# NEW THINKING. NEW POSSIBILITIES.

---

Here at Hyundai, we're proud of what we've achieved in such a short space of time. After launching our 5-year unlimited mileage warranty, we've become one of the world's fastest-growing car companies. We've also mass-produced the world's first zero-emission fuel cell vehicle. In 2017, we became the first manufacturer to sell cars through our Click to Buy website – where you can trade-in your own vehicle and buy a new one online in just a few minutes. For us, change is at the heart of what we do and we're always focused on the future. So what happens next? It's a simple question and the answer is inspired by you – our customers. That's because our next innovation is always with your ownership experience in mind. Whether it's enhancing our cars, transforming the buying experience or improving the world around us. That's why, here at Hyundai, 'done' is never 'done'. We're always excited to start again.

The i20 3 door and 5 door share a fluidic design style and a range of intuitive features. The experience is enhanced by useful technologies, making every journey a new adventure.

the i20 Active. The 5 door is offered with the 1.2 75ps on the S and S Air, on SE and above you can choose from the 1.2 84PS, 1.4 100PS automatic or the 1.0 T-GDi 100PS, whilst the 1.0 on the Premium SE benefits from 120PS if you opt for this trim.

# The 5 door Active comes primed for adventure.

The 5 door Active brings its own striking attributes and distinct personality. With unique exterior styling, it certainly makes a big impression. Its rugged stance sets it up for adventure, while its spacious interior means you'll leave nothing behind.

The Active commands respect from the moment you lay eyes on its unique front and rear bumpers, skid plates, stylish wheel arches and sill moulding — plus its highly practical roof rails. If the exterior suggests an active lifestyle, then its interior only enhances this feeling, thanks to a higher driving position for extra authority with a 20mm raised suspension that provides an even better view of the road ahead. Ideal for driving around town, you'll also respect its versatile capabilities when you fancy taking it further afield. Fit in your friends and luggage and make the most of this impressively compact crossover.

# Enjoy peace of mind on every trip.

The i20 is a car you can trust. Its intelligent features and reassuring innovations have been designed to protect you and your passengers, you'll feel safe and secure at all times.

Your safety is our first priority. Electronic Stability Programme (ESP) comes as standard and you'll also enjoy the added security of a Tyre Pressure Monitoring System (TPMS). It doesn't matter what kind of journey you're on, you'll simply get an alert to tell you if your tyres aren't inflated to the optimum level. There are

also 6 airbags placed around the car to protect you and your passengers, ensuring you can trust the i20 on every occasion. Finally, take a long trip and benefit from the clever Lane Departure Warning System (LDWS) on 5 door SE and above (excluding Active). Wherever you go, it'll keep you right on track.

## Hyundai Finance

Hyundai Finance provides a range of products to make the purchase of your Hyundai even more accessible. To meet your requirements, our plans are simple but offer you the same quality and flexibility as your new Hyundai. Applying for a finance plan through your local Hyundai dealer is easy and they will support you in choosing the right plan for your needs.

As a customer your satisfaction is at the heart of our business, and whilst you are able to manage your account online, we are only a phone call away should you require any help or assistance. We offer two main products to assist your car purchase:

### CONDITIONAL SALE

Conditional Sale is a simple and traditional way to finance your car over a fixed period. You decide to fund the entire purchase price or put down a deposit and as your interest rate is fixed you'll pay the same amount each month. After all repayments have been made you'll own the car.

### PERSONAL CONTRACT PURCHASE (PCP)

Personal Contract Purchase could make it easier for you to get behind the wheel of your Hyundai, it may also help you to change your car on a more regular basis.

The way it works is simple — you decide what level of deposit to pay. From nil, up to a maximum of 50%. You also decide your repayment period (typically 25, 37 or 49 months) and set your anticipated annual mileage. This will determine your optional final payment.

You will then make fixed monthly repayments based on the outstanding balance and interest, less your optional final payment, and at the end of your monthly repayment period you will have three choices: return, retain or renew.

**RETURN:** you can hand the car back to us with nothing further to pay (subject to fair wear and tear, and/or excess mileage charges may apply).

**RETAIN:** you can pay the optional final payment and the car is yours.

**RENEW:** you can part exchange the car, using any equity over and above the optional final payment as deposit on your next car (equity is anticipated, but this cannot be guaranteed).

T&Cs apply. Subject to status. Applicants must be 18 or over. Guarantee/Indemnity may be required.

## 5 Year Unlimited Mileage Warranty

The passion and belief we have in the quality of our products mean we can offer an aftercare package to match. Visit your local Hyundai Authorised Repairer and we'll attend to you straight away, giving you a fully-inclusive quote for the work you've requested.

Only Hyundai-Trained Technicians will carry out this work, and we'll also check for any software updates to keep your car running smoothly. You can also be sure that we'll only use Hyundai Genuine Parts which have been thoroughly tested and approved. On collection, we'll explain your invoice and call you within 3 days of your appointment to check you're completely satisfied.

As the people who know your car best, the quality of our service is second to none.

### 5 YEAR UNLIMITED MILEAGE WARRANTY

A manufacturer-backed, unlimited mileage, 5 Year Warranty\* protects your Hyundai against manufacturing defects\*\* and is fully transferable to the next owner.

### 5 YEAR ROADSIDE ASSISTANCE

24 hour roadside assistance should you ever need it, anywhere in the UK or Channel Islands.

### 5 YEAR ANNUAL VEHICLE HEALTH CHECKS

A free, expert visual inspection by your Hyundai dealer on key areas of your car, to help sort any problems and ensure trouble-free motoring.

### ADDITIONAL AFTERCARE

A 12 year Anti-perforation warranty against perforation of the bodywork, from the inside of the panel outwards.

\* Hyundai 5 Year Warranty subject to Terms and Conditions see website Hyundai.co.uk.

\*\* Vehicles used for taxi or private hire are covered by a 5 year, 100,000 mile warranty. Cover excludes fair wear and tear.

## Motability Plans

The Motability plan will enable some of you to purchase a Hyundai at a preferential rate. If you receive the Higher Rate Mobility Component of the Disability Living Allowance, you're entitled to access this excellent scheme. In recognition of your requirements, many Hyundai models can be ordered on the 3 year Contract Hire Scheme.

You'll benefit from advantageous features like power steering, height-adjustable driver's seat and automatic gearbox, which all come as standard.

Most of our dealers are Motability Accredited, so just contact them and they'll be happy to help. If you'd like to read about the scheme in more depth, simply visit [www.motability.co.uk](http://www.motability.co.uk)

## Ownership

We're always thinking about how to make owning a Hyundai an enjoyable experience and that's exactly what you get with a Hyundai Fixed Price Service Plan. As a valued customer, we'll take care of all your Hyundai's scheduled servicing for up to 5 years or 50,000 miles.

Being covered by a Hyundai Fixed Price Service Plan means:

- Your Hyundai's servicing is covered in a single payment that can be included in your finance agreement
- You have a choice to cover your servicing for 3 or 5 years\*
- Only trained Technicians will expertly assess and service your Hyundai
- Should any parts need replacing during your servicing, your Hyundai will be fitted with Hyundai Genuine Parts
