

Tucson

Welcome to Hyundai. Welcome to Candoism.

Innovation is at the heart of what we do. We call it 'Candoism' and it keeps us focused on the future. We're proud of what we've achieved in a short space of time. Since launching our industry-leading 5 year unlimited mileage warranty, we've become one of the world's fastest growing car companies. We developed the world's first mass produced zero-emission Hydrogen Fuel Cell vehicle and we recently launched IONIQ – the only car available in hybrid, electric and plug-in hybrid options. We've also revolutionised the buying experience with Click to Buy – our clever website which allows you to buy your next Hyundai from the comfort of your sofa. So what happens next? The answer is inspired by you, our customers, because our next innovation will happen with you in mind. For us 'done' will never be 'done' – we're always excited to start again. Welcome to Candoism. Welcome to Hyundai.

Bold and fully equipped, this compact SUV will grab your attention and never let go. Tucson is packed with technology, styled for luxury and more than a match for all conditions. It'll power through everything, including your expectations.

Car shown Tucson Premium SE in White Sand metallic paint.

It stamps its authority long before you step inside.

Tucson doesn't so much hint at an athletic drive as practically shout it from every feature. Distinctive and uncompromising, its striking appearance will change the way you think about driving. If you're looking for presence, here is the answer.

Experience an instant impression of movement when you focus on its stylish wheel designs, framed by squared wheel arches. With LED daytime running lights and its signature hexagonal grille providing a distinct look from the front, the rakish roofline completes an unmistakably athletic design. With a belt line that 'kicks up' to deliver a spectacular profile from the side, it's got every angle covered. As the embodiment of sportiness, the Tucson's agile stance makes you want to experience it for yourself.

Refined luxury makes it your home on the road.

Sophisticated and elegant with a wealth of technologies at your fingertips, Tucson excels when it comes to luxury. Fully equipped and ready to go, its interior refinement matches its outer appeal.

Designed as an environment for you to relax, the Tucson showcases pure quality throughout. Enjoy soft touch materials and luxurious upholstery, including leather seat facings on Premium and above. Find your ideal driving position thanks to the electric seat adjustment settings, then turn to the elegant horizontal dashboard which displays a variety of useful features. Top it all off with the panoramic sunroof on Premium SE, which allows plenty of light in to the cabin and gives occupants an excellent view of the world outside.

Car shown Tucson Premium SE manual.

With plenty of room, you'll always travel in comfort.

Tucson takes care of you on the road by excelling when it comes to comfort and practicality. Flexible seat formations, an abundance of space and plenty of luggage storage help it exceed your expectations.

Tucson includes plenty of head, leg and shoulder room for you and your passengers, ensuring maximum comfort on every journey. Versatile seat formations let you tailor the layout and up to 1,503 litres of boot space (where tyre repair kit is fitted) means everything will fit comfortably. The rear seats recline to allow your passengers to find the perfect position on long trips, while heated front seats on the SE model and above will keep you toasty on winter mornings. To prove that Tucson is a car for all conditions, you can make the most of ventilated front seats on Premium SE, ensuring you stay cool and fresh when the weather heats up. The smart electric tailgate on Premium SE makes life that little bit easier. Just stand behind the car with your key in your pocket and after 5 seconds the tailgate will open automatically, which is incredibly convenient if you've already got your hands full.

When it starts to pour, the Tucson really shines.

Tucson is more than a match for the conditions outside, even when you'd rather stay indoors. With technologies designed to handle the worst, you'll enjoy an exhilarating drive whatever the weather may be.

When the going gets tough, Tucson really gets going. The optional 4WD on the selected models has an intuitive two-mode system so that when a potential loss of traction is detected, up to 50% of torque is transferred to the rear wheels. Torque distribution can be locked at 50:50 when experiencing tricky weather conditions such as ice and snow, so you'll soon be embracing the testing environment. Downhill Brake Control automatically applies

the right amount of brake pressure to maintain a safe and steady descent, while Hill-start Assist briefly holds the brakes to avoid rolling backwards. Finally, the Electronic Stability Programme helps stabilise the vehicle during cornering manoeuvres by selectively applying any one of the vehicle's brakes to assist the driver with keeping the vehicle on the intended path. You might not be ready for the British weather but the Tucson certainly is.

Car shown Tucson Premium SE 2.0 CRDi in Platinum Silver pearl paint.

A responsive drive in a serene environment.

