

All-New i30 **N**

Welcome to Hyundai. Welcome to Candoism.

Innovation is at the heart of what we do. We call it 'Candoism' and it keeps us focused on the future. We're proud of what we've achieved in a short space of time. Since launching our industry-leading 5 year unlimited mileage warranty, we've become one of the world's fastest growing car companies. We developed the world's first mass produced zero-emission Hydrogen Fuel Cell vehicle and we recently launched IONIQ – the only car available in hybrid, electric and plug-in hybrid options. We've also revolutionised the buying experience with Click to Buy – our clever website which allows you to buy your next Hyundai from the comfort of your sofa. So what happens next? The answer is inspired by you, our customers, because our next innovation will happen with you in mind. For us 'done' will never be 'done' – we're always excited to start again. Welcome to Candoism. Welcome to Hyundai.

Born in Namyang,
honed at the Nürburgring.
With a logo that symbolises
a racetrack's chicane,
i30N embodies the true
spirit of driving.

Explore racetrack dynamics on every trip.

Engineered to get your heart pumping and your pulse racing, the i30N delivers above and beyond your expectations, every time you step inside.

The All-New i30N was created for maximum enjoyment on the open road. Every aspect has been meticulously engineered to combine raw power with comfortable daily commuting. Built in the sweet spot where performance meets practicality, it's capable of delivering a serious kick. Truly a sports car for every day, it'll help you make the most of each moment behind the wheel.

Designed to turn heads.

The i30N's sporty design elements and low-slung body perfectly reflect its credentials. Whether it's on the road or parked in your driveway, its striking appearance will always turn heads.

The i30N makes a powerful statement right from the outset. Commanding your attention from the front is an aggressive bumper with large air intakes and a unique, stylish Cascading Grille and N logo. It also features exclusive 18" or 19" wheels embossed with the N logo, plus high-performance brakes with stylish red N calipers.

A mix of form and function.

The i30N was built to impress, but its dynamic form follows even more impressive functionality. Designers and aerodynamic specialists came together to build a model that excels in every area.

Agile cornering meets eye-catching style. The double-deck rear spoiler with integrated triangular brake light helps to increase downforce and give you more grip through fluid corners – minimising lift and maximising fun. The striking LED rear combination lamps match the aggressive front-end design, highlighting its distinctive rear view.

Sporty style meets premium comfort.

The i30N delivers on every level by providing an experience that cleverly combines sporty style with laid-back comfort. Enter the cockpit and enjoy the ride.

Enter the i30N and feel its motor sport roots instantly. The uniquely designed high-performance N sport seats keep you in control and comfort, thanks to power lumbar support and extendable seat cushions. Featuring the N logo and stylish blue contrast stitching, they're available in a suede and leather combination or full cloth. The sporty character of the interior is further enhanced by the high-quality materials and dark metal inserts that can be found throughout.

Connect at all times.

Keep in touch on the open road thanks to a range of cutting-edge features designed to integrate with your innovative tech.

Make the most of seamless connectivity, including an 8" touch screen display that makes everything easily accessible with Apple CarPlay™ and Android Auto™. Get to your destination with a minimum of fuss thanks to the navigation system that includes LIVE Services. Plus, there's even a centrally-located wireless charging pad for easy, cable-free, smartphone charging.

Every drive is a new thrill.

The blistering performance of the i30N will have you itching to get behind the wheel. Its spine-tingling fun-factor means there's always new terrain to discover. You'll never want your journey to end.

The i30N is driven by a highly responsive 2.0L direct-injection turbo engine, providing significant power up to 275 HP. Featuring an overboost function that temporarily increases torque by 7%, the i30N is equipped with front-wheel drive and a six-speed manual transmission with a carbon synchronizer ring and a strong clutch. Short shift travel helps with fast-shifting, delivering lightning-fast responsiveness for a sportier feeling to your everyday life.

Agile handling, total control.

Enjoy a unique carving feel through each corner thanks to advanced technologies which improve your grip and stability. It's engineered for maximum fun.

