

FORD ECOSPORT

With its elegant design, impressive integrated technologies and choice of economical engines, Ford EcoSport delivers everything you need for a dynamic driving experience.

AN ECOSPORT

For a heightened sense of adventure, the **Active** ticks all the right boxes. Rugged SUV-inspired styling and an elevated driving position give this model its bold personality.

LUXURY

Superior quality materials and additional technologies give **Titanium** greater levels of sophistication and comfort, complemented by unique styling elements and a focus on detail.

FOR YOU

The eye-catching aesthetics of a performance-line vehicle make **ST-Line** stand out in a crowd, while the sports-inspired interior and unique ST-Line branding emphasise its distinctive character.

1 EXPLORE

ECOSPORT ACTIVE

With its rugged, SUV-inspired exterior styling, distinctive interior finishes and advanced technologies, the new EcoSport Active is designed to help you break free from the routine.

Seamlessly blending form with function, it delivers a crossover that's bold yet sophisticated. Distinguished by its distinctive Agate Black roof and mirror caps, front and rear skid plates, wider wheel arches with exclusive 17" 5-spoke Shadow Black alloy wheels, and mesh front grille, EcoSport Active is made for the city and built for adventure.

EcoSport Active shown with Luxe Yellow metallic body colour (option) and Agate Black contrasting roof.

EcoSport Active shown with Luxe Yellow metallic body colour (option) and Agate Black contrasting roof.

THE PLACE TO BE

The EcoSport's sophisticated interior surrounds you with eye-catching design, beautifully crafted materials and sumptuous comfort features. While an array of advanced technologies are at your command, such as Electronic Automatic Temperature Control (EATC), Blind Spot Information System (as part of the optional Driver Assistance Pack), automatic headlights, plus SYNC 3 with voice control (standard), taking care of all the little details so you can concentrate on enjoying the drive.

- Control music, navigation, phone calls and text messaging using only your voice
- Automatic headlights are designed to detect failing levels of natural light and activate your headlights for you

Heated steering wheel

Easily activated at the push of a button, EcoSport's heated steering wheel provides an additional layer of comfort between you and the cold outside (available as part of the optional Winter Pack).

Vehicle shown features accessories, available at extra cost.

*Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones.

EcoSport Active shown with Ford Power starter button and B&O Sound System (both available as part of the optional X-Pack).

| SYNC

1 EXPLORE

CONNECTED AND IN CONTROL

FORD SYNC 3

Available Ford SYNC 3 integrates seamlessly with your smartphone to make communication and navigation effortless*. You can control SYNC-compatible apps with AppLink, while Apple CarPlay and Android Auto let you use the 8" colour touchscreen as if it were your smartphone handset. Using the touchscreen or simple voice commands, you can make calls, write and listen to text messages, and control your music and satellite navigation.

FORDPASS CONNECT

The FordPass Connect modem that's built into your car enables a range of features designed to make driving easier and more enjoyable**. These include Live Traffic† that delivers up-to-date traffic information to your SYNC 3 Navigation system, and Local Hazard Information†† that can warn you of upcoming hazards before they are encountered. In the event of an accident, Emergency Assistance‡ automatically places a call with the emergency services and shares your location. While for optimum connectivity, it also provides on-board Wi-Fi*** for a maximum of ten devices.

FORDPASS APP

Get the most from your connected car experience with the FordPass app®, from smart remote features to detailed vehicle health reports, the FordPass app lets you access even more functions via your smartphone. For peace of mind, you can lock or unlock your vehicle wherever you are, and even defrost the windscreen and activate the heated seats and heated steering wheel (where fitted) on a cold winter's morning.

Health Alerts send important information, such as tyre pressure and fuel level warnings, direct to your phone.

Other FordPass app features include My Journeys, that can record your trips and deliver tailored insights on how to optimise your driving technique. Each journey is tracked and stored, allowing you to compare by distance, duration, and more. You can log your journeys under personal or business categories and export the data. The app can also provide useful feedback on how to drive more efficiently, by showing you where you've braked too suddenly, accelerated too fast, or cornered too harshly.