Whether you want power, agility, economy or relaxation, Tucson always delivers. It's all down to the finest materials, advanced technologies and a choice of excellent engines. We've done the hard work so you can focus on the fun factor.

You'll feel the Tucson's pure quality as soon as you set off, especially through the supreme sound absorption materials that reduce road and wind noise, keeping you relaxed at all times. When it comes to the drive, there's an impressive range of engine options for you to select from. These include the 1.6 GDi and 1.6 T-GDi petrol engines, plus a CRDi diesel engine that's available as either a 1.7 litre or a 2 litre version with a significant turn of power. The 1.7 CRDi and

1.6 T-GDi DCT variants couple the convenience of an automatic with the versatility of a manual; arriving with enhanced efficiency due to its Dual Clutch Transmission gearbox. When it comes to efficiency, Intelligent Stop and Go (ISG) on Blue Drive models turns off the engine when the car comes to a standstill, then switches it on again as soon as you press the clutch. It'll change the way you drive, with less time at the pumps and more enjoyment on the open road.

Cutting edge technologies that change the way you drive.

The Tucson will ensure every minute is a driving pleasure. With features to help, entertain and guide you throughout, you'll be stress free when you pull up to your destination.

Start your journey with ease thanks to smart keyless entry with engine start/stop button on Premium SE. It means you don't need your keys in your hand to access the car and a touch of the start button when you're inside is all it takes to get going. DAB digital radio as standard ensures crystal clear sound quality when on the road — perfect for long trips. The satellite navigation system on SE Nav models and above, comes complete with an 8 inch touchscreen,

and LIVE Services* — including a 7 year subscription. This monitors real time traffic and directs you to the quickest route, so you'll arrive as soon as possible. When you reach your destination, the parking sensors and reversing camera will ensure you park without fuss. On the Premium SE auto, smart park assist steers you perfectly into parallel and right angled spaces. Just control the pedals and gears, and your Tucson will do the rest.

1. Autonomous Emergency Braking (AEB)
2. Blind Spot Detection System (BSD)

3. Rear Cross Traffic Alert (RCTA)
4. Lane departure warning system with lane keep assist

Tucson safety features, for total confidence on every trip.

Advanced technologies take care of every facet of your driving experience — including your safety. Intuitive technologies and countless safety innovations give you total peace of mind from the moment you set off.

The Tucson's high level of safety has seen it awarded a 5 star Euro NCAP rating, ensuring you'll always drive with assurance, knowing that we've got your back. Beyond the features you'd expect, like 6 strategically placed airbags and the Tyre Pressure Monitoring System, there are plenty of extra technologies to keep you safe. Autonomous Emergency Braking, available on Premium and Premium SE, works with a front-mounted radar and camera which scans the road ahead for vehicles or pedestrians, warning you if a potential collision is detected before automatically applying the brakes. Blind Spot Detection on Premium and Premium SE monitors

rear side areas, alerting you with a visual warning to vehicles or other objects entering your blind spots. If another vehicle is detected when you indicate, you'll hear an alert which is especially useful when reversing out of parking spaces. Lane Departure Warning System with Lane Keep Assist, on SE and above, monitors lane markings and gives visual or audible alerts if you cross lanes without indicating — slight force is also applied to the steering wheel if needed. Static Cornering Lights, available on SE and above, project a beam of light in the direction you want to travel, ensuring that night time cornering is as safe as it can be.

S Packed with cutting-edge technologies, there's nothing standard about this specification.

BLUE DRIVE MODELS BENEFIT FROM THE FOLLOWING FEATURE TO REDUCE CO₂ AND IMPROVE MPG:

- Intelligent Stop & Go (ISG)

SE + SE Nav Stylish and practical extra features enhance every drive, no matter the destination.

SE OFFERS THE FOLLOWING FEATURES OVER S:

- 17" alloy wheels
- Automatic de-fog system for front windscreen
- Climate control - dual zone
- Cruise control with speed limiter
- Door mirrors - electric adjustment and heated with power folding function
- Drive mode select (automatic transmission & DCT only)
- Driver's seat electric lumbar support
- Electric windows - front and rear with driver's anti-trap mechanism and one touch control
- Flex Steer (manual transmission only)
- Fog lights - front
- Full size alloy spare wheel (tyre repair kit on 1.6 GDi Blue Drive)
- Glove compartment - illuminated with cooling function
- Heated front seats
- Lane departure warning system with lane keep assist
- Leather wrapped steering wheel and gear knob
- LED rear lights
- Parking sensors - rear
- Projection headlights with static cornering lights
- Roof rails

SE Nav FEATURES OVER SE

- Skid plate front - silver
- Soft touch door top & centre trim
- 8" touchscreen satellite navigation with Traffic Messaging Channel, reversing camera, MapCare and LIVE Services
- Skid plate rear - silver (2.0 CRDi only)
- Speed Limit Information Function (SLIF)
- Twin exhaust finisher (2.0 CRDi only)

Sport Edition Stylish and practical extra features enhance every drive, no matter the destination.