Equipped with an impressive array of high-performance components that provide world-class cornering ability, the i30N is renowned for its agile handling. Direct and highly-precise, rack-mounted, motor-driven power steering arrives alongside the Direct and highly-precise, rack-mounted, motor-driven power steering arrives alongside E-LSD, gives you optimum handling at all times.

Born on the track, ready for the road.

With a wide range of racetrack features for enhanced performance, the i30N is ready for anything. Tested in extreme temperatures and extreme locations, it's always raring to go.

On the track, Launch Control helps to launch the car from standstill by controlling the engine torque. The rev matching feature automatically increases the revs on the engine when shifting so you can enjoy smoother and faster downshifts. Finally, the Overboost improves acceleration performance for a short time – perfect for getting your day off to the best possible start.

Power at your fingertips.

The i30N puts you right in control. Its intuitive layout helps you make tiny adjustments along the way, so you can make the most of every minute.

Inside the i30N, there's everything you need to control the power and comfort level. It's all right at your fingertips. Dial up the attention factor by tweaking the sound of the exhaust, or adapt to the road by adjusting the stiffness of the suspension. You can customise your experience – all at the push of a button.

Highest performance from A to B.

Enjoy an extra personal touch by creating your own custom set-up. You'll pick your destination and then decide exactly how you want to get there.

In the N Custom mode, you can select the powertrain and chassis settings for each area. You can programme each high performance component to match your style and the type of adventure you're on. Tailor it as you wish, and adapt it whenever you need.

Data driven performance.

The i30N cockpit is as much about you as it is about the car. The ergonomics are completely driver-focused. The High Performance Driving Data function allows you to display track data on the optimally-positioned floating touch screen. Featured driving data includes all the statistics you'll ever need – including HP, torque, turbo boost and G-force, as well as a lap and acceleration timer.

Heading to work or driving on your favourite curvy back road? Depending on your mood and the road conditions, you can choose between 5 drive modes: Eco, Normal, Sport, N and N Custom.

The N steering wheel puts all the driving performance features right at your fingertips. Choose your drive mode or activate rev matching for more fun at the push of a button. Hit the N Button for maximum performance.

Driving modes.

At the push of a button you can select from five distinct driving modes to match your mood. Each different mode changes the character of the i30 N in its own unique way. Adjust the parameters of the engine, the dampers of the electronically controlled suspension, electronic stability control (ESC), engine sound, steering and rev matching.

Stay safe with Hyundai SmartSense.

With Hyundai SmartSense, our cutting-edge Advanced Driver Assistance Systems, the i30N comes with the latest active safety technology. It's built to provide you and your passengers with optimum safety for extra peace of mind.

Lane Keeping Assist (LKA). At speeds over 37 mph the system alerts the driver about unsafe movements. In case of an unintended lane departure, it will warn the driver and can apply counter steering torque to guide the car back to a safe position.

Autonomous Emergency Braking (AEB). Automatically applies partial or maximum braking force if a potential collision is detected.

Driver Attention Warning (DAW) . This standard feature raises safety and convenience to an entirely new level by continuously monitoring and analysing driving patterns. When a pattern of fatigue or distraction is identified, DAW gets the driver's attention with an audible alert and pop-up message suggesting a break.

Emergency Stop Signal (ESS). ESS helps warn surrounding traffic when emergency braking on the i30N is detected.

Hyundai Finance

Hyundai Finance provides a range of products to make the purchase of your Hyundai even more accessible. To meet your requirements, our plans are simple but offer you the same quality and flexibility as your new Hyundai. Applying for a finance plan through your local Hyundai dealer is easy and they will support you in choosing the right plan for your needs.

As a customer your satisfaction is at the heart of our business, and whilst you are able to manage your account online, we are only a phone call away should you require any help or assistance. We offer two main products to assist your car purchase:

CONDITIONAL SALE

Conditional Sale is a simple and traditional way to finance your car over a fixed period. You decide to fund the entire purchase price or put down a deposit and as your interest rate is fixed you'll pay the same amount each month. After all repayments have been made you'll own the car.