FordPass also helps with security; you'll receive a notification if your car's alarm is activated, no matter where you are. The SecuriAlert mode feature takes security a step further and alerts you on your smartphone of any unauthorised access attempts – even with a stolen or duplicate key.

Connect your EcoSport to FordPass.

Please note: Full SYNC 3 smartphone integration is only available with iPhone 5/Android 5.0 (Lollipop) or higher. 100% connected. Only AppLink would incur charges. To check whether Apple CarPlay and Android Auto are available in your market, please check official Apple CarPlay and Android Auto websites for the latest information. Map updates are complimentary for a limited time following vehicle registration.

*Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones.

**The on-board modem will be connected at the time of vehicle delivery. You may choose to opt in/out of certain data sharing. Where available, FordPass Connect remote features are complimentary for 10 years, thereafter a subscription may be payable.

†Live Traffic access is complimentary for the first 12 months following the registration of a new Ford featuring SYNC 3 with navigation; thereafter a licence subscription is required.

††Local Hazard information is complimentary for the first 12 months following the purchase of a new Ford with certain driver information modules; thereafter a licence subscription is required.

‡Emergency Assistance shares vehicle location and helps the occupants initiate a call in their respective language to the local Communications Centre, following a vehicle crash event involving an airbag deployment or fuel pump shut off. The feature operates in more than 40 European countries and regions.

***FordPass app, compatible with select smartphone platforms, is available via a download. Message and data rates may apply.

IT SOUNDS LIVE WITH B&O

B&O

Whatever your taste in music, from classic tracks to modern anthems, it deserves to sound the way the artists intended. Ford's exciting new 675 watt, 10-speaker audio system from B&O delivers exactly that. Designed and fine-tuned for the EcoSport by specialist B&O acoustic engineers, it elevates the experience of every journey. And the distinctive speaker designs perfectly complement the EcoSport's stylish interior (available as part of the optional X Pack).

- Model specific sound calibration
- 10-speaker premium sound system
- Dual voice subwoofer
- Surround sound
- 675 W power output
- Unique B&O design

EcoSport Titanium shown with the optional X Pack Solar Silver premium body colour paint.

1 EXPLORE

ESCAPE THE ROUTINE

ECOSPORT ACTIVE

Get away from it all in style and comfort with the EcoSport Active. Blending SUV-inspired design with advanced technology, it delivers a cabin that's rugged yet sophisticated. Inside, you'll find bespoke seats with contrast stitching. Durable materials ensure it is ready for the toughest road trips. While eye-catching features, like a contrast roof and door mirror housings, unique wheel arch cladding and 17" 5-spoke Shadow Black alloy wheels help you to stand out, wherever the road takes you.

EcoSport Active shown with Partial Sensico with leather inserts and blue stitching (standard).

1 EXPLORE

STYLED FOR SPORT

ECOSPORT ST-LINE

ST-Line delivers all the dynamic practicality of the Ford EcoSport, with additionally eye-catching sports inspired style. Unique ST-Line bumpers and side skirts, Dark Tarnish alloy wheels, ST-Line exterior branding, plus contrasting roof, rear spoiler and door mirrors – all contribute to the car's unique blend of usability and head-turning good looks.

And this distinctively stylish image echoes through the ST-Line interior – with its unique ST-Line leather-trimmed steering wheel, black gearshift insert and stainless steel sports pedals, all emphasising the sports inspired character of its design.

EcoSport ST-Line shown with 18" 5-spoke Shadow Black high-gloss alloy wheels (option), with optional Fantastic Red body colour and optional contrasting roof in Agate Black.

Quickclear heated windscreen

A heated element built into the windscreen is designed to clear the glass of frost and condensation, even on the coldest mornings. (Standard)

Traffic Sign Recognition

Traffic Sign Recognition¹⁾ can identify signs at the side of a road, or above it, fixed or temporary. The relevant icon will be displayed in the instrument cluster to alert you. (Standard)

¹⁾Driver Assistance feature.

Note Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle.

Blind Spot Information System

Blind Spot Information System (BLIS) is designed to alert you via discreet warning lights built into the driver and passenger's door mirrors, when it detects another vehicle – car, van or lorry – entering your blind spot while driving (available as part of the optional Driver Assistance Pack).