SPORT EDITION OFFERS THE FOLLOWING FEATURES OVER SE NAV:

- 19" alloy wheels
- 4.2" TFT supervision cluster
- Automatic dimming rear view mirror with compass
- Automatic windscreen wipers with rain sensor
- Chrome effect beltline moulding
- Door mirrors - electric adjustment and heated with power folding function and puddle lamps
- Electric driver & passenger seat adjustment
- Full size alloy spare wheel (1.7 CRDi DCT and 1.6 T-GDi variants)
- Heated rear seats (outer rear seats only)
- Leather seat trim - black (seat facings only)
- Parking sensors - front and rear
- Privacy glass - solar glass with windscreen shade band
- Radiator grille - chrome effect
- Side body moulding - silver
- Skid plate rear - silver (1.6 T-GDi only)
- Space saver spare wheel (1.7 CRDi manual only)
- Sport Edition emblem
- Twin exhaust finisher (1.6 T-GDi only)

17" alloy wheels fitted to
1.7 CRDi manual

Premium The next level in safety to help you make the most of your journey.

PREMIUM OFFERS THE FOLLOWING FEATURES OVER SPORT EDITION:

- 19" alloy wheels (17" alloy wheels on 1.7 CRDi Blue Drive manual)
- Autonomous Emergency Braking (AEB)
- Blind Spot Detection (BSD)
- Electric parking brake (automatic and DCT transmission only)
- Full size alloy spare wheel
- Rear Cross Traffic Alert (RCTA)

PREMIUM REMOVES THE FOLLOWING FEATURES OVER SPORT EDITION:

* g/km = grams of emitted substance per kilometre travelled. CO₂ = Carbon Dioxide. † The results given above do not express or imply any guarantee of fuel consumption of any model to which this brochure refers. The driver's style and road traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption. ‡ Kerb Weight defined as the total weight of a vehicle with standard equipment (the minimum figure and factory fitted optional equipment (the maximum figure) and all necessary operating consumables such as oils, coolant, air conditioning refrigerant and a full tank of fuel, while not loaded with either driver, passengers or cargo. **Payload is the difference between the Gross Vehicle Weight and the Kerb Weight. †† Gross Vehicle Weight is the maximum allowable weight of the vehicle, fully loaded with passengers and cargo (The Payload) and includes the weight of the vehicle. ‡‡ The Gross Train Weight is the weight of the fully loaded vehicle plus a fully loaded trailer and must not be exceeded.

TUCSON DIMENSIONS

Hyundai Finance

Hyundai Finance provides a range of products to make the purchase of your Hyundai even more accessible. To meet your requirements, our plans are simple but offer you the same quality and flexibility as your new Hyundai. Applying for a finance plan through your local Hyundai dealer is easy and they will support you in choosing the right plan for your needs.

As a customer your satisfaction is at the heart of our business, and whilst you are able to manage your account online, we are only a phone call away should you require any help or assistance. We offer two main products to assist your car purchase:

CONDITIONAL SALE

Conditional Sale is a simple and traditional way to finance your car over a fixed period. You decide to fund the entire purchase price or put down a deposit and as your interest rate is fixed you'll pay the same amount each month. After all repayments have been made you'll own the car.

PERSONAL CONTRACT PURCHASE (PCP)

Personal Contract Purchase could make it easier for you to get behind the wheel of your Hyundai, it may also help you to change your car on a more regular basis.

The way it works is simple — you decide what level of deposit to pay. From nil, up to a maximum of 50%. You also decide your repayment period (typically 25, 37 or 49 months) and set your anticipated annual mileage. This will determine your optional final payment.

You will then make fixed monthly repayments based on the outstanding balance and interest, less your optional final payment, and at the end of your monthly repayment period you will have three choices: return, retain or renew.

RETURN: you can hand the car back to us with nothing further to pay (subject to fair wear and tear, and/or excess mileage charges may apply).

