

New Generation
Hyundai i20

Style. Space. Refinement.

Make room for the New Generation i20. Its sophisticated styling creates a distinctive first impression. Once you get inside, you'll enjoy the refinement of a surprisingly spacious interior which includes high levels of equipment that you'd normally find in a much bigger car. With generous proportions and intuitive design, you'll enjoy complete comfort on every journey.

Car shown not to UK specification.

Make a big impression.

Designed and developed in Europe, the New Generation i20 exudes confidence from every angle. This latest interpretation of Hyundai's 'Fluidic Sculpture 2.0' design philosophy is enhanced by dynamically stretched headlights and gloss black c-pillar treatment. The electric panoramic sunroof, available on Premium SE, is unique in its class – enjoy stunning views inside and out.

Sit back and enjoy the ride.

Space isn't a luxury, it's a must. There's easily enough room inside to comfortably accommodate five adults, while it also comes with up to 326 litres of boot space to carry your things. The i20's panoramic sunroof lights up your driving experience and your interior colour package will complement your exterior colour choice perfectly.

Car shown not to UK specification.

Enjoy quality in every detail.

Carefully chosen materials create a high-quality ambience, while thoughtful features and functions will exceed your expectations.

Heated steering wheel. Perfect for those cold winter mornings. (Premium SE)

Audio system. RDS radio with CD/MP3 player, Bluetooth® connectivity and My Music. The system can also be operated using the steering wheel controls. (SE, Premium & Premium SE)
