

FORD MONDEO

Go Further

Go Further

These two words capture the spirit of Ford and our commitment to you. We go further so that you can, too.

2-9

Ford kinetic Design

Ford kinetic Design is the reason why our vehicles look more exciting than ever before. Bold, dynamic lines that create energy in motion.

10-13

Quality

We design and build your Ford to feel as good after many years of service as it did the day you picked it up. And to drive just as beautifully, too.

14-15

Green

Using advanced Ford ECOnetic Technology, we're committed to creating vehicles with improved fuel economy, reduced CO₂ emissions and a lower overall cost of ownership.

16-17

Safe

Ford's Intelligent Protection System uses sophisticated technology designed to help prevent an accident and, if one should happen, to protect you.

18-19

Smart

Cars that park themselves, windscreen wipers that know when it's raining – just some of the many clever solutions from Ford that make life a little easier.

20-27

Ownership

Ford Mondeo Titanium X Business Edition 5-door in Lunar Sky metallic paint (option) with 18" Y-spoke alloy wheels (accessory), and Bi-Xenons (option). LED daytime running lights, privacy glass, chrome finish side window surround and power folding door mirrors with integral indicators are all standard.

**I know my limits.
I just like to push them now and again**

Below image shows:
Ford Mondeo Titanium X Business Edition Estate in Panther Black metallic paint (option) with 18" Y-spoke alloy wheels (accessory), featuring Windsor premium leather seat facings in Ebony and Seat Pack (option).

Ford Mondeo Titanium X Business Edition in Ice White special metallic paint (option), Bodystyling kit (accessory) chrome finish roof rails (standard), keyless entry (option), privacy glass (standard) Adaptive Cruise Control (option) and 18" Ford Individual alloy wheels (accessory).

The best thing about reaching the top
is there's always another mountain to climb

Vehicle shown is a Ford Mondeo Titanium X Business Edition Estate in Lunar Sky metallic paint (option) with 18" Y-spoke alloy wheels (accessory), keyless entry (option) and 2.0 EcoBoost (203 PS) engine (not available in UK), with Ford PowerShift transmission and twin straight exhaust pipes. Twin exhaust pipes are only available in combination with 2.2 Duratorq TDCi 200PS and 2.0 EcoBoost 240PS which are only available in UK on Titanium X Sport.

Chrome finish side window surround and roof rails, Privacy glass, parking distance sensors (front and rear), Power folding door mirrors with Puddle lights, LED brake lights and concealed antenna are all standard.

**With the right kit, you can always
stay ahead of the chasing pack**

Ford Mondeo Titanium X Sport in Ice White special metallic paint (option), Adaptive Cruise Control (ACC) (option), keyless entry (option), with 19" Y-spoke alloy wheels, Bi-Xenon headlights and 2.2 (200PS) Duratorq TDCi engine.

Unique sports bodystyling, including side skirts, front bumper skirt and rear bumper skirt with integral diffuser, are all part of the standard equipment.

Windsor leather trim

Ford Mondeo's Windsor premium leather seat facings ensure you always feel special, whatever the occasion. (Standard on Titanium X Business Edition)

Proven quality

Ford Mondeo has been tested to endure a level of punishment far beyond the everyday stresses and strains of motoring. Our test vehicles were put through trials that included opening and closing the doors 84,000 times (including 5,000 hard slams) and spraying the bodywork with a mixture that replicates salty and acidic fog. Every Mondeo that leaves the factory is built to withstand these, and many more, demanding tests.

Relentless testing

During its development, we test drove Ford Mondeo the equivalent of 46 times around the globe. We pushed it through the extremes of real-world weather from -40°C to +80°C and tested it over and over again. It's a car you can rely on, right down to the smallest ball bearing.

- 4,514 km
- 17,202 km
- 48,381 km
- 93,622 km
- 137,978 km
- 178,334 km
- 230,219 km

LED daytime running lights

Offering increased visibility to other road users – particularly in poor weather – the new LED daytime running lights are typical of the attention to detail to be found throughout Ford Mondeo. This stylish design detail is also more energy efficient than dipped headlights due to its use of the latest LED technology. (Standard on all series, except Edge and Graphite)

All road testing

Ford Mondeo withstood the rigours of Ford's Lommel proving ground, which recreates some of the driving conditions found on the worst roads in Europe.

Satin black centre stack

Sophisticated looks, feel and functionality (Standard)
Sony audio shown is only available on Titanium X Sport

Chrome finish side window surround

(Standard on Titanium X Business Edition and Titanium X Sport)

Boosting efficiency

Our turbo diesel engines are now joined by a new generation of high-efficiency EcoBoost turbocharged petrol engines, which combine higher power and a broader spread of torque with reduced emissions and lower fuel consumption.

Engines with greater efficiency and more power, adaptive suspension and the option of Ford PowerShift transmission make Ford Mondeo more than ever a true driver's car.