RETAIN: you can pay the optional final payment and the car is yours.

RENEW: you can part exchange the car, using any equity over and above the optional final payment as deposit on your next car (equity is anticipated, but this cannot be guaranteed).

T&Cs apply. Subject to status. Applicants must be 18 or over. Guarantee/Indemnity may be required.
Hyundai Finance, RH1 1SR

5 Year Unlimited Mileage Warranty

The passion and belief we have in the quality of our products mean we can offer an aftercare package to match. Visit your local Hyundai Authorised Repairer and we'll attend to you straight away, giving you a fully-inclusive quote for the work you've requested.

Only Hyundai-Trained Technicians will carry out this work, and we'll also check for any software updates to keep your car running smoothly. You can also be sure that we'll only use Hyundai Genuine Parts which have been thoroughly tested and approved. On collection, we'll explain your invoice and call you within 3 days of your appointment to check you're completely satisfied.

As the people who know your car best, the quality of our service is second to none.

5 YEAR UNLIMITED MILEAGE WARRANTY

A manufacturer-backed, unlimited mileage, 5 Year Warranty* protects your Hyundai against manufacturing defects** and is fully transferable to the next owner.

5 YEAR ROADSIDE ASSISTANCE

24 hour roadside assistance should you ever need it, anywhere in the UK or Channel Islands.

5 YEAR ANNUAL VEHICLE HEALTH CHECKS

A free, expert visual inspection by your Hyundai dealer on key areas of your car, to help sort any problems and ensure trouble-free motoring.

ADDITIONAL AFTERCARE

A 12 year Anti-perforation warranty against perforation of the bodywork, from the inside of the panel outwards.

* Hyundai 5 Year Warranty subject to Terms and Conditions see website Hyundai.co.uk.

** Vehicles used for taxi or private hire are covered by a 5 year, 100,000 mile warranty. Cover excludes fair wear and tear.

Motability Plans

The Motability plan will enable some of you to purchase a Hyundai at a preferential rate. If you receive the Higher Rate Mobility Component of the Disability Living Allowance, you're entitled to access this excellent scheme. In recognition of your requirements, many Hyundai models can be ordered on the 3 year Contract Hire Scheme.

You'll benefit from advantageous features like power steering, height-adjustable driver's seat and automatic gearbox, which all come as standard.

Most of our dealers are Motability Accredited, so just contact them and they'll be happy to help. If you'd like to read about the scheme in more depth, simply visit www.motability.co.uk

Ownership

We're always thinking about how to make owning a Hyundai an even more enjoyable experience, and with a Hyundai Service Plan you can relax, knowing your Hyundai's scheduled servicing is taken care of for up to 5 years*.

Being covered by a Hyundai Fixed Price Service Plan means:

- Your Hyundai's servicing is covered for your choice of 2, 3 or 5 years*
- Payment can be upfront, spread monthly or included in your finance agreement**
- Only trained Technicians will expertly assess and service your Hyundai
- Should any parts need replacing during your servicing, your Hyundai will be fitted with Hyundai Genuine Parts

For more information, simply contact your local Hyundai dealer or our Customer Services team, who will be happy to help.

* Time and mileage restrictions apply.

** Price varies according to model, fuel type and plan duration and includes VAT where applicable. Excludes seasonal checks. Terms and conditions apply.

Hyundai Click To Buy™

Hyundai Click To Buy™ is the smarter, easier way to purchase a new car. Innovation has always been part of our DNA, and now we've streamlined the buying process itself. With a few simple clicks you can trade-in your old car, configure your new Hyundai, arrange finance and pay a deposit — all from your computer, tablet or smartphone device.

For added flexibility you can pay in cash, and the delivery arrangements couldn't be simpler. You can choose to get it delivered at your home at a cost, or collect it in the evening or weekend from your local dealer.

You'll be admiring your Hyundai in double-quick time thanks to the latest example of our new-thinking philosophy.

MyHyundai

MyHyundai is a complimentary and exclusive owners' club with a variety of unique benefits that'll make your ownership experience even more enjoyable.

As well as amazing offers that range from incredible getaways to indulgent gifts, you'll also be able to set your own alerts and preferences, while storing all your car's details in one, easily-accessible place.

Staying In Touch

We're committed to offering you the very best. That means, as well as delivering impressive cars, we'll also deliver helpful advice and service, every step of the way. Simply contact us on **0800 981 981** or visit our website at www.hyundai.co.uk
