VIGNALE

Go Further

A new expression of Ford.

Ford Vignale brings together award-winning design with a unique ownership experience.

Ford Vignale designers were influenced by trends from furniture to fashion to create this new expression of Ford. So it seemed only fitting that the Ford Vignale Collection should be showcased at the Salone del Mobile, the world's leading furniture design expo held in Milan. Inspired by design cues from Ford Vignale cars, the collection includes the **Ford Vignale Weekender**, a luxury overnight bag that won the prestigious iF design award 2014, bestowed on products that thoroughly prove their superior value.

Discover a world made for you.

Luxury comes as standard with Ford Vignale. You are greeted by the unique Vignale welcome screen and quilted leather seats with hexagonal design that are sumptuous and inviting.

Exclusively sourced soft-touch leather extends across the dash and includes the steering wheel, instrument panel, centre console and armrest.

This is a full leather interior in the truest sense, combining the craftsmanship of traditional coach building with the best in contemporary design.

Your dedicated Ford Vignale Relationship Manager.

It's only at a **Ford Store** that you can enjoy the full **Ford Vignale experience**. In the tranquil environment of the **Ford Vignale Lounge**, you can sample exclusive materials and colours, and discover exciting features and technologies.

To help you on the journey, a specially-trained **Ford Vignale Relationship Manager** will be your single point of contact, and will remain so, to ensure your Ford Vignale ownership is a delightful experience.

Only found on a Ford Vignale.

Whether you choose the four-door saloon or the estate, your Ford Vignale will be distinguished with exclusive 18" alloy wheels, hexagonal-style mesh grille and dual exhausts♦.

You can even order your Ford Vignale in the unique optional* Nocciola paint colour, shown here.

*Optional at extra cost

♦Dual exhausts are not included on Hybrid Electric Vehicle model

Advanced technology inside and out.

The **Active Noise Cancellation system*** and extra thick laminated glass result in a whisper-quiet interior. Within this calm environment **Ford SYNC 2 with voice control and Touchscreen** connects to your smartphone to play music, make and receive hands-free calls and read out incoming text messages – all with simple voice commands. Ford technology even gives you a more illuminating view of the road.

Adaptive Lighting with Ford Dynamic LED headlights adjust automatically to provide the optimal light pattern in different driving conditions.

*Active Noise Cancellation system is not available on petrol models.

It's all about your time.

Ford Vignale recognises that time is your most precious commodity.

That's why ownership brings you services and benefits to help you reclaim your time.

Let us take care of it.

As a Ford Vignale owner, you need only call **one number** to access anything and everything relating to Ford Vignale services.

One call to tell us what you want, and we will take care of it.

The fuel economy figures quoted in the table below are achieved by following strict EU governed test procedures and are specifically designed to enable customers to compare vehicles from all manufacturers on a like-for-like basis. Fuel consumption is directly affected by the length of the journey; number of passengers and amount of luggage carried; individual driving style; road and traffic conditions; weather conditions; vehicle age, mileage, condition and standard of maintenance; use of vehicle features such as air conditioning; and any modifications to the vehicle such as the addition of a roof rack. Your fuel economy will vary based on these and other factors and, for these reasons, many drivers may not achieve the EU fuel economy figures (below) in day-to-day driving, although the vehicle is technically capable of doing so.

*In 4th gear. ^aFord test figures. ^{**}The declared fuel / energy consumptions, CO₂ emissions and electric range are measured according to the technical requirements and specifications of the European Regulation (EC) 715/2007 and (EC) 692/2008 as last amended. Fuel consumption and CO₂ emissions are specified for a vehicle variant and not for a single car. The applied standard test procedure enables comparisons between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors are very important in determining a car's fuel/energy consumption, CO₂ emissions and electric range. CO₂ is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO₂ emissions which contains data for all new passenger car models is available at any point of sale free of charge or can be downloaded from <http://carfueldata.dft.gov.uk/>.

Ford Vignale colours.

Ford Vignale owes its beautiful and durable exterior to a special multi-stage painting process.

From the wax-injected steel body sections to the protective top coat, new materials and application processes ensure your Ford Vignale will retain its good looks for many years to come.

The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular car. The cars themselves have not been tested and there are inevitably differences between individual cars of the same model. In addition, a car may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the car has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.