Total control

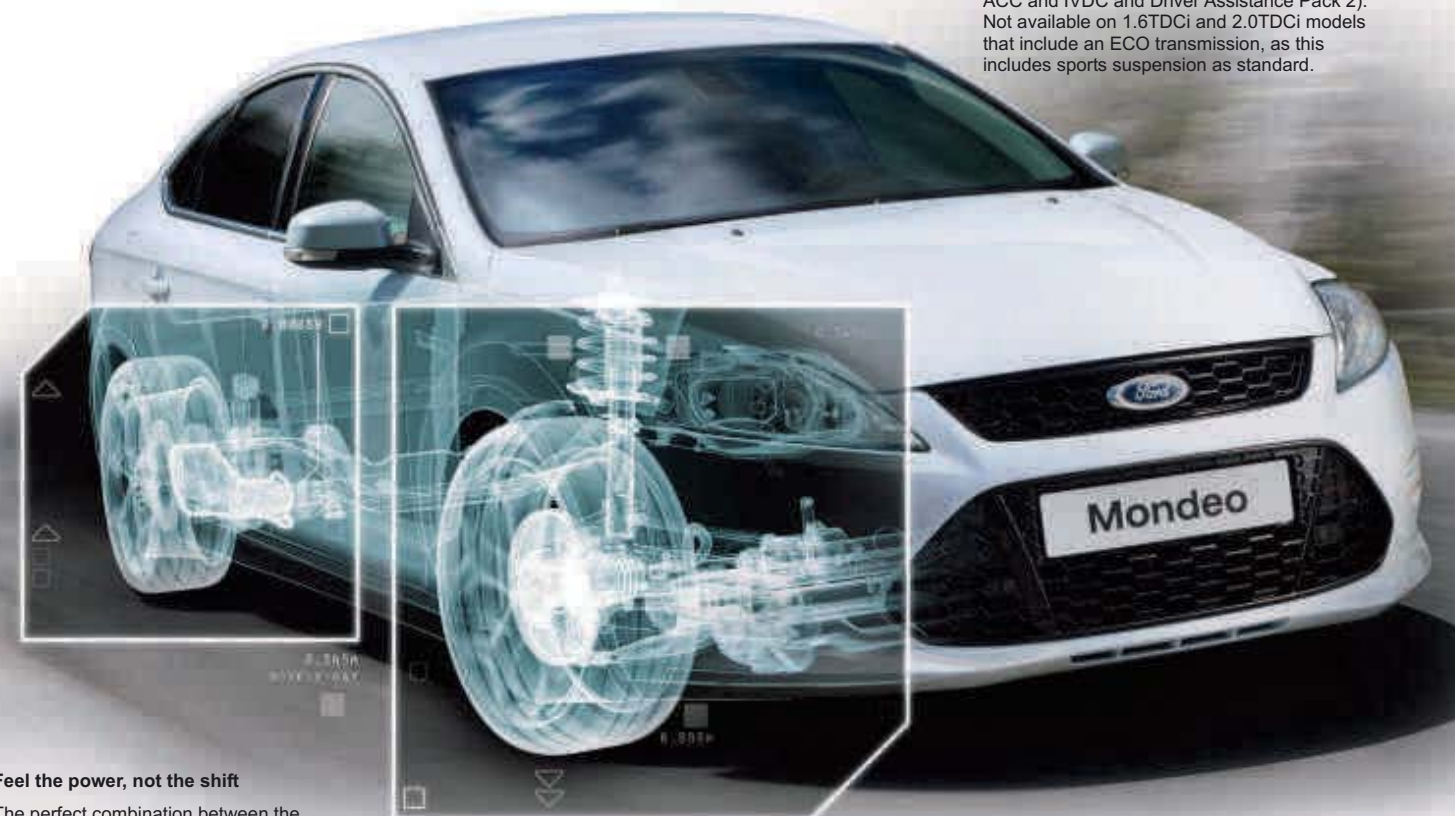

Control Blade independent rear suspension

For a smoother ride and more precise handling, this advanced rear suspension system allows each wheel to independently move both upwards and backwards over bumps in the road.

Interactive Vehicle Dynamics Control (also called Driver Select Suspension)

Lets you switch between suspension modes – sport, normal and comfort – as the mood takes you. With each damper adjusted five times per second, you're guaranteed the best possible occupant comfort and road contact, and notable improvements in handling, stability and braking performance. (Option, also available as part of ACC and IVDC and Driver Assistance Pack 2). Not available on 1.6TDCi and 2.0TDCi models that include an ECO transmission, as this includes sports suspension as standard.

Feel the power, not the shift

The perfect combination between the convenience of an automatic and the smoothness and driving performance normally associated with a manual.

Ford PowerShift 6-speed automatic transmission cleverly selects the next appropriate gear at exactly the right moment, delivering lightning-fast gear changes with no disruption to the flow of power. Compared with a conventional automatic, Ford PowerShift gives you better fuel economy.