PERSONAL CONTRACT PURCHASE (PCP)

Personal Contract Purchase could make it easier for you to get behind the wheel of your Hyundai, it may also help you to change your car on a more regular basis.

The way it works is simple — you decide what level of deposit to pay. From nil, up to a maximum of 50%. You also decide your repayment period (typically 25, 37 or 49 months) and set your anticipated annual mileage. This will determine your optional final payment.

You will then make fixed monthly repayments based on the outstanding balance and interest, less your optional final payment, and at the end of your monthly repayment period you will have three choices: return, retain or renew.

RETURN: you can hand the car back to us with nothing further to pay (subject to fair wear and tear, and/or excess mileage charges may apply).

RETAIN: you can pay the optional final payment and the car is yours.

RENEW: you can part exchange the car, using any equity over and above the optional final payment as deposit on your next car (equity is anticipated, but this cannot be guaranteed).

T&Cs apply. Subject to status. Applicants must be 18 or over. Guarantee/Indemnity may be required. Hyundai Finance, RH1 1SR

5 Year Unlimited Mileage Warranty

The passion and belief we have in the quality of our products mean we can offer an aftercare package to match. Visit your local Hyundai Authorised Repairer and we'll attend to you straight away, giving you a fully-inclusive quote for the work you've requested.

Only Hyundai-Trained Technicians will carry out this work, and we'll also check for any software updates to keep your car running smoothly. You can also be sure that we'll only use Hyundai Genuine Parts which have been thoroughly tested and approved. On collection, we'll explain your invoice and call you within 3 days of your appointment to check you're completely satisfied.

As the people who know your car best, the quality of our service is second to none.

5 YEAR UNLIMITED MILEAGE WARRANTY

A manufacturer-backed, unlimited mileage, 5 Year Warranty* protects your Hyundai against manufacturing defects** and is fully transferable to the next owner.

5 YEAR ROADSIDE ASSISTANCE

24 hour roadside assistance should you ever need it, anywhere in the UK or Channel Islands.

5 YEAR ANNUAL VEHICLE HEALTH CHECKS

A free, expert visual inspection by your Hyundai dealer on key areas of your car, to help sort any problems and ensure trouble-free motoring.

ADDITIONAL AFTERCARE

A 12 year Anti-perforation warranty against perforation of the bodywork, from the inside of the panel outwards.

* Hyundai 5 Year Warranty subject to Terms and Conditions see website Hyundai.co.uk.
** Vehicles used for taxi or private hire are covered by a 5 year, 100,000 mile warranty. Cover excludes fair wear and tear.

Motability Plans

The Motability plan will enable some of you to purchase a Hyundai at a preferential rate. If you receive the Higher Rate Mobility Component of the Disability Living Allowance, you're entitled to access this excellent scheme. In recognition of your requirements, many Hyundai models can be ordered on the 3 year Contract Hire Scheme.

You'll benefit from advantageous features like power steering, height-adjustable driver's seat and automatic gearbox, which all come as standard.

Most of our dealers are Motability Accredited, so just contact them and they'll be happy to help. If you'd like to read about the scheme in more depth, simply visit www.motability.co.uk

Ownership

We're always thinking about how to make owning a Hyundai an even more enjoyable experience, and with a Hyundai Service Plan you can relax, knowing your Hyundai's scheduled servicing is taken care of for up to 5 years*.

Being covered by a Hyundai Fixed Price Service Plan means:

- Your Hyundai's servicing is covered for your choice of 2, 3 or 5 years*
- Payment can be upfront, spread monthly or included in your finance agreement**
- Only trained Technicians will expertly assess and service your Hyundai
- Should any parts need replacing during your servicing, your Hyundai will be fitted with Hyundai Genuine Parts

For more information, simply contact your local Hyundai dealer or our Customer Services team, who will be happy to help.

* Time and mileage restrictions apply.

** Price varies according to model, fuel type and plan duration and includes VAT where applicable. Excludes seasonal checks. Terms and conditions apply.
