a more enjoyable drive with the window open – even when it's raining. Made of 3 mm cast acrylic high quality glass, with an optimised design for perfect fitting.

When you have finished with this brochure, please recycle it.