19" alloy wheels with sports suspension

(Standard on Titanium X Sport)

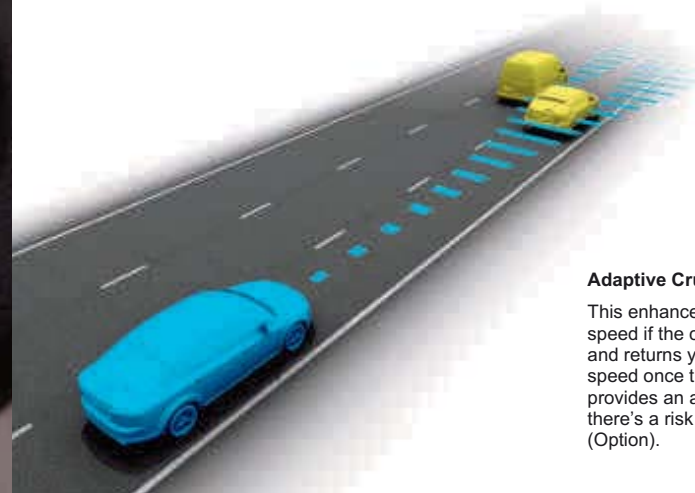

More power, less fuel

Ford Duratorq TDCi diesel engines deliver a more efficient and quieter drive, thanks to an advanced two-stage fuel injection process that ensures precisely the right amount of fuel is supplied.

The latest 1.6 Duratorq 115 PS TDCi ECO engine combines EConetic engine technology with Auto-Start-Stop, low rolling resistance tyres and sports suspension to provide CO₂ emissions of just 109 g/km.

Adaptive Cruise Control with Forward Alert

This enhanced cruise control system adjusts your speed if the car in front is travelling more slowly, and returns you to your previously specified speed once the way is clear. Forward Alert (FA) provides an audible and visual warning when there's a risk of colliding with the vehicle ahead (Option).

Ford EcoBoost

With direct petrol injection, turbocharging and variable valve timing, Ford EcoBoost engines deliver power and torque consistent with larger displacement engines. The 1.6 160 PS EcoBoost Auto-Start-Stop engine in Mondeo has more power than the previous 2.0 145PS Duratec petrol engine, yet it achieves better fuel economy and lower CO₂ emissions.

Technology for economy and sustainability

Ford EConetic Technology is designed to reduce your cost of ownership through improved fuel economy and lower CO₂ emissions, without any compromise on performance or driving quality. Much of this technology is brought together in our EConetic engines, which deliver some of the lowest fuel consumption and CO₂ emissions in their class.*

Ford EConetic Technology

- Ford EcoBoost fuel-efficient petrol engines
- Ford Duratorq TDCi
- Ford PowerShift dual clutch automatic transmission – combines the efficiency of manual transmission with the convenience of a conventional automatic
- Ford Auto-Start-Stop (see left)
- Ford Smart Regenerative Charging – charges the battery every time you lift off the accelerator when driving
- Ford Electric Power-Assisted Steering – a more efficient system that uses less engine power than conventional power-assisted steering
- Active Grille Shutter – improves aerodynamics and lowers fuel consumption
- Ford Eco Mode (see left)
- Shift Indicator – advises you when to change gear for maximum fuel efficiency

A family of advanced engines

In addition to our multi award-winning Ford EcoBoost petrol engines, we offer two more technologically advanced engines. Our Duratorq TDCi diesel engines feature common rail systems that deliver remarkably low fuel consumption and CO₂ emissions*, plus a quiet drive thanks to a two-stage fuel injection process. Our Duratec petrol engines offer you a great balance of performance and economy. They're made from ultra-light aluminium and feature state-of-the-art fuel injection for optimum fuel efficiency and reduced CO₂ emissions*.

*see specification tables for fuel economy and CO₂ figures

Ford power of choice

Ford's alternative fuel vehicles all harness our latest advances in engine technology. They're the answer if you want low tax and even better fuel economy without compromising on design or drive dynamics.

Focus Electric

Powered exclusively by a lithium-ion battery system, the Focus Electric is one of the most technologically advanced cars on the road today.

Ford Auto-Start-Stop

When your vehicle is idling at a standstill, the engine automatically shuts down to save fuel. When you want to drive off, the engine immediately restarts.

Ford Eco Mode

This intelligent driver information system helps you achieve optimum fuel efficiency.

Ford Duratorq TDCi

Our advanced diesel engines provide exceptional fuel economy and low CO₂ emissions.
(See specification tables for fuel economy and CO₂ figures)

Bi-Xenon headlights with static cornering lights

Provide clear illumination of the road ahead, with static cornering lights providing extra light for sharp bends and junctions. (Standard on Titanium X Sport, optional on Titanium X Business Edition)

To protect you and your passengers, Ford Mondeo holds the perfect balance between passive and active safety systems.

