

# CITROËN SELECTION EDITIONS

# YOU MAKE THE SELECTION

When creating the new Citroën Selection range we began with you. Rather than simply adding details, we focused on key style elements that would be on a discerning owner's wish list and would complement the whole design, both inside and out. The result? Four head turning and thoughtfully enhanced Citroën models with powerful personal appeal.

Each one starts with a generous standard specification that embraces style, safety, comfort, entertainment and communication. Then a series of exclusive and desirable features is added to the mix, from elegant alloy wheels to chrome highlights or a panoramic sunroof. It's time to make your Selection!

# CITROËN C3 SELECTION EDITION

The bold curves and compact dimensions of Citroën C3 Selection surround a spacious interior bathed in brightness from the sweeping high tech panoramic Zenith windscreen. Where better to appreciate some additional quality style elements?

Bright chrome details contrast beautifully with the 17 inch black 'Clover' alloy wheels, whilst powerful front fog lights increase visibility in tricky conditions. Inside, the ambience is refined and contemporary with a gloss black centre console and 'Liberia' cloth trim.