²⁾Uses sensors. ¹⁾Driver Assistance feature.

Note Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle.

Front and rear parking distance sensors

With Ford EcoSport you won't have to pass by those more challenging parking spaces. An audible warning helps you judge the distance between your car and obstacles at the back, for easier parking and manoeuvring. (Front parking sensors are available as part of the optional Driver Assistance Pack. Rear parking sensors are standard)

Detachable tow bar

For extra transport and stowage capability, the tow bar can tow up to 1,100 kg* depending on engine. The tow bar can be detached if not in use. (Option and accessory)

*Maximum towing varies based on cargo, vehicle configuration, accessories and number of passengers.

Pre-Collision Assist

If Pre-Collision Assist²⁾ detects a slow-moving or stationary object ahead, it first displays a warning and then sounds a chime. If you don't steer or press your foot on the brake, the system will automatically apply the brakes to reduce the severity of and, in some cases, eliminate frontal collisions. (Standard)

²⁾Uses sensors. ¹⁾Driver Assistance feature.

Note Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle.

Note Sensico® is a Ford EU trademark for premium man-made leather developed for automotive interiors. As a vegan upholstery, it combines a premium, soft feel, is durable and looks great. Maintenance friendly it is easy to clean and protected against stains and odour. With a high-quality appearance Sensico® feels not only great sitting on during a long journey but gives also a good conscience since it is not animal based. It is the peace of mind design for modern, aspiring car drivers.

Note All alloy wheels are available as accessories through your Ford Dealer at extra cost. Visit ford-accessories.com

SPECIFICATIONS

Get to know your new Ford EcoSport inside and out, from its intelligent engine technology to its generous equipment levels.

Ford EcoSport

Available with a choice of Ford EcoBoost petrol engines and front-wheel drive

PERFORMANCE

Variable-fold split rear seats

Fold down the 60:40 split rear seats and you get 1,238 litres of space in the back.

4 SPECIFICATIONS ENGINES

ENGINEERED FOR ECONOMY

EcoSport is available with a 125 PS or 140 PS version of Ford's multi-award winning 1.0-litre Ford EcoBoost petrol engine delivering up to 47.9 mpg* fuel efficiency and from 135 g/km* CO₂ emissions. Both versions drive the front wheels through a smooth-shifting six-speed manual transmission. For further fuel efficiency and emissions information, please see the specification tables.

*WLTP correlated official test figures. Actual fuel consumption may differ. See Fuel & Performance section for more information.

Fuel, performance and emissions

The fuel consumption and CO₂ emission figures shown in the table are derived from theWorldwide Harmonised Light Vehicle Test Procedure (WLTP). These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted, variations in weather, driving styles and vehicle load. The figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. You can also use Ford's online configurator to build and customise a new Ford vehicle: www.ford.co.uk/configurator. The configurator provides information about your configured vehicle's fuel consumption and CO₂ emissions (these are also WLTP test figures)

*In 4th gear. **Ford test figures. ^{oo}The declared Fuel/Energy Consumptions, CO₂-Emissions and Electric range are determined according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EU) 2017/1151 as last amended. Light Duty Vehicles type-approved using the World Harmonised Light Vehicle Test Procedure (WLTP) have Fuel/Energy Consumptions and CO₂-Emission information for both New European Drive Cycle (NEDC) and WLTP. WLTP is a new, more realistic test procedure for measuring fuel consumption and CO₂ emissions and will fully replace the NEDC latest by end of the year 2020. The applied standard test procedures enable comparison between different vehicle types and different manufacturers. The applied standard test procedure enables comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO₂ emissions and electric range. CO₂ is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO₂ emissions which contain data for all new passenger car models is available at any point of sale free of charge or can be downloaded under <http://carfueldata.dft.gov.uk>
[#]Represents the lightest kerbweight assuming driver at 75 kg, full fluid levels and 90% fuel levels, subject to manufacturing tolerances and options, etc, fitted. The performance and economy of all models will be reduced when used for towing. Roof load weight limit is a maximum of 40 kg on all models.