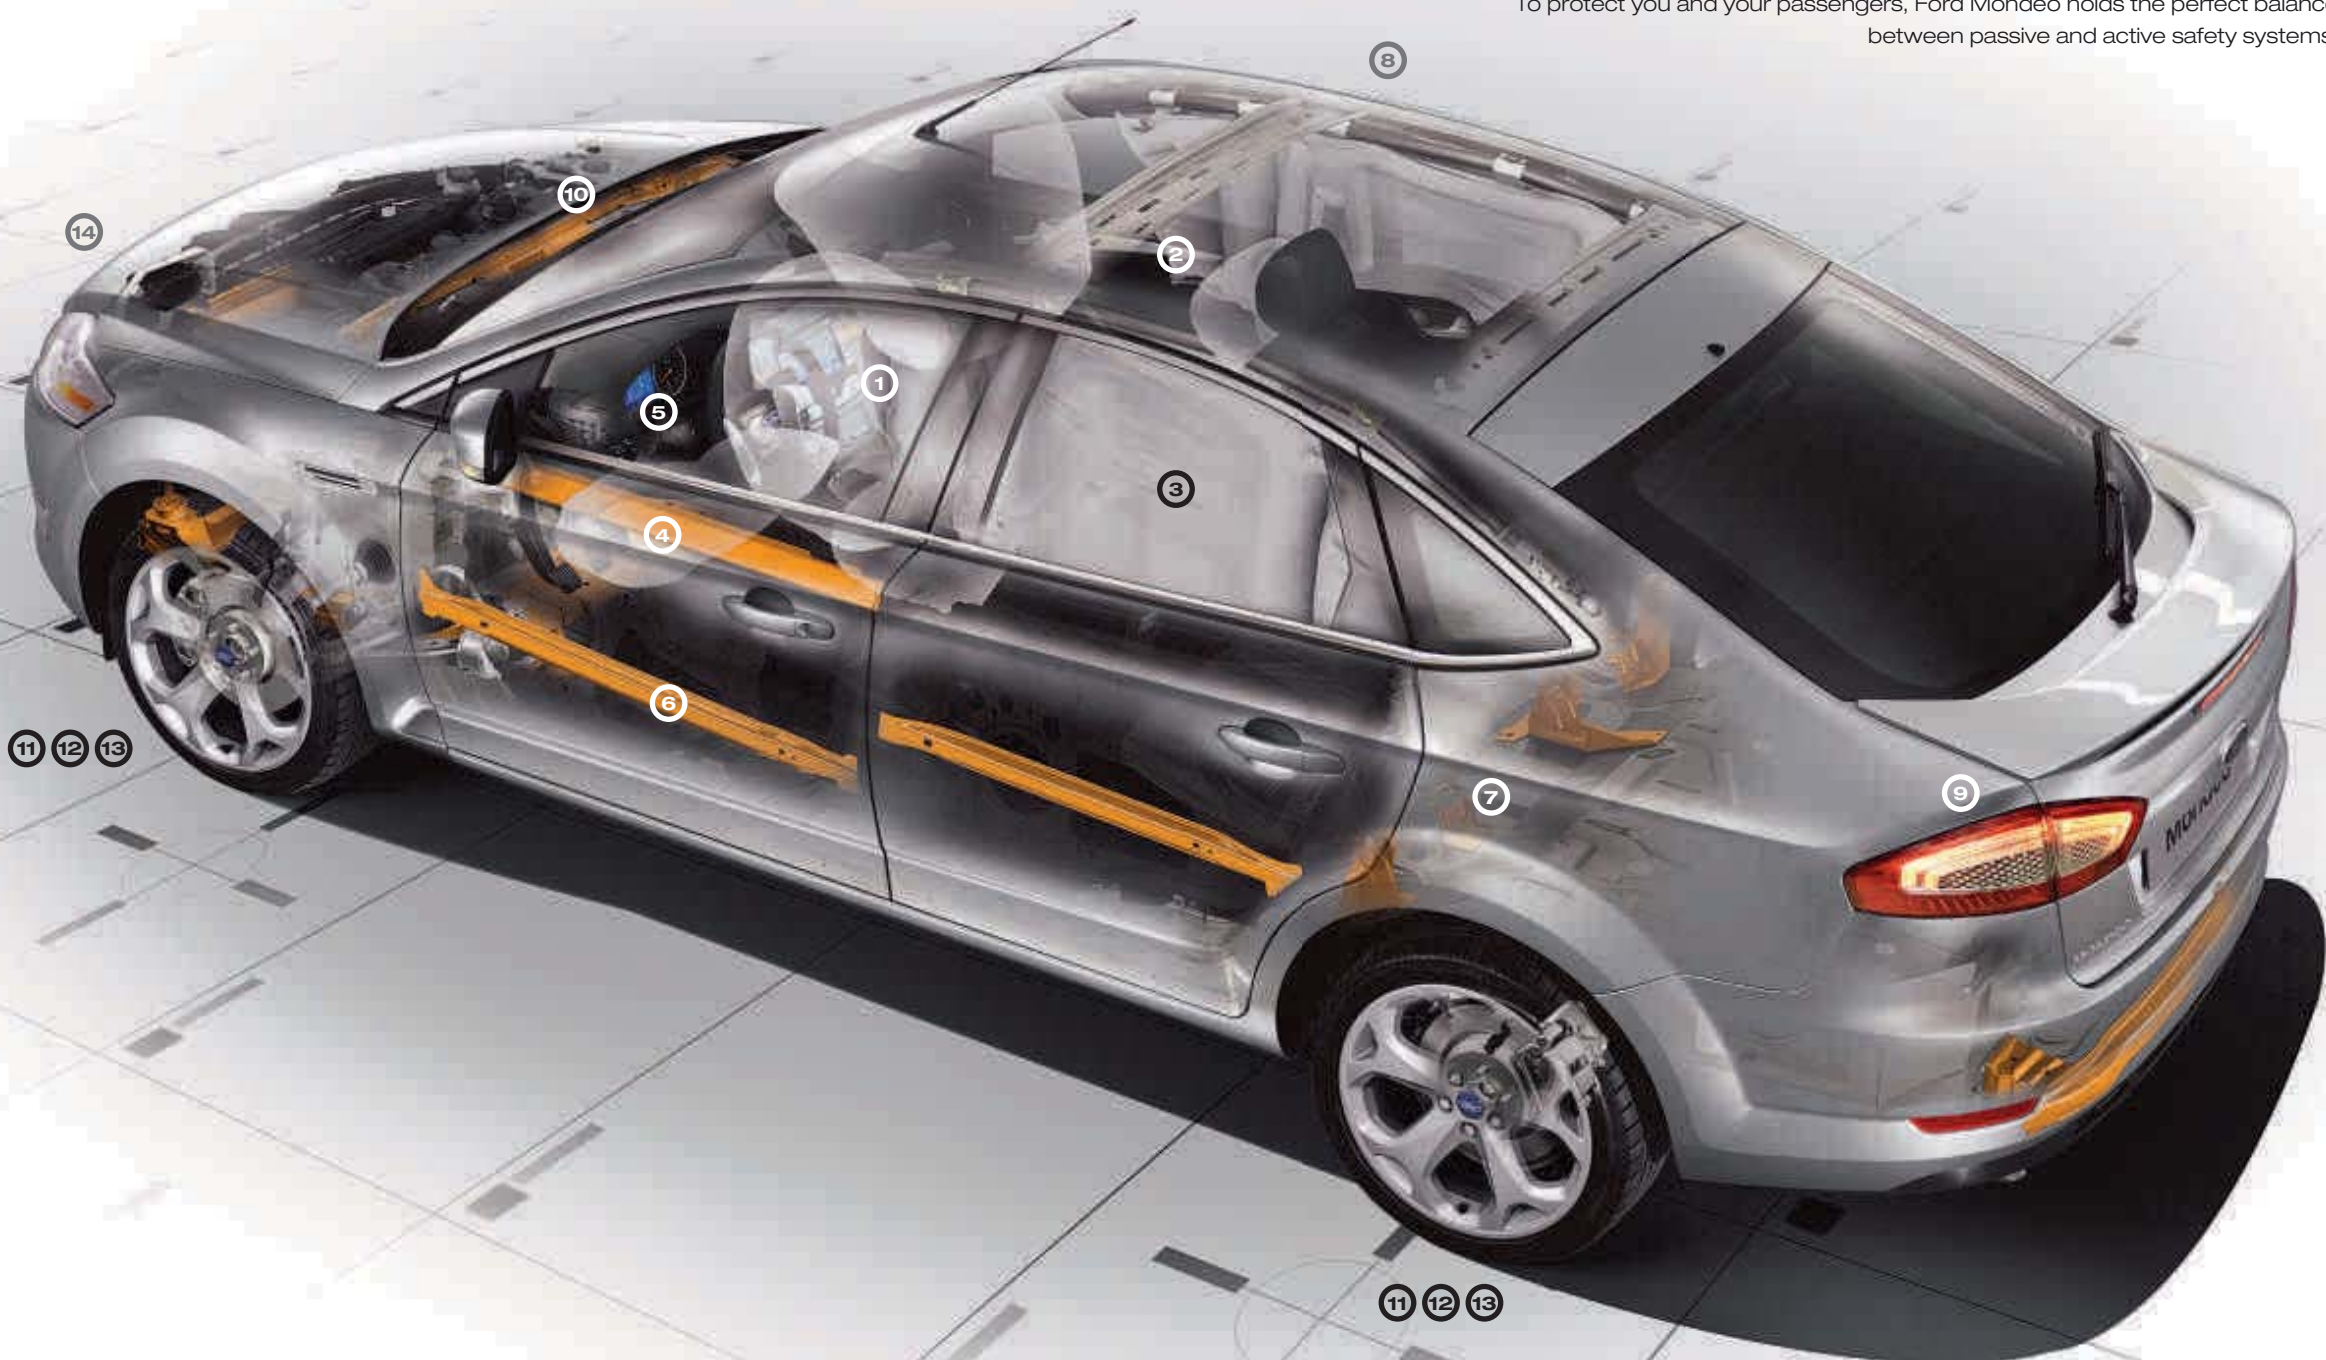

Balanced protection

Safety without compromise

- 1. Driver's and front passenger's airbags*
- 2. Driver's and front passenger's side airbags
- 3. Side curtain airbags
- 4. Driver's inflatable knee airbag
- 5. Collapsible steering column and retractable pedals
- 6. Side impact door beams
- 7. ISOFIX fixing points for child seats on rear outer seats
- 8. Rigid steel safety cage
- 9. Automatic flashing of brake lights under heavy braking
- 10. Engine compartment cross-beam and energy-absorbing subframe
- 11. Electronically-controlled anti-lock brakes (ABS) with electronic brake-force distribution (EBD)
- 12. Electronic Stability Programme (ESP) with Traction Control and Emergency Brake Assist (EBA)
- 13. Front and rear disc brakes
- 14. Adaptive Cruise Control with Forward Alert (option)

*Note: A child seat should never be placed in the front passenger seat when the Ford vehicle is equipped with an operational front passenger's airbag. The safest place for children is properly restrained on the rear seats.
*Not available with 1.6 Duratec TI-VCT petrol engine.

