**HYUNDAI** | NEW THINKING.  
NEW POSSIBILITIES.

# NEW THINKING. NEW POSSIBILITIES.

---

Our philosophy is to do things differently and embrace every challenge. Whatever you're looking for on the open road, we've made it possible by refining every area. We're the only car maker to control the entire manufacturing process, which we're especially proud of since we've made over 50 million cars. We're also the first car manufacturer to produce zero emission fuel-cell powered vehicles, and we've achieved over 90% recyclability of our cars. Every day we aim to improve, which is why we're the world's fastest growing manufacturer and received the industry's Motor Trader's Carmaker of the Year award for the third time in just six years. Thanks to your support, the possibilities are endless.

# Welcome to the i800, home to big ideas.

Built for practicality and comfort, the i800 will rise to any occasion. Stylish, spacious and big on safety, it's a flexible and inventive car with huge possibilities.

## Total flexibility

The i800 stands apart due to its smart design – unlike most other cars in its class it comes with eight seats rather than seven, so there's always plenty of room for passengers and luggage. The sliding doors allow easy access for passengers, while useful mud flaps keep the bodywork nice and clean. The 2.5 CRDi engine delivers two power outputs – either 136PS or 170PS — so you'll have all the performance you need. There are also manual and automatic transmission options too. We've incorporated Electronic Stability Programme (ESP), Anti-lock Braking System (ABS), Electronic Brake force Distribution (EBD) and Traction Control System (TCS), so you'll enjoy a safe journey. And when you come to a stop, you'll take advantage of the rear parking sensors to guide you into the tightest gaps. It's a versatile vehicle that's perfect for every occasion.

Car shown i800 SE in Hyper Silver metallic paint.

## A powerful combination of design and purpose.

There's a special kind of beauty in design that aligns perfectly with function. From refined details to flexible layouts, you'll enjoy exploring its many impressive qualities.

### Style and storage

Privacy glass, 16" alloy wheels and body-coloured door handles enhance its stylish appearance, while its eight seats provide useful practicality and maximum comfort. A stylish ergonomic dashboard ensures that everything's within reach, while a leather steering wheel, a leather centre-mounted gear knob and optional leather seat trim enhance its high-quality appearance. And that's without even mentioning the practical front seat back pockets for extra storage space, as well as flush sliding rear windows and adjustable LED mood lighting. The i800 maintains its unique style while refusing to compromise its practical features.

# A well organised family car with space to spare.

Total comfort with everything at your fingertips. Its quality finish ensures an extra layer of luxury so you and your passengers can sit back and relax.

## Enjoy the drive

The i800 takes good care of its passengers, but it's just as comfortable in the driver's seat. The elevated driving position gives you excellent visibility, and the seat is also heated and fully adjustable, enabling you to find the right position. The second row slides and reclines, while the third row also reclines. It'll enable your passengers to find the perfect position with generous leg, head and shoulder room. The second row of passengers will also be able to alter the air conditioning settings so they can find the ideal temperature. If there are fewer passengers in the car, you'll still be able to put the space to good use. Both the second and third row of seats split 60/40 for extra storage — perfect for trips to a DIY store or garden centre. With an adaptable layout and the added boost of Bluetooth® connectivity to keep you entertained, it's one of the leading cars in its class.

## Hyundai Finance

Hyundai Finance provides a range of products to make the purchase of your Hyundai even more accessible. To meet your requirements our plans are simple but offer you the same quality and flexibility as your new Hyundai. Applying for a finance plan through your local Hyundai dealer is easy and they will support you in choosing the right plan for your needs.

As a customer your satisfaction is at the heart of our business, and whilst you are able to manage your account online, we are only a phone call away should you require any help or assistance. We offer two main products to assist in your car purchase:

### CONDITIONAL SALE

Is a simple and traditional way to finance your car over a fixed period. You decide to fund the entire purchase price or put down a deposit and as your interest rate is fixed you'll pay the same amount each month. After all repayments have been made you'll own the car.

### PERSONAL CONTRACT PURCHASE (PCP)

Personal Contract Purchase could make it easier for you to get behind the wheel of your Hyundai, it may also help you to change your car on a more regular basis.

The way it works is simple, you decide what level of deposit to pay. From nil, up to a maximum of 50%. You also decide your repayment period (typically 25, 37 or 49 months) and set your anticipated annual mileage. This will determine your optional final payment.

You will then make fixed monthly repayments based on the outstanding balance and interest, less your optional final payment, and at the end of your monthly repayment period you will have three choices: return, retain or renew.

**RETURN:** you can hand the car back to us, with nothing further to pay (subject to fair wear and tear, and/or excess mileage charges may apply).

**RETAIN:** you can pay the optional final payment and the car is yours.

**RENEW:** you can part exchange the car, using any equity over and above the optional final payment as deposit on your next car (equity is anticipated, but this cannot be guaranteed).

\* T&Cs apply. Subject to status. Applicants must be 18 or over. Guarantee may be required.

Only Hyundai Trained Technicians will carry out this work, and we'll also check for any software updates to keep your car running smoothly. You can also be sure that we'll only use Hyundai Genuine Parts which have been thoroughly tested and approved. On collection, we'll explain your invoice and call you within 3 days of your appointment to check you're completely satisfied.

As the people who know your car best, the quality of our service is second to none.

### 5 YEAR UNLIMITED MILEAGE WARRANTY

A manufacturer backed, unlimited mileage, 5 Year Warranty\* protects your Hyundai against manufacturing defects\*\* and is fully transferable to the next owner.

### 5 YEAR ROADSIDE ASSISTANCE

24 hour roadside assistance should you ever need it, anywhere in the UK or Channel Islands.

### 5 YEAR ANNUAL VEHICLE HEALTH CHECKS

A free, expert visual inspection by your Hyundai dealer on key areas of your car, to help sort any problems and ensure trouble-free motoring.

### ADDITIONAL AFTERCARE

A 10 year Anti-perforation warranty against perforation of the bodywork, from the inside of the panel outwards.

\* 5 Year Unlimited Mileage Warranty terms and exclusions apply. Please see [www.hyundai.co.uk](http://www.hyundai.co.uk) or ask your local dealer for full terms and exclusions.

\*\* Vehicles used for taxi or private hire are covered by a 5 year, 100,000 mile warranty. Cover excludes fair wear and tear.

## Motability Plans

The Motability plan will enable some of you to purchase a Hyundai at a preferential rate. If you receive the Higher Rate Mobility Component of the Disability Living Allowance, you're entitled to access this excellent scheme. In recognition of your requirements, many Hyundai models can be ordered on the 3 year Contract Hire Scheme.

You'll benefit from advantageous features like power steering, height-adjustable driver's seat and automatic gearbox, which all come as standard.

Most of our dealers are Motability Accredited, so just contact them and they'll be happy to help. If you'd like to read about the scheme in more depth, simply visit [www.motability.co.uk](http://www.motability.co.uk)