PURCHASE

Getting behind the wheel of your next new Ford is simple, with a variety of finance options.

Build your vehicle

Build and personalise your vehicle online. Simply head to the Ford website, select your model, then choose your engine, body colour and extras. You'll be able to view the recommended price, and send your configuration to a Ford Dealer if you wish.

www.ford.co.uk/cars

Find a Dealer and request a test drive

You can search for a Ford Dealer by location or Dealer name on the Ford website, and request a test drive online. Simply fill in your details and your chosen Dealer will contact you to arrange a convenient time.

www.ford.co.uk/dealer-locator

Finance

When it comes to financing your vehicle, our size and expertise means we're well placed to provide you with a wide range of finance products.

Ford Credit* provides a range of finance products for your vehicle whether you are a private or business user.

Ford Lease^ specialises in contract hire and leasing and provides an alternative range of finance plans which can be tailored to suit your business.

For more information about our finance products visit **www.ford.co.uk/finance/ford-credit**

Ford Insure

Designed specifically for Ford owners, Ford Insure† offers value, simplicity and a range of benefits that really matter to you.

- Repairs by experts at one of our authorised Ford Repair Centres
- Guaranteed repairs for as long as you own your Ford
- Genuine Ford Parts and manufacturer-spec glass
- Courtesy car whilst your Ford is being repaired at an authorised repairer
- Free 24 hour emergency help lines
- Named Drivers earn a Ford Insure No Claims Bonus which can be used on any Ford Insure car insurance policy
- Up to 90 days cover to drive in Europe

www.fordinsure.co.uk

FordPass app

Unlock your car's full potential with the FordPass app. FordPass seamlessly connects you with your vehicle, keeping you moving in intelligent, intuitive ways. From optimising the route of your journey, self-diagnosing and sending you vehicle health alerts, pre-heating your vehicle before you get in, to helping you find your way back to your parked car on a map. It even removes the worry of whether you locked your car, thanks to Remote Lock and Unlock.

Ford Service

With Ford, the service doesn't end when you leave the showroom. Ford Service is designed to keep your Ford in great condition and help you make the most of your car throughout its life.

- Ford Online Service Booking
- Contactless servicing options, for your convenience and safety
- Comprehensive service and maintenance plans
- Use of genuine Ford parts for added peace of mind
- Ford-trained technicians using the latest diagnostic equipment and tools
- One call for everything Ford 0203 564 4444
- Ford Accident Management, service free to all drivers
- Up to 12 months' UK and European Roadside Assistance (at participating Dealers)

www.ford.co.uk/owner/owner-services/ford-service

Ford Protect

Extend your standard 3 year/60,000 miles warranty up to 5 years/100,000 miles (8-years/100,000 miles on most EV models) with Ford Protect. Key benefits include*:

- High flexibility in duration and mileage
- Cover against unexpected electrical and mechanical repair costs in the UK and Europe
- The price of covered parts and labour are guaranteed for the length of your plan

Ford Protect New Vehicle Warranties are transferable to the new owner should you decide to sell your vehicle.

www.ford.co.uk/owner/my-vehicle/warranties

*Ford Protect terms and conditions apply. Please call 03702 416 726.

Ford Protect Service Plans

With various payment options available, you can cover the cost of your recommended scheduled services for up to 4 years from the day your new Ford is delivered. This can work out cheaper than paying for individual services and gives you added benefits:

- Ford Assistance – your UK and European Roadside Assistance will be increased to the length of your plan
- Vehicle hire – in the event that we can't finish any warranty work within 24 hours, we'll lend you a courtesy car for up to 7 days**
- A full Ford Service History, which may enhance your car's resale value

Illustrations, descriptions and specifications. This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and recommended prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of products from our suppliers. Fitment of accessories may have an impact on your vehicle's fuel consumption. ★ The identified accessories are carefully selected third party supplier branded accessories which do not come with a Ford warranty but are covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. The iPod word mark and logos are the property of Apple Inc. Other trademarks and trade names are those of their respective owners. **Note.** Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.

The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular vehicle. The vehicles themselves have not been tested and there are inevitably differences between individual vehicles of the same model. In addition, a vehicle may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.