Lane Departure Warning

Alerts the driver if they exit their lane on the highway without using the indicator. Three short vibrations are sent through the steering wheel, along with a visual warning in the instrument cluster.
Option, as part of Driver assistance packs

Halogen Adaptive Front lighting System with static cornering lights

Swivels the low beam headlights by up to 15 degrees to aim in the direction you are heading, with static cornering lights providing extra light for sharp bends and junctions.
Not available on Mondeo in UK

HID Bi-Xenon headlights

More than twice as powerful as conventional headlights, but use only two-thirds of the energy.
Standard on Titanium X Sport (as pictured below)
Optional on Titanium X Business Edition

Adjustable Speed Limiting Device*

Available as part of cruise control, this system lets you set your top speed (active from 20 mph) and the engine management system ensures the vehicle remains within your set limit.
Not available on Edge or Graphite series

Auto High Beam

Switches the headlights from high beam to low beam as soon as it detects oncoming traffic or adequate street lighting.
When the road ahead is clear, the system automatically switches to high beam again.
Option, available as part of Driver assistance packs

Driver Alert

Uses a road-monitoring camera to assess the driver's alertness levels and displays them in the instrument cluster: a steering-wheel icon represents an alert driver; a coffee cup means a break is recommended. If the driver fails to stop, the warning is repeated at regular intervals with a warning chime.
Option, available as part of Driver assistance packs.

Smart technology is integrated into every corner of the Mondeo to make life safer and easier. A range of new state-of-the-art features such as Blind Spot Information System and Lane Departure Warning are now available to Mondeo drivers for the first time.

Technological superiority

Blind Spot Information System

This high-tech visual aid is designed to make longer journeys a far more relaxing experience. As a car, van or lorry enters your blind spot, it alerts you with a discreet warning light built into the driver's and passenger's power foldable door mirrors.

(Available as part of Driver assistance packs on: Zetec Business Edition, Titanium X Business Edition and Titanium X Sport)

'Ford Power' Starter Button

Start the car without ever holding the key. Just keep the key fob with you in your pocket or bag (Standard on Titanium X Business Edition and Titanium X Sport).

Acoustic windscreen

A specially developed acoustic vinyl is set in the windscreen to reduce noise levels.

A quieter interior gives more clarity to conversation, music or your valuable thinking time (Standard on all Mondeo).

Rear-view camera

Select reverse gear and the optional rear-view camera activates automatically in the DAB Touchscreen Navigation display screen, allowing you to see objects behind your car.

Special guidance graphics indicate the width and centre line of the car, based on the steering angle, for safer and easier manoeuvring.

(Included as part of the optional DAB Touchscreen Navigation PLUS system on Titanium X Business Edition and Titanium X Sport)

Self-retracting tonneau cover

An easy to use and convenient cover for your luggage (Standard on Mondeo estate models).

Power rear door and window child locks

Secure your most precious cargo with a flick of a switch on the driver's door (Standard on all Mondeo).

Capless refuelling with Ford Easy-Fuel

No dirty fuel caps to touch. Ford Easy-Fuel with its unique safeguard ensures nobody accidentally fills up with the wrong fuel (Standard on all Mondeo).

Edge

Model shown is an Edge in Moondust Silver metallic paint (option)

Edge gives you elegance and style with a generous level of equipment.

Features

- 16" 7-spoke wheel covers
- Bluetooth® Hands-Free & Voice Control System
- Ford Easy Fuel capless refueling system
- Thatcham approved alarm
- Air conditioning
- Quickclear heated front windscreen
- Cruise control
- Electrically-operated front & rear windows with power rear door & window child locks
- Leather-trimmed steering wheel
- Body colour bumpers & door mirrors
- Chrome upper grille surround
- Tinted glass windows
- Electrically-operated & heated door mirrors with integral indicators
- Human Machine Interface (HMI) cluster display
- Driver's seat manual height adjust and lumbar adjustment
- Trip computer
- Rear seat centre armrest
- Seven airbags, including driver's knee airbag
- Remote control central locking
- Electronic Stability Programme with Traction Control & Emergency Brake Assist (EBA)
- LED Rear lights
- Self coloured door handles

Note The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company Limited and its associated companies is under licence.

Mondeo Individual Exterior Styling Pack

From the front, eye-catching details include a distinctive upper and lower honeycomb grille in gloss black, and body colour front bumper and side skirts.

Rear spoiler
A Rear spoiler is part of the standard equipment on 5-door vehicles with the 1.6 TDCi ECONetic engine and also available as an option and accessory on selected models.
Rear spoiler is not available with TDCi engines in combination with an automatic transmission.

Mondeo Individual exterior styling

A single glance at the Ford Mondeo is all it takes to connect with its Ford Kinetic Design – that sense of dynamic forward movement, even when it's standing still. Now you can make it even more exciting to look at with the Ford Mondeo Individual Exterior Styling Pack.

Ford Mondeo Individual Exterior Styling Pack

(Standard on Titanium X Sport; also available separately as accessories)

- Body colour front bumper skirt
- Unique body colour side skirts
- Rear lower bumper area with diffuser in gloss black paint and lower bumper side corners in body colour
- Honeycomb upper and lower front grilles
- Polished stainless steel tailpipe finisher*

Custom-designed premium styling elements make your Mondeo stand out from the crowd. In addition to body colour front and side skirts, the rear lower bumper area includes a diffuser in gloss black and body colour side corners. The unique honeycomb design upper and lower front grilles are also painted in gloss black to complement the sporty appearance of the pack.

Shown above in order from top are the Mondeo 5-door and estate with the Individual Exterior Styling pack and 18" Individual alloy wheels in Mystique silver paint (option). For more sports appeal, a body colour rear spoiler is available as a separate option.

Ford Mondeo Partial Dress Up Kit

(Accessory)

- Front lower bumper panel in silver or gloss black**
- Rear bumper diffuser in silver or gloss black**
- Polished stainless steel tailpipe finisher*

**Depending on body colour.

The Partial Dress Up Kit is a great opportunity to enhance the muscular style of your Ford Mondeo Zetec Business Edition. Viewed from the front, the silver-painted lower appearance panel creates a more purposeful stance. From the rear, the silver-painted rear diffuser and polished stainless steel tailpipe finisher combine to give a clear signal of Ford Mondeo's dynamic abilities.

Shown from top are the Mondeo estate and 5-door with the Partial Exterior Styling pack and 17" 5x2-spoke alloy wheels (option and accessory). For more sports appeal, a body colour rear spoiler is available as a separate option or accessory.

*2.0 EcoBoost petrol and 2.2 Duratorq TDCi diesel engine, which have dual straight tailpipe finishers already as standard.
All features also available as accessories except fog light and LED day running lights.

Image right shows front appearance panel in Ebony (available as part of Partial Dress Up Kit).

Bluetooth® with Voice Control System

Enables you to make hands-free calls, while the Voice Control System technology lets you control your Bluetooth®-compatible mobile phone (phone not included), audio, navigation (where specified) and air conditioning (excluding Edge except when Touchscreen navigation system is specified) with the sound of your voice. (Standard)

Ford Mondeo is now available with the finest-quality audio systems we have ever offered – with the pleasure of concert-quality sound within your car.

Audio

Sony DAB audio system with USB Connectivity port

Add a new dimension to your in-car music with Sony DAB audio systems. Featuring Programme Type (PTY) and Digital Sound Processing, the Sony DAB Radio/CD/MP3 player has 40 programmable stations & nine speakers for enhanced sound quality and DAB digital technology.

Bluetooth® audio streaming compatibility with certain mobile phones (see www.ford.co.uk for details).

(Sony DAB audio is standard on Titanium X Sport)

Sony DAB audio with Premium Sound System

This is the ultimate in Ford Mondeo sound, featuring an 8-channel amplifier and superior quality speakers, including a fascia-mounted tweeter and a concealed sub-woofer for superlative sound reproduction. The three radio tuners and two antennae work together to ensure that the best possible radio signal and traffic data is being received. Includes USB/MP3/iPod® connectivity port (Option, available on Titanium X Sport).

RDS TMC Traffic Information System

Reduce your time spent in traffic jams with the new RDS TMC Traffic Information Service. Using data gathered by roadside sensors, it extends the performance of your navigation system by allowing it to use live information to calculate an alternative route and avoid traffic congestion.

Note The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company Limited and its associated companies is under licence. Other trademarks and trade names are those of their respective owners. iPod® is a trademark of Apple Corporation

Note It is an offence for drivers to use a hand-held mobile phone or similar device while driving.

Ford 6000 radio/CD

This stereo radio/CD player features 'Keycode' anti-theft coding, RDS EON, 24 programmable stations and eight speakers. Remote control functionality via the left steering wheel toggle switch.

Includes AUX connection (Aux input lead available as an accessory for external music devices). (Standard on Edge and Graphite)

Touchscreen Navigation system with DAB Radio/CD Audio and 7" colour touchscreen

Features a 7" colour touchscreen with map turn-by-turn instructions to your destination, (displayed in the instrument cluster), USB port for your iPod®, MP3 compatibility and eight speakers.

(Option on Zetec Business Edition, standard on Titanium X Business Edition)

Bluetooth® audio streaming compatibility

Touchscreen Navigation PLUS system with DAB Radio/CD Audio, 7" colour touchscreen and Rear-view camera

Features a Rear view camera, 7" colour touchscreen with map turn-by-turn instructions to your destination, (displayed in the instrument cluster) USB port for iPod®, MP3 compatibility, chrome switch detailing and nine speakers.

(Option on Titanium X Business Edition and Titanium X Sport)

Bluetooth® audio streaming compatibility

Ford Individual Rear Seat Entertainment DVD Multimedia System

Features a built-in DVD player with two independently-operated LCD 7" screens, remote control, two wireless headphones and includes keyless entry. (Option)

Toggle controls

Steering wheel-mounted toggle controls let you operate the audio system and trip computer without taking your hands off the wheel. (Standard)

USB connectivity port

Built-in connectivity for your iPod®, MP3 player or USB stick. Lets you listen to and operate your player via the car's audio system. USB port is standard on Zetec Business Edition, Titanium X Business Edition & Titanium X Sport.

To check Bluetooth or USB phone/media device compatibility please visit www.ford.co.uk. A dedicated connector cable is available as an accessory for operating most MP3 players & iPods®.

Eibach® suspension-lowering kit
The Eibach® suspension-lowering kit enhances driving performance and handling as well as providing a more dynamic stance. Lowers the car by approximately 30 mm. (Accessory)

A range of distinctive alloy wheels designed to be the perfect complement to the dynamic styling of your Ford Mondeo.

Wheels

Left:
19" 5-spoke alloy wheel
Standard on Titanium X Sport.
(Also available as an accessory)

*Only available with sports suspension. If ordered as an accessory, a steering rack limiter is required.
*Please see back cover for warranty information.
Note The 18" and 19" wheels available on Ford Mondeo are designed to deliver more sporting driving characteristics and a firmer ride quality compared to 16" and 17" wheels. All alloy wheels shown are painted in Sparkle Silver unless otherwise stated.

16" 5x2-spoke alloy wheel
(Option on Business Edition models and standard on Graphite when ordered with 1.6 TiVCT engine (Also available as an accessory).

- 4. Tow bar – fixed* or detachable**
- 5. Thule XTENDER ski/snowboard carrier*+ – lockable and extendable
- 6. Thule roof box 'Pacific 200'*+ with crossbars*
- 7. Sliding load floor (Option not available in UK)
- 8. Waeco coolbox*+ – One of a range of easy to carry 12 volt thermoelectric coolboxes*
- 9. Mudflaps* – protect your bodywork from unsightly stone chips and road spray
- 10. Britax Romer child seat*+ – with ISOFIX
- 11. ClimAir® wind deflector*+ – for front and rear windows

For further information, please talk to your Ford Dealer.

+ Item covered by third party supplier's warranty, please see back cover for details.

*Available as an accessory.
**Available as an option and accessory.
***Available as an option only.
†Meets European ECE-17.07/DIN 75410-2 safety requirements.
‡Standard on Titanium X Business Edition and Titanium X Sport, also available as accessory.

Dog guard system**
Available for the estate: to fit behind the rear seats. (Option and accessory)

Reversible luggage compartment mat*
Ideal for carrying wet or dirty items and perfectly tailored to fit your luggage compartment, this reversible mat offers carpet on one side and durable rubber on the other. (Accessory)

Luggage compartment liner*
Protects your luggage compartment from dirty and wet items. Shown here with accessory Ford Football "Carbon". (Accessory)

Polished and protected
Robust and good-looking rubber* or velour* floor mats for protection of the interior and a pedal set with aluminium covers** to give your Ford Mondeo a sporty and stylish appearance.

Rear bumper protection
The bumper protection‡ shields the Mondeo estate's rear bumper from scuffs and scratches. Also available for all bodystyles is a transparent protection foil*. (Accessory)

Rear bumper protection strip*
The transparent strip helps to keep your bumper free from scratches. (Accessory)

*In 4th gear. ⁹Ford test figures. ⁹⁹The declared fuel consumptions and CO₂ emissions are measured according to the technical requirements and specifications of European Directive 80/1268/EEC or the European Regulation (EC) 715/2007 amended by (EC) 692/2008. Fuel consumption and CO₂ emissions are specified for a vehicle type and not for a single car. The applied standard test procedure enables a comparison between different vehicle types and different manufacturers. This information is not part of any product offer made. Real world fuel consumption can vary as the fuel efficiency of a vehicle is influenced by (individual) car configurations, driving behaviour, use of technical equipment such as air conditioning, as well as other non-technical factors. All petrol engines are equipped with a catalytic converter.

The Ford Mondeo is covered by the Ford Perforation Warranty for 12 years from the date of first registration. Subject to terms and conditions.
*Frozen White, Metallic and Special metallic body colours are options at extra cost.
Note The car images used are to illustrate body colours only and may not reflect current specification. Colours and trims reproduced within this brochure may vary from the actual colours, due to the limitations of the printing processes used.

Your new Ford Mondeo

We have developed a simple three-step plan to help you choose, finance and drive your new Ford Mondeo.

Choose

Use the form opposite to specify your new car right down to the wheels, audio, options and accessories, then take it to your Ford Dealer.

You can also specify your new car online using the Ford Configurator. It lets you instantly see what your car will look like – inside and out – from multiple angles. And a tally of your choices and their prices helps you keep to your budget.

Visit www.ford.co.uk/SBE/ConfigureYourVehicle

Finance

When it comes to financing your car, our size and expertise means we're well placed to provide you with a wide range of finance products.

Ford Credit** provides straightforward finance products for your car whether you are a private or business user.

Ford Lease^ provides simple tailored funding solutions for your business. Business users only

For more information about our finance products visit ford.co.uk

Drive

When you drive away in your new car, we're with you all the way. Ford has the largest authorised service network in the UK to help you keep your car in the best condition.

And should your new Ford ever require accident repair, a Ford Accident Repair Centre is the best place to get your car back to its pre-accident condition and on the road as quickly as possible.

Illustrations, descriptions and specifications. This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of products from our suppliers. **+**The identified accessories are carefully selected third party supplier branded accessories which do not come with a Ford warranty but are instead covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. The iPod word mark and logos are the property of Apple Inc. Other trademarks and trade names are those of their respective owners. **Note.** Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.

The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular vehicle. The vehicles themselves have not been tested and there are inevitably differences between individual vehicles of the same model. In addition, a vehicle may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.

Ford and BP – working together to reduce fuel consumption and emissions.
